

**Give your script the protection it
deserves with the industry
standard—the de Forest Report™
from Thomson & Thomson.**

From leading industry professionals to Errors and Omissions insurers—the entertainment industry relies on Thomson & Thomson as the most trusted source of intellectual property research.

extensive in-house entertainment library, our researchers analyze scripts for:

- Feature films
- Television series and pilot episodes
- Movies made for television
- Animated works
- Web programs
- Games
- Other creative works

You've thought about your title. What about your script?

In addition to the industry's largest collection of trademark, copyright and title research products, Thomson & Thomson offers the de Forest Report™. Produced since 1952, it's the industry standard for script research, renowned for its quality, and its ability to reduce the risk of litigation and help secure E&O insurance.

It's a reputation that's well deserved. Thomson & Thomson researchers are the most experienced in the industry. And they have access to the most extensive intellectual property and trademark data available. Using a unique combination of online databases, directories and reference books, as well as a proprietary database of names and an

Don't risk trusting your creative work to anyone other than the best. Call 800-431-8133 today for more information or a free quote for your project.
