

DESIGN PATENT OF THE UNITED DAUGHTERS OF THE CONFEDERACY

OCTOBER 25, 1977.—Referred to the House Calendar and ordered to be printed.

MR. KASTENMEIER, from the Committee on the Judiciary,
submitted the following

REPORT

[To accompany S. 810]

[Including cost estimate of the Congressional Budget Office]

The Committee on the Judiciary to whom was referred the bill (S. 810) granting an extension of patent to the United Daughters of the Confederacy, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

PURPOSE OF THE BILL

The purpose of S. 810, is to extend and renew design patent No. 29611, the insignia of the United Daughters of the Confederacy, for a period of 14 years from the date of enactment of the legislation.

STATEMENT

The design patent for the emblem of the United Daughters of the Confederacy was originally issued on November 8, 1898. It was subsequently renewed and extended in 1926, 1941, and 1963. The most recent extension will expire on December 18 of this year.

Although the Department of Commerce generally opposes the extension of patents, it has long expected the extension of design patents for emblems of religious, patriotic and fraternal organizations, from this policy.

S. 810 passed the Senate on May 13, 1977.
