I. MANUAL FORMAT

BLEED TABS
A "bleed tab" on each page helps the user turn to the desired article quickly.

GENERAL PRINCIPLES
General principles that are considered of particular importance in helping the user understand the rationale for the detailed regulations that follow are presented at the beginning of appropriate articles.

DEFINITIONS AND APPLICATIONS
Following the general principles in most articles is a section in which definitions and applications are provided for a number of the more important words or terms used in that article.

DECIMAL NUMBERING WITH TOPIC HEADINGS
The decimal numbering system provides efficiency and flexibility. Section headings, to at least the fourth subsection level, and for further subsections where appropriate, assist the user in identifying the section content, thus facilitating ready access to pertinent regulations. This system also facilitates a "hanging indentation" presentation, which helps the reader relate the subsections to the basic section.

CONSTITUTION, ARTICLE 5

5.01 General Principles. [*]

5.01.1 Basis of Legislation. [*] All legislation of the Association that governs the conduct of the intercollegiate athletics programs of its member institutions shall be adopted by the membership in Convention assembled, or by the divisional governance structures as set forth in Constitution 4, as determined by the constitution and bylaws governing each division, and shall be consistent with the purposes and fundamental policy set forth in Constitution 1, and shall be designed to advance one or more principles such as those set forth in Constitution 2. *(Revised: 1/9/96 effective 8/1/97)*

VOTING REQUIREMENTS
Symbols for voting requirements appear after the title of the bylaw. See page ix for a complete explanation of all symbols. Each division's Manual contains legislation specific to the applicable division and does not contain legislation pertaining only to one or both of the other divisions.

II. ORGANIZATION OF THE NCAA MANUAL

Divisions I, II and III each have a separate Manual that contains legislation specific to the applicable division and does not contain legislation pertaining only to one or both of the other divisions. However, legislation that includes references to one or both of the other divisions will appear in its entirety. In addition, since each division's Manual does not contain legislation specific to the other division(s), some bylaws may have gaps in the numbering sequence.

III. VOTING REQUIREMENTS FOR MANUAL

The Manual attempts to present all regulations on a given subject in logical order. As a result, different paragraphs in the same sections may carry different voting requirements. The following terms define voting requirements currently in effect for sections in the Manual:

- **Dominant provision**—Legislation that is derived from the constitution in the 1988-89 Manual (the Manual format that was employed until the membership approved the revised format at the 1989 Convention). All such legislation is identified by an asterisk (*) and requires a two-thirds majority vote of the total membership (present and voting) for adoption or amendment.
- **Common provision**—Legislation that is derived from the common bylaws (9, 10, 12 and 13) in the 1988-89 Manual. All such legislation is identified by a pound sign (#) and requires a majority vote of each of the three divisions, voting separately, for adoption or amendment.
- **Federated provision**—Legislation that is derived from divided bylaws in the 1988-89 Manual. Such legislation can be adopted or amended by a majority vote of one or more of the subdivisions voting separately.
- **Division dominant**—A division dominant provision is one that applies to all members of a division and is of sufficient importance to the division that it requires a two-thirds majority vote of all delegates present and voting at a division’s annual or special Convention. Division dominant provisions are identified by a diamond symbol (◆).
- **Football Championship Subdivision dominant**—A Football Championship Subdivision dominant provision is a regulation that applies only to the Football Championship Subdivision and is of sufficient importance to the subdivision that it requires a two-thirds majority vote for adoption or to be amended pursuant to the legislative process set forth in Constitution 5.3. Football Championship Subdivision dominant provisions are identified by the initialization FCSD.

The Executive Committee is authorized to establish the voting requirement for any new section when the content or context does not clearly determine it. The authorization for this is set forth in Constitution 5.3.7.1.

IV. DE MINIMIS AND RESTITUTION VIOLATIONS

De Minimis – Violations of articles designated by a capital letter D in brackets and bold font “[D]” at the end of the legislative language shall be considered institutional violations per Constitution 2.8; however, the involved prospective student-athlete’s or student-athlete’s eligibility shall not be affected.

Restitution – For violations of articles designated by a capital letter R in brackets and bold font “[R]” at the end of the legislative language, if the value of the benefit provided to the individual (prospective or enrolled student-athlete) is \$100 or less, the eligibility of the individual shall not be affected conditioned upon the individual repaying the value of the benefit to a charity of his or her choice. The individual, however, shall remain ineligible from the time the institution has knowledge of the receipt of the impermissible benefit until the individual repays the benefit. A violation of such a provision remains an institutional violation per Constitution 2.8.1, and documentation of the individual’s repayment shall be forwarded to the enforcement staff with the institution’s self-report of the violation.

V. DIAGRAMS AND TABLES

Diagrams and tables are included as supplements to the text to help present the content of certain regulations in a clear and concise manner. They are presented as “Figures” and are listed on page vi. With the exception of Bylaw 17, all diagrams and tables related to a given article of the constitution or a particular bylaw have been placed at the back of the article or bylaw.

VI. LEGISLATION THAT IS SHADED/SCREENED

Legislation, incorporations of interpretations, editorial revisions and modifications of wording approved or adopted after August 1, 2012, are set off by a gray background and include an adoption or revision date.

VII. NOTATION OF LEGISLATION WITH DELAYED EFFECTIVE DATE

User Guide to Electronic Device Formats

QUARTERLY PUBLICATION

The Division I Manual is updated quarterly and available in electronic format. In addition to an interactive PDF, you can opt to download a version suitable for display on a number of mobile devices. This overview will help members who own “tablet” or “phone” readers, as well as those who prefer browser-based or PDF access to NCAA bylaws.

ACCESS AND DOWNLOAD

Point your browser to www.ncaapublications.com. Locate the latest (July, October, January or April) edition for the current academic year. We suggest that you first download the ePub Instructions PDF for the latest tips on access, synchronization and navigation on your device of choice. You will have the choice of directly downloading FREE documents, or adding multiple selections to the shopping cart. Once you complete the checkout procedure, you will receive download instructions via e-mail. Refer to the Device-Specific Tips at the end of this document.

ABOUT THE PDF FORMAT

The PDF version of the NCAA Manual has been engineered to provide fingertip access to the latest legislation. Once you locate the latest version of your Division Manual, click the Download button to view on either Adobe® Acrobat Reader or Professional. We suggest that you then click the SAVE icon and store a personal copy, to take better advantage of the extended features.

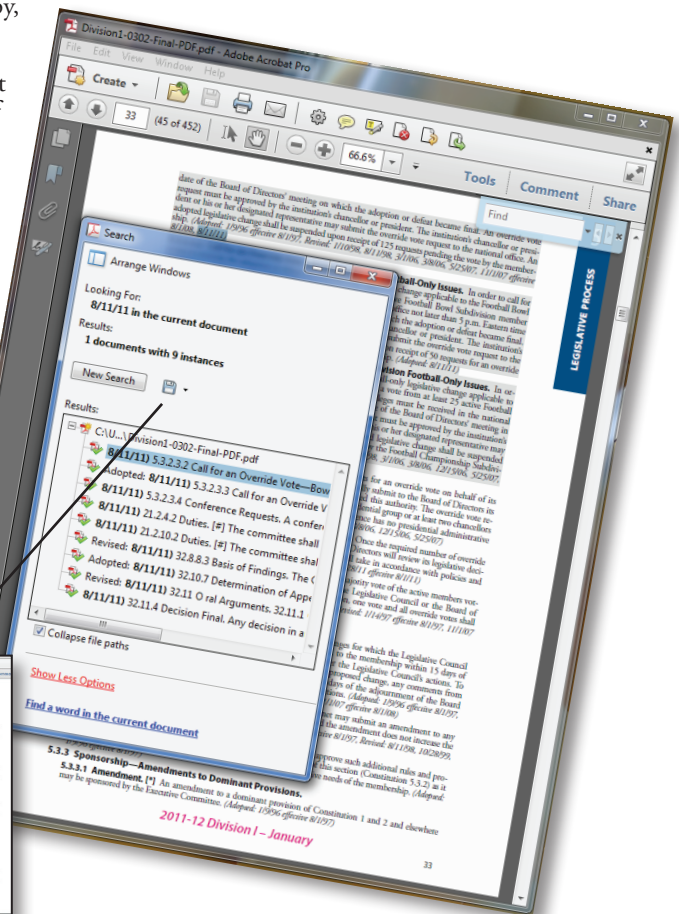

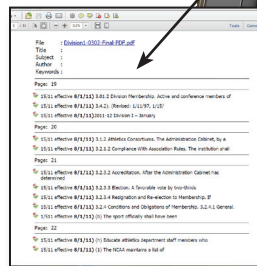

Note that this PDF version has “colored” tabs, to indicate that interactive features have been enabled, like hyperlinked Table of Contents and index pages. We also added a “watermark” to the footer of each page, so if you print excerpts of the documentation, you can later determine its origin.

Displaying Updated Bylaws in Your PDF

Using either Adobe® Acrobat Reader or Acrobat Pro, you can display a hyperlinked panel of all updated legislation:

1. Save the downloaded PDF for easy access.
2. Ctrl/Cmd+F to access the Find Panel.
3. Enter the desired “Adopted” or “Revised” Date (in our example, we use 8/11/11).
4. Next to the Search Term, you will see a “turn down” menu arrow with the “Open Full Acrobat Search” option.
5. The resulting panel display lets you hyperlink to the latest legislation.
6. To go a step further, click the “Save” icon near the top of the dialogue to create either a CSV (spreadsheet) or PDF reference file.

Export the search results into a spreadsheet or PDF file

Note: The specific examples are for the NCAA Division Manuals. Documentation is regularly updated to create the best reader experience for all ePubs, regardless of download source.

ABOUT THE ePUB FORMAT

The file (.epub) format available for download from the NCAA website can be read directly on a growing number of devices. The most prominent among those needing no “translation,” are the iPhone and iPad. Many others are listed at the following link: <http://www.epubbooks.com/ebook-readers>. Other reading devices, like the Amazon Kindle® and Blackberry® will require translation to their own required format. Devices like the Barnes&Noble Nook® require what we refer to as “clearing house” software. In other words, content that is not purchased from the reading device distributor needs to be “managed” on your computer, then made available to your personal reading device using a synchronization procedure.

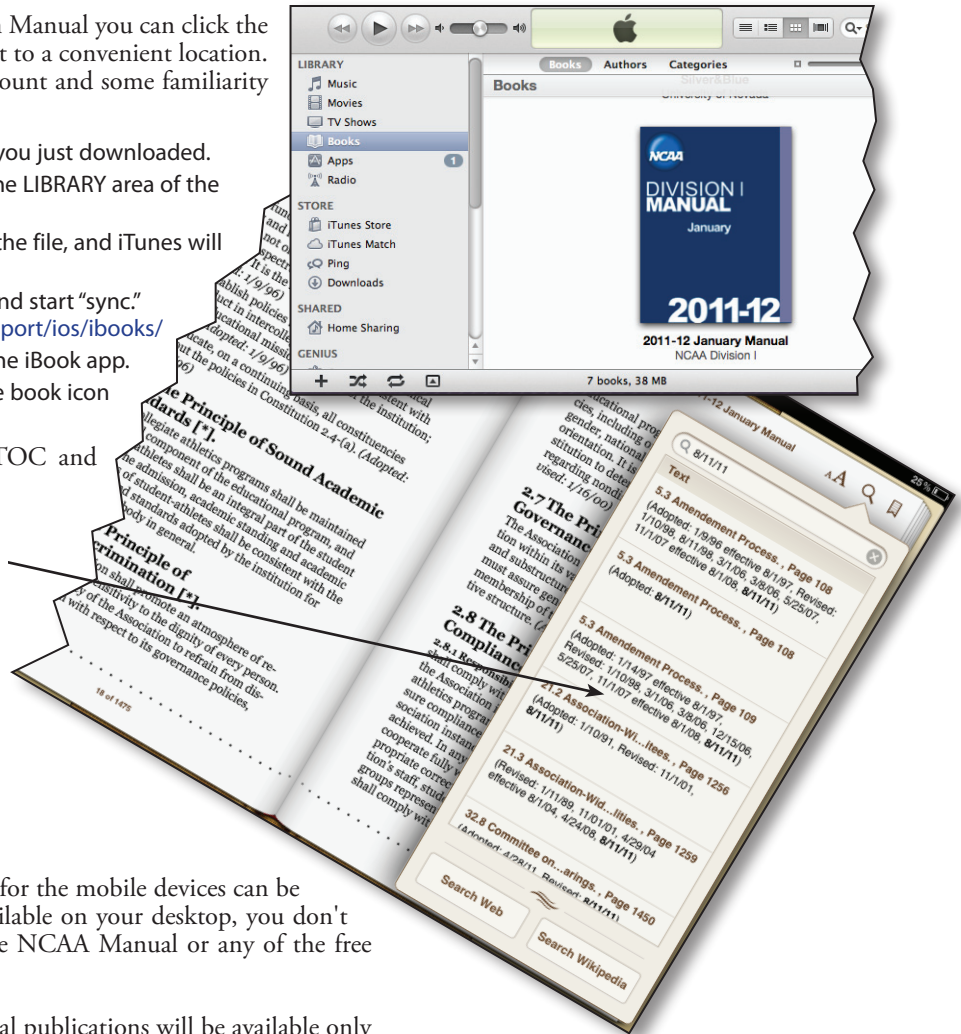

Displaying Your ePub on your iPad or iPhone

Once you locate the latest version of the Division Manual you can click the Download button to direct the (.epub) document to a convenient location. Chances are that you already have an iTunes account and some familiarity with the “sync” procedure.

1. Launch iTunes and locate the ePub document you just downloaded.
2. Click to select the (.epub) file and drag it into the LIBRARY area of the iTunes application window.
3. If there is no Books folder available, just “drop” the file, and iTunes will create it for you.
4. Plug your iPad or iPhone into your computer, and start “sync.”

Browser-Based ePub Reading

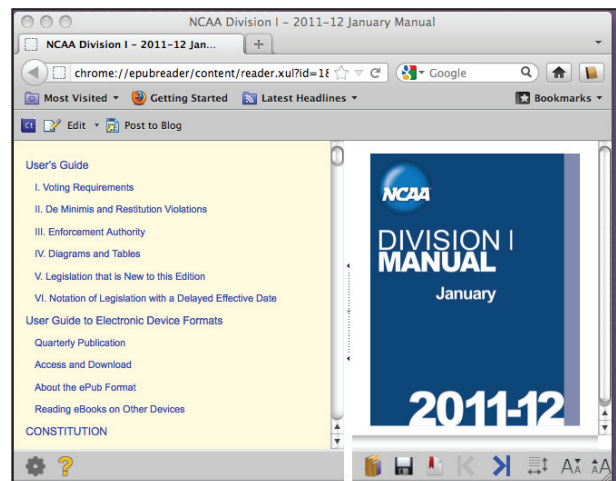

The same (.epub) document that you download for the mobile devices can be displayed on the Firefox web browser. Once available on your desktop, you don't need an internet connection to open or read the NCAA Manual or any of the free eBooks that are available.

A growing number of articles, books and technical publications will be available only as ePubs. The free Firefox add-on allows a far greater number of readers to access and manage ePub content.

Follow this link (<http://www.epubread.com/en/manual.php>) to the ePub reader manual to familiarize yourself with the navigation and management capabilities. From there, click on the Install button to get started.

Note: Once you install the ePub reader, any (.epub) document you download will automatically launch the Firefox browser application. To save additional copies for distribution (if permitted), click the “Save” icon at the bottom of the application window.

Many readers find that eBook “Screen Reading” is more comfortable. The reader can control the size and font display to avoid the eye fatigue and the constant zooming needed with “rigid” layouts.

READING eBOOKS ON OTHER DEVICES

Every device has its own set of display parameters, so the appearance of the NCAA Manuals may differ slightly. The content itself, however, has been generated from a single downloaded source. Your individual device provider will be the best source for procedures and recommended software for synchronization.

To display the Manuals on your Nook, consider the following:

To display content on a Blackberry device, you may consider:

<http://appworld.blackberry.com/webstore/content/98555/>

If you want to display your downloaded (.epub) on a Kindle device, you will need intervening software.

A Brief Overview of Mobile Device Publications

With a growing number of display devices and publication types, we offer this brief explanation of terms and features.

ePUB—Is the standard maintained by the International Digital Publishing Forum (IDPF). All of the descriptions that follow characterize different kinds of ePubs. Many devices can display this format (like the iPad or iPhone) without “translation.” Files of this type have the (.epub) extension. These files can have text, images and both “external” and “internal” hyperlinked content.

The external hyperlink is the most common, where one click takes you to a typical destination. The internal hyperlink is an extremely valuable, but underutilized aspect of e-Publication. Cross references and footnotes are prime examples. On an ePub, the reader can have a larger, unobstructed reading area. The footnote reference will bring you to the cited material then return you to your original location on many devices (characteristics will vary).

eBook—The most common ePub of this type is, of course, a book. Navigation and search, reader preferences (like font and type size, etc.) are quite similar (but not identical) on the majority of mobile devices. Purchased ePub content requires an account with the eBook distributor, the necessary “bookshelf” app loaded on your mobile device and familiarization with the synchronization procedure. eBooks purchased from another distributor may require “translation” software to make them compatible with your device. There are basically two types of eBooks:

Fixed Layout—These are best characterized by limited user control over orientation (either portrait or landscape), font choice or search-ability. These are useful for pictorial books and guides, where fixed layout is critical. Hyperlinking and video embedding are possible in this type of document.

Flexible Layout—These can be used to publish an amazing array of affordable documents. Attributes of these eBooks include: reader control of environment (preferences); accessibility (nearly all devices, with translation and Firefox browser); graphics (embedded and hyperlinked); navigation (TOC, cross-reference, footnote); display (portrait or landscape); and distribution (governed by readership/more below).

Publication types that can benefit from eBook layouts: Magazines (graphics will be downsized, but they can be “anchored” with specific text, like captions; sidebars and pullquotes can anchored the same way). Technical documentation and catalogs publishers will also benefit from the same liquid display of content. Alumni and sports departments can create revenue-generating instruments from their existing body of work.

App Publication—These are distributed through an app that you download and enable on your display device. The graphics are impressive, if not inspirational, and many let you display the content in either vertical or horizontal (portrait or landscape) fashion. You have no control of the display size or type. This is another example of a “Fixed Layout” ePub.

Tablet Publication—This app publication is available to an extremely limited number of mobile devices. These are also the most time- and labor-intensive type of publication to produce, since you essentially need to create a horizontal and vertical version of each page.

Security (Access)

Another consideration for developing an ePub strategy (particularly for revenue-generating content) is access and security. Some choices for publishers include distributor-controlled (digital-rights enforcement and paid royalties for a pre-determined percentage); Single password for all subscribers (honor system, publisher controlled); and free (the cost is subsidized through membership, subscription or sponsor agreement).

Commitments to the Division I Collegiate Model

In addition to the purposes and fundamental policy of the National Collegiate Athletic Association, as set forth in Constitution 1, members of Division I support the following commitments in the belief that these commitments assist in defining the nature and purposes of the division. These commitments are not binding on member institutions, but serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences.

The Commitment to Value-Based Legislation. Bylaws proposed and enacted by member institutions governing the conduct of intercollegiate athletics shall be designed to foster competition in amateur athletics, promote the Association's enduring values and advance the Collegiate Model as set forth in the NCAA Constitution. In some instances, a careful balancing of these values may be necessary to help achieve the purposes of the Association.

The Commitment to Amateurism. Member institutions shall conduct their athletics programs for students who choose to participate in intercollegiate athletics as a part of their educational experience and in accordance with NCAA bylaws, thus maintaining a line of demarcation between student-athletes who participate in the Collegiate Model and athletes competing in the professional model.

The Commitment to Fair Competition. Bylaws shall be designed to promote the opportunity for institutions and eligible student-athletes to engage in fair competition. This commitment requires that all member institutions compete within the framework of the Collegiate Model of athletics in which athletics competition is an integral part of the student-athlete's effort to acquire a degree in higher education. The commitment to fair competition acknowledges that variability will exist among members, including facilities, geographic locations and resources, and that such variability should not be justification for future legislation. Areas affecting fair competition include, but are not limited to, personnel, eligibility and amateurism, recruiting, financial aid, the length of playing and practice seasons and the number of institutional competitions per sport.

The Commitment to Integrity and Sportsmanship. It is the responsibility of each member institution to conduct its athletics programs and manage its staff members, representatives and student-athletes in a manner that promotes the ideals of higher education and the integrity of intercollegiate athletics. Member institutions are committed to encouraging behavior that advances the interests of the Association, its membership and the Collegiate Model of athletics. All individuals associated with intercollegiate athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty, responsibility, academic integrity and ethical conduct. These values should be manifest not only in athletics participation, but also in the broad spectrum of activities affecting the athletics programs.

The Commitment to Institutional Control and Compliance. It is the responsibility of each member institution to monitor and control its athletics programs, staff members, representatives and student-athletes to ensure compliance with the Constitution and bylaws of the Association. Responsibility for maintaining institutional control ultimately rests with the institution's campus president or chancellor. It is also the responsibility of each member institution to report all breaches of conduct established by these bylaws to the Association in a timely manner and cooperate with the Association's enforcement efforts. Upon a conclusion that one or more violations occurred, an institution shall be subject to such disciplinary and corrective actions as may be prescribed by the Association on behalf of the entire membership.

The Commitment to Student-Athlete Well-Being. Intercollegiate athletics programs shall be conducted in a manner designed to enhance the well-being of student-athletes who choose to participate and to prevent undue commercial or other influences that may interfere with their scholastic, athletics or related interests. The time required of student-athletes for participation in intercollegiate athletics shall be regulated to minimize interference with their academic pursuits. It is the responsibility of each member institution to establish and maintain an environment in which student-athletes' activities, in all sports, are conducted to encourage academic success and individual development and as an integral part of the educational experience. Each member institution should also provide an environment that fosters fairness, sportsmanship, safety, honesty and positive relationships between student-athletes and representatives of the institution.

The Commitment to Sound Academic Standards. Standards of the Association governing participation in intercollegiate athletics, including postseason competition, shall be designed to ensure proper emphasis on educational objectives and the opportunity for academic success, including graduation, of student-athletes who choose to participate at a member institution. Intercollegiate athletics programs shall be maintained as an important component of the educational program, and student-athletes shall be an integral part of the student body. Each member institution's admission and academic standards for student-athletes shall be designed to promote academic progress and graduation and shall be consistent with the standards adopted by the institution for the student body in general.

The Commitment to Responsible Recruiting Standards. Recruiting bylaws shall be designed to promote informed decisions and balance the interests of prospective student-athletes, their educational institutions, the Association's member institutions and intercollegiate athletics as a whole. This commitment includes minimizing the role of external influences on prospective student-athletes and their families and preventing excessive contact or pressure in the recruitment process.

The Commitment to Diversity and Inclusion. The Division I membership believes in and is committed to the core values of diversity, inclusion and equity, because realization of those values improves the learning environment for all student-athletes and enhances excellence within the membership and in all aspects of intercollegiate athletics. The membership shall create diverse and inclusive environments, promote an atmosphere of respect for and sensitivity to the dignity of every person, and include diverse perspectives in the pursuit of academic and athletic excellence. Member institutions, with assistance from the national office, are expected to develop inclusive practices that foster positive learning and competitive environments for student-athletes, as well as professional development and opportunities for athletics administrators, coaches and staff from diverse backgrounds.

2.7 The Principle of Diversity Within Governance Structures. [*]

The Association shall promote diversity of representation within its various divisional governance structures and substructures. Each divisional governing body must assure gender and ethnic diversity among the membership of the bodies in the division's administrative structure. *(Adopted: 1/9/96 effective 8/1/97)*

2.8 The Principle of Rules Compliance. [*]

2.8.1 Responsibility of Institution. [*] Each institution shall comply with all applicable rules and regulations of the Association in the conduct of its intercollegiate athletics programs. It shall monitor its programs to assure compliance and to identify and report to the Association instances in which compliance has not been achieved. In any such instance, the institution shall cooperate fully with the Association and shall take appropriate corrective actions. Members of an institution's staff, student-athletes, and other individuals and groups representing the institution's athletics interests shall comply with the applicable Association rules, and the member institution shall be responsible for such compliance.

2.8.2 Responsibility of Association. [*] The Association shall assist the institution in its efforts to achieve full compliance with all rules and regulations and shall afford the institution, its staff and student-athletes fair procedures in the consideration of an identified or alleged failure in compliance.

2.8.3 Penalty for Noncompliance. [*] An institution found to have violated the Association's rules shall be subject to such disciplinary and corrective actions as may be determined by the Association.

2.9 The Principle of Amateurism. [*]

Student-athletes shall be amateurs in an intercollegiate sport, and their participation should be motivated primarily by education and by the physical, mental and social benefits to be derived. Student participation in intercollegiate athletics is an avocation, and student-athletes should be protected from exploitation by professional and commercial enterprises.

2.10 The Principle of Competitive Equity. [*]

The structure and programs of the Association and the activities of its members shall promote opportunity for equity in competition to assure that individual student-athletes and institutions will not be prevented unfairly from achieving the benefits inherent in participation in intercollegiate athletics.

The recruiting process involves a balancing of the interests of prospective student-athletes, their educational institutions and the Association's member institutions. Recruiting regulations shall be designed to promote equity among member institutions in their recruiting of prospective student-athletes and to shield them from undue pressures that may interfere with the scholastic or athletics interests of the prospective student-athletes or their educational institutions.

Eligibility requirements shall be designed to assure proper emphasis on educational objectives, to promote competitive equity among institutions and to prevent exploitation of student-athletes.

