UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

NOTICE OF RIGHT TO CONSENT TO DISPOSITION  
OF A CIVIL CASE BY A UNITED STATES MAGISTRATE

In accordance with the newly-enacted "Federal Magistrates Act of 1979" (Public Law 96-82, October 10, 1979, Section 636(c) of Title 28, U.S.C., the parties may consent, by written request, that "any or all proceedings in a jury or nonjury civil matter" may be conducted by a "magistrate who serves as a full-time judicial officer." This civil jurisdiction includes entry of judgment at the conclusion of trial and "appeal directly to the appropriate United States Court of Appeals...in the same manner as an appeal from any other judgment of a district court." In the alternative, the consent of the parties may reserve "an appeal on the record to a judge of the district court in the same manner as an appeal from a judgment of the district court to a court of appeals."

All full-time magistrates have been specially designated to exercise jury or non-jury civil jurisdiction in the Northern District of California.

When plaintiff files a complaint, the clerk, as required by 28 U.S.C., § 636(c)(2), shall provide forms of consent (attached to this notice). Plaintiff shall complete the selected form at the time of filing or at any time within 10 days of such filing, and mail it directly to the clerk. The clerk shall also staple

copies of the consent to the summons which is served upon parties named as defendants. They shall complete the appropriate consent form within 10 days of receipt of service and also mail it to the clerk.\*

Consent of the parties shall be voluntary and shall be communicated directly to the Clerk of the United States District Court. Neither a district judge nor a magistrate will attempt to persuade or induce a party to give consent to a reference of the case to a magistrate.

\*At any time after proceedings are commenced, the parties may stipulate that a magistrate may conduct a civil bench or jury trial and submit such stipulation to the assigned judge in accordance with the provisions of LR 405(k). In his discretion, the judge may refer the matter to a magistrate pursuant to the stipulation.
