

MP-132

Notice

MEMORANDUM

July 1, 1938

Remitter: Carroll Tillman (38557) - Class A.

Title: "Phillips Petroleum and Its Brilliant Substitute"

Question: Adequacy of copyright notice.

The full title appears on the cover of the pamphlet and likewise on page (6) of the pamphlet. The copyright notice is printed on page (3) without additional text matter. It is the opinion of Mrs. Brady and Mr. Smith that the Revisory Board is bound by the Instructions of Colonel Bouvé and can only reject the application. Mr. Wise, on the other hand, feels that the notice should be accepted since it is in a position that will be discovered upon a mere casual examination of the copies.

Respectfully submitted,

W. H. Wise

Chairman, Revisory Board

Enter by order of Mr. Howell. 7/5/38. Strikes the eye as soon as opened.