2.13 The Principle Governing Financial Aid. [*]

A student-athlete may receive athletically related financial aid administered by the institution without violating the principle of amateurism, provided the amount does not exceed the cost of education authorized by the Association; however, such aid as defined by the Association shall not exceed the cost of attendance as published by each institution. Any other financial assistance, except that received from one upon whom the student-athlete is naturally or legally dependent, shall be prohibited unless specifically authorized by the Association.

The time required of student-athletes for participation in intercollegiate athletics shall be regulated to minimize interference with their opportunities for acquiring a quality education in a manner consistent with that afforded the general student body.

2.15 The Principle Governing Postseason Competition and Contests Sponsored by Noncollegiate Organizations. [*]

The conditions under which postseason competition occurs shall be controlled to assure that the benefits inherent in such competition flow fairly to all participants, to prevent unjustified intrusion on the time student-athletes devote to their academic programs, and to protect student-athletes from exploitation by professional and commercial enterprises.

2.16 The Principle Governing the Economy of Athletics Program Operation. [*]

Intercollegiate athletics programs shall be administered in keeping with prudent management and fiscal practices to assure the financial stability necessary for providing student-athletes with adequate opportunities for athletics competition as an integral part of a quality educational experience.

NCAA Membership

3.01 General Principles.

3.01.1 Classes of Membership. Division I offers three classes of membership: active, conference and affiliated. Eligibility for and method of election to membership, obligations and conditions for continuing membership, voting rights and other membership privileges for each class are defined in this article. *(Revised: 1/11/94 effective 9/2/94, 1/15/11 effective 8/1/11)*

3.01.2 Division Membership. Active and conference members of the NCAA may be divided into divisions for purposes of legislation and competition in NCAA championships. Criteria for membership in these divisions are defined in Bylaw 20.

3.01.3 Obligation to Meet Division Criteria. Division membership criteria constitute enforceable legislation. Each member institution shall comply with all applicable criteria of its division, and an institution that fails to do so shall be subject to the enforcement procedures and to possible reclassification.

3.01.4 Termination or Suspension of Membership. All rights and privileges of a member shall cease immediately upon termination or suspension of its membership.

3.02 Definitions and Applications.

3.02.1 Competitive Body. A competitive body is an athletics conference that conducts competition among its member institutions and determines a conference champion in one or more sports.

3.02.2 Legislative Body. A legislative body is an athletics conference that develops and maintains rules and regulations governing the athletics programs and activities of its member institutions.

3.02.3 Membership Categories.

Active members have the right to compete in NCAA championships, to vote on legislation and other issues before the Association, and to enjoy other privileges of membership designated in the constitution and bylaws of the Association. *(Revised: 1/15/11 effective 8/1/11)*

3.02.3.1.1 Athletics Consortium. An athletics consortium consists of one member institution and neighboring member or nonmember institutions (but not more than one nonmember institution), recognized and approved by a two-thirds vote of the Administration Cabinet. The student-athletes of the combined institutions are permitted to compete on the NCAA member institution's athletics teams, provided they meet the eligibility requirements of the NCAA and the member institution (see Constitution 3.1.2). *(Revised: 11/1/07 effective 8/1/08)*

3.02.3.2 Member Conference. A member conference is a group of colleges and/or universities that conducts competition among its members and determines a conference champion in one or more sports (in which the NCAA conducts championships or for which it is responsible for providing playing rules for intercollegiate competition), duly elected to conference membership under the provisions of this article (see Constitution 3.3.3). A member conference is entitled to all of the privileges of active members except the right to compete in NCAA championships (see Constitution 3.3.2). Only those conferences that meet specific criteria as competitive and legislative bodies (see Constitution 3.02.1 and 3.02.2) and minimum standards related to size and division status are permitted to vote on legislation or other issues before the Association.

3.02.3.3 Affiliated Member. An affiliated member is a coaches or sports association whose function and purpose are directly related to one or more sports in which the NCAA conducts championships or an emerging sport for women, or an association that consists of college/university administrators and has a direct connection to either the NCAA or its member institutions, duly elected to affiliated membership under the provisions of this article (see Constitution 3.4.3). An affiliated member is entitled to be represented by one nonvoting delegate at any NCAA Convention and enjoys other privileges as designated in the bylaws of the Association (see Constitution 3.4.2). *(Revised: 1/11/97, 1/15/11 effective 8/1/11)*

3.1 Eligibility for Membership.

3.1.1 General. Membership is available to colleges, universities, athletics conferences or associations and other groups that are related to intercollegiate athletics; that are accredited by one of the six regional accrediting agencies; and that are located in the United States, its territories or possessions. 3.1.2 Athletics Consortiums. The Administration Cabinet, by a two-thirds majority of its members present and voting, may approve an athletics consortium involving a member institution and neighboring member or nonmember institutions (but not more than one nonmember institution) to permit the student-athletes of the combined institutions to compete on the member institution's intercollegiate athletics teams, provided the student-athletes satisfy the eligibility requirements of the member institution and the NCAA. *(Revised: 11/1/07 effective 8/1/08, 7/30/10)*

3.1.2.1 General Policy. In general, a consortium shall be approved on the basis of existing academic considerations with the understanding that there shall be no change in the basic recruitment, enrollment or financial aid policies of the involved institutions as a result of such approval. *(Revised: 7/30/10)*

3.1.2.2 Combining Entire Athletics Programs. The institutions shall combine their entire athletics programs, and the consortium shall not be formed on a sport-by-sport basis. *(Revised: 7/30/10)*

3.1.2.3 Conference Approval. An institution that belongs to an NCAA member conference first shall receive approval of its conference prior to instituting a consortium for its intercollegiate athletics program. If more than one institution holds such conference membership, all such conferences shall approve the consortium. *(Revised: 7/30/10)*

3.1.2.4 Eligibility Requirements for Student-Athletes. Participating student-athletes shall meet all eligibility requirements of the member institution(s), the athletics conference(s) involved and the NCAA. The member institution(s) shall certify the eligibility of all student-athletes under those rules. *(Revised: 7/30/10)*

The financial arrangement between or among the institutions for the exchange of funds to cover the academic costs of student-athletes who take part in the exchange program shall apply to student-athletes in the same manner as it applies to those students not participating in the intercollegiate athletics program;
- (b) One institution may not provide a scholarship or any other form of financial aid to a student-athlete enrolled in another institution or transmit a scholarship or grant-in-aid to another institution to be used by one or more of its student-athletes; and
- (c) Financial aid limitations as set forth in Bylaw 15 shall be applicable to the consortium as one entity and shall include all countable student-athletes, regardless of the institution in which they are enrolled.

3.1.2.6 Length of Approval. NCAA approval shall be for a four-academic-year period, at the end of which the institutions shall submit a report on the program, setting forth its effect upon their academic and athletics operations. *(Revised: 8/4/89, 7/30/10)*

3.1.2.10 Prior Academic Consortium Relationship. The institutions shall have had a prior academic consortium relationship. *(Revised: 7/30/10)*

3.1.2.11 Recruitment. It is permissible for one institution to recruit prospective student-athletes with a view to their possible enrollment at another institution in the consortium, provided the individuals qualify for admission to that institution and the athletics interests of the member institution are not involved, directly or indirectly, in influencing the admission or award of financial assistance. *(Revised: 7/30/10)*

3.2 Active Membership.

3.2.1 Eligibility Requirements.

3.2.1.1 Types of Institutions. Active membership is available to four-year colleges and universities, accredited by the appropriate regional accrediting agency and pursuant to Executive Committee policy, and duly elected to active membership under the provisions of Constitution 3.2.3. *(Revised: 1/15/11 effective 8/1/11, 7/23/12)*

3.2.1.2 Compliance With Association Rules. The institution shall administer its athletics programs in accordance with the constitution, bylaws and other legislation of the Association.

3.2.3 Election Procedures.

3.2.3.1 Completion of Reclassification Process. An institution desiring to become an active member of Division I shall complete a reclassification period (see Bylaw 20.5). After the Administration Cabinet has determined that the institution has met the requirements of reclassification, its request for active membership will be referred to the Board of Directors for election. *(Revised: 1/11/94 effective 9/2/94, 5/8/06, 11/1/07 effective 8/1/08, 10/28/10, 1/15/11 effective 8/1/11)*

3.2.3.2 Accreditation. After the Administration Cabinet has determined that the institution is accredited by one of the six regional accrediting agencies, the application shall be referred to the Board of Directors for consideration. *(Revised: 11/1/07 effective 8/1/08, 10/28/10, 1/15/11 effective 8/1/11)*

3.2.3.3 Election. A favorable vote by two-thirds of the Board of Directors members present and voting shall elect the applicant to membership effective the following August 1. When the vote of the Board of Directors has been completed, the applicant shall be notified. *(Revised: 11/1/07 effective 8/1/08, 10/28/10, 1/15/11 effective 8/1/11)*

3.2.3.4 Resignation and Re-election to Membership. NCAA Division I Legislative Process

Institutional Control

6.01 General Principle.

6.01.1 Institutional Control. The control and responsibility for the conduct of intercollegiate athletics shall be exercised by the institution itself and by the conference(s), if any, of which it is a member. Administrative control or faculty control, or a combination of the two, shall constitute institutional control.

6.1 Institutional Governance.

6.1.1 President or Chancellor. A member institution's president or chancellor has ultimate responsibility and final authority for the conduct of the intercollegiate athletics program and the actions of any board in control of that program. The term "president or chancellor" refers to the individual with primary executive authority for an institution and does not include an individual who has executive responsibility over a system of institutions. *(Revised: 3/8/06, 5/22/13)*

6.1.2 Athletics Board. A board in control of athletics or an athletics advisory board, which has responsibility for advising or establishing athletics policies and making policy decisions, is not required. However, if such a board exists, it must conform to the following provisions.

6.1.2.1 Composition. Administration and/or faculty staff members shall constitute at least a majority of the board in control of athletics or an athletics advisory board, irrespective of the president or chancellor's responsibility and authority or whether the athletics department is financed in whole or in part by student fees. If the board has a parliamentary requirement necessitating more than a simple majority in order to transact some or all of its business, then the administrative and faculty members shall be of sufficient number to constitute at least that majority. *(Revised: 3/8/06)*

6.1.2.1.1 Administrator Defined. An administrator (for purposes of this legislation) is an individual employed by the institution as a full-time administrative staff member who holds an academic appointment, is directly responsible to the institution's president or chancellor or serves as a chief administrative official (e.g., admissions director, finance officer, department head, or athletics department head). Other nonacademic staff members and individuals who are members of an institution's board of trustees or similar governing body would not be considered to be administrators for purposes of this regulation. *(Revised: 3/8/06)*

6.1.2.1.2 Board Subcommittee. If a board subcommittee is appointed, it is not necessary for the subcommittee to have majority control by administration and/or faculty members (see Constitution 6.1.2.1), provided all actions of the subcommittee are approved by the entire board before becoming effective. However, if the subcommittee's actions are effective permanently or become effective immediately and remain in effect until reviewed by the entire board at a later date, the subcommittee's membership must satisfy the majority-control requirement.

6.1.2.1.3 Attendance. A parliamentary majority of administrators and faculty members of a board in control of athletics is not required to be present at any single meeting in order to conduct business.

6.1.2.2 Chair or Voting Delegate. Only an administrator or faculty member (as opposed to a student, alumnus or governing board member) may serve as chair of a member institution's board in control of intercollegiate athletics or represent the board as the institution's voting delegate at Conventions. Institutional representatives in these positions have responsibility for advising or establishing athletics policies and making policy decisions that require administrative and/or faculty control.

6.1.3 Faculty Athletics Representative. A member institution shall designate an individual to serve as faculty athletics representative. An individual so designated after January 12, 1989, shall be a member of the institution's faculty or an administrator who holds faculty rank and shall not hold an administrative or coaching position in the athletics department. Duties of the faculty athletics representative shall be determined by the member institution. *(Adopted: 1/11/89)*

6.1.4 Student-Athlete Advisory Committee. Each institution shall establish a student-athlete advisory committee for its student-athletes. The composition and duties of the committee shall be determined by the institution. *(Adopted: 1/10/95 effective 8/1/95)*

6.2 Budgetary Control.

6.2.1 Normal Budgeting Procedures. The institution's annual budget for its intercollegiate athletics programs shall be controlled by the institution and subject to its normal budgeting procedures.

6.2.2 President or Chancellor Approval. The institution's president or chancellor or an institutional administrator designated by the president or chancellor from outside the athletics department shall approve the annual budget in the event that the institution's normal budgeting procedures do not require such action. *(Revised: 3/8/06)*

6.3 Self-Study and Evaluation.

6.3.1 Self-Study Report. Member institutions shall conduct a comprehensive self-study and evaluation of their intercollegiate athletics programs at least once every 10 years pursuant to the institutional performance program (see Bylaws 22 and 33). (Note: Between April 28, 2011, and August 1, 2014, no active Division I institution shall begin the institutional performance program process.) *(Revised: 1/14/97 effective 8/1/97, 5/30/07, 4/28/11, 4/26/12, 1/19/13)*

6.3.2 Exit Interviews. The institution's director of athletics, senior woman administrator or designated representatives (excluding coaching staff members) shall conduct exit interviews in each sport with a sample of student-athletes (as determined by the institution) whose eligibility has expired. Interviews shall include questions regarding the value of the students' athletics experiences, the extent of the athletics time demands encountered by the student-athletes, proposed changes in intercollegiate athletics and concerns related to the administration of the student-athletes' specific sports. *(Adopted: 1/10/91 effective 8/1/91)*

6.4 Responsibilities for Actions of Outside Entities.

6.4.1 Independent Agencies or Organizations. An institution's "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of an independent agency, corporate entity (e.g., apparel or equipment manufacturer) or other organization when a member of the institution's executive or athletics administration, or an athletics department staff member, has knowledge that such agency, corporate entity or other organization is promoting the institution's intercollegiate athletics program. *(Revised: 2/16/00)*

6.4.2 Representatives of Athletics Interests. An institution's "responsibility" for the conduct of its intercollegiate athletics program shall include responsibility for the acts of individuals, a corporate entity (e.g., apparel or equipment manufacturer) or other organization when a member of the institution's executive or athletics administration or an athletics department staff member has knowledge or should have knowledge that such an individual, corporate entity or other organization: *(Revised: 2/16/00)*

- (a) Has participated in or is a member of an agency or organization as described in Constitution 6.4.1;
- (b) Has made financial contributions to the athletics department or to an athletics booster organization of that institution;
- (c) Has been requested by the athletics department staff to assist in the recruitment of prospective student-athletes or is assisting in the recruitment of prospective student-athletes;
- (d) Has assisted or is assisting in providing benefits to enrolled student-athletes; or
- (e) Is otherwise involved in promoting the institution's athletics program.

6.4.2.1 Agreement to Provide Benefit or Privilege. Any agreement between an institution (or any organization that promotes, assists or augments in any way the athletics interests of the member institution, including those identified per Constitution 6.4.1) and an individual who, for any consideration, is or may be entitled under the terms of the agreement to any benefit or privilege relating to the institution's athletics program, shall contain a specific clause providing that any such benefit or privilege may be withheld if the individual has engaged in conduct that is determined to be a violation of NCAA legislation. The clause shall provide for the withholding of the benefit or privilege from a party to the agreement and any other person who may be entitled to a benefit or privilege under the terms of the agreement. *(Adopted: 1/10/95)*

6.4.2.2 Retention of Identity as "Representative." Any individual participating in the activities set forth in Constitution 6.4.2 shall be considered a "representative of the institution's athletics interests," and once so identified as a representative, it is presumed the person retains that identity.

Ethical Conduct

10.01 General Principle.

10.01.1 Honesty and Sportsmanship. Individuals employed by (or associated with) a member institution to administer, conduct or coach intercollegiate athletics and all participating student-athletes shall act with honesty and sportsmanship at all times so that intercollegiate athletics as a whole, their institutions and they, as individuals, shall represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports.

10.02 Definitions and Applications.

10.02.1 Sports Wagering. [#] Sports wagering includes placing, accepting or soliciting a wager (on a staff member's or student-athlete's own behalf or on the behalf of others) of any type with any individual or organization on any intercollegiate, amateur or professional team or contest. Examples of sports wagering include, but are not limited to, the use of a bookmaker or parlay card; Internet sports wagering; auctions in which bids are placed on teams, individuals or contests; and pools or fantasy leagues in which an entry fee is required and there is an opportunity to win a prize. *(Adopted: 4/26/07 effective 8/1/07)*

10.02.2 Wager. [#] A wager is any agreement in which an individual or entity agrees to give up an item of value (e.g., cash, shirt, dinner) in exchange for the possibility of gaining another item of value. *(Adopted: 4/26/07 effective 8/1/07)*

10.1 Unethical Conduct.

Unethical conduct by a prospective or enrolled student-athlete or a current or former institutional staff member, which includes any individual who performs work for the institution or the athletics department even if he or she does not receive compensation for such work, may include, but is not limited to, the following: *(Revised: 1/10/90, 1/9/96, 2/22/01, 10/5/10)*

- (f) Knowing involvement in providing a banned substance or impermissible supplement to student-athletes, or knowingly providing medications to student-athletes contrary to medical licensure, commonly accepted standards of care in sports medicine practice, or state and federal law. This provision shall not apply to banned substances for which the student-athlete has received a medical exception per Bylaw 31.2.3.5; however, the substance must be provided in accordance with medical licensure, commonly accepted standards of care and state or federal law; *(Adopted: 8/4/05, Revised: 5/6/08)*
- (g) Failure to provide complete and accurate information to the NCAA, the NCAA Eligibility Center or an institution's admissions office regarding an individual's academic record (e.g., schools attended, completion of coursework, grades and test scores); *(Adopted: 4/27/06, Revised: 10/23/07)*

11.3 Compensation and Remuneration.

11.3.1 Control of Employment and Salaries. The institution, as opposed to any outside source, shall remain in control of determining who is to be its employee and the amount of salary the employee is to receive within the restrictions specified by NCAA legislation.

11.3.2 Income in Addition to Institutional Salary.

11.3.2.1 Bona Fide Outside Employment. A staff member may earn income in addition to the institutional salary by performing services for outside groups. *(Revised: 1/10/92, 4/26/01 effective 8/1/01)*

11.3.2.2 Supplemental Pay. An outside source is prohibited from paying or regularly supplementing an athletics department staff member's annual salary and from arranging to supplement that salary for an unspecified achievement. This includes the donation of cash from outside sources to the institution earmarked for the staff member's salary or supplemental income. It would be permissible for an outside source to donate funds to the institution to be used as determined by the institution, and it would be permissible for the institution, at its sole discretion, to use such funds to pay or supplement a staff member's salary.

11.3.2.3 Bonuses for Specific and Extraordinary Achievement. An institution may permit an outside individual, group or agency to supplement an athletics department staff member's salary with a direct cash payment in recognition of a specific and extraordinary achievement (e.g., contribution during career to the athletics department of the institution, winning a conference or national championship, number of games or meets won during career/season), provided such a cash supplement is in recognition of a specific achievement and is in conformance with institutional policy.

11.3.2.4 Noninstitutional Publications That Report on Athletics Program. Athletics department staff members shall not endorse (either orally or in writing) any noninstitutional publication dedicated primarily to reporting on an institution's athletics activities, except as provided in this section, and shall not write for such publications. *(Adopted: 1/16/93, Revised: 1/11/94, 4/26/01 effective 8/1/01)*

11.3.2.6 Quotations and Pictures Used to Promote a Camp. An institution's coaching staff member may not promote a noninstitutional camp or clinic by permitting the use of his or her quotations and/or pictures in the camp or clinic brochure, unless that coaching staff member is employed by the camp. *(Adopted: 1/14/97 effective 8/1/97)*

11.4 Employment of High School, Preparatory School or Two-Year College Coaches, or Other Individuals Associated With Prospective Student-Athletes.

11.4.1 High School, Preparatory School or Two-Year College Coach. An institution may not employ a high school, preparatory school or two-year college coach who remains a coach in the same sport at the high school, preparatory school or two-year college. This provision does not preclude employment of a high school, preparatory school or two-year college coach in a different sport. Men's and women's teams in the same sport are considered different sports for purposes of this legislation. Men's and women's teams in the same sport are considered different sports even if an athlete from the opposite gender is playing on a high school, preparatory school or two-year college men's or women's team, provided the team is classified as a separate team (as opposed to a "mixed" team) by the appropriate institution or the state high school, preparatory school or two-year college governing body. (See Bylaw 13.12.2.2 for regulations relating to the employment of high school, preparatory school or two-year college coaches in institutional camps or clinics.) *(Revised: 1/10/91, 3/16/07, 1/16/10)*

11.4.1.1 Contract for Future Employment. An institution is permitted to enter into a contractual agreement with a high school, preparatory school or two-year college coach for an employment opportunity that begins with the next academic year, provided the employment contract with the member institution is not contingent upon the enrollment of a prospective student-athlete and the coach does not begin any coaching duties (e.g., recruiting, selection of coaching staff) for the member institution while remaining associated with the high school, preparatory school or two-year college.

11.4.2 Individual Associated with a Prospective Student-Athlete—Men's Basketball. In men's basketball, during a two-year period before a prospective student-athlete's anticipated enrollment and a two-year period after the prospective student-athlete's actual enrollment, an institution shall not employ (or enter into a contract for future employment with) an individual associated with the prospective student-athlete in

any athletics department noncoaching staff position or in a strength and conditioning staff position. (*Adopted: 1/16/10; a contract signed before 10/29/09 may be honored, Revised: 6/17/11*)

11.4.2.1 Application. A violation of Bylaw 11.4.2 occurs if an individual associated with a prospective student-athlete (see Bylaw 13.02.17) is employed by the institution and, at the time of employment, a student-athlete who enrolled at the institution in the previous two years (and remains enrolled at the institution) was a prospective student-athlete by which the individual meets the definition of an individual associated with a prospective student-athlete. A violation of Bylaw 11.4.2 also occurs if an individual associated with a prospective student-athlete is employed and, within two years after such employment, a prospective student-athlete by which the individual meets the definition of an individual associated with a prospective student-athlete enrolls as a full-time student in a regular academic term at the institution. In either case, the student-athlete becomes ineligible for intercollegiate competition unless eligibility is restored by the Committee on Student-Athlete Reinstatement. (*Adopted: 6/20/13*)

11.5 Certification to Recruit Off Campus.

11.5.1 Annual Certification Requirement. Only those coaches who have been certified may contact or evaluate any prospective student-athletes off campus. Certification must occur on an annual basis. (*Adopted: 1/10/91 effective 8/1/92*)

11.5.1.1 Certification Administration. Such certification procedures shall be established and administered for its member institutions by the member conferences of the Association or, in the case of an independent institution, by the NCAA national office or the conference office that administers the National Letter of Intent for that institution. Such certification procedures shall include a requirement that the coaches shall have passed a standardized national test developed by the NCAA national office covering NCAA recruiting legislation, including Bylaw 13 and other bylaws [e.g., Bylaws 15.3 (institutional financial aid award) and 14.3 (freshman academic requirements)] that relate to the recruitment of prospective student-athletes as a condition for being permitted to engage in off-campus recruiting. Member conferences shall establish the procedures for administering and correcting the test within each conference. (*Adopted: 1/10/91 effective 8/1/92, Revised: 1/16/93, 4/24/03*)

11.6 Scouting of Opponents.

11.6.1 Off-Campus, In-Person Scouting Prohibition. Off-campus, in-person scouting of future opponents (in the same season) is prohibited, except as provided in Bylaw 11.6.1.1. (*Adopted: 1/11/94 effective 8/1/94, Revised: 1/14/97 effective 8/1/97, 1/19/13 effective 8/1/13*)

11.6.1.1 Exception—Double-Header Events or Tournaments. An institution's coaching staff may scout future opponents also participating in the same tournament at the same site or, the same double-header event at the same site. (*Revised: 1/11/94 effective 8/1/94, 10/28/97 effective 8/1/98, 1/19/13 effective 8/1/13*)

11.7 Limitations on the Number and Duties of Coaches.

11.7.1 General Provisions Applicable to All Sports with Numerical Coaching Limits.

11.7.1.1 Designation of Coaching Category. An individual who coaches and either is uncompensated or receives compensation or remuneration of any sort from the institution, even if such compensation or remuneration is not designated for coaching, shall be designated as a head coach, assistant coach, volunteer coach, graduate assistant coach or student assistant coach by certification of the institution. (*Revised: 1/10/91 effective 8/1/92, 1/12/04 effective 8/1/04*)

11.7.1.1.1 Countable Coach. An athletics department staff member must count against coaching limits as soon as the individual participates (in any manner) in the coaching of the intercollegiate team in practice, games or organized activities directly related to that sport, including any organized staff activity directly related to the sport.

