Title: "Check Your Car Needs Attention Lubrication Guarantee"

Question: Adequacy of Copyright Notice

The notice of copyright in the case of the work entitled "Check Your Car Needs Attention Lubrication Guarantee (and Worksheet)" reads: "Cpr 1938 the Pennzoil Company." Mr. Smith and Mrs. Rafter vote for rejection of the application on the ground that the copyright notice is inadequate in that the abbreviation "Copr." does not appear in the notice, the "o" having been omitted from the abbreviation used. Mr. Wise is in favor of registration. This seems obviously an error of the printer, and it is his opinion that registration should be made as applied for and the applicant promptly advised of the printer's error with the suggestion that all copies not distributed be promptly corrected.

Respectfully submitted,

W. E. Wise

Chairman, Revisory Board
