Notice

MEMORANDUM

May 18, 1938

Remitter: Tinius Olsen Testing Machine Co. (29352)

Title: "Olsen Testing Machines and Instruments Bulletin No. 1"

Question: Adequacy of copyright notice.

Near the bottom of the title-page appears the following statement:

"Manufactured by
TINIUS OLSEN TESTING MACHINE CO.
500 North Twelfth Street
Philadelphia, Pa., U.S.A."

Copyright 1938

Printed in U.S.A.

It is the opinion of Mr. Smith and Mr. Wise that this is an adequate copyright notice and registration should be made as applied for. Mrs. Brady, on the other hand, feels that the notice is inadequate in that the name is not in juxtaposition to the other elements of the notice, and also the name of the copyright owner is preceded by the statement "Manufactured by."

Respectfully submitted,

W. E. Wise

Chairman, Revisory Board

Register by order of Mr. Howell 5/19/38.