11.7.1.1.1.1 Noncoaching Activities. Institutional staff members involved in noncoaching activities (e.g., administrative assistants, academic counselors) do not count in the institution's coaching limitations, provided such individuals are not identified as coaches, do not engage in any on- or off-field coaching activities (e.g., attending meetings involving coaching activities, analyzing video involving the institution's or an opponent's team), and are not involved in any off-campus recruitment of prospective student-athletes or scouting of opponents. (*Adopted: 1/16/93, Revised: 1/10/95, 12/13/05, 4/27/06 effective 8/1/06, 1/16/10*)

11.7.1.1.1.1.1 Exception—Noncoaching Staff Member with Sport-Specific Responsibilities. A noncoaching staff member with sport-specific responsibilities (e.g., director of operations, administrative assistant) may participate in organized activities involving only the coaching staff or may perform administrative duties (e.g., attend meetings involving coaching activities, analyze video of the institution's or an opponent's team, track statistics during practice or competition). However, such an individual is prohibited from participating in instructional activities with student-athletes and any on-court or on-field activities (e.g., assist with drills, throw batting

practice), and is prohibited from participating with or observing student-athletes in the staff member's sport who are engaged in nonorganized voluntary athletically related activities (e.g., pick-up games). *(Adopted: 1/16/10)*

11.7.1.1.2 Replacement Due to Extenuating Circumstances. An institution may replace temporarily or on a limited basis one of its countable coaches if the coach is unable to perform any or all of his or her duties because of extenuating circumstances (e.g., suspension, prolonged serious illness, pregnancy). The replacement coach may perform only those coaching, administrative or recruiting duties, including the telephoning of prospective student-athletes, that the replaced coach is unable to perform. *(Revised: 1/11/94, 4/25/02 effective 8/1/02)*

11.7.1.1.3 Replacement for National or Olympic Team Coaches. An institution may replace a coach temporarily or on a limited basis when that coach takes a leave of absence to participate on or to coach a national team or Olympic team, provided the replacement is limited to a one-year period and the coach who is replaced performs no recruiting or other duties on behalf of the institution. *(Adopted: 1/14/97 effective 8/1/97, Revised: 4/25/02 effective 8/1/02, 1/14/08)*

11.7.1.1.4 Use of Outside Consultants. An institution may use or arrange for a temporary consultant to provide in-service training for the coaching staff, but no interaction with student-athletes is permitted unless the individual is counted against the applicable coaching limits. An outside consultant may not be involved in any on- or off-field or on- or off-court coaching activities (e.g., attending practices and meetings involving coaching activities, formulating game plans, analyzing video involving the institution's or opponent's team) without counting the consultant in the coaching limitations in that sport. *(Adopted: 1/10/92, Revised: 3/10/04)*

11.7.1.1.2 Placement Within Categories. If an institution has not reached its limit on the number of coaches in any category, any type of coach may be counted in that category. *(Revised: 1/10/91 effective 8/1/92, 1/12/04 effective 8/1/04)*

11.7.1.2.1 Exception—Graduate Assistant Coach—Bowl Subdivision Football and Women's Rowing. In bowl subdivision football and women's rowing, a graduate assistant coach may perform the functions set forth in Bylaw 11.7.1.2-(a) (on campus only) and 11.7.1.2-(b) if the coach has successfully completed the coaches' certification examination per Bylaw 11.5.1.1. [See Bylaw 11.01.3-(i).] *(Revised: 4/27/06 effective 8/1/06, 12/15/06)*

Amateurism

12.01 General Principles.

12.01.1 Eligibility for Intercollegiate Athletics. Only an amateur student-athlete is eligible for intercollegiate athletics participation in a particular sport.

12.01.2 Clear Line of Demarcation. Member institutions' athletics programs are designed to be an integral part of the educational program. The student-athlete is considered an integral part of the student body, thus maintaining a clear line of demarcation between college athletics and professional sports.

12.01.3 "Individual" vs. "Student-Athlete." NCAA amateur status may be lost as a result of activities prior to enrollment in college. If NCAA rules specify that an "individual" may or may not participate in certain activities, this term refers to a person prior to and after enrollment in a member institution. If NCAA rules specify a "student-athlete," the legislation applies only to that person's activities after enrollment.

12.01.4 Permissible Grant-in-Aid. A grant-in-aid administered by an educational institution is not considered to be pay or the promise of pay for athletics skill, provided it does not exceed the financial aid limitations set by the Association's membership.

12.02 Definitions and Applications.

12.02.1 Agent. An agent is any individual who, directly or indirectly: (*Adopted: 1/14/12*)

- (a) Represents or attempts to represent an individual for the purpose of marketing his or her athletics ability or reputation for financial gain; or
- (b) Seeks to obtain any type of financial gain or benefit from securing a prospective student-athlete's enrollment at an educational institution or from a student-athlete's potential earnings as a professional athlete.

12.02.1.1 Application. An agent may include, but is not limited to, a certified contract advisor, financial advisor, marketing representative, brand manager or anyone who is employed or associated with such persons. (*Adopted: 1/14/12*)

12.02.2 Actual and Necessary Expenses. Actual and necessary expenses are limited to: (*Adopted 1/19/13 effective 8/1/13*)

- (a) Meals;
- (b) Lodging;
- (c) Apparel, equipment and supplies;
- (d) Coaching and instruction;
- (e) Health/medical insurance;
- (f) Transportation (expenses to and from practice and competition, cost of transportation from home to training/practice site at the beginning of the season/preparation for an event and from training/practice/event site to home at the end of season/event);
- (g) Medical treatment and physical therapy;
- (h) Facility usage;
- (i) Entry fees; and
- (j) Other reasonable expenses.

12.02.2.1 Application. Unless otherwise permitted by the NCAA constitution or bylaws, actual and necessary expenses may be provided only if such expenses are for competition on a team or in a specific event or for practice that is directly related to such competition. The value of such expenses must be commensurate with the fair market value of similar goods and services in the locality in which the expenses are provided and must not be excessive in nature. Actual and necessary expenses shall not include the expenses or fees of anyone other than the individual who participates as a member of the team or in a specific event. (*Adopted: 1/19/13 effective 8/1/13*)

12.02.3 Calculation of Actual and Necessary Expenses—Individual Sports. In individual sports, the calculation of an individual's actual and necessary expenses shall be based on expenses incurred during each calendar year (January-December), rather than on an event-by-event basis. *(Adopted: 1/19/13 effective 8/1/13)*

12.02.4 Individual. An individual, for purposes of this bylaw, is any person of any age without reference to enrollment in an educational institution or status as a student-athlete.

12.02.5 Limited Benefit—Prior to Initial Full-Time Enrollment at an NCAA Institution—Expenses from a Permissible Source. Prior to initial full-time enrollment at an NCAA institution, if an individual receives expenses from a permissible source (e.g., event sponsor, club team) that exceed his or her actual and necessary expenses by \$300 or less, the eligibility of the individual shall not be affected. *(Adopted: 1/19/13 effective 8/1/13)*

12.02.6 Limited Benefit—Enrolled Student-Athlete—Expenses from a Permissible Source. If a student-athlete engages in permissible outside competition and receives expenses from a permissible source (e.g., event sponsor, club team) that exceed his or her actual and necessary expenses by \$300 or less, the eligibility of the student-athlete shall not be affected and the institution is not required to submit a self-report of the infraction. *(Adopted: 1/19/13 effective 8/1/13)*

12.02.7 Pay. Pay is the receipt of funds, awards or benefits not permitted by the governing legislation of the Association for participation in athletics.

12.02.8 Professional Athletics Team. A professional team is any organized team that:

(a) Provides any of its players more than actual and necessary expenses for participation on the team, except as otherwise permitted by NCAA legislation. Actual and necessary expenses are limited to the following, provided the value of these items is commensurate with the fair market value in the locality of the player(s) and is not excessive in nature: *(Revised: 4/25/02 effective 8/1/02)*

- (1) Meals directly tied to competition and practice held in preparation for such competition;
- (2) Lodging directly tied to competition and practice held in preparation for such competition;
- (3) Apparel, equipment and supplies;
- (4) Coaching and instruction;
- (5) Health/medical insurance;
- (6) Transportation (expenses to and from practice competition, cost of transportation from home to training/practice site at the beginning of the season and from training/practice site to home at the end of season);
- (7) Medical treatment and physical therapy;
- (8) Facility usage; *(Revised: 4/24/03)*
- (9) Entry fees; and *(Revised: 4/24/03)*
- (10) Other reasonable expenses; or *(Adopted: 4/24/03, Revised: 10/28/04)*

(b) Declares itself to be professional (see Bylaw 12.2.3.2.4). *(Revised: 8/8/02)*

12.02.9 Student-Athlete. A student-athlete is a student whose enrollment was solicited by a member of the athletics staff or other representative of athletics interests with a view toward the student's ultimate participation in the intercollegiate athletics program. Any other student becomes a student-athlete only when the student reports for an intercollegiate squad that is under the jurisdiction of the athletics department, as specified in Constitution 3.2.4.5. A student is not deemed a student-athlete solely on the basis of prior high school athletics participation.

12.02.10 Volleyball and Sand Volleyball. Volleyball and sand volleyball are considered the same sport for the purposes of Bylaw 12. *(Adopted: 8/26/10)*

12.1 General Regulations.

An individual must comply with the following to retain amateur status. (See Bylaw 14 regarding the eligibility restoration process.)

12.1.1 Validity of Amateur Status. As a condition and obligation of membership, it is the responsibility of an institution to determine the validity of the information on which the amateur status of a prospective student-athlete (including two-year and four-year college transfers initially enrolling at an NCAA Division I institution) and student-athlete is based. (See Bylaw 14.01.3.) *(Adopted: 1/9/06 effective 8/1/06, for all final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 1/8/07, 4/30/07)*

12.1.1.1 Amateurism Certification Process. An institution shall use an initial eligibility center approved by the Executive Committee to determine the validity of the information on which the amateur status of a student-athlete is based. *(Adopted: 1/9/06 effective 8/1/06, for final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 4/30/07)*

12.1.1.1.1 Scope. The certification of amateur status issued by the NCAA Eligibility Center is limited to activities that occur prior to a prospective student-athlete's request for final amateurism certification or

his or her initial full-time enrollment at an NCAA Division I or II institution, whichever occurs earlier. *(Adopted: 4/30/07)*

12.1.1.1.2 Institutional Responsibilities.

12.1.1.1.2.1 Amateur Status After Certification. An institution is responsible for certifying the amateur status of a prospective student-athlete (including two-year and four-year college transfers initially enrolling at an NCAA Division I institution) from the time he or she requests that a final certification be issued by the NCAA Eligibility Center or from the time he or she initially enrolls as a full-time student at an NCAA Division I or II institution (whichever occurs earlier). *(Adopted: 4/30/07)*

12.1.1.1.2.2 Sharing Information and Reporting Discrepancies. If an institution receives additional information or otherwise has cause to believe that a prospective student-athlete's amateur status has been jeopardized, the institution is responsible for promptly notifying the NCAA Eligibility Center of such information. Further, an institution is responsible for promptly reporting to the NCAA Eligibility Center all discrepancies in information related to a student-athlete's amateurism certification. *(Adopted: 4/30/07)*

12.1.1.1.3 Eligibility for Practice or Competition. Prior to engaging in practice or competition, a student-athlete shall receive a final certification of amateur status based on activities that occur prior to his or her request for final certification or initial full-time enrollment at an NCAA Division I or II institution (whichever occurs earlier). *(Adopted: 4/30/07)*

12.1.1.1.3.1 Temporary Certification. If a prospective student-athlete reports for athletics participation before the student's amateur status has been certified, the student may practice, but not compete, for a maximum period of 45 days. After this period, the student shall have his or her amateur status certified to continue to practice or to compete. *(Adopted: 1/9/06 effective 8/1/06, for all final certifications for student-athletes initially enrolling at a Division I or Division II institution on or after 8/1/07, Revised: 11/29/09)*

12.1.1.1.4 Eligibility for Practice After a Final Not-Certified Certification. After a final not-certified certification is rendered, a student-athlete may continue to engage in practice activities, provided the institution has submitted a notice of appeal. At the point in which all appeal opportunities have been exhausted and no eligibility has been granted, the student-athlete may no longer participate in practice activities. *(Adopted: 3/21/07)*

12.1.2 Amateur Status. An individual loses amateur status and thus shall not be eligible for intercollegiate competition in a particular sport if the individual:

- (a) Uses his or her athletics skill (directly or indirectly) for pay in any form in that sport;
- (b) Accepts a promise of pay even if such pay is to be received following completion of intercollegiate athletics participation;
- (c) Signs a contract or commitment of any kind to play professional athletics, regardless of its legal enforceability or any consideration received, except as permitted in Bylaw 12.2.5.1; *(Revised: 4/29/10 effective 8/1/10)*
- (d) Receives, directly or indirectly, a salary, reimbursement of expenses or any other form of financial assistance from a professional sports organization based on athletics skill or participation, except as permitted by NCAA rules and regulations;
- (e) Competes on any professional athletics team per Bylaw 12.02.8, even if no pay or remuneration for expenses was received, except as permitted in Bylaw 12.2.3.2.1; *(Revised: 4/25/02 effective 8/1/02, 4/29/10 effective 8/1/10)*
- (f) After initial full-time collegiate enrollment, enters into a professional draft (see Bylaw 12.2.4); or *(Revised: 4/25/02 effective 8/1/02, 4/24/03 effective 8/1/03)*
- (g) Enters into an agreement with an agent. *(Adopted: 4/25/02 effective 8/1/02)*

12.1.2.1 Prohibited Forms of Pay. "Pay," as used in Bylaw 12.1.2 above, includes, but is not limited to, the following:

12.1.2.1.1 Salary, Gratuity or Compensation. Any direct or indirect salary, gratuity or comparable compensation.

12.1.2.1.2 Division or Split of Surplus. Any division or split of surplus (bonuses, game receipts, etc.).

12.1.2.1.3 Educational Expenses. Educational expenses not permitted by the governing legislation of this Association (see Bylaw 15 regarding permissible financial aid to enrolled student-athletes).

12.1.2.1.3.1 Educational Expenses or Services—Prior to Collegiate Enrollment. A prospective student-athlete may receive educational expenses or services (e.g., tuition, fees, room and board, books, tutoring, standardized test preparatory classes) prior to collegiate enrollment from any individual or entity other than an agent, professional sports team/organization, member institution or a representative of an institution's athletics interests, provided the payment for such expenses or services is disbursed directly to the individual, organization or educational institution (e.g., high school, prepa-

ratory school) providing the educational expense or service. (*Adopted: 4/25/02 effective 8/1/02, Revised: 1/14/08*)

12.1.2.1.3.2 Educational Expenses From Outside Sports Team or Organization—After Collegiate Enrollment. Educational expenses provided to an individual after initial collegiate enrollment by an outside sports team or organization that are based on any degree on the recipient's athletics ability [except for financial aid that is received from a team or organization that conducts a competitive sports program by an individual who is not a member of that team or organization (see Bylaw 15.2.6.3)], even if the funds are given to the institution to administer to the recipient. (*Revised: 1/10/95, 4/25/02 effective 8/1/02, 1/15/11 effective 8/1/11, 8/18/11*)

12.1.2.1.3.2.1 Educational Expenses—Olympic Committee. A student-athlete may receive educational expenses awarded by the U.S. Olympic Committee (or for international student-athletes, expenses awarded by the equivalent organization of a foreign country) pursuant to the applicable conditions set forth in Bylaw 15.2.6.4. (*Adopted: 4/15/97, Revised: 11/1/00, 4/25/02 effective 8/1/02*)

12.1.2.1.4 Expenses, Awards and Benefits. Excessive or improper expenses, awards and benefits.

12.1.2.1.4.1 Cash or Equivalent Award. Cash, or the equivalent thereof (e.g., trust fund), as an award for participation in competition at any time, even if such an award is permitted under the rules governing an amateur, noncollegiate event in which the individual is participating. An award or a cash prize that an individual could not receive under NCAA legislation may not be forwarded in the individual's name to a different individual or agency. (*Revised: 4/25/02 effective 8/1/02*)

12.1.2.1.4.1.1 Exception—Prospective Student-Athlete's Educational Institution. A financial award may be provided to a prospective student-athlete's educational institution in conjunction with the prospective student-athlete being recognized as part of an awards program in which athletics participation, interests or ability is a criterion, but not the sole criterion, in the selection process. Such an award must also include nonathletics criteria, such as the prospective student-athlete's academic record and nonathletics extracurricular activities and may not be based on the prospective student-athlete's place finish or performance in a particular athletics event. In addition, it is permissible for an outside organization (other than a professional sports organization) to provide actual and necessary expenses for the prospective student-athlete (and the prospective student-athlete's parents or other relatives) to travel to a recognition event designed to recognize the prospective student-athlete's accomplishments in conjunction with his or her selection as the recipient of a regional, national or international award. (*Adopted: 10/28/99*)

12.1.2.1.4.4 Expenses from an Outside Sponsor. An individual who participates in a sport as a member of a team may receive actual and necessary expenses for competition and practice held in preparation for such competition from an outside sponsor (e.g., team, neighbor, business) other than an agent or a representative of an institution's athletics interests (and, after initial full-time collegiate enrollment, other than a professional sports organization). An individual who participates in a sport as an individual (not a member of a team) may receive actual and necessary expenses associated with an athletics event and practice immediately preceding the event, from an outside sponsor (e.g., neighbor, business) other than an agent or a representative of an institution's athletics interests (and, after initial full-time collegiate enrollment, other than a professional sports organization). (*Adopted: 1/19/13 effective 8/1/13*)

12.1.2.1.4.4.1 Expenses Prior to Full-Time Collegiate Enrollment—Professional Sports Organization. Prior to full-time collegiate enrollment, an individual may accept up to actual and necessary expenses for competition and practice held in preparation for such competition from a professional sports organization that sponsors the event. 12.1.2.1.4.4.2 Expenses/Benefits Related to Olympic Games. 12.1.2.1.4.5.1 Postseason Bowl Event. [FBS] On one occasion per year, a student-athlete may designate either additional individuals or substitutes (not to exceed a total of six individuals) to receive entertainment expenses related to an event organized by the nonprofessional sponsor of a postseason bowl game specifically for the parents or legal guardians of student-athletes participating in the postseason bowl. The additional individuals or substitutes designated by the student-athlete shall be subject to the review and approval of the institution's athletics director, or his or her designee. *(Adopted: 4/29/04 effective 8/1/04)*

12.1.2.1.5 Payment Based on Performance. Any payment conditioned on the individual's or team's place finish or performance or given on an incentive basis that exceeds actual and necessary expenses, or receipt of expenses in excess of the same reasonable amount for permissible expenses given to all individuals or team members involved in the competition. *(Revised: 4/25/02 effective 8/1/02, 1/19/13 effective 8/1/13)*

12.1.2.1.6 Preferential Treatment, Benefits or Services. Preferential treatment, benefits or services because of the individual's athletics reputation or skill or pay-back potential as a professional athlete, unless such treatment, benefits or services are specifically permitted under NCAA legislation. **[R]** *(Revised: 1/11/94, 1/14/08)*

12.1.2.1.7 Prize for Participation in Institution's Promotional Activity. Receipt of a prize for participation (involving the use of athletics ability) in a member institution's promotional activity that is inconsistent with the provisions of Bylaw 12.5 or approved official interpretations. *(Revised: 11/1/07 effective 8/1/08)*

12.1.2.2 Use of Overall Athletics Skill—Effect on Eligibility. Participation for pay in competition that involves the use of overall athletics skill (e.g., "superstars" competition) constitutes a violation of the Association's amateur-status regulations; therefore, an individual participating for pay in such competition is ineligible for intercollegiate competition in all sports. (See Bylaw 12.5.2.3.3 for exception related to promotional contests.) *(Revised: 4/25/02 effective 8/1/02)*

12.1.2.3 Road Racing. "Road racing" is essentially the same as cross country or track and field competition and cannot be separated effectively from those sports for purposes of Bylaw 12. Therefore, a student-athlete who accepts pay in any form for participation in such a race is ineligible for intercollegiate cross country or track and field competition. *(Revised: 4/25/02 effective 8/1/02)*

12.1.2.4 Exceptions to Amateurism Rule.

In sports other than tennis, an individual may accept prize money based on his or her place finish or performance in an athletics event. Such prize money may not exceed actual and necessary expenses and may be provided only by the sponsor of the event. The calculation of actual and necessary expenses shall not include the expenses or fees of anyone other than the individual (e.g., coach's fees or expenses, parent's expenses). *(Adopted: 4/25/02 effective 8/1/02, Revised: 12/12/06 applicable to any expenses received by a prospective student-athlete on or after 8/23/06, 4/26/12, 1/19/13 effective 8/1/13)*

12.1.2.4.2 Exception for Prize Money—Tennis.

12.1.2.4.2.1 Prior to Full-Time Collegiate Enrollment. In tennis, prior to full-time collegiate enrollment, an individual may accept up to \$10,000 per calendar year in prize money based on his or her place finish or performance in athletics events. Such prize money may be provided only by the sponsor of an event in which the individual participates. Once the individual has accepted \$10,000 in prize money in a particular year, he or she may receive additional prize money on a per-event basis, provided such prize money does not exceed the individual's actual and necessary expenses for participation in the event. The calculation of actual and necessary expenses shall not include the expenses or fees

of anyone other than the individual (e.g., coach's fees or expenses, parent's expenses). (*Adopted: 4/26/12, Revised: 1/19/13 effective 8/1/13*)

12.1.2.4.2 After Initial Full-Time Collegiate Enrollment. In tennis, after initial full-time collegiate enrollment, an individual may accept prize money based on his or her place finish or performance in an athletics event. Such prize money may not exceed actual and necessary expenses and may be provided only by the sponsor of the event. The calculation of actual and necessary expenses shall not include the expenses or fees of anyone other than the individual (e.g., coach's fees or expenses, parent's expenses). 12.1.2.4.3 Exception for Payment Based on Team Performance. An individual may accept payment from his or her amateur team or the sponsor of the event based on his or her team's place finish or performance, or given on an incentive basis (e.g., bonus), provided the combination of such payments and expenses provided to the individual does not exceed his or her actual and necessary expenses to participate on the team. The calculation of actual and necessary expenses shall not include the expenses or fees of anyone other than the individual (e.g., coach's fees or expenses, parent's expenses). (*Adopted: 10/28/10, Revised: 1/19/13 effective 8/1/13*)

12.1.2.4.4 Exception for Insurance Against Disabling Injury or Illness. An individual may borrow against his or her future earnings potential from an established, accredited commercial lending institution exclusively for the purpose of purchasing insurance (with no cash surrender value) against a disabling injury or illness that would prevent the individual from pursuing a chosen career, provided a third party (including a representative of an institution's athletics interests) is not involved in arrangements for securing the loan. However, an institution's president or chancellor (or his or her designated representative from outside the department of athletics) may designate an institutional staff member (or staff members) (e.g., professional sports counseling panel) to assist a student-athlete with arrangements for securing the loan and insurance. The institution shall retain copies of all documents related to loan transactions and insurance policies, regardless of whether the institution is involved in the arrangements. (*Revised: 1/16/93, 1/14/97 effective 8/1/97, 1/16/10*)

12.1.2.4.5 Exception for Institutional Fundraising Activities Involving the Athletics Ability of Student-Athletes. Institutional, charitable or educational promotions or fundraising activities that involve the use of athletics ability by student-athletes to obtain funds (e.g., "swim-a-thons") are permitted only if:

- (a) All money derived from the activity or project go directly to the member institution, member conference or the charitable, educational or nonprofit agency; (*Revised: 5/11/05*)

12.1.2.4.7 Exception for Training Expenses. An individual (prospective or enrolled student-athlete) may receive actual and necessary expenses [including grants, but not prize money, whereby the recipient has qualified for the grant based on his or her performance in a specific event(s)] to cover development training, coaching, facility usage, equipment, apparel, supplies, comprehensive health insurance, travel, room and board without jeopardizing the individual's eligibility for intercollegiate athletics, provided such expenses are approved and provided directly by the U.S. Olympic Committee (USOC), the appropriate national governing body in the sport (or, for international student-athletes, the equivalent organization of that nation) or a governmental entity. (*Adopted: 1/10/91, Revised: 4/27/00, 1/19/13 effective 8/1/13*)

(*Adopted: 4/29/10 effective 8/1/10; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/10*)

12.2.5.2 Nonbinding Agreement. 12.3 Use of Agents.

12.3.1 General Rule. An individual shall be ineligible for participation in an intercollegiate sport if he or she ever has agreed (orally or in writing) to be represented by an agent for the purpose of marketing his or her athletics ability or reputation in that sport. A lawyer may not be present during discussions of a contract offer with a professional organization or have any direct contact (in person, by telephone or by mail) with a professional sports organization on behalf of the individual. A lawyer's presence during such discussions is considered representation by an agent.

12.3.3 Athletics Scholarship Agent. A commercial establishment would become a co-sponsor if the commercial establishment either advertises the presence of the student-athlete at the commercial location or is involved directly or indirectly in promoting the activity. (*Adopted: 1/10/92*)

12.5.1.1.3 Distribution of Institutional Items through Commercial Outlets. (*Adopted: 1/11/94 effective 8/1/94*)

12.5.1.1.4.1 Exception—Olympic/National Team. (*Adopted: 1/6/96*)

12.5.1.1.5 Schedule Cards. An advertisement on an institution's wallet-size playing schedule that includes the name or picture of a student-athlete may include language other than the commercial product's name, trademark or logo, provided the commercial language does not appear on the same page as the picture of the student-athlete. **[D]** (*Adopted: 1/10/92, Revised: 1/14/08, 5/21/08*)

- (a) The institution specifically designates any agency that is authorized to receive orders for the film, video or media guide; *(Revised: 1/16/93)*
- (b) Sales and distribution activities have the written approval of the institution's athletics director;

- (a) Accepts any remuneration for or permits the use of his or her name or picture to advertise, recommend or promote directly the sale or use of a commercial product or service of any kind; or
- (b) Receives remuneration for endorsing a commercial product or service through the individual's use of such product or service.

12.5.2.1.1 Exceptions. The individual's eligibility will not be affected, provided the individual participated in such activities prior to enrollment and the individual:

- (a) Meets the conditions set forth in Bylaw 12.5.1.3 that would permit continuation of such activities; or
- (b) Takes appropriate steps upon becoming a student-athlete to retract permission for the use of his or her name or picture and ceases receipt of any remuneration for such an arrangement.

