Title: "Odor Removal Problems Solved"

Question: Adequacy of copyright notice

In the lower lefthand corner of the page in small type appears the statement "Copyright 1938." Four or five spaces above this centered in large letters is the name "Consolidated Air Conditioning Division W. B. Connor Engineering Corp."

It is the opinion of Mr. Wise and Mr. Smith that the elements are so associated as to constitute a copyright notice and that registration should be made as applied for. On the other hand, Mrs. Rafter feels that the notice is fatally defective in that the name of the copyright owner does not follow immediately the statement "Copyright 1938."

Respectfully submitted,

W. E. Wise

Chairman, Revisory Board

Note--Enter by order of Mr. Howell 4/11/38, but write concerning the correct form and position of the copyright notice.
