It is the opinion of Mr. Smith and Mr. Wise that the copyright notice is acceptable, and that registration should be made accordingly--a letter suggesting that the name should be included on the same line as the copyright notice being in order. Mrs. Brady, on the other hand, feels that the notice is inadequate, and that the claim of copyright should be rejected.

Respectfully submitted,

Chairman, Revisory Board

Enter by order of Mr. Howell. "Notice acceptable, however, doubtful, and they should be so informed. The name should follow the notice."

In the case of "It's Here! Spear's Great Fall Sale" reject.