12.5.2.1.2 Improper Use of Student-Athlete's Name or Picture. If an institution, without the student-athlete's knowledge or consent, uses or permits the use of the student-athlete's name or picture in a manner contrary to Bylaw 12.5.2.1, the violation shall be considered an institutional violation; however, the student-athlete's eligibility shall not be affected. (*Adopted: 1/11/97*)

12.5.2.2 Use of a Student-Athlete's Name or Picture Without Knowledge or Permission. If a student-athlete's name or picture appears on commercial items (e.g., T-shirts, sweatshirts, serving trays, playing cards, posters) or is used to promote a commercial product sold by an individual or agency without the student-athlete's knowledge or permission, the student-athlete (or the institution acting on behalf of the student-athlete) is required to take steps to stop such an activity in order to retain his or her eligibility for intercollegiate athletics. Such steps are not required in cases in which a student-athlete's photograph is sold by an individual or agency (e.g., private photographer, news agency) for private use. (*Revised: 1/11/97, 5/12/05*)

12.5.2.3 Specifically Restricted Activities. A student-athlete's involvement in promotional activities specified in this section is prohibited.

12.5.2.3.3 Promotional Contests. Receipt of a prize for winning an institutional or noninstitutional promotional activity (e.g., making a half-court basketball shot, being involved in a money scramble) by a prospective or enrolled student-athlete (or a member of his or her family) does not affect his or her eligibility, provided the prize is won through a random drawing in which all members of the general public or the student body are eligible to participate. (*Revised: 1/9/96 effective 8/1/96, 3/25/05, 6/12/07*)

12.5.2.4 Other Promotional Activities. A student-athlete may not participate in any promotional activity that is not permitted under Bylaw 12.5.1. (*Adopted: 11/1/01*)

12.5.3 Media Activities.

- (a) **During the Playing Season.** During the playing season, a student-athlete may appear on radio and television programs (e.g., coaches' shows) or engage in writing projects when the student-athlete's appearance or participation is related in any way to athletics ability or prestige, provided the student-athlete does not receive any remuneration for the appearance or participation in the activity. The student-athlete shall not make any endorsement, expressed or implied, of any commercial product or service. The student-athlete may, however, receive actual and necessary expenses directly related to the appearance or participation in the activity. A student-athlete participating in media activities during the playing season may not miss class, except for class time missed in conjunction with away-from-home competition or to participate in a conference-sponsored media day. (Revised: 1/16/93, 1/14/97, 1/9/06, 4/27/06)
- (b) **Outside the Playing Season.** Outside the playing season, a student-athlete may participate in media activities (e.g., appearance on radio, television, in films or stage productions or participation in writing projects) when such appearance or participation is related in any way to athletics ability or prestige, provided the student-athlete is eligible academically to represent the institution and does not receive any remuneration for such appearance or participation. The student-athlete may not make any endorsement, expressed or implied, of any commercial product or service. The student-athlete may, however, receive legitimate and normal expenses directly related to such appearance or participation, provided the source of the expenses is the entity sponsoring the activity. (Revised: 1/16/93, 1/14/97)

12.5.4 Use of Commercial Trademarks or Logos on Equipment, Uniforms and Apparel. (Adopted: 5/27/11) A student-athlete may use athletics equipment or wear athletics apparel that bears the trademark or logo of an athletics equipment or apparel manufacturer or distributor in athletics competition and pre- and postgame activities (e.g., celebrations on the court, pre- or postgame press conferences), provided the following criteria are met. [D] (Revised: 1/11/94, 1/10/95, 1/9/96 effective 8/1/96, 5/27/11)

- (a) Athletics equipment (e.g., shoes, helmets, baseball bats and gloves, batting or golf gloves, hockey and lacrosse sticks, goggles and skis) shall bear only the manufacturer's normal label or trademark, as it is used on all such items for sale to the general public; and (Revised: 1/10/95)
- (b) The student-athlete's institution's official uniform (including numbered racing bibs and warm-ups) and all other items of apparel (e.g., socks, head bands, T-shirts, wrist bands, visors or hats, swim caps and towels) shall bear only a single manufacturer's or distributor's normal label or trademark (regardless of the visibility of the label or trademark), not to exceed 2-1/4 square inches in area (rectangle, square, parallelogram) including any additional material (e.g., patch) surrounding the normal trademark or logo. The student-athlete's institution's official uniform and all other items of apparel shall not bear a design element similar to the manufacturer's trademark/logo that is in addition to another trademark/logo that is contrary to the size restriction. (Revised: 1/11/94, 1/10/95, 2/16/00)

12.5.4.1 Laundry Label. If an institution's uniform or any item of apparel worn by a student-athlete in competition contains washing instructions on the outside of the apparel on a patch that also includes the manufacturer's or distributor's logo or trademark, the entire patch must be contained within a four-sided geometrical figure (rectangle, square, parallelogram) that does not exceed 2-1/4 square inches. [D] (Adopted: 1/10/95)

12.5.4.2 Pre- or Postgame Activities. The restriction on the size of a manufacturer's or distributor's logo is applicable to all apparel worn by student-athletes during the conduct of the institution's competition, which includes any pre- or postgame activities (e.g., postgame celebrations on the court, pre- or postgame press conferences) involving student-athletes. [D] (Adopted: 1/10/95)

12.5.4.3 Outside Team Uniforms and Apparel. The provisions of Bylaw 12.5.4-(b) do not apply to the official uniforms and apparel worn by outside teams.

12.5.4.4 Title-Sponsor Recognition. Racing bibs and similar competition identification materials (e.g., bowl-game patches) worn by participants may include the name of the corporate sponsor of the competition, provided the involved commercial company is the sole title sponsor of the competition. [D]

12.6 Financial Donations From Outside Organizations.

12.6.1 Professional Sports Organizations.

12.6.1.1 To Intercollegiate Event. A professional sports organization may serve as a financial sponsor of an intercollegiate competition event, provided the organization is not publicly identified as such. A professional sports organization may serve as a financial sponsor of an activity or promotion that is ancillary to the competition event and may be publicly identified as such. [D] (Adopted: 1/10/92, Revised: 8/5/04, 1/14/12)

12.6.1.2 Developmental Funds to NCAA. A professional sports organization may provide funds for intercollegiate athletics developmental purposes in a particular sport (e.g., officiating expenses, research and educational projects, the conduct of summer leagues, purchase of equipment). However, such funds shall be provided in an unrestricted manner and administered through the Association's national office.

12.6.1.3 To Institution, Permissible. A member institution may receive funds from a professional sports organization, provided: (*Revised: 4/29/04 effective 8/1/04*)

- (b) The money is placed in the institution's general scholarship fund and commingled with funds for the assistance of all students generally;
- (c) The money is received by the institution as a result of the professional sports organization's financial sponsorship of a specific intercollegiate competition event and is placed in the institution's budget for the specific event, including ancillary activities and promotions; or (*Adopted: 1/14/12*)
- (d) The money is received by the institution as a result of a reciprocal contractual marketing relationship and is placed in the athletics department's budget for the specific purpose of marketing and promoting any institutionally sponsored sport other than football and men's basketball. (*Adopted: 4/29/04 effective 8/1/04, Revised: 4/17/12*)

12.6.1.4 To Conference, Permissible. A member conference may receive funds from a professional sports organization, provided the money is received by the conference as a result of the professional sports organization's financial sponsorship of a specific intercollegiate competition event and is placed in the conference's budget for the specific event, including ancillary activities and promotions. (*Adopted: 1/14/12*)

12.6.1.5 To Institution, Nonpermissible. A member institution shall not accept funds from a professional sports organization if:

- (a) The funds are for the purpose of recognizing the development of a former student-athlete in a particular sport. The receipt of such funds by an institution would make additional money available that could benefit student-athletes and thus result in student-athletes indirectly receiving funds from a professional sports organization;
- (b) The money, even though not earmarked by the donor, is received and credited to institutional funds for the financial assistance of student-athletes generally; or
- (c) The money is placed in the institution's general fund and credited to the athletics department for an unspecified purpose.

12.6.1.6 Revenues Derived from Pro-Am Events. The distribution of revenues from an event involving an intercollegiate athletics team and a professional sports team (e.g., a baseball game in which a member institution's team plays against a professional baseball team) or pro-am event (e.g., golf, tennis) that results in a member institution's receiving a share of receipts from such a contest is permitted, provided the institution has a formal agreement with the professional sports team regarding the institution's guarantee or share of receipts and the contractual terms are consistent with agreements made by the professional team or individuals for similar intercollegiate or nonprofessional competition.

12.6.1.7 Promotion of Professional Athletics Contests. A member institution may host and promote an athletics contest between two professional teams from recognized professional sports leagues as a fundraising activity for the institution. (*Revised: 1/9/96 effective 8/1/96*)

12.6.1.8 Reciprocal Marketing Agreements—Sports Other Than Football and Men's Basketball. In sports other than football and men's basketball, an institution's marketing department may enter into a reciprocal contractual relationship with a professional sports organization for the specific purpose of marketing and promoting an institutionally sponsored sport. (*Adopted: 4/29/04 effective 8/1/04, Revised: 2/17/12*)

12.6.2 Organizations (Nonprofessional Sports Organizations).

12.6.2.1 Individual Athletics Performance. A member institution shall not accept funds donated from a nonprofessional sports organization based on the place finish of a student-athlete or the number of student-athletes representing the institution in an event. However, the organization may donate an equal amount of funds to every institution with an athlete or team participating in a particular event.

12.6.2.2 Individual and Team Rankings. A member institution may accept funds donated to its athletics program from a nonprofessional sports organization based on an individual's or a team's national or regional ranking. (*Revised: 1/9/06 effective 8/1/06*)

12.6.2.3 Academic Performance. A member institution may accept funds donated to its athletics program from a nonprofessional sports organization based on an individual's or a team's academic performance (e.g., the number of Academic All-American award recipients).

Recruiting

13.01 General Principles.

13.01.1 Eligibility Effects of Recruiting Violation. The recruitment of a student-athlete by a member institution or any representative of its athletics interests in violation of the Association's legislation, as acknowledged by the institution or established through the Association's enforcement procedures, shall result in the student-athlete becoming ineligible to represent that institution in intercollegiate athletics. The Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in such a violation only when circumstances clearly warrant restoration. A student is responsible for his or her involvement in a violation of NCAA regulations during the student's recruitment, and involvement in a major violation (see Bylaw 19.02.2.2) may cause the student to become permanently ineligible for intercollegiate athletics competition at that institution.

13.01.2 Institutional Responsibility in Recruitment. A member of an institution's athletics staff or a representative of its athletics interests shall not recruit a prospective student-athlete except as permitted by this Association, the institution and the member conference, if any.

13.01.3 Additional Recruiting Restrictions. The Committee on Academic Performance shall have the authority to determine the circumstances that would require an institution or team that fails to satisfy the academic performance program to apply additional recruiting restrictions. The Committee on Academic Performance shall establish and annually publish to the membership such circumstances under which the additional restrictions apply (see Bylaw 14.12). *(Adopted: 4/29/04 effective 8/1/04)*

13.02 Definitions and Applications.

13.02.1 Business Day. A business day is any weekday that is not recognized as a national holiday, including any weekday during which an institution is closed for other reasons (e.g., holiday break). *(Adopted: 4/29/10 effective 8/1/10)*

13.02.2 Camps.

13.02.2.1 Diversified Sports Camp. A diversified sports camp is a camp that offers a balanced camping experience, including participation in seasonal summer sports and recreational activities, without emphasis on instruction, practice or competition in any particular sport.

13.02.2.2 Specialized Sports Camp. A specialized sports camp is a camp that places special emphasis on a particular sport or sports and provides specialized instruction.

13.02.3 Competition Site. The "competition site" is the facility in which athletics competition is actually conducted, including any dressing room or meeting facility used in conjunction with the competition.

13.02.4 Contact. A contact is any face-to-face encounter between a prospective student-athlete or the prospective student-athlete's parents, relatives or legal guardians and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., staff member positions himself or herself in a location where contact is possible) or that takes place on the grounds of the prospective student-athlete's educational institution or at the site of organized competition or practice involving the prospective student-athlete or the prospective student-athlete's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of whether any conversation occurs. However, an institutional staff member or athletics representative who is approached by a prospective student-athlete or the prospective student-athlete's parents, relatives or legal guardians at any location shall not use a contact, provided the encounter was not prearranged and the staff member or athletics representative does not engage in any dialogue in excess of a greeting and takes appropriate steps to immediately terminate the encounter. *(Revised: 1/11/94 effective 8/1/94)*

13.02.4.1 Evaluation Activities During Contact Period—Football. [FBS/FCS] In football, a visit to a prospective student-athlete's high school, preparatory school or two-year college, or an evaluation at any site that occurs during a contact period shall constitute a contact (for all prospective student-athletes in that sport at the educational institution) for that particular week even if no contact is made with a prospective student-athlete. *(Adopted: 1/11/94 effective 8/1/94, Revised: 1/10/95 effective 8/1/95)*

13.02.5 Periods of Recruiting Activities.

13.02.5.1 Contact Period. A contact period is a period of time when it is permissible for authorized athletics department staff members to make in-person, off-campus recruiting contacts and evaluations.

13.02.5.2 Evaluation Period. An evaluation period is a period of time when it is permissible for authorized athletics department staff members to be involved in off-campus activities designed to assess the academic qualifications and playing ability of prospective student-athletes. No in-person, off-campus recruiting contacts shall be made with the prospective student-athlete during an evaluation period.

13.02.5.3 Recruiting Period—Men's Basketball. In men's basketball, a recruiting period is a period of time when it is permissible for authorized athletics department staff members to make in-person, off-campus recruiting contacts and evaluations. (*Adopted: 10/27/11 effective 8/1/12*)

13.02.5.4 Quiet Period. A quiet period is a period of time when it is permissible to make in-person recruiting contacts only on the institution's campus. No in-person, off-campus recruiting contacts or evaluations may be made during the quiet period.

13.02.5.5 Dead Period. A dead period is a period of time when it is not permissible to make in-person recruiting contacts or evaluations on or off the institution's campus or to permit official or unofficial visits by prospective student-athletes to the institution's campus. The provision of complimentary admissions to a prospective student-athlete during a dead period is prohibited, except as provided in Bylaw 13.7.2.5 for a prospective student-athlete who visits an institution as part of a group. During a dead period, a coaching staff member may not serve as a speaker at or attend a meeting or banquet at which prospective student-athletes are in attendance, except as provided in Bylaw 13.1.8.1, and may not visit a prospective student-athlete's educational institution. It remains permissible, however, for an institutional staff member to write or telephone a prospective student-athlete during a dead period. (*Revised: 1/11/94*)

13.02.5.5.1 Exception—Women's Volleyball. In women's volleyball, an institutional coaching staff member may have incidental contact with a two-year college prospective student-athlete who is attending and being honored at the annual American Volleyball Coaches Association (AVCA) awards banquet, provided no recruiting conversation occurs. (*Adopted: 10/30/03*)

13.02.5.5.2 Exception—Official or Unofficial Visit During Dead Period After Commitment. A prospective student-athlete is permitted to make an official or unofficial visit during a dead period after one of the following events occurs: (*Adopted: 1/16/10 effective 8/1/10, Revised: 1/15/11 effective 8/1/11, 1/19/13 effective 8/1/13*)

- (a) The prospective student-athlete signs a National Letter of Intent (NLI) or the institution's written offer of admission and/or financial aid; or
- (b) The institution receives a financial deposit in response to the institution's offer of admission.

13.02.6 Enrolled Student-Athlete. An enrolled student-athlete is an individual whose enrollment was solicited by a member of the athletics staff or other representative of athletics interests with a view toward the student's ultimate participation in the intercollegiate athletics program. Any other student becomes a student-athlete only when the student reports for an intercollegiate squad that is under the jurisdiction of the athletics department.

13.02.7 Evaluation. Evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a prospective student-athlete, including any visit to a prospective student-athlete's educational institution (during which no contact occurs) or the observation of a prospective student-athlete participating in any practice or competition at any site. (*Revised: 1/10/91 effective 8/1/91, 1/11/94 effective 8/1/94*)

13.02.7.1 Exception—Football. In football, any evaluation that occurs during a contact period by a coaching staff member is a countable contact per Bylaw 13.02.4.1 rather than a countable evaluation. (*Adopted: 1/10/95 effective 8/1/95*)

13.02.7.2 Evaluation Days—Football, Softball, Women's Volleyball and Women's Sand Volleyball. An evaluation day is defined as one coach engaged in the evaluation of any prospective student-athlete on one day (12:01 a.m. to midnight). Two coaches making evaluations on the same day shall use two evaluation days. See Bylaws 13.1.7.9.3, 13.1.7.11, 13.1.7.12 and 13.1.7.13. In men's basketball, a recruiting-person day is defined as one coach engaged in an off-campus recruiting activity of a men's basketball prospective student-athlete, including a prospective student-athlete who has signed a National Letter of Intent (or the institution's written offer of admission and/or financial aid), on one day (12:01 a.m. to midnight); two coaches engaged in recruiting activities on the same day shall use two recruiting-person days. Men's basketball staff members shall not exceed 130 recruiting-person days during the academic year. (*Adopted: 4/28/05 effective 8/1/05, Revised: 3/28/07, 5/9/08*)

13.02.10 Home. In general, a prospective student-athlete’s “home” is the prospective student-athlete’s legal residence, or the community of the educational institution in which the prospective student-athlete is enrolled while residing there.

13.02.11 National Letter of Intent. The National Letter of Intent referred to in this bylaw is the official document administered by the Collegiate Commissioners Association and used by subscribing member institutions to establish the commitment of a prospective student-athlete to attend a particular institution.

13.02.12 Prospective Student-Athlete. A prospective student-athlete is a student who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution provides such an individual (or the individual’s relatives or friends) any financial assistance or other benefits that the institution does not provide to prospective students generally. An individual remains a prospective student-athlete until one of the following occurs (whichever is earlier):

- (a) The individual officially registers and enrolls in a minimum full-time program of studies and attends classes in any term of a four-year collegiate institution’s regular academic year (excluding summer);
- (b) The individual participates in a regular squad practice or competition at a four-year collegiate institution that occurs before the beginning of any term; (*Revised: 1/11/89, 1/10/90, 1/19/13 effective 8/1/13*)
- (c) The individual officially registers, enrolls and attends classes during the certifying institution’s summer term prior to his or her initial full-time enrollment at the certifying institution; or (*Adopted: 4/28/05, Revised: 1/17/09, 1/19/13 effective 8/1/13*)
- (d) The individual reports to an institutional orientation session that is open to all incoming students within 14 calendar days prior to the opening day of classes of a regular academic year term. (*Adopted: 1/19/13 effective 8/1/13*)

13.02.12.1 Exception—After Commitment. After an individual has signed a National Letter of Intent or the institution’s written offer of admission and/or financial aid or after the institution has received his or her financial deposit in response to its offer of admission, the individual shall no longer be subject to the restrictions of Bylaw 13.1. The individual remains a prospective student-athlete for purposes of applying the remaining provisions of Bylaw 13 and other bylaws. (*Adopted: 4/28/05, Revised: 1/19/13 effective 8/1/13*)

13.02.13 Recruiting. Recruiting is any solicitation of a prospective student-athlete or a prospective student-athlete’s relatives (or legal guardians) by an institutional staff member or by a representative of the institution’s athletics interests for the purpose of securing the prospective student-athlete’s enrollment and ultimate participation in the institution’s intercollegiate athletics program.

13.02.13.1 Recruited Prospective Student-Athlete. Actions by staff members or athletics representatives that cause a prospective student-athlete to become a recruited prospective student-athlete at that institution are: (*Revised: 1/10/90, 1/11/94 effective 8/1/94, 1/10/05 effective 8/01/05*)

- (c) Initiating or arranging a telephone contact with the prospective student-athlete, the prospective student-athlete’s relatives or legal guardians on more than one occasion for the purpose of recruitment; or (*Revised: 1/11/94 effective 8/1/94*)
- (d) Issuing a National Letter of Intent or the institution’s written offer of athletically related financial aid to the prospective student-athlete. Issuing a written offer of athletically related financial aid to a prospective student-athlete to attend a summer session prior to full-time enrollment does not cause the prospective student-athlete to become recruited. (*Adopted: 1/10/05 effective 8/1/05, Revised: 12/13/05*)

13.02.14 Representative of Athletics Interests. A “representative of the institution’s athletics interests” is an individual, independent agency, corporate entity (e.g., apparel or equipment manufacturer) or other organization who is known (or who should have been known) by a member of the institution’s executive or athletics administration to: (*Revised: 2/16/00*)

13.02.16 Visits by Prospective Student-Athletes.

13.02.16.1 Official Visit. An official visit to a member institution by a prospective student-athlete is a visit financed in whole or in part by the member institution.

13.02.16.2 Unofficial Visit. An unofficial visit to a member institution by a prospective student-athlete is a visit made at the prospective student-athlete's own expense. The provision of any expenses or entertainment valued at more than \$100 by the institution or representatives of its athletics interests shall require the visit to become an official visit, except as permitted in Bylaws 13.5 and 13.7. *(Revised: 2/22/07, 5/9/08)*

13.02.17 Individual Associated with a Prospective Student-Athlete—Men's Basketball. In men's basketball, an individual associated with a prospective student-athlete is any person who maintains (or directs others to maintain) contact with the prospective student-athlete, the prospective student-athlete's relatives or legal guardians, or coaches at any point during the prospective student-athlete's participation in basketball, and whose contact is directly or indirectly related to either the prospective student-athlete's athletic skills and abilities or the prospective student-athlete's recruitment by or enrollment in an NCAA institution. This definition includes, but is not limited to, parents, legal guardians, handlers, personal trainers and coaches. An individual who meets this definition retains such status during the enrollment of the prospective student-athlete at the institution. *(Adopted: 8/26/10)*

13.1 Contacts and Evaluations.

Recruiting contacts (per Bylaw 13.02.4) and telephone calls by institutional staff members or representatives of the institution's athletics interests are subject to the provisions set forth in this bylaw. *(Revised: 1/10/91 effective 7/1/91, 6/13/08)*

13.1.1 Contactable Individuals.

13.1.1.1 Time Period for Off-Campus Contacts—General Rule. Off-campus recruiting contacts shall not be made with an individual (or his or her relatives or legal guardians) before July 1 following the completion of his or her junior year in high school (July 7 after the junior year in high school in women's ice hockey and July 15 after the junior year in high school in women's gymnastics), or the opening day of classes of his or her senior year in high school (as designated by the high school), whichever is earlier. U.S. service academy exceptions to this provision are set forth in Bylaw 13.16.1. *(Revised: 1/10/91 effective 7/1/91, 1/11/94 effective 3/15/94, 1/10/95, 1/14/97 effective 5/1/97, 10/28/97, 4/26/01 effective 8/1/01, 4/29/04 effective 8/1/04, 4/28/05, 1/9/06, 2/26/07, 6/13/08, 4/30/09, 1/15/11)*

13.1.1.1.1 Exception—Men's Basketball. In men's basketball, off-campus recruiting contacts shall not be made with an individual (or his relatives or legal guardians) before the opening day of his junior year in high school. Contacts that occur during a prospective student-athlete's junior year during recruiting periods other than the April recruiting period may occur only at the prospective student-athlete's educational institution. During the April recruiting period of a prospective student-athlete's junior year, contacts may occur at either the prospective student-athlete's educational institution or residence. *(Adopted: 10/27/11 effective 8/1/12)*

13.1.1.1.2 Exception—Women's Basketball. In women's basketball, off-campus recruiting contacts shall not be made with an individual (or her relatives or legal guardians) before September 1 at the beginning of her junior year in high school. Contacts that occur during a prospective student-athlete's junior year may occur only at the prospective student-athlete's educational institution or residence. *(Adopted: 1/19/13 effective 8/1/13)*

13.1.1.2 Two-Year College Prospective Student-Athletes. A prospective student-athlete who was not a qualifier as defined in Bylaw 14.02.13.1 and who is enrolled in the first year of a two-year college may not be contacted in person on or off an institution's campus for recruiting purposes.

13.1.1.3 Four-Year College Prospective Student-Athletes. An athletics staff member or other representative of the institution's athletics interests shall not make contact with the student-athlete of another NCAA or

NAA four-year collegiate institution, directly or indirectly, without first obtaining the written permission of the first institution's athletics director (or an athletics administrator designated by the athletics director) to do so, regardless of who makes the initial contact. If permission is not granted, the second institution shall not encourage the transfer and the institution shall not provide athletically related financial assistance to the student-athlete until the student-athlete has attended the second institution for one academic year. If permission is granted to contact the student-athlete, all applicable NCAA recruiting rules apply. If an institution receives a written request from a student-athlete to permit another institution to contact the student-athlete about transferring, the institution shall grant or deny the request within seven business days (see Bylaw 13.02.1) of receipt of the request. If the institution fails to respond to the student-athlete's written request within seven business days, permission shall be granted by default and the institution shall provide written permission to the student-athlete. *(Revised: 1/10/91, 1/16/93, 1/11/94, 4/26/01, 4/29/04 effective 8/1/04, 4/29/10 effective 8/1/10)*

13.1.1.3.1 Hearing Opportunity. If the institution decides to deny a student-athlete's request to permit any other institution to contact the student-athlete about transferring, the institution shall inform the student-athlete in writing that he or she, upon request, shall be provided a hearing conducted by an institutional entity or committee outside the athletics department (e.g., the office of student affairs; office of the dean of students; or a committee composed of the faculty athletics representative, student-athletes and non-athletics faculty/staff members). The institution shall conduct the hearing and provide written results of the hearing to the student-athlete within 15 business days (see Bylaw 13.02.1) of receipt of the student-athlete's written request for a hearing. The student-athlete shall be provided the opportunity to actively participate (e.g., in person, via telephone) in the hearing. If the institution fails to conduct the hearing or provide the written results to the student-athlete within 15 business days, permission to contact the student-athlete shall be granted by default and the institution shall provide written permission to the student-athlete. *(Adopted: 1/11/94, Revised: 9/18/07, 4/29/10 effective 8/1/10)*

13.1.1.3.2 Student-Athlete Withdrawn From Four-Year College. A member institution may contact a student-athlete who has withdrawn officially from a four-year collegiate institution without obtaining permission from the first institution only if at least one academic year has elapsed since the withdrawal.

13.1.1.3.2.1 Exception—Official Religious Mission. An institution shall not contact a student-athlete who has begun service on an official religious mission without obtaining permission from the institution from which the student-athlete withdrew prior to beginning his or her mission if the student-athlete signed a National Letter of Intent (NLI) and attended the institution (with which he or she signed the NLI) as a full-time student. If such a student-athlete has completed his or her official religious mission and does not enroll full time in a collegiate institution within one calendar year of completion of the mission, an institution may contact the student-athlete without obtaining permission from the first institution. *(Adopted: 1/17/09 effective 8/1/09, Revised: 4/2/10)*

13.1.1.3.3 Transfer From Institution Placed on Probation by Committee on Infractions. It is not necessary for an institution to obtain permission in writing to recruit a student-athlete at an institution that has been placed on probation with sanctions that preclude it from competing in postseason competition during the remaining seasons of the student-athlete's eligibility. However, the student-athlete's institution must be notified of the recruitment and may establish reasonable restrictions related to the contact (e.g., no visits during class time), provided such restrictions do not preclude the opportunity for the student-athlete to discuss transfer possibilities with the other institution [see Bylaw 14.7.2-(c)]. *(Adopted: 1/10/92, Revised: 1/9/06 effective 8/1/06)*

13.1.1.3.4 Transfer From Institution Ineligible for Postseason Competition—Academic Performance Program. On approval by the Committee on Academic Performance, an institution may contact a student-athlete at another institution whose team is ineligible for postseason competition during the remaining seasons of the student-athlete's eligibility due to sanctions pursuant to the Academic Performance Program, without obtaining written permission from the other institution. The student-athlete's institution must be notified of the recruitment and may establish reasonable restrictions related to the contact (e.g., no visits during class time), provided such restrictions do not preclude the opportunity for the student-athlete to discuss transfer possibilities with the other institution [see Bylaw 14.7.2-(e)]. *(Adopted: 1/9/06 effective 8/1/06)*

13.1.1.3.5 Transfer While Ineligible Due to Positive Drug Test. If a student-athlete who is declared ineligible due to a positive drug test administered by the NCAA transfers to another NCAA institution, the institution from which the student-athlete transferred must notify the new institution of the student-athlete's ineligibility (see Bylaw 18.4.1.5.1.3). *(Adopted: 1/14/97 effective 8/1/97)*

13.1.2 Permissible Recruiters.

13.1.2.1 General Rule. All in-person, on- and off-campus recruiting contacts with a prospective student-athlete or the prospective student-athlete's relatives or legal guardians shall be made only by authorized institutional staff members. Such contact, as well as correspondence and telephone calls, by representatives of an institution's athletics interests is prohibited except as otherwise permitted in this section. Violations of this bylaw involving individuals other than a representative of an institution's athletics interests shall be considered institutional viola-

tions per Constitution 2.8.1; however, such violations shall not affect the prospective student-athlete's eligibility. *(Revised: 8/5/04)*

13.1.2.1.1 Off-Campus Recruiters. An institutional staff member is not permitted to recruit off campus until he or she has been certified on an annual basis as to knowledge of applicable recruiting rules per Bylaw 11.5.1.1. **[D]** *(Adopted: 1/10/91 effective 8/1/92, Revised: 4/27/00)*

- (b) **Coach Who Is Prospective Student-Athlete's Parent or Legal Guardian.** Recruiting contact and evaluation limitations do not apply to a coaching staff member who is the parent (or legal guardian) of a participant in any activity being observed (e.g., practices, contests or camps), provided the attendance by the coaching staff member at such activity does not involve any personal contact with any other participating prospective student-athlete. *(Revised: 1/10/95, 1/14/97 effective 8/1/97)*
- (c) **Spouse of Prospective Student-Athlete's Coach.** Recruiting contact and evaluation limitations do not apply to a coaching staff member observing a contest that involves prospective student-athletes coached by his or her spouse, provided the attendance by the coaching staff member at such a contest does not involve any personal contact with any prospective student-athlete participating in the contest. *(Adopted: 1/11/94)*
- (d) **Established Family Friend/Neighbor.** Contacts made with a prospective student-athlete by an established family friend or neighbor, it being understood that such contacts are not made for recruiting purposes and are not initiated by a member of an institution's coaching staff.

 - (1) **On Campus.** A spouse of an institutional staff member on campus.
 - (2) **Off Campus during Official Visit.** A spouse of an athletics department staff member during a prospective student-athlete's official visit and within a 30-mile radius of the institution's main campus during the prospective student-athlete's official visit.
- (f) **Interpreter.** An interpreter present during an institution's in-person, off-campus contact with a prospective student-athlete or the prospective student-athlete's parents (or legal guardians), provided that if the institution is involved in making the arrangements for the use of the interpreter, the interpreter must be a faculty member or a professional interpreter. It is not permissible for the interpreter to be an enrolled student-athlete, a family member of an enrolled student-athlete or a representative of the institution's athletics interests. *(Adopted: 1/11/97)*
- (g) **Unavoidable Incidental Contact.** An unavoidable incidental contact made with a prospective student-athlete by representatives of the institution's athletics interests, provided the contact is not prearranged by the representative or an athletics department staff member, does not take place on the grounds of the prospective student-athlete's educational institution or at the sites of organized competition and practice involving the prospective student-athlete or the prospective student-athlete's team (high school, preparatory school, two-year college or all-star team), is not made for the purpose of recruitment of the prospective student-athlete, and involves only normal civility.
- (h) **Relatives (or Legal Guardians) of Enrolled Student-Athletes.** On-campus contacts between a prospective student-athlete or his or her relatives (traditional or nontraditional) or legal guardians accompanying the prospective student-athlete and the relatives (traditional and nontraditional) or legal guardians of an enrolled student-athlete. *(Adopted: 4/26/12)*

13.1.2.3 General Restrictions—Staff Members and Governing Board. The following are additional restrictions that apply to an institution's staff members and governing board: **[D]** *(Revised: 4/27/00, 7/31/13)*

- (a) **Noncoaching Staff Members with Sport-Specific Responsibilities.** A noncoaching staff member with sport-specific responsibilities (except a staff member who only performs clerical duties) shall not attend an on- or off-campus athletics event in the staff member's sport that involves prospective student-athletes (e.g., high school contest, noninstitutional sports camp) unless the staff member is an immediate family member or legal guardian of a participant in the activity. - (b) **Board of Governors/Regents.** Recruiting contacts on or off campus between a member of the institution's board of governors (or regents) and a prospective student-athlete are not permissible.

13.1.2.4 Other Restrictions, Athletics Representatives. The following are additional restrictions that apply to athletics representatives:

- (a) **Telephone Conversation.** An athletics representative of a member institution may speak to a prospective student-athlete via the telephone only if the prospective student-athlete initiates the telephone conversation and the call is not for recruiting purposes. Under such circumstances, the representative must refer questions about the institution's athletics program to the athletics department staff;
- (b) **Observing Prospective Student-Athlete's Contest.** An athletics representative may view a prospective student-athlete's athletics contest on his or her own initiative, subject to the understanding that the athletics representative may not contact the prospective student-athlete on such occasions;

Institutional staff members (e.g., faculty members) may contact prospective student-athletes for recruiting purposes in all sports, on campus, or within 30 miles of campus during the prospective student-athlete's official visit. **[D]** *(Revised: 1/10/91 effective 8/1/92, 8/5/04, 5/26/06, 7/31/13)*

13.1.2.6.2 Off-Campus Contact. [FBS] In bowl subdivision football, the head coach may make in-person, off-campus contact with a prospective student-athlete or the prospective student-athlete's relatives or legal guardians only during one calendar day. It is permissible for this contact to occur both at the site of the prospective student-athlete's educational institution and away from the institutional grounds. During such contact, the head coach may be accompanied by assistant coaches, who otherwise are required to observe the restrictions contained in the bylaws. **[D]** *(Revised: 1/10/92 effective 8/1/92, 8/5/04, 12/15/06)*

An authorized off-campus recruiter may use one evaluation to assess the prospective student-athlete’s athletics ability and one evaluation to assess the prospective student-athlete’s academic qualifications during the April 15 through May 31 evaluation period. If an institution’s coaching staff member conducts both an athletics and an academic evaluation of a prospective student-athlete on the same day during the April 15 through May 31 evaluation period, the institution shall be charged with the use of an academic evaluation only and shall be permitted to conduct a second athletics evaluation of the prospective student-athlete on a separate day during the evaluation period. **[D]** *(Adopted: 9/12/03)*

Such information may be provided via a digital media storage device (e.g., DVD, flash drive). [See Bylaw 13.4.1.1-(h).] **[D]** *(Adopted: 12/26/06, Revised: 1/16/10, 3/29/10, 6/13/11)*

Accordingly, a member institution may not buy or arrange to have space in game programs or other printed materials published to provide information concerning the athletics participation or evaluation of prospective student-athletes (e.g., recruiting publications) for any purpose whatsoever, including advertisements, a listing of prospective or enrolled student-athletes who will attend the institution and informative materials related to the institution. **[D]** (Revised: 4/28/05 effective 8/1/05)

- (d) The institution documents the cost of the advertising and promotional activities.

13.4.3.1.2 Camp or Clinic Advertisements. Advertisements for an institution's camp or clinic are permissible if placed in a recruiting publication (other than a high school, two-year college or nonscholastic game program) that includes a camp directory that meets the following requirements: **[D]** (Revised: 1/11/94, 9/12/03, 9/24/09)

13.4.3.2 NCAA or Conference Championship Posters. An institution hosting an NCAA or conference championship may produce a poster promoting the championship and send it to a high school coach and/or his or her educational institution. 13.4.3.3 Conference-Sponsored Sportsmanship Initiatives. A conference office may buy or arrange to have space in game programs or other printed materials published to provide information concerning the athletics participation of prospective student-athletes, provided the content of the printed materials is limited exclusively to promoting sportsmanship, and the materials are not designed to solicit the enrollment of prospective student-athletes. In addition, a conference office may produce posters, limited exclusively to promoting sportsmanship, which may be sent to any educational institution. 13.5 Transportation.

13.5.1 General Restrictions. An institution may not provide transportation to a prospective student-athlete other than on an official paid visit or, on an unofficial visit, to view a practice or competition site in the prospective student-athlete's sport and other institutional facilities and to attend a home athletics contest at any local facility when accompanied by an institutional staff member. During the official paid visit, transportation may be provided to view a practice or competition site and other institutional facilities located outside a 30-mile radius of the institution's campus. [R] (Revised: 1/11/89, 10/28/97, 11/1/00, 1/9/06 effective 8/1/06, 4/27/06)

13.5.1.1 Nonpermissible Transportation. If nonpermissible transportation is provided, the institution may not avoid a violation of this rule by receiving reimbursement for mileage from the prospective student-athlete.

13.5.2 Transportation on Official Paid Visit.

13.5.2.1 General Restrictions. A member institution may pay the prospective student-athlete's actual round-trip transportation costs for his or her official visit to its campus from any location, provided the prospective student-athlete returns to the original point of departure, or if return transportation is provided to the prospective student-athlete's home, educational institution or site of competition, the cost does not exceed round-trip expenses from the prospective student-athlete's original point of departure. Use of a limousine or helicopter for such transportation is prohibited. [R] (Revised: 1/9/06, 5/26/06)

13.5.2.2 Automobile Transportation. If a prospective student-athlete travels by automobile on an official paid visit, the institution may pay round-trip expenses to the individual incurring the expense (except the prospective student-athlete's coach as set forth in Bylaw 13.8.1.2) at the same mileage rate it allows its own personnel. Any automobile may be used by the prospective student-athlete, provided the automobile is not owned or operated or its use arranged by the institution or any representative of its athletics interests. [R] (Revised: 1/11/94)

13.5.2.2.1 Use of Automobile. The institution or representatives of its athletics interests shall not provide an automobile for use during the official visit by the prospective student-athlete or by a student host. [R]

13.5.2.2.2 Coach Accompanying Prospective Student-Athlete and Parents and Legal Guardians. Except as permitted in Bylaw 13.5.2.4, coaching staff members shall not accompany a prospective student-athlete in the coach's sport to or from an official visit unless the prospective student-athlete travels only by automobile. If such transportation is used, the 48-hour period of the official visit shall begin when the coach begins transporting the prospective student-athlete and his or her parents or legal guardians, if applicable, to campus. A coach who makes an in-person, off-campus contact (any dialogue in excess of an exchange of a greeting) with that prospective student-athlete (or the prospective student-athlete's parents or legal guardians) during a permissible contact period prior to transporting the prospective student-athlete and his or her parents or legal guardians, if applicable, to campus for an official visit is charged with a countable contact. On completion of the 48-hour period, the coach shall terminate contact with the prospective student-athlete and his or her parents or legal guardians, if applicable, immediately. [R] (Adopted: 1/10/95 effective 8/1/95, Revised: 1/14/97 effective 8/1/97, 11/12/97, 1/14/08 effective 8/1/08)

(Adopted: 1/10/91 effective 8/1/91, Revised: 12/15/06)

13.5.2.2.3 On-Campus Transportation. An institution transporting a prospective student-athlete (and those accompanying a prospective student-athlete) around campus during the official visit must use institutional vehicles normally used to transport prospective students while visiting the campus. In addition, coaching staff members or student hosts may use personal vehicles to transport a prospective student-athlete (and those accompanying the prospective student-athlete) around campus during an official visit. [R] (Adopted: 8/5/04)

13.5.2.3 Air Transportation. An institution providing air transportation to a prospective student-athlete to and from an official campus visit must use commercial transportation at coach-class airfare. Coaching staff members shall not accompany a prospective student-athlete to or from an official visit when air travel is used, except as permitted in Bylaw 13.5.2.4. [R] (Revised: 1/10/95 effective 8/1/95, 8/5/04)

[R] (Revised: 8/5/04)

13.5.2.4 From Airport or Bus or Train Station. During the official visit, any member of an institution's athletics department staff may provide ground transportation for a prospective student-athlete and the prospective student-athlete's parents, relatives or legal guardians between the campus and any bus or train station or airport. If a prospective student-athlete is transported by a member of the institution's athletics department from an airport or bus or train station other than the major airport or bus or train station nearest the institution, the

48-hour official visit period begins with the initiation of the ground transportation by the member of the institution's athletics department staff. *(Revised: 4/28/05, 7/27/07)*

13.5.2.5 Visiting Two or More Institutions. Two or more institutions to which a prospective student-athlete is making official visits on the same trip may provide travel expenses, provided there is no duplication of expenses, only actual and necessary expenses are provided, and the 48-hour visit limitation is observed at each institution. [R]

13.5.2.6 Transportation of Prospective Student-Athlete's Relatives, Friends or Legal Guardians. An institution shall not permit its athletics department staff members or representatives of its athletics interests to pay, provide or arrange for the payment of transportation costs incurred by relatives, friends or legal guardians of a prospective student-athlete to visit the campus or elsewhere; however, an institution may: [R]

- (a) Provide automobile-mileage reimbursement to a prospective student-athlete on an official visit, even if relatives or friends accompany the prospective student-athlete; *(Revised: 1/11/94, 5/12/05)*
- (b) Permit the parents or legal guardians of a prospective student-athlete to ride in an automobile driven by a coaching staff member for the purpose of providing ground transportation to a prospective student-athlete as part of an official visit; and *(Adopted: 1/14/08 effective 8/1/08)*

13.5.3 Transportation on Unofficial Visit. During any unofficial recruiting visit, the institution may provide the prospective student-athlete with transportation to view practice and competition sites in the prospective student-athlete's sport and other institutional facilities and to attend a home athletics contest at any local facility. An institutional staff member must accompany the prospective student-athlete during such a trip. Payment of any other transportation expenses, shall be considered a violation. [R] *(Revised: 1/11/89, 4/27/00, 3/10/04, 4/28/05, 1/9/06 effective 8/1/06, 4/27/06)*

13.5.4 Transportation to Enroll or to Attend Required Orientation. - (a) Transportation from the nearest bus or train station or major airport to the campus on the occasion of the prospective student-athlete's initial arrival at the institution to attend classes for a regular term or for initial enrollment for the institution's summer term for a prospective student-athlete who has been awarded athletically related financial aid for his or her initial summer term; and *(Revised: 1/9/06)*
- (b) Transportation from and to the nearest bus or train station or major airport on the occasion of the prospective student-athlete's arrival and departure from the institution to attend the institution's required new-student orientation, provided the prospective student-athlete has been accepted for admission to the institution.

13.6 Official (Paid) Visit.

13.6.1 Institutional Policies. An institution must have written departmental policies related to official visits that apply to prospective student-athletes, student hosts, coaches and other athletics administrators that are approved by the institution's president or chancellor and kept on file at the institution and conference office. The institution is responsible for the development and enforcement of appropriate policies and penalties regarding specified areas, as identified by the NCAA Division I Board of Directors. The institution shall have an outside entity (e.g., conference office) evaluate its policies related to official visits once every four years. The institution may be held accountable through the NCAA enforcement program for activities that clearly demonstrate a disregard for its stated policies. *(Adopted: 8/5/04, Revised: 3/8/06)*

13.6.2 Limitations on Official Visits.

13.6.2.1 One-Visit Limitation. A member institution may finance only one visit to its campus for a prospective student-athlete.

13.6.2.2 Number of Official Visits—Prospective Student-Athlete Limitation. A prospective student-athlete may take a maximum of five expense-paid visits to Division I institutions, with not more than one permitted to any single institution. This restriction applies regardless of the number of sports in which the prospective student-athlete is involved. *(Revised: 1/12/04, 10/28/11)*

13.6.2.2.1 First Opportunity to Visit. In sports other than basketball, a prospective student-athlete may not be provided an expense-paid visit earlier than the opening day of classes of the prospective student-athlete's senior year in high school. In men's basketball, a prospective student-athlete may not be provided

an expense-paid visit earlier than January 1 of his junior year in high school. In women's basketball, a prospective student-athlete may not be provided an expense-paid visit earlier than the Thursday following the NCAA Division I Women's Basketball Championship game of the prospective student-athlete's junior year in high school. **[D]** (Revised: 11/1/01 effective 4/1/02, 4/3/02, 8/5/04, 4/28/05, 5/12/05, 10/27/11 effective 8/1/12, 1/19/13 effective 8/1/13)

13.6.2.2 July Evaluation Periods—Women's Basketball. In women's basketball, an institution may not provide an expense-paid visit to a prospective student-athlete during the July evaluation periods (see Bylaw 13.1.5.4.2), unless the prospective student-athlete has signed a National Letter of Intent or the institution's written offer of admission and/or financial aid or the institution has received her financial deposit in response to its offer of admission. (Adopted: 4/28/05 effective 8/1/05, Revised: 6/28/06, 1/19/13 effective 8/1/13)

13.6.2.3 Post-High School Visits. The one-visit limitation and the limitations on total official visits apply separately to the period in which the prospective student-athlete is in high school and to the period beginning October 15 following the prospective student-athlete's completion of high school. Thus, a prospective student-athlete may be provided a maximum of 10 official visits—five while in high school and five beginning with the October 15 following the prospective student-athlete's completion of high school. A prospective student-athlete is not required to graduate from high school in order to receive a permissible post-high school visit. **[D]** (Revised: 1/11/89, 1/10/90, 6/21/01, 1/12/04, 8/5/04)

13.6.2.3.1 Nonqualifier in First Year. A person who is not a qualifier and who is enrolled at a two-year college may not be provided an expense-paid visit to a member institution until he or she has completed an academic year at a two-year college.

13.6.2.3.2 Transfer Student. If a student-athlete attending a four-year institution desires to transfer and that institution provides the permission required (per Bylaw 13.1.1.3), it is permissible for a second institution to provide the student-athlete one official visit to that institution's campus.

13.6.2.4 Visit to Off-Campus Contest. An institution may not provide a prospective student-athlete with transportation to attend an off-campus contest outside a 30-mile radius of the member institution's main campus. **[D]** (Revised: 4/24/03, 8/5/04, 1/9/06 effective 8/1/06, 11/1/07 effective 8/1/08, 8/21/12)

13.6.2.5 Visit While Competing in Open Event. A host institution may pay the expenses of a recruited prospective student-athlete to participate in an established "open" event, provided the expenses of all other competitors in that event are paid; the expenses are not paid from athletics department (nonmeet) funds; and the expenses of the prospective student-athlete are limited to actual transportation, room and board. This trip shall be considered the one paid visit to the institution's campus with the prospective student-athlete remaining not more than 48 hours.

13.6.2.6 Number of Official Visits—Institutional Limitation. The total number of official visits a member institution may provide prospective student-athletes in the following sports on an annual basis (August 1 through July 31) shall be limited to: **[D]** (Revised: 11/12/97, 10/29/09)

13.6.2.6.4 Written Record Required. The institution must maintain a written record of the paid visits of its football, basketball and baseball prospective student-athletes. **[D]** (Revised: 1/12/99 effective 8/1/99, 10/29/09)

13.6.2.6.5 Multiple-Sport Prospective Student-Athletes. A prospective student-athlete in football and one or more other sports (including basketball or baseball) shall be counted against the visit limitation in football. A prospective student-athlete in basketball and one or more other sports (other than football) shall be counted against the visit limitation in basketball. A prospective student-athlete in baseball and one

or more other sports (other than football or basketball) shall be counted against the visit limitation in baseball. **[D]** (*Revised: 1/12/99 effective 8/1/99, 10/29/09*)

13.6.2.6.6 Exception—Head Coaching Change. In baseball, basketball and football, an institution may provide additional official visits (up to 25 percent of the limitation for the particular sport) after a new head coach is hired, provided the previous head coach used 75 percent or more of the official visits permitted for that academic year. **[D]** (*Adopted: 1/11/94 effective 8/1/94, Revised: 1/12/99 effective 8/1/99, 4/29/04, 11/1/07 effective 8/1/08, 10/29/09, 8/21/12*)

13.6.3 Requirements for Official Visit. The following requirements must be met before an institution may provide an official visit to a prospective student-athlete: **[D]** (*Adopted: 4/26/07 effective 8/1/07*)

- (a) A high school or preparatory school prospective student-athlete must present the institution with a score from a PSAT, SAT, PLAN or ACT taken on a national testing date under national testing conditions, except that a state-administered ACT may be used to meet the requirement. The score must be presented through a testing agency document, on a high school or preparatory school academic transcript (official or unofficial) or through the use of the applicable testing agency's automated-voice system. An international prospective student-athlete who requires a special administration of the PSAT, SAT, PLAN or ACT may present such a score upon the approval of the Academic Cabinet or the Initial-Eligibility Waivers Committee; (*Revised: 11/1/07 effective 8/1/08*)
- (b) A prospective student-athlete must present this institution with a high school (or college) academic transcript;
- (c) A high school or preparatory school prospective student-athlete must register with the NCAA Eligibility Center; and (*Revised: 5/9/07*)
- (d) A high school or preparatory school prospective student-athlete must be placed on the institution's institutional request list (IRL) with the NCAA Eligibility Center. (*Revised: 5/9/07*)

13.6.3.1 NCAA Eligibility Center. A prospective student-athlete's fulfillment of these academic requirements may be certified by the NCAA Eligibility Center approved by the Executive Committee. (*Adopted: 4/26/07 effective 8/1/07*)

13.6.4 Length of Official Visit. An official visit to an institution shall not exceed 48 hours. A prospective student-athlete may remain in the locale in which the institution is located after the permissible 48-hour period for reasons unrelated to the official visit, provided that at the completion of the 48-hour visit, the individual departs the institution's campus, and the institution does not pay any expenses thereafter, including the cost of return transportation to the prospective student-athlete's home. Additionally, if the prospective student-athlete does not return home prior to attending the institution, the one-way transportation to the campus would be considered a violation of Bylaw 13.5.4, which prohibits transportation to enroll. **[D]** (*Revised: 1/9/96 effective 8/1/96, 8/5/04*)

13.6.4.1 48-Hour Period Defined. The 48-hour period of the official visit begins at the time the prospective student-athlete arrives on the institution's campus, rather than with the initiation of the prospective student-athlete's transportation by a coach or the time of the prospective student-athlete's arrival at the airport or elsewhere in the community (see Bylaws 13.5.2.4, 13.6.4.1.1 and 13.6.4.1.2). The prospective student-athlete's transportation to and from the campus must be without delay for personal reasons or entertainment purposes. The institution may not pay any expenses for entertainment (other than the actual and reasonable cost of meals) in conjunction with the prospective student-athlete's transportation. At the completion of the 48-hour visit, the prospective student-athlete must depart the institution's campus immediately; otherwise, the institution may not pay any expenses incurred by the prospective student-athlete upon departure from the institution's campus, including the cost of the prospective student-athlete's transportation home. (*Revised: 9/24/09*)

13.6.4.1.1 Coach Accompanying Prospective Student-Athlete. If a coach accompanies a prospective student-athlete on an official visit by automobile, per Bylaw 13.5.2.2.3, the 48-hour period shall begin when the coach begins transporting the prospective student-athlete to campus. A coach who makes an in-person, off-campus contact (any dialogue in excess of an exchange of a greeting) with the prospective student-athlete or the prospective student-athlete's parents during a permissible contact period prior to transporting the prospective student-athlete to campus for an official visit is charged with a countable contact. Upon completion of the 48-hour period, the coach shall terminate contact with the prospective student-athlete and his or her parents or legal guardians immediately. (*Adopted: 1/14/97 effective 8/1/97*)

13.6.4.1.2 Lodging in the Locale of the Institution Before Visit. A prospective student-athlete may receive lodging in the locale of the institution without beginning the 48-hour period if the prospective student-athlete arrives in the locale too late to begin the official visit that day. In sports other than basketball, such expenses may not be provided for any other individual who is accompanying the prospective student-athlete on the official visit (e.g., parents, spouse) before the start of the 48-hour period, including the cost of additional occupants in the same room, if applicable. In basketball, an institution may provide such expenses for a prospective student-athlete's parents or legal guardians (expenses for up to two people) without beginning the 48-hour period. (*Adopted: 9/24/09, 10/27/11 effective 8/1/12, 1/19/13 effective 8/1/13*)

13.6.4.2 Exception to 48-Hour Period for Extenuating Circumstances. An official visit may extend beyond 48 hours for reasons beyond the control of the prospective student-athlete and the institution (e.g., inclement weather conditions, natural disaster, flight delays or cancellations, airport security activity). In such

instances, the institution shall submit a report to the conference office noting the details of the circumstances. (Adopted: 4/26/07 effective 8/1/07)

13.6.5 Transportation on Official Visit. For regulations relating to transportation on the official visit, see Bylaw 13.5.2.

13.6.6 Accommodations on Official Visit. A prospective student-athlete on an official visit shall be provided lodging and take meals as regular students normally do. Local commercial facilities may be used but at a scale comparable to that of normal student life and only within a 30-mile radius of the institution's campus. Lodging may not include special accessories (e.g., jacuzzis, suites) that are not available generally to all guests residing at the establishment. (See Bylaw 13.6.7.7 for restrictions on meals provided to prospective student-athletes on official visits.) (Revised: 8/5/04)

13.6.7 Entertainment/Tickets on Official Visit.

13.6.7.1 General Restrictions. An institution may provide entertainment, which may not be excessive, on the official visit only for a prospective student-athlete and the prospective student-athlete's parents (or legal guardians) or spouse and only within a 30-mile radius of the institution's main campus. Entertainment and contact by representatives of the institution's athletics interests during the official visit are prohibited. It is not permissible to entertain other relatives or friends (including dates) of a prospective student-athlete at any time at any site. [R] (Revised: 10/28/97, 11/1/00)

13.6.7.1.1 Meals and Lodging While in Transit. It is permissible for an institution to pay a prospective student-athlete's actual costs for reasonable expenses (e.g., meals, lodging) incurred while traveling to and from campus on the official visit. In basketball, an institution may pay the actual costs for meals and lodging for a prospective student-athlete's parents or legal guardians (expenses for up to two people) that are incurred while traveling to and from campus to accompany the prospective student-athlete on his or her official visit. (Revised: 10/27/11 effective 8/1/12, 1/19/13 effective 8/1/13)

13.6.7.2 Complimentary Admissions. During the official visit, a maximum of three complimentary admissions to a home athletics event at any facility within a 30-mile radius of the institution's main campus in which the institution's intercollegiate team practices or competes may be provided to a prospective student-athlete. Such complimentary admissions are for the exclusive use of the prospective student-athlete and those persons accompanying the prospective student-athlete on the visit and must be issued only through a pass list on an individual-game basis. Such admissions may provide seating only in the general seating area of the facility used for conducting the event. Providing seating during the conduct of the event (including intermission) for the prospective student-athlete or those persons accompanying the prospective student-athlete in the facility's press box, special seating box(es) or bench area is specifically prohibited. [R] (Revised: 1/10/90 effective 8/1/90, 1/11/94, 10/28/97, 11/1/00, 4/26/01 effective 8/1/01, 4/24/03, 1/9/06, 4/24/08 effective 8/1/08)

13.6.7.2.1 Exception—Nontraditional Family. If a prospective student-athlete is a member of a non-traditional family (e.g., divorce, separation), the institution may provide up to two additional complimentary admissions to the prospective student-athlete in order to accommodate the parents accompanying the prospective student-athlete (e.g., stepparents) to attend a home athletics event. [R] (Adopted: 4/24/08 effective 8/1/08)

13.6.7.2.2 Conference Tournaments. A member institution may not provide complimentary admissions to a prospective student-athlete for a postseason conference tournament. The prospective student-athlete may purchase tickets only in the same manner as any other member of the general public. [R] (Revised: 1/10/91 effective 8/1/91, 1/10/92, 4/28/08 effective 8/1/08)

13.6.7.2.3 NCAA Championships or Other Postseason Contests. The provision of complimentary or reduced-cost admissions to prospective student-athletes for an NCAA championship (all rounds) or other postseason contests (e.g., bowl game, NAIA or NIT championship) constitutes excessive entertainment and is prohibited. The prospective student-athlete may purchase these tickets only in the same manner as any other member of the general public. [R] (Revised: 1/10/92, 4/28/08 effective 8/1/08)

13.6.7.2.4 Purchase of Game Tickets in Same Locale. An institution may reserve tickets, only for the use of immediate family members accompanying a prospective student-athlete during an official visit and for seat locations adjacent to the complimentary seats being provided to the prospective student-athlete. These tickets must be purchased at face value. [R] (Adopted: 1/10/92, 4/28/08 effective 8/1/08)

13.6.7.2.5 Exception. A member institution may provide complimentary admissions to a prospective student-athlete for a home athletics event that has been relocated outside a 30-mile radius of the institution's main campus due to the home facility's inoperable conditions (e.g., construction or facility repairs), which result in the facility being unavailable for safe use. (Adopted: 4/28/05)

13.6.7.3 Parking. An institution may arrange special on-campus parking for prospective student-athletes during an official visit. (Adopted: 1/10/92)

13.6.7.4 Cash to Prospective Student-Athlete. The institution or representatives of its athletics interests shall not provide cash to a prospective student-athlete for entertainment purposes.

13.6.7.5 Student Host. The student host must be either a current student-athlete or a student designated in a manner consistent with the institution's policy for providing campus visits or tours to prospective students in

general. The institution may provide the following to a student host entertaining a prospective student-athlete:

[R] (Revised: 10/28/97, 11/1/00, 8/5/04)

- (a) A maximum of \$40 for each day of the visit to cover all actual costs of entertaining the student host(s) and the prospective student-athlete (and the prospective student-athlete's parents, legal guardians or spouse), excluding the cost of meals and admission to campus athletics events. The cost of entertainment of the institution's athletics department staff members who accompany the prospective student-athlete is also excluded. If an athletics department staff member serves as the prospective student-athlete's host, his or her entertainment costs must be included in the entertainment allowance. The entertainment allowance may not be used for the purchase of souvenirs, such as T-shirts or other institutional mementos. It is permissible to provide the student host with an additional \$20 per day for each additional prospective student-athlete the host entertains; (Revised: 1/10/90 effective 8/1/90, 1/9/96 effective 8/1/96, 5/12/05, 4/27/06, 4/26/12 effective 8/1/12)
- (b) Complimentary meals, provided the student host is accompanying the prospective student-athlete during the prospective student-athlete's official visit; and (Adopted: 1/10/92, Revised: 2/23/09)
- (c) Complimentary admissions to campus athletics events, provided the student host is accompanying the prospective student-athlete to the events during the prospective student-athlete's official visit. (Revised: 2/23/09)

13.6.7.5.1 Multiple Hosts. If several students host a prospective student-athlete, the \$40-per-day entertainment money may be used to cover the actual and necessary expenses incurred by the prospective student-athlete and all hosts. Only one student host per prospective student-athlete may be provided a free meal if restaurant facilities are used. **[D]** (Revised: 1/10/92, 1/16/93, 1/9/96 effective 8/1/96, 4/24/03 effective 8/1/03, 3/26/04, 4/26/12 effective 8/1/12)

13.6.7.5.2 Nonqualifier Prohibition. The student host must be enrolled in the member institution being visited by a prospective student-athlete. A nonqualifier (see Bylaw 14.02.13.2) may not serve as a student host during his or her first academic year in residence. **[D]** (Revised: 3/19/97, 4/24/03 effective 8/1/03, 3/26/04)

A nonqualifier (see Bylaw 14.02.13.3) or an academic redshirt (see Bylaw 14.02.13.2) may not serve as a student host during his or her first academic year in residence. **[D]** (Revised: 3/19/97, 4/24/03 effective 8/1/03, 3/26/04, 8/2/12 effective 8/1/16, for students initially enrolling full time in a collegiate institution on or after 8/1/16)

13.6.7.5.3 Use of Automobile. The institution or representatives of its athletics interests shall not provide an automobile for use by the prospective student-athlete or the student host. **[R]** (Revised: 4/24/03 effective 8/1/03)

13.6.7.6 Student Support Group Assisting in Recruiting. An institution may not provide a free meal or entertainment to a member of an institutional student support group that assists in the recruitment of a prospective student-athlete during an official visit unless the student is designated as the one student host for that prospective student-athlete. Any additional arrangement between the institution and members of such a support group (e.g., compensation, providing a uniform) is left to the discretion of the institution. (Adopted: 1/16/93)

13.6.7.7 Meals on Official Visit. The cost of actual meals, not to exceed three per day, on the official visit for a prospective student-athlete and the prospective student-athlete's parents, legal guardians, spouse or children need not be included in the \$40-per-day entertainment expense. Meals must be comparable to those provided to student-athletes during the academic year. A reasonable snack (e.g., pizza, hamburger) may be provided in addition to the three meals. **[R]** (Adopted: 1/10/92, Revised: 1/11/94 effective 8/1/94, 1/10/95 effective 8/1/95, 8/5/04, 1/9/06, 4/26/12 effective 8/1/12)

A luncheon, dinner or brunch at the home of an institutional staff member (e.g., the athletics director, a coach, a faculty member or the institution's president) may be held for a prospective student-athlete on an official visit, provided the entertainment is on a scale comparable to that of normal student life, is not excessive in nature and occurs on only one occasion. **[R]** (Revised: 1/9/96)

13.6.7.8 Normal Retail Cost. If a boat, snowmobile, recreational vehicle or similar recreational equipment (including those provided by an institutional staff member or a representative of the institution's athletics interests) is used to entertain a prospective student-athlete or the prospective student-athlete's parents (or legal guardians) and spouse, the normal retail cost of the use of such equipment shall be assessed against the \$40-per-day entertainment figure; further, if such normal retail costs exceeds the \$40-per-day entertainment allowance, such entertainment may not be provided. **[R]** (Adopted: 1/10/92, Revised: 1/9/96 effective 8/1/96, 4/24/03 effective 8/1/03, 4/17/12 effective 8/1/12)

13.6.7.9 Activities During Official Visit. An institution may not arrange miscellaneous, personalized recruiting aids (e.g., personalized jerseys, personalized audio/video scoreboard presentations) and may not permit

a prospective student-athlete to engage in any game-day simulations (e.g., running onto the field with the team during pregame introductions) during an official visit. Personalized recruiting aids include any decorative items and special additions to any location the prospective student-athlete will visit (e.g., hotel room, locker room, coach's office, conference room, arena) regardless of whether the items include the prospective student-athlete's name or picture. *(Adopted: 8/5/04, Revised: 5/14/05)*

13.6.9 Lodging for Additional Persons. Additional persons (e.g., prospective student-athlete's brother, sister, friend) may stay in the same room as the prospective student-athlete or parents, spouse or legal guardians of the prospective student-athlete, but the institution shall not pay the costs resulting from the additional occupants. The additional occupants shall not be prospective student-athletes being recruited by the institution. **[R]** *(Adopted: 1/10/92, Revised: 4/24/03 effective 8/1/03)*

13.7 Unofficial (Nonpaid) Visit.

13.7.1 Number Permitted. A prospective student-athlete may visit a member institution's campus at his or her own expense an unlimited number of times. A prospective student-athlete may make unofficial visits before his or her senior year in high school.

13.7.1.1 Exception—Men's Basketball. In men's basketball, a prospective student-athlete may not make an unofficial visit during the month of July; however, a prospective student-athlete is permitted to make an unofficial visit during July, provided he has signed a National Letter of Intent or the institution's written offer of admission or financial aid, or the institution has received a financial deposit from the prospective student-athlete in response to an offer of admission. *(Adopted: 11/1/01 effective 4/1/02, Revised: 4/12/11 effective 8/1/11)*

13.7.1.2 Exception—Women's Basketball. In women's basketball, a prospective student-athlete may not make an unofficial visit during the July evaluation periods (see Bylaw 13.1.5.4.2), unless the prospective student-athlete has signed a National Letter of Intent or the institution's written offer of admission and/or financial aid or the institution has received her financial deposit in response to its offer of admission. *(Adopted: 4/28/05 effective 8/1/05, Revised: 6/28/06, 1/19/13 effective 8/1/13)*

13.7.2 Entertainment/Tickets.

13.7.2.1 General Restrictions. During an unofficial visit, the institution may not pay any expenses or provide any entertainment except a maximum of three complimentary admissions (issued only through a pass list) to a home athletics event at any facility within a 30-mile radius of a member institution's main campus in which the institution's intercollegiate team practices or competes. Such complimentary admissions are for the exclusive use of the prospective student-athlete and those persons accompanying the prospective student-athlete on the visit and must be issued on an individual-game basis. Such admissions may provide seating only in the general seating area of the facility used for conducting the event. Providing seating during the conduct of the event (including intermission) for the prospective student-athlete or the prospective student-athlete's parents (or legal guardians) or spouse in the facility's press box, special seating box(es) or bench area is specifically prohibited. **[R]** *(Revised: 1/10/90 effective 8/1/90, 1/11/94, 4/24/03)*

13.7.2.1.1 Exception—Nontraditional Family. 13.7.2.1.2 Meals. A prospective student-athlete on an unofficial visit to an institution may pay the actual cost of meals (or the regular cost of training-table meals) and eat with other prospective student-athletes who are on their official visits or with enrolled student-athletes. **[R]**

13.7.2.1.2.1 Exception—Championship Subdivision Football. [FCS] A championship subdivision football program that restricts its total number of official visits to 25 may provide one meal to a football prospective student-athlete in the institution's on-campus student dining facilities without the visit counting as an official visit. The institution also may provide one meal to the prospective student-athlete's parents or legal guardians in the institution's on-campus student dining facilities without the visit counting as an official visit, provided it is the institution's normal policy to provide such a meal under similar circumstances to all prospective students' parents or legal guardians visiting the campus.

A prospective student-athlete who is given such a meal may not also be provided by the institution with an official visit in any sport. **[R]** (*Adopted: 1/11/94, Revised: 12/15/06*)

13.7.2.1.2.2 Exception—Sports Other Than Football and Basketball. In sports other than football and basketball, a prospective student-athlete visiting an institution's campus as part of an admissions event (open house) may be provided with one meal in the institution's on-campus student dining facility and may have contact with institutional coaching staff members only during such an event without the visit counting as an official visit. The institution must be able to certify that it is the institution's normal policy to provide such a meal to all prospective student-athletes (including nonathletes) attending the admissions event. **[R]** (*Adopted: 1/14/97 effective 8/1/97*)

13.7.2.1.4 Transportation During Unofficial Visit. For regulations relating to transportation on an unofficial visit, see Bylaw 13.5.3.

13.7.2.1.5 Reserving Game Tickets. An institution may not reserve tickets (in addition to the permissible complimentary admissions) to be purchased by a prospective student-athlete (or individuals accompanying the prospective student-athlete) on an unofficial visit. Tickets may be purchased only in the same manner as any other member of the general public. **[R]** (*Adopted: 1/10/92*)

13.7.2.1.6 Parking. An institution may not arrange special parking for prospective student-athletes to use while attending a member institution's campus athletics event during an unofficial visit. **[R]** (*Adopted: 1/10/92*)

13.7.2.1.8 Student Host. A student host used during an unofficial visit must either be a current student-athlete or a student who is designated in a manner consistent with the institution's policies for providing campus visits or tours to prospective students in general. (*Revised: 8/5/04*)

13.7.2.2 Home Games at Site Other Than Regular Home Facility. If an institution schedules any regular-season home games at a site not designated as its regular home facility, the host institution may provide a maximum of three complimentary admissions to any such game for the exclusive use of a prospective student-athlete and those persons accompanying the prospective student-athlete. Tournament and postseason games are excluded. The institution shall not arrange or permit any other entertainment or payment of expenses, including transportation, except as permitted in Bylaw 13.5.3. **[R]** (*Revised: 4/24/03*)

13.7.2.4 NCAA Championships or Other Postseason Contests. The provision of complimentary or reduced-cost admissions to prospective student-athletes for an NCAA championship (all rounds) or other postseason contests (e.g., bowl game, NAIA or NIT championship) constitutes excessive entertainment and is prohibited. The prospective student-athlete may purchase tickets to such events only in the same manner as any other member of the general public. **[R]** (*Revised: 1/10/92*)

13.7.2.5 Visit Unrelated to Recruitment. The limitations on providing entertainment to a prospective student-athlete shall not extend to a visit to the institution's campus for a purpose having nothing whatsoever to do with the prospective student-athlete's athletics recruitment by the institution (e.g., band trip, fraternity weekend, athletics team's attendance at a sporting event with the high school coach). The institution's athletics department or representatives of its athletics interests may not be involved in any way with the arrangements for the visit, other than the institution providing (in accordance with established policy) free admissions to an athletics event on a group basis, rather than personally to the prospective student-athlete. **[R]**

13.7.2.6 Visit Related to National Student-Athlete Day or National Girls and Women in Sports Day. The limitations on providing entertainment to a prospective student-athlete shall not extend to a visit to the institution's campus for activities related to National Student-Athlete Day and National Girls and Women in Sports Day. **[R]** (*Adopted: 1/14/97, Revised: 4/22/98 effective 8/1/98*)

(*Adopted: 8/5/04, Revised: 5/14/05, 4/27/06*)

13.8 Entertainment, Reimbursement and Employment of High School/ College-Preparatory School/Two-Year College Coaches and Other Individuals Associated With Prospective Student-Athletes.

13.8.1 Entertainment Restrictions. Entertainment of a high school, preparatory school or two-year college coach or any other individual responsible for teaching or directing an activity in which a prospective student-athlete is involved shall be limited to providing a maximum of two complimentary admissions (issued through a pass list) to home intercollegiate athletics events at any facility within a 30-mile radius of the institution's main campus, which must be issued on an individual-game basis. Such entertainment shall not include food and refreshments, room expenses, or the cost of transportation to and from the campus or the athletics event. It is not permissible to provide complimentary admissions to any postseason competition (e.g., NCAA championship, conference tournament, bowl game). An institutional coaching staff member is expressly prohibited from spending funds to entertain the prospective student-athlete's coach on or off the member institution's campus. [R] (*Revised: 4/3/02, 8/5/04, 4/28/05 effective 8/1/05*)

An institutional department outside the athletics department (e.g., president's office, admissions) may host nonathletics high school, preparatory school or two-year college personnel (e.g., guidance counselors, principals) in conjunction with a home intercollegiate athletics event and may provide such individuals reasonable expenses (e.g., food, refreshments, parking, room) and a nominal gift, provided the visit is not related to athletics recruiting and there is no involvement by the institution's athletics recruiting and there is no involvement by the institution's athletics department in the arrangements for the visit, other than providing (in accordance with established policy) free admissions to an athletics event. [R] (*Adopted: 3/8/12*)

13.8.1.2 Transportation Reimbursement. An institution shall not reimburse a high school, preparatory school or two-year college coach for expenses incurred in transporting a prospective student-athlete to visit the campus. [R]

13.8.1.3 Transportation to Off-Campus Contest. If a high school, preparatory school or two-year college coach transports members of his or her athletics squad to an off-campus site to watch NCAA member institutions compete, an institution may not reimburse the coach for the transportation costs or provide complimentary tickets for the coach or any of the team members. [R]

13.8.1.4 Purchase of Game Tickets. An institution may not reserve tickets (in addition to the permissible complimentary admissions) to be purchased by high school, preparatory or two-year college coaches (or individuals accompanying them) to attend an institution's athletics contest. Tickets may be purchased only in the same manner as any other member of the general public. [R] (*Adopted: 1/10/92*)

13.8.1.5 Noncoaching-Related Organization. If a high school, preparatory school or two-year college coach is a member of a noncoaching-related organization (e.g., state high school principals association, college fraternity alumni organization, institution's alumni association), an institution may entertain the group, provided there is no direct involvement by the institution's athletics department. [R]

13.8.2 Material Benefits. Arrangements by an institution that involve a material benefit for a high school, preparatory school or two-year college coach, or for any other individual responsible for teaching or directing an activity in which a prospective student-athlete is involved, (e.g., the provision of a gift such as a tangible item bearing the institution's insignia, the offer to pay a portion of the coach's or other individual's personal expenses, compensation based on the number of campers sent to an institution's camp, or an arrangement to provide transportation for the coach or other individual) are prohibited. [R] (*Revised: 8/5/04*)

13.8.2.1 Gifts at Coaches' Clinic. An institution may not provide gifts to high school, preparatory school or two-year college coaches in conjunction with its coaches' clinic or other events. This specifically prohibits the provision of a door prize to the coach, even if the cost of the prize is included in the cumulative admission fee (the admission fee charged to each person, when combined, would cover the cost of the prize). Materials (e.g., clipboards, file folders) may be provided to each person attending the clinic, provided the items are included in the registration or admission fee. [R] (*Revised: 1/16/93, 1/11/94*)

13.8.3 Employment Conditions.

13.8.3.1 Employment in Athletically Related Institutional Activities—Basketball. An institution shall not employ (either on a salaried or a volunteer basis) an individual as a speaker or presenter at any athletically related institutional event or activity (e.g., booster club function, outside consultant) if that individual is involved in coaching prospective student-athletes or is associated with a prospective student-athlete as a result of the prospective student-athlete's participation in basketball. (*Adopted: 1/17/09*)

13.8.3.2 Individual Associated with a Prospective Student-Athlete—Men's Basketball. In men's basketball, during a two-year period before a prospective student-athlete's anticipated enrollment and a two-year period after the prospective student-athlete's actual enrollment, an institution shall not employ (or enter into a contract for future employment with) an individual associated with the prospective student-athlete in any athletics department noncoaching staff position or in a strength and conditioning staff position. (*Adopted: 1/16/10; a contract signed before 10/29/09 may be honored, Revised: 6/13/11*)

13.8.3.2.1 Application. A violation of Bylaw 13.8.3.2 occurs if an individual associated with a prospective student-athlete (see Bylaw 13.02.17) is employed by the institution and, at the time of employment, a student-athlete who enrolled at the institution in the previous two years (and remains enrolled at the institution) was a prospective student-athlete by which the individual meets the definition of an individual associated with a prospective student-athlete. A violation of Bylaw 13.8.3.2 also occurs if an individual associated with a prospective student-athlete is employed and, within two years after such employment, a prospective student-athlete by which the individual meets the definition of an individual associated with a prospective student-athlete enrolls as a full-time student in a regular academic term at the institution. In either case, the student-athlete becomes ineligible for intercollegiate competition unless eligibility is restored by the Committee on Student-Athlete Reinstatement. *(Adopted: 6/20/13)*

13.8.3.3 Graduate Teaching Assistants. A high school, preparatory school or two-year college coach who is enrolled in a bona fide postgraduate program at a member institution is permitted to receive legitimate compensation as a graduate teaching assistant.

13.8.3.4 Employment in Different Sport. A high school, preparatory school or two-year college coach who remains associated with the high school, preparatory school or two-year college in a coaching capacity in a different sport may be employed as a member of an institution's coaching staff. *(Revised: 3/16/07)*

13.8.3.5 Employment in Same Sport. A high school, preparatory school or two-year college coach who remains associated with the high school, preparatory school or two-year college in a coaching capacity in the same sport shall not be employed as a member of an institution's coaching staff.

13.8.3.5.1 Contract for Future Employment. A member institution is permitted to enter into a contractual agreement with a high school, preparatory school or two-year college coach for an employment opportunity that begins with the next academic year, provided the employment contract with the member institution is not contingent upon the enrollment of a prospective student-athlete and the coach does not begin any coaching duties (e.g., recruiting, selection of coaching staff) for the member institution while remaining associated with the high school, preparatory school or two-year college.

13.9 Letter-of-Intent Programs, Financial Aid Agreements.

13.9.1 Requirements for Offer of Athletically Related Financial Aid. The following requirements must be met before an institution may provide a written offer of athletically related financial aid (per Bylaw 15.3.2.2) to a prospective student-athlete: **[D]** *(Adopted: 4/26/07 effective 8/1/07, Revised: 4/30/09 effective 8/1/10)*

- A high school or preparatory school prospective student-athlete must register with the NCAA Eligibility Center;
- A high school or preparatory school prospective student-athlete must be placed on the institution's institutional request list (IRL) with the NCAA Eligibility Center; and
- A high school, preparatory school or transfer (if applicable) prospective student-athlete must complete the amateurism certification questionnaire administered by the NCAA Eligibility Center.

13.9.2 Letter of Intent Restriction. A member institution may not participate in an institutional or conference athletics letter-of-intent program or issue an institutional or conference financial aid agreement that involves a signing date that precedes the initial regular (as opposed to early) signing date for the National Letter of Intent program in the same sport. However, an institution may permit a prospective student-athlete to sign an institutional or conference letter of intent during the National Letter of Intent early signing period in the applicable sport. **[D]** *(Revised: 8/5/04, 12/12/06, 4/26/07 effective 8/1/07)*

13.9.2.1 Mailing of Financial Aid Offer. An institutional or conference financial aid form may be included in the normal mailing of the National Letter of Intent, but none of the forms enclosed in the mailing may be signed by the prospective student-athlete prior to the initial signing date in that sport in the National Letter of Intent program. **[D]** *(Revised: 8/5/04)*

13.9.2.2 Written Offer of Aid Before Signing Date. Before August 1 of a prospective student-athlete's senior year in high school, an institution shall not, directly or indirectly, provide a written offer of athletically related financial aid or indicate in writing to the prospective student-athlete that an athletically related grant-in-aid will be offered by the institution. - (f) Not more than one on-campus evaluation per prospective student-athlete per institution shall be permitted (applied separately to the time period in which a prospective student-athlete completes high school or preparatory school eligibility and to the time period after the prospective student-athlete enrolls full time in a collegiate institution);
- (g) Before participating in an on-campus evaluation, a prospective student-athlete is required to undergo a medical examination or evaluation administered or supervised by a physician (e.g., family physician, team physician). The examination or evaluation shall include a sickle cell solubility test unless documented results of a prior test are provided to the institution or the prospective student-athlete declines the test and signs a written release. The examination or evaluation must be administered either within six months before participation in the on-campus evaluation or within six months before the prospective student-athlete's initial participation in practice, competition or out-of-season conditioning activities during his or her immediately completed season. In addition, the medical examination or evaluation may be conducted by an institution's regular team physician or other designated physician as a part of the on-campus evaluation;
- (h) The institution's basketball student-athletes may participate in an on-campus evaluation, provided such participation is counted toward the applicable hourly and weekly limitations on countable athletically related activities (e.g., four hours per day and 20 hours per week during the playing season, two hours of skill instruction and eight hours per week outside the playing season) [see Bylaws 17.1.6.2-(a) and 17.1.6.2.2];

13.11.2.3 Recreational Activities. A prospective student-athlete visiting a member institution may participate in physical workouts or other recreational activities during a visit to an institution's campus, provided such activities:

- (a) Are not organized or observed by members of the athletics department coaching staff; and

13.11.2.3.1 Exception—After National Letter of Intent Signing. A prospective student-athlete who has signed a National Letter of Intent (or a four-year college-transfer prospective student-athlete who has signed a written offer of financial aid and/or admission) may participate in voluntary weightlifting or conditioning activities (e.g., conditioning on the track) on the institution's campus in the presence of the institution's strength and conditioning coach, provided such activities are not prearranged, the strength and conditioning coach is performing normal duties and responsibilities in the supervision of the weight room or facility in use (e.g., track) and he or she does not work directly with the prospective student-athlete. (*Adopted: 8/26/10*)

13.11.2.4 Local Sports Clubs. In sports other than basketball, an institution's coach may be involved in any capacity (e.g., as a participant, administrator or in instructional or coaching activities) in the same sport for a local sports club or organization located in the institution's home community, provided all prospective student-athletes participating in said activities are legal residents of the area (within a 50-mile radius of the institution). In all sports, an institution's coach may be involved in any capacity (e.g., as a participant, administrator or in instructional or coaching activities) in a sport other than the coach's sport for a local sports club or organization located in the institution's home community, provided all prospective student-athletes participating in said activities are legal residents of the area (within a 50-mile radius of the institution). Further, in club teams involving multiple teams or multiple sports, the 50-mile radius is applicable only to the team with which the institution's coach is involved; however, it is not permissible for the coach to assign a prospective student-athlete who lives outside the 50-mile area to another coach of the club. A coach also may be involved in activities with individuals who are not of a prospective student-athlete age, regardless of where such individuals reside. (In women's volleyball and women's sand volleyball, see Bylaws 13.1.7.12 and 13.1.7.13, respectively, for regulations relating to a coach's involvement with a local sports club and the permissible number of evaluation days.) (*Revised: 1/10/90, 1/16/93, 9/6/00, 4/25/02 effective 8/1/02, 5/11/05*)

13.11.2.4.1 Exception. The 50-mile radius restriction shall not apply to a prospective student-athlete who resides outside a 50-mile radius of the institution, provided the institution documents that the local sports club is the closest opportunity for the prospective student-athlete to participate in the sport. (*Adopted: 1/9/06 effective 8/1/06*)

13.11.2.4.2 Legal Resident. A prospective student-athlete who relocates to an area within a 50-mile radius of the institution on a temporary basis (e.g., to participate on a club team or attend an institution while maintaining a permanent residence outside the 50-mile radius) is not a legal resident of the area regardless of whether the prospective student-athlete meets legal standards of state or local residency for governmental purposes. (*Adopted: 9/18/07*)

13.11.2.4.3 Institutional Sponsorship of Local Sports Club. Neither an institution's athletics department nor an institution's athletics booster group may sponsor a local sports club that includes prospective student-athletes. It is permissible for a department of the institution that operates independent of the athletics department (e.g., physical education department, recreation department) to sponsor a local sports club that includes prospective student-athletes, provided no athletics department staff member is involved with the club team. (*Adopted: 1/16/93, Revised: 1/11/94*)

13.11.2.4.4 Women's Volleyball—Additional Restrictions. In women's volleyball, during a dead or quiet period, institutional coaching staff members may not coach a local sports club team at an off-campus competition where prospective student-athletes are present. However, it is permissible for an institution's coach to coach his or her own local sports club team in practice activities. (*Adopted: 4/28/05 effective 8/1/05*)

13.11.2.6 Medical Examinations.

13.11.2.6.1 During Campus Visit. During a prospective student-athlete's official or unofficial visit to campus, a member institution, through its regular team or other designated physician, may conduct a medical examination to determine the prospective student-athlete's medical qualifications to participate in intercollegiate athletics, provided no athletics department staff member other than the athletic trainer is present, the examination does not include any test or procedure designed to measure the athletics agility or skill of the prospective student-athlete and the results of the examination are not used by the institution to deny admission of a prospective student-athlete who is otherwise qualified for admission under the institution's regular admissions criteria. (*Revised: 10/30/03 effective 8/1/04*)

13.11.2.6.1.1 Exception—National Service Academies. National service academies are not subject to the restrictions on medical examinations during a prospective student-athlete's visit to campus, set forth in Bylaw 13.11.2.6.1.

13.11.2.6.1.2 Exception—On-Campus Evaluation—Basketball. In basketball, additional athletics department staff members (e.g., coaches) may be present during a medical examination that is conducted as part of an on-campus evaluation (see Bylaw 13.11.2.1) and the medical evaluation may include tests or procedures designed to measure the athletics agility or skill of the prospective student-athlete. *(Adopted: 1/14/12, Revised: 1/19/13)*

13.11.2.6.2 After Signing or Acceptance for Enrollment. It shall be permissible to administer medical examinations at any time to prospective student-athletes who either have signed the National Letter of Intent with the involved institution or have been accepted for enrollment in a regular full-time program of studies at that institution, provided the examinations occur during an official paid visit or a visit to the institution at the prospective student-athlete's own expense for any purpose. Such an examination may take place before or after, but not during, a prospective student-athlete's visit to the campus to attend a general orientation session pursuant to Bylaw 13.15.2.4. *(Revised: 1/14/97, 6/10/04, 1/19/13 effective 8/1/13)*

13.11.3 Tryout Exceptions.

13.11.3.1 Open Events. Participation by a prospective student-athlete in open events conducted by or held on the campus of a member institution shall not be considered tryouts. Failure to complete and sign the statement shall result in the student-athlete's ineligibility for participation in all intercollegiate competition. Violations of this bylaw do not affect a student-athlete's eligibility if the violation occurred due to an institutional administrative error or oversight, and the student-athlete subsequently signs the form; however, the violation shall be considered an institutional violation per Constitution 2.8.1. (*Revised: 1/10/92 effective 8/1/92, 1/14/97, 2/19/97, 4/24/03, 11/1/07 effective 8/1/08*)

- (b) Signing the authorization/consent shall be voluntary and is not required by the student-athlete's institution for medical treatment, payment for treatment, enrollment in a health plan or for any benefits (if applicable) and is not required for the student-athlete to be eligible to participate.
- (c) Any signed authorization/consent forms shall be kept on file by the athletics director.

14.1.7.2.5 Cooperative Educational Work Experience Program. A student-athlete may represent the certifying institution in intercollegiate athletics while he or she is enrolled in a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) offered by the institution, provided the student is considered to be enrolled in a full-time program of studies, regardless of the credit value of the program. However, a student who participates in a cooperative educational work experience program that is not a required element of his or her degree program must be enrolled in a minimum of six credit hours, which may include the credit value of the cooperative educational work experience program, at the certifying institution during the same term. (*Adopted: 10/28/10*)

14.1.7.2.6 Nontraditional Courses. Enrollment in a nontraditional course (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) offered by the certifying institution may be used to satisfy the full-time enrollment requirement for competition, provided the following conditions are met: (*Adopted: 4/28/11 effective 8/1/11*)

- (a) The course is available to any student at the institution;
- (b) The student-athlete enrolls in the course in the same manner as is available to any student;
- (c) Enrollment in the course occurs within the institution's regular enrollment periods (pre-registration or drop-add period) in accordance with the institution's academic calendar and applicable policies and procedures; and
- (d) The course is conducted during the institution's regular academic schedule (term time) in accordance with the institution's academic calendar and applicable policies and procedures.

14.1.7.3 Waivers. Waivers may be granted to the minimum 12-semester or 12-quarter hour enrollment requirement as follows: *(Revised: 1/16/10 effective 5/1/10)*

14.1.7.3.1 Nontraditional Academic Calendars. A student-athlete at an institution that determines enrollment hours on a basis other than traditional semester or quarter hours or that conducts a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) may practice and compete, if the student is enrolled for a comparable minimum academic load as determined by the Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2). *(Revised: 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 10/8/10)*

14.1.7.3.2 U.S. Olympic Committee/National Governing Body—Practice. A student with eligibility remaining who is not enrolled or who is enrolled in less than a minimum full-time program of studies, or a former student-athlete may participate on a regular basis in organized practice sessions, provided the following conditions are met: *(Adopted: 1/9/96, Revised: 1/14/97 effective 8/1/97, 1/16/10 effective 5/1/10)*

- (a) The practice sessions take place at the institution the individual previously attended as an undergraduate or currently attends or previously attended as a graduate student, except that a former student-athlete who has graduated and has no eligibility remaining may participate in practice sessions at an institution other than the one he or she previously attended; *(Revised: 4/29/10 effective 8/1/10)*
- (b) In the case of a former student-athlete, the practice sessions involve an individual sport or women's rowing; *(Revised: 4/28/05 effective 8/1/05, 1/17/09 effective 8/1/09)*
- (c) In the case of a current student-athlete with eligibility remaining, the practice sessions involve an individual or team sport; *(Revised: 4/28/05 effective 8/1/05)*
- (d) The U.S. Olympic Committee or national governing body in the sport has recommended the individual's participation;
- (e) The individual does not participate in any coaching activities unless the institution designates the individual in the appropriate coaching limits;
- (f) In the case of a student-athlete with NCAA eligibility remaining in the sport, such participation occurs only during the academic year immediately preceding the Olympic Games; and
- (g) In the case of a former student-athlete, such participation shall be limited to the number of years that allows the individual to practice with the institution's team in preparation for two consecutive Olympic Games following exhaustion of eligibility or completion of degree, whichever is earlier. A student-athlete who has not graduated must be enrolled (full or part time) and making progress toward a degree. *(Adopted: 4/25/02 effective 8/1/02, Revised: 4/29/10 effective 8/1/10)*

14.1.7.3.2.1 Administration. This waiver shall be approved by the conference members of the Association or, in the case of independent institutions, by the Progress-Toward-Degree Waivers Committee. A member institution shall submit a waiver request that includes documentation that demonstrates that the conditions of Bylaw 14.1.7.3.2 have been met for each individual who wishes to participate in the institution's practice sessions. *(Adopted: 1/16/10 effective 5/1/10)*

14.1.7.3.3 Olympic Games, Pan American Games, World Championships, World Cup, World University Games, World University Championships or World Youth Championships—Competition. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) may waive the minimum full-time enrollment requirement for any participant in the Olympic Games, Pan American Games, World Championships, World Cup, World University Games, World University Championships or World Youth Championships (including junior levels of such events) who, because of such participation, may lose eligibility for practice and competition in any sports. *(Revised: 1/10/91, 1/9/96, 9/12/03, 12/13/05, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 1/14/12)*

14.1.7.3.4 Student-Athletes With Education-Impacting Disabilities. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) may waive the 12-hour requirement for a student-athlete when objective evidence demonstrates that an institution defines full-time enrollment for that student-athlete to be less than 12 hours to accommodate for the education-impacting disability. *(Adopted: 1/10/95, Revised: 11/1/07 effective 8/1/08, 8/7/08, 1/16/10 effective 5/1/10)*

14.1.7.3.5 Full-Time Enrollment—Practice and Competition. Unless otherwise specified under this bylaw, the Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) may waive the 12-hour requirement for practice and competition. *(Adopted: 8/4/05, Revised: 11/1/07 effective 5/1/08, 1/16/10 effective 5/1/10)*

14.1.8 Graduate Student/Postbaccalaureate Participation. A student-athlete who is enrolled in a graduate or professional school of the same institution from which he or she previously received a baccalaureate degree, a student-athlete who is enrolled and seeking a second baccalaureate or equivalent degree at the same institution, or a student-athlete who has graduated and is continuing as a full-time student at the same institution while taking course work that would lead to the equivalent of another major or degree as defined and documented by the institution, may participate in intercollegiate athletics, provided the student has eligibility remaining and such participation occurs within the applicable five-year period set forth in Bylaw 14.2 (see Bylaw 14.1.7.2.1.4). *(Revised: 1/10/90, 1/16/93 effective 8/1/93)*

14.1.8.1 One-Time Transfer Exception. A graduate student who is enrolled in a graduate or professional school of an institution other than the institution from which he or she previously received a baccalaureate degree may participate in intercollegiate athletics if the student fulfills the conditions of the one-time transfer exception set forth in Bylaw 14.5.5.2.10 and has eligibility remaining per Bylaw 14.2. A graduate student who does not meet the one-time transfer exception due to the restrictions of Bylaw 14.5.5.2.10-(a) shall qualify for this exception, provided: (*Adopted: 1/9/96 effective 8/1/96, Revised: 4/27/06, 1/6/07 effective 8/1/07, 4/28/11 effective 8/1/11*)

- (a) The student fulfills the remaining conditions of Bylaw 14.5.5.2.10;
- (b) The student has at least one season of competition remaining; and
- (c) The student's previous institution did not renew his or her athletically related financial aid for the following academic year.

14.1.8.2 International Student Exception. The remaining eligibility of a student who has received a foreign postsecondary degree that is identified as a "baccalaureate" but is not equivalent to a U.S. baccalaureate and who is entering an undergraduate program must be reviewed on a case-by-case basis by the International-Student Records Committee. (*Adopted: 1/16/93, Revised: 11/1/07 effective 8/1/08*)

14.1.8.3 Postseason Event Following Last Term of Eligibility. A student-athlete who is eligible during the term in which degree work is completed (or is eligible as a graduate, per Bylaw 14.1.8) remains eligible for any postseason event that begins within 60 days after the end of the term in which the student completes the requirements for the degree (or graduate eligibility). (*Revised: 1/16/93, 1/10/95, 2/1/05, 11/1/07 effective 8/1/08, 1/14/12, 8/21/12*)

14.1.9 Change in Eligibility Status. If a student-athlete's academic eligibility changes at the end of a quarter or semester, the student-athlete shall become eligible or ineligible to compete on the date his or her eligibility officially is certified by the appropriate institutional authority. In a case in which the student becomes eligible at the end of the term, the earliest date on which the student can become eligible to compete is the day after the date of the last scheduled examination listed in the institution's official calendar for the term that is ending. In a case in which the student becomes ineligible, the ineligibility shall become effective not later than the first day of classes of the following semester or quarter. In any case, if the student-athlete is academically eligible to compete at the time of the student-athlete's or the institution's first participation in an NCAA championship, he or she shall remain eligible for the remainder of the championship.

14.1.9.1 Exception.

14.1.9.1.1 Institutions With Official Posting Date for Grades. An institution whose official posting date for grades falls within three days of the first day of classes for the following academic term shall have three business days from the official date on which grades must be posted to certify that student-athletes have satisfactorily completed at least six semester or six quarter hours of academic credit during the preceding regular academic term (see Bylaw 14.4.3.1) and to certify that student-athletes have satisfied the grade-point average requirements per Bylaw 14.4.3.3. For those institutions that post grades on a rolling basis, the three-business-day period shall begin within the first week of classes. (*Adopted: 4/28/05 effective 8/1/05*)

14.1.9.1.2 Institutions With no Official Posting Date for Grades. An institution whose official submission date for grades falls on or after the first day of classes for the following academic term shall have five business days from the date on which grades are submitted to certify that student-athletes have satisfactorily completed at least six semester or six quarter hours of academic credit during the preceding regular academic term (see Bylaw 14.4.3.1) and to certify that student-athletes have maintained grade-point average requirements per Bylaw 14.4.3.3. (*Adopted: 4/28/05 effective 8/1/05*)

14.1.9.1.3 Certification of Eligibility. During the three-business-day or five-business-day period, a student-athlete who is otherwise eligible under NCAA, conference and institutional requirements, shall be permitted to compete. If during the exception period, a student-athlete is certified ineligible, the student-athlete shall be declared immediately ineligible for competition. If the three-business-day or five-business-day period concludes prior to the certification of eligibility for any student-athlete, the student-athlete shall be ineligible until such time the student-athlete is declared eligible for competition. (*Adopted: 4/28/05 effective 8/1/05*)

14.1.9.1.4 Notification to NCAA National Office. As a condition of the exception, an institution shall provide to the NCAA national office, the number of student-athletes who were ultimately declared ineligible for the academic term but competed during the exception period. (*Adopted: 4/28/05 effective 8/1/05*)

14.1.9.2 Eligibility for Postseason Competition—Between Terms. To be eligible to compete in a postseason event (e.g., conference tournament, bowl game, National Invitation Tournament, NCAA championship) that occurs between regular terms (including summer) a student-athlete shall have satisfactorily completed six semester or six quarter hours of academic credit during the preceding regular academic term of full-time enrollment (see Bylaw 14.4.3.1). (*Adopted: 4/28/05 effective 8/1/05, Revised: 12/12/06, 1/8/07 effective 8/1/07, 4/26/07 effective 8/1/07*)

14.1.9.2.1 Less Than Full-Time Enrollment. A student-athlete who was enrolled in less than a minimum full-time program of studies pursuant to an exception or waiver during the term immediately prior to the postseason event is subject to the following requirements: *(Adopted: 1/8/07 effective 8/1/07)*

- (a) If the student-athlete was enrolled in at least six credit hours, he or she shall have satisfactorily completed six semester or six quarter hours of academic credit; or
- (b) If the student-athlete was enrolled in less than six credit hours, he or she shall have satisfactorily completed the number of semester or quarter hours of academic credit in which he or she was enrolled.

14.1.9.2.2 Timing of Certification. A student-athlete's eligibility under this provision shall be determined within 14 business days (see Bylaw 14.02.3) (regardless of the date in which grades are posted or submitted) after the date of the last scheduled examination listed in the institution's official calendar for the term that is ending. If the postseason event occurs prior to the conclusion of the 14 business days, eligibility shall be determined by using grades from the immediately preceding regular academic term (e.g., fall term if certifying for a bowl game), provided a sufficient number of grades from the term have been posted. All grades posted in accordance with institutional procedures by 5 p.m. local time (where the institution is located) on the day prior to the postseason event must be considered. If the postseason event occurs prior to the conclusion of the 14 business days and an insufficient number of grades from the immediately preceding term have been posted, eligibility shall be determined by using grades from the most recent regular academic term for which a sufficient number of grades have been posted. *(Adopted: 1/8/07 effective 8/1/07)*

14.1.9.3 Eligibility for Postseason Competition—Postseason Football Bowl Game During an Institution's Second Academic Term. [FBS] If an institution is selected to participate in a postseason bowl game that will occur during the institution's second regular term (e.g., winter quarter, spring semester) of the academic year, a student-athlete's eligibility to compete in the bowl game shall be certified consistent with the standards applicable to postseason competition that occurs between terms (see Bylaws 14.1.9 and 14.1.9.2). However, a student-athlete must meet full-time enrollment requirements applicable to term-time competition (see Bylaw 14.1.7.2). *(Adopted: 4/26/07)*

14.1.10 Eligibility Requirements for Male Students to Practice With Women's Teams. It is permissible for male students to engage in practice sessions with women's teams under the following conditions: *(Revised: 5/12/05, 5/29/08)*

- (a) Male students who practice with an institution's women's team on an occasional basis must be verified as eligible for practice in accordance with Bylaw 14.1.7.1 and must have eligibility remaining under the five-year rule (Bylaw 14.2.1);
- (b) Male students who practice with an institution's women's teams on a regular basis must be certified as eligible for practice in accordance with all applicable NCAA eligibility regulations (e.g., must be enrolled in a minimum full-time program of studies, must sign a drug-testing consent form, must be included on the institution's squad list);
- (c) It is not permissible for an institution to provide male students financial assistance (room and board, tuition and fees, and books) in return for practicing with a women's team. A male student who is receiving financial aid or any compensation for serving in any position in the athletics department may not practice with a women's team. A male student-athlete who is a counter in a men's sport may not engage in practice sessions with an institution's women's team in any sport;
- (d) It is not permissible for an institution to provide male students room and board to remain on campus during a vacation period to participate in practice sessions with a women's team;
- (e) It is not permissible for a male student-athlete who is serving an academic year of residence as a nonqualifier to participate in practice sessions with a women's team; and
- (f) It is permissible for an institution to provide practice apparel to male students for the purpose of practicing with a women's team.

14.2 Seasons of Competition: Five-Year Rule.

A student-athlete shall not engage in more than four seasons of intercollegiate competition in any one sport (see Bylaws 14.02.9 and 14.3.3). An institution shall not permit a student-athlete to represent it in intercollegiate competition unless the individual completes all of his or her seasons of participation in all sports within the time periods specified below:

14.2.1 Five-Year Rule. A student-athlete shall complete his or her seasons of participation within five calendar years from the beginning of the semester or quarter in which the student-athlete first registered for a minimum full-time program of studies in a collegiate institution, with time spent in the armed services, on official religious missions or with recognized foreign aid services of the U.S. government being excepted. For international students, service in the armed forces or on an official religious mission of the student's home country is considered equivalent to such service in the United States. *(Revised: 4/2/10)*

14.2.1.1 Determining the Start of the Five-Year Period. For purposes of starting the count of time under the five-year rule, a student-athlete shall be considered registered at a collegiate institution (domestic or foreign; see Bylaw 14.02.4) when the student-athlete initially registers in a regular term (semester or quarter) of an academic year for a minimum full-time program of studies, as determined by the institution, and attends the student's first day of classes for that term (see Bylaw 14.2.2).

14.2.1.2 Service Exceptions to the Five-Year Rule. Time spent in the armed services, on official religious missions or with recognized foreign aid services of the U.S. government is excepted from the application of the five-year rule. Among such services that qualify a student-athlete for an extension of the five-year rule are: (*Revised: 4/2/10*)

- (a) Military Sea Transport Service;
- (b) Peace Corps; or
- (c) Service as a conscientious objector ordered by the Selective Service Commission (or the equivalent authority in a foreign nation) in lieu of active military duty.

14.2.1.2.1 Elapsed Time/Service to Enrollment. If a student-athlete enrolls in a regular term of a collegiate institution at the first opportunity following completion of any one of the commitments described in the exceptions to this bylaw, the elapsed time (the exact number of calendar days) between completion of the commitment and the first opportunity for enrollment may be added to the exact number of days served on active duty in the armed services, with foreign aid services or on official religious missions and will not count toward the student-athlete's five years of eligibility. It is not permissible to extend the five-year period by any additional time beyond the first opportunity to enroll (the opening day of classes of the first regular term at the institution in which the student-athlete enrolls as a regular student immediately following the termination of the active-duty commitment). (*Revised: 4/2/10*)

14.2.1.2.2 Collegiate Enrollment Concurrent With Service Assignment. Any time in which a student-athlete is enrolled for a minimum full-time load as a regular student in a collegiate institution while simultaneously on active duty in the U.S. military, on an official religious mission or with a recognized foreign aid service of the U.S. government shall count against the five calendar years in which the student-athlete's seasons of eligibility must be completed. (*Revised: 4/2/10*)

14.2.1.3 Pregnancy Exception. A member institution may approve a one-year extension of the five-year period of eligibility for a female student-athlete for reasons of pregnancy.

14.2.1.4 Athletics Activities Waiver. The Committee on Student-Athlete Reinstatement, or a committee designated by it, shall have the authority to waive this provision by a two-thirds majority of its members present and voting to permit student-athletes to participate in:

- (a) Official Pan American, World Championships, World Cup, World University Games, World University Championships and Olympic training, tryouts and competition; (*Revised: 1/10/91, 1/9/96, 1/14/12*)
- (b) Officially recognized training and competition directly qualifying participants for final Olympic tryouts; or
- (c) Official tryouts and competition involving national teams sponsored by the appropriate national governing bodies of the U.S. Olympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation, or, for student-athletes competing in a non-Olympic sport, the equivalent organization of that sport).

14.2.1.4.1 Athletics Activity Waiver Criteria. Extensions of the five-year period of eligibility for student-athletes by the Committee on Student-Athlete Reinstatement, or its designated committee, shall be based on the following criteria: The member institution in which the student-athlete is enrolled must establish to the satisfaction of the Committee on Student-Athlete Reinstatement (by objective evidence) that the student-athlete was unable to participate in intercollegiate athletics as a result of participation in one of the activities listed in the above legislation for a specific period of time. Further, such an extension shall be limited to one time and for a period not to exceed one year per student-athlete, per sport. (*Revised: 8/11/98*)

14.2.1.5 Five-Year Rule Waiver. The Committee on Student-Athlete Reinstatement, or its designated committee, by a two-thirds majority of its members present and voting, may approve waivers of the five-year rule as it deems appropriate. (*Revised: 7/30/10*)

14.2.1.5.1 Waiver Criteria. A waiver of the five-year period of eligibility is designed to provide a student-athlete with the opportunity to participate in four seasons of intercollegiate competition within a five-year period. This waiver may be granted, based upon objective evidence, for reasons that are beyond the control of the student-athlete or the institution, which deprive the student-athlete of the opportunity to participate for more than one season in his/her sport within the five-year period. The Committee on Student-Athlete Reinstatement reserves the right to review requests that do not meet the more-than-one-year criteria detailed in this bylaw for circumstances of extraordinary or extreme hardship. A student-athlete who has exhausted his or her five years of eligibility may continue to practice (but not compete) for a maximum of 30 consecutive calendar days, provided the student-athlete's institution has submitted a waiver request. The student-athlete may not commence practice until the institution has filed such a request. Further, if such a

request is denied prior to exhausting the 30-day practice period, the student-athlete must cease all practice activities upon the institution's notification of the denial. (*Revised: 4/17/91, 1/11/94, 8/10/94, 10/12/95, 4/27/00, 7/30/10*)

14.2.1.5.1.1 Circumstances Beyond Control. Circumstances considered to be beyond the control of the student-athlete or the institution and do not cause a participation opportunity to be used shall include, but are not limited to, the following: (*Adopted: 8/10/94, Revised: 10/12/95, 7/30/10*)

- (a) Situations clearly supported by contemporaneous medical documentation, which states that a student-athlete is unable to participate in intercollegiate competition as a result of incapacitating physical or mental circumstances;
- (b) The student-athlete is unable to participate in intercollegiate athletics as a result of a life-threatening or incapacitating injury or illness suffered by a member of the student-athlete's immediate family, which clearly is supported by contemporaneous medical documentation; (*Revised: 1/9/06*)
- (c) Reliance by the student-athlete upon written, contemporaneous, clearly erroneous academic advice provided to the student-athlete from a specific academic authority from a collegiate institution regarding the academic status of the student-athlete or prospective student-athlete, which directly leads to that individual not being eligible to participate and, but for the clearly erroneous advice, the student-athlete would have established eligibility for intercollegiate competition; (*Revised: 10/9/96*)
- (d) Natural disasters (e.g., earthquake, flood); and
- (e) Extreme financial difficulties as a result of a specific event (e.g., layoff, death in the family) experienced by the student-athlete or by an individual upon whom the student-athlete is legally dependent, which prohibit the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual upon whom the student-athlete is legally dependent. (*Adopted: 10/12/95, Revised: 8/12/97*)

14.2.1.5.1.2 Circumstances Within Control. Circumstances that are considered to be within the control of the student-athlete or the institution and cause a participation opportunity to be used include, but are not limited to, the following: (*Adopted: 8/10/94, Revised: 10/12/95, 7/30/10*)

- (a) A student-athlete's decision to attend an institution that does not sponsor his/her sport, or decides not to participate at an institution that does sponsor his/her sport;
- (b) An inability to participate due to failure to meet institutional/conference or NCAA academic requirements, or disciplinary reasons or incarceration culminating in or resulting from a conviction; (*Revised: 10/12/95*)
- (c) Reliance by a student-athlete upon misinformation from a coaching staff member;
- (d) Redshirt year;
- (e) An inability to participate as a result of a transfer year in residence or fulfilling a condition for restoration of eligibility; and
- (f) A student-athlete's lack of understanding regarding the specific starting date of his or her five-year period of eligibility. (*Adopted: 10/9/96*)

14.2.2 Additional Applications of the Five-Year Rule.

14.2.2.1 Athletics Competition. Even though a student is enrolled for less than a minimum full-time program of studies at a collegiate institution, the student's five-year period of eligibility begins if the individual represents the institution in intercollegiate athletics.

14.2.2.2 Nonrecognized College. Enrollment in a postsecondary, noncollegiate institution (e.g., technical school, seminary or business college) in the United States that is not accredited at the college level by an agency or association recognized by the secretary of the Department of Education and legally authorized to offer at least a one-year program of study creditable toward a degree, constitutes enrollment in the application of the five-year rule only if: (*Revised: 1/10/90, 8/8/02*)

- (a) The student is enrolled in a minimum full-time program of studies at such an institution that conducts an intercollegiate athletics program; or
- (b) The student, whether enrolled for a minimum full-time program of studies or not, represents the institution in intercollegiate athletics.

14.2.2.3 Joint College/High School Program. A student-athlete's eligibility under the five-year rule does not begin while a student is enrolled in a collegiate institution in a joint high school/college academic program for high school students in which the courses count as both high school graduation credit and college credit, provided the student has not officially graduated from high school and does not participate in intercollegiate athletics while enrolled in the joint program. (*Revised: 11/1/01 effective 8/1/02*)

14.2.2.4 Vocational Program. A student-athlete's eligibility under the five-year rule does not begin while the student is enrolled in a minimum full-time program of studies as a part of a special vocational program that combines enrollment in regular college courses and participation in vocational training courses, provided the student is not considered to be regularly matriculated by the institution, does not go through the customary registration and testing procedures required of all regular entering students and is not eligible for the institution's extracurricular activities, including athletics.

14.2.2.5 Eligibility for Practice. A student-athlete receiving institutional financial aid after having engaged in four seasons of intercollegiate competition in a sport may continue to take part in organized, institutional practice sessions in that sport without being a counter (see Bylaw 15.02.3), provided the individual has eligibility remaining under the five-year rule. **[D]** (Revised: 8/5/04)

14.2.3 Criteria for Determining Season of Competition.

14.2.3.1 Minimum Amount of Competition. Any competition, regardless of time, during a season in an intercollegiate sport shall be counted as a season of competition in that sport, except as provided in Bylaws 14.2.3.1.1, 14.2.3.1.2, 14.2.3.1.3 and 14.2.3.1.4. This provision is applicable to intercollegiate athletics competition conducted by a two-year or four-year collegiate institution at the varsity or subvarsity level. (Revised: 1/11/94, 4/28/05 effective 8/1/05, 5/9/06, 1/16/10 effective 8/1/10)

14.2.3.1.1 Two-Year College Scrimmages. A two-year college prospective student-athlete may compete in a scrimmage as a member of a two-year college team without counting such competition as a season of competition, provided the competition meets all of the following conditions: (Adopted: 1/11/94, Revised: 5/9/06)

- (a) The scrimmage is approved by the two-year college;
- (b) No official score is kept;
- (c) No admission is charged;
- (d) No official time is kept;
- (e) The scrimmage is played prior to the two-year college's first regularly scheduled outside competition; and
- (f) The prospective student-athlete participates in not more than two such scrimmages or dates of competition per academic year.

14.2.3.1.2 Exception—Nonchampionship Segment Competition—Field Hockey, Men's Soccer, Women's Soccer, Women's Volleyball and Men's Water Polo. In field hockey, men's soccer, women's soccer, women's volleyball and men's water polo, a student-athlete may engage in outside competition during the segment of the playing season that does not conclude with the NCAA championship without using a season of competition, provided the student-athlete was academically eligible during the segment that concludes with the NCAA championship. (Adopted: 11/1/01, Revised: 8/8/02, 10/31/02, 5/9/06)

14.2.3.1.3 Preseason Exhibitions/Preseason Practice Scrimmages During Initial Year. During a student-athlete's initial year of enrollment at the certifying institution, he or she may compete in preseason exhibition contests and preseason practice scrimmages (as permitted in the particular sport per Bylaw 17) without counting such competition as a season of competition. (Revised: 5/9/06)

14.2.3.1.4 Alumni Game, Fundraising Activity or Celebrity Sports Activity. A student-athlete may engage in outside competition in either one alumni game, one fundraising activity or one celebrity sports activity during a season without counting such competition as a season of competition, provided the event is exempted from the institution's maximum number of contests or dates of competition as permitted in the particular sport per Bylaw 17. (Adopted: 1/16/10 effective 8/1/10)

14.2.3.2 Delayed Enrollment—Seasons of Competition.

14.2.3.2.1 Sports Other Than Men's Ice Hockey, Skiing and Tennis. In sports other than men's ice hockey, skiing and tennis, a student-athlete who does not enroll in a collegiate institution as a full-time student in a regular academic term during a one-year time period after his or her high school graduation date or the graduation date of his or her class (as determined by the first year of high school enrollment or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility and based on the prescribed educational path in the student-athlete's country), whichever occurs earlier, shall be subject to the following: (Adopted: 1/9/96 effective 8/1/97, Revised: 4/29/04 effective 8/1/04, 4/20/09, 4/29/10 effective 8/1/12; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/12)

- (a) The student-athlete shall be charged with a season of intercollegiate eligibility for each calendar year after the one-year time period (the next opportunity to enroll after one calendar year has elapsed) and prior to full-time collegiate enrollment during which the student-athlete has participated in organized competition per Bylaw 14.02.11. (Revised: 4/29/04 effective 8/1/04)
- (b) After the one-year time period, if the student-athlete has engaged in competition per Bylaw 14.02.11, on matriculation at the certifying institution, the student-athlete must fulfill an academic year in

residence before being eligible to represent the institution in intercollegiate competition. (*Revised: 4/29/04 effective 8/1/04*)

14.2.3.2.1.1 Exception—National/International Competition. For a maximum of one year after a prospective student-athlete's first opportunity to enroll full time in a collegiate institution following the one-year time period after his or her high school graduation date or the graduation date of his or her class, whichever occurs earlier, participation in the following organized national/international competition is exempt from application of Bylaw 14.2.3.2.1: (*Adopted: 1/15/11 effective 8/1/11; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11*)

- (a) Official Olympic Games, Pan American Games, World Championships, World Cup, World University Games and World University Championships competition; (*Revised: 1/14/12*)
- (b) Officially recognized competition from which participants may directly qualify for final tryouts for a national team that will participate in the Olympic Games, Pan American Games, World Championships, World Cup, World University Games or World University Championships and final tryout competition from which participants are selected for such teams; or (*Revised: 1/14/12*)
- (c) Official competition involving a national team sponsored by the appropriate national governing body of the U.S. Olympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation).

14.2.3.2.1.1.1 Junior Level Competition. The national/international competition exception does not apply to junior level national/international competition (e.g., Youth Olympic Games, U20 World Cup, Junior National Teams) that may be associated with the events specified in Bylaw 14.2.3.2.1.1. (*Adopted: 8/11/11*)

14.2.3.2.1.2 Track and Field and Cross Country. A student-athlete who has participated in organized competition after the one-year time period (the next opportunity to enroll after one calendar year has elapsed) and prior to full-time collegiate enrollment during a cross country, indoor track and field, or outdoor track and field season (as opposed to general road racing events) shall be charged with a season of competition in the sport in which the student has participated for each calendar year after the one-year time period in which he or she participated in organized competition. (*Adopted: 4/29/10 effective 8/1/11; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11*)

14.2.3.2.1.3 Road Racing. A student-athlete who has participated in road racing activities after the one-year time period (the next opportunity to enroll after one calendar year has elapsed) and prior to full-time collegiate enrollment shall be charged with a season of competition in each of the sports of cross country, indoor track and field, and outdoor track and field for each calendar year after the one-year time period in which he or she participate in organized competition. (*Adopted: 4/29/10 effective 8/1/11; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11*)

14.2.3.2.1.4 Volleyball and Sand Volleyball. Volleyball and sand volleyball are considered the same sport for purposes of Bylaw 14.2.3.2. (*Adopted: 8/26/10*)

14.2.3.2.2 Tennis. In tennis, a student-athlete who does not enroll in a collegiate institution as a full-time student in a regular academic term within six months (or the first opportunity to enroll after six months have elapsed) after his or her high school graduation date or the graduation date of his or her class (as determined by the first year of high school enrollment or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility and based on the prescribed educational path in the student-athlete's country), whichever occurs earlier, shall be subject to the following: (*Adopted: 4/29/10 effective 8/1/12; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/12*)

- (a) The student-athlete shall be charged with a season of intercollegiate eligibility for each calendar year after the six-month period has elapsed (or the next opportunity to enroll) and prior to full-time collegiate enrollment during which the student-athlete has participated in organized competition per Bylaw 14.02.11.
- (b) After the six-month period, if the student-athlete has engaged in organized competition per Bylaw 14.02.11, on matriculation at the certifying institution, the student-athlete must fulfill an academic year in residence before being eligible to represent the institution in intercollegiate competition.

14.2.3.2.2.1 Exception—National/International Competition. For a maximum of one year after a prospective student-athlete's first opportunity to enroll full time in a collegiate institution following the six-month time period after his or her high school graduation date or the graduation date of his or her class, whichever occurs earlier, participation in the following organized national/international competition is exempt from application of Bylaw 14.2.3.2.2: (*Adopted: 1/15/11 effective 8/1/12; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/12*)

- (a) Official Olympic Games, Pan American Games, World Championships, World Cup, World University Games and World University Championships competition; (*Revised: 1/14/12*)

- (b) Officially recognized competition from which participants may directly qualify for final tryouts for a national team that will participate in the Olympic Games, Pan American Games, World Championships, World Cup, World University Games or World University Championships and final tryout competition from which participants are selected for such teams; or (*Revised: 1/14/12*)
- (c) Official competition involving a national team sponsored by the appropriate national governing body of the U.S. Olympic Committee (or, for student-athletes representing another nation, the equivalent organization of that nation.)

14.2.3.2.2.1.1 Junior Level Competition. The national/international competition exception does not apply to junior level national/international competition (e.g., Youth Olympic Games, U20 World Cup, Junior National Teams) that may be associated with the events specified in Bylaw 14.2.3.2.2.1. (*Adopted: 8/11/11*)

14.2.3.2.2.2 Matriculation After 20th Birthday—Tennis. In tennis, a student who is eligible under Bylaw 14.2.3.2.1, but who participates in organized tennis events after his or her 20th birthday and before full-time enrollment at the certifying institution shall be subject to the following: (*Adopted: 4/29/04 effective 8/1/04 for competition occurring after 8/1/04, Revised: 6/10/04*)

- (a) The student will be charged with one season of intercollegiate tennis competition for each calendar year after his or her 20th birthday and prior to full-time enrollment at the certifying institution during which the student-athlete has participated in organized tennis competition per Bylaw 14.02.11. [Note: This includes participation in intercollegiate tennis while enrolled full-time in another two-year or four-year institution; however, this provision replaces the season of competition counted in Bylaw 14.2 (only one season is used in any one year).]
- (b) Upon matriculation at the certifying institution, the student-athlete must fulfill an academic year in residence before being eligible to represent the institution in intercollegiate tennis, unless the student transfers to the certifying institution with a minimum of 24 semester hours (or equivalent) of transferable degree credit. (Note: All other NCAA transfer and academic eligibility requirements apply.)

14.2.3.2.2.2.1 Exception—Olympic Games, Pan American Games, World Championships, World Cup, World University Games and World University Championships Participation. Participation in the Olympic Games, Pan American Games, World Championships, World Cup, World University Games and World University Championships is exempt from the application of Bylaw 14.2.3.2.2.2. (*Adopted: 4/26/07 effective 8/1/07, Revised: 1/14/12*)

14.2.3.2.2.2.1.1 Junior Level Competition. The national/international competition exception does not apply to junior level national/international competition (e.g., Youth Olympic Games, U20 World Cup, Junior National Teams) that may be associated with the events specified in Bylaw 14.2.3.2.2.2.1. (*Adopted: 8/11/11*)

14.2.3.3 Track and Field and Cross Country. Cross country, indoor track and field, and outdoor track and field shall be considered separate sports. (*Revised: 1/10/90*)

14.2.3.4 Intercollegiate Competition. A student-athlete is considered to have engaged in a season of intercollegiate competition when he or she competes in an athletics event involving any one of the conditions characterizing intercollegiate competition (per Bylaw 14.02.9).

14.2.3.5 Participation After 21st Birthday—Men's Ice Hockey and Skiing. In men's ice hockey and skiing, any participation as an individual or a team representative in organized sports competition by a student during each 12-month period after the student's 21st birthday and prior to initial full-time enrollment in a collegiate institution shall count as one year of varsity competition in that sport. Participation in organized competition during time spent in the U.S. armed services shall be excepted. (*Revised: 1/10/90, 1/16/93, 1/10/95 effective 8/1/95, 1/9/96 effective 8/1/96, 6/10/04, 1/17/09 effective 8/1/10, 4/13/10 effective 8/1/11; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/11*)

14.2.3.6 Foreign-Tour Competition. A student-athlete who did not compete during the institution's season just completed and who represents the institution in a certified foreign tour after that intercollegiate season and prior to the start of the next academic year shall not be charged with a season of eligibility (see Bylaw 17.28.1.4). (*Revised: 8/11/98*)

14.2.3.7 Participation on an Institution's Club Team. An individual is charged with a season of competition for participation in intercollegiate competition (see Bylaw 14.02.9) as a member of an institution's club team if that institution sponsored the sport as a varsity intercollegiate sport and as a club sport at the time of participation. (*Adopted: 6/24/09*)

14.2.4 Hardship Waiver. A student-athlete may be granted an additional year of competition by the conference or the Committee on Student-Athlete Reinstatement for reasons of "hardship." Hardship is defined as an incapacity resulting from an injury or illness that has occurred under all of the following conditions: (*Revised: 8/8/02, 11/1/07 effective 8/1/08*)

- (a) The incapacitating injury or illness occurs in one of the four seasons of intercollegiate competition at any two-year or four-year collegiate institutions or occurs after the first day of classes in the student-athlete's senior year in high school; (*Revised: 1/10/92 effective 8/1/92, 11/1/01, 8/8/02*)
- (b) The injury or illness occurs prior to the first competition of the second half of the playing season that concludes with the NCAA championship in that sport (see Bylaw 14.2.4.3.4) and results in incapacity to compete for the remainder of that playing season; (*Revised: 1/14/97 effective 8/1/97, 4/26/01 effective 8/1/01, 4/3/02, 4/24/08*)
- (c) In team sports, the injury or illness occurs when the student-athlete has not participated in more than three contests or dates of competition (whichever is applicable to that sport) or 30 percent (whichever number is greater) of the institution's scheduled or completed contests or dates of competition in his or her sport. Only scheduled or completed competition against outside participants during the playing season that concludes with the NCAA championship, or, if so designated, during the official NCAA championship playing season in that sport (e.g., spring baseball, fall soccer), shall be countable under this limitation in calculating both the number of contests or dates of competition in which the student-athlete has participated and the number of scheduled or completed contests or dates of competition during that season in the sport. Dates of competition that are exempted (e.g., alumni contests, foreign team in the United States) from the maximum permissible number of contests or dates of competition shall count toward the number of contests or dates in which the student-athlete has participated and the number of scheduled or completed contests or dates of competition in the season, except for scrimmages and exhibition contests that are specifically identified as such in the sport's Bylaw 17 playing and practice season regulations. Scrimmages and exhibition contests that are not exempted from the maximum permissible number of contests or dates of competition may be excluded from the calculation only if they are identified as such in the sport's Bylaw 17 playing and practice season regulations; and (*Revised: 1/10/92, 1/14/97 effective 8/1/97, 4/26/01 effective 8/1/01, 3/10/04, 5/11/05, 8/4/05, 4/26/07, 9/18/07, 4/24/08*)
- (d) In individual sports, the injury or illness occurs when the student-athlete has not participated in more than three dates of competition or 30 percent (whichever number is greater) of the maximum permissible number of dates of competition as set forth in Bylaw 17 plus one date for a conference championship (e.g., gymnastics: 13+1=14, wrestling: 16+1=17), regardless of whether the team participates in the conference championship, provided the institution is a member of a conference and the conference holds a championship event in the applicable sport. Dates of competition that are exempted per Bylaw 17 (e.g., alumni contests, foreign team in the United States) from the maximum permissible number of dates of competition do not count toward the number of dates in which the student-athlete has participated. (*Adopted: 4/24/08*)

14.2.4.1 Additional Criteria—Two-Year College Hardship. Institutions shall apply the following additional conditions if the injury or illness occurred at a two-year college: (*Adopted: 1/10/92 effective 8/1/92, Revised: 1/11/94*)

- (a) The appropriate two-year college athletics association (e.g., National Junior College Athletic Association, Community College League of California) shall review and approve each hardship waiver request;
- (b) After approval by the appropriate two-year college athletics association, the request shall be reviewed and approved by the appropriate NCAA member conference or, in the case of an independent member institution, by the Committee on Student-Athlete Reinstatement, to ensure compliance with the provisions of NCAA legislation;
- (c) Waiver requests shall be submitted only from two-year college organizations that apply the same or more stringent rules related to the administration of hardship waivers (compliance with all of the regulations of Bylaw 14.2.4); and
- (d) Each waiver request must be accompanied by a signed statement by the physician who treated the student-athlete, indicating the reason(s) why the injury or illness was incapacitating.

14.2.4.2 Administration of Hardship Waiver. The hardship waiver shall be administered by the member conferences of the Association or, in the case of an independent member institution, by the Committee on Student-Athlete Reinstatement. (*Revised: 10/28/04, 4/20/09*)

14.2.4.2.1 Review of Denied Waiver. A conference that denies an institution's hardship waiver may submit the waiver to the Committee on Student-Athlete Reinstatement. The committee shall have the authority to review and determine whether to approve the waiver based on circumstances that may warrant relief from the application of the legislated waiver criteria. (*Adopted: 4/20/09*)

14.2.4.3 Criteria for Administration of Hardship Waiver.

14.2.4.3.1 Use of Scheduled or Completed Contests. An institution may use scheduled or completed contests or dates of competition, but it is not permissible to combine the two methods of calculation. (*Adopted: 8/4/05*)

14.2.4.3.2 Nature of Injury/Illness. It is not necessary for the incapacitating injury or illness to be the direct result of the student's participation in the institution's organized practice or game competition. (*Revised: 11/1/01*)

14.2.4.3.3 Medical Documentation. Contemporaneous or other appropriate medical documentation, from a physician (a medical doctor) who administered care at the time of the injury or illness, that establishes the student-athlete's inability to compete as a result of that injury or illness shall be submitted with any hardship-waiver request. (*Adopted: 4/20/99, Revised: 2/22/01*)

14.2.4.3.4 First-Half-of-Season Calculation.

14.2.4.3.4.1 Team Sports. In team sports, the first half of the season is measured by the number of scheduled contests or dates of competition not exceeding the maximum limitations in each sport as set forth in Bylaw 17 as set prior to the first scheduled contest or date of competition of the designated official NCAA championship playing season in the applicable sport or the number of completed contests or dates of competition. In determining if an injury or illness occurs prior to the first competition of the second half of the season that concludes with the NCAA championship in a sport with an odd number of scheduled or completed contests or dates of competition, the injury or illness must have occurred prior to the beginning of the scheduled or completed varsity contest or date of competition that starts the second half of the season that concludes with the NCAA championship (e.g., an injury or illness occurring at any time after the beginning of the scheduled sixth game of an 11-game schedule would be considered to be after the first half of the institution's season and would not qualify the student-athlete for a hardship waiver). (*Revised: 1/14/97 effective 8/1/97, 4/26/01 effective 8/1/01, 8/4/05, 4/24/08*)

14.2.4.3.4.1.1 Contests or Dates of Competition Based on Championship Selection. In sports in which the playing season may be divided into two segments, but championship selection is based on competition throughout the season (e.g., ice hockey), the first half of the season shall be measured by the institution's number of scheduled or completed varsity contests or dates of competition for the entire season (e.g., nonchampionship and championship segments). In sports in which the playing season may be divided into two segments, but championship selection is based on competition during only one segment of the season (e.g., spring baseball, fall soccer), the first half of the season shall be measured by the institution's number of scheduled or completed varsity contests or dates of competition for only the championship segment. (*Adopted: 4/23/08*)

14.2.4.3.4.2 Individual Sports. In individual sports, the first-half-of-the-season calculation is based on the number of days in the season that concludes with the NCAA championship, as declared by the institution, between the first date of competition used by any individual on the team and the last date of competition used by any individual on the team at the end of the declared playing season, including a conference championship and any regular-season competition scheduled after the conference championship (e.g., "last chance" meet). Any break in the declared season shall not be counted (e.g., institutional vacation period in which no practice or competition occurs). The total number of days in the championship season shall be divided by two in order to determine the first half of the season. A fractional portion of a day shall be rounded up to the next whole number. (*Adopted: 4/24/08*)

14.2.4.3.4.2.1 Championship Selection Based on Entire Season. In sports in which the playing season may be divided into two segments, but championship selection is based on competition throughout the season (e.g., golf, tennis), the first half of the season is based on the number of days in the entire season (e.g., nonchampionship and championship segments), as declared by the institution between the first date of competition used by any individual on the team and the last date of competition used by any individual on the team at the end of the declared playing season, including a conference championship and any regular-season competition scheduled after the conference championship (e.g., "last chance" meet). (*Revised: 9/2/10*)

14.2.4.3.5 Reinjury in Second Half of Season. A student-athlete who suffers an injury in the first half of the season that concludes with the NCAA championship or who suffers an injury after the first day of classes in his or her senior year of high school, attempts to return to competition during the second half of that season and then is unable to participate further as a result of aggravating the original injury does not qualify for the hardship waiver. (*Revised: 11/01/01, 8/8/02*)

14.2.4.3.6 Percent Calculation. The following requirements are to be met in determining the percent calculation under this waiver provision: (Note: The percent calculation requirements set forth in Bylaws 14.2.4 and 14.2.4.3.6 apply only to the waiver provisions of this section and do not apply to the maximum-and minimum-contests requirements in Bylaws 17 and 20.)

14.2.4.3.6.1 Denominator in Percent Computation.

14.2.4.3.6.1.1 Team Sports. The denominator in the institution's percent calculation shall be based on the institution's number of scheduled or completed varsity contests or dates of competition [see Bylaw 14.2.4-(c)] as computed for playing and practice season purposes in Bylaw 17 for the applicable sport. [Note: Exempted events in Bylaw 17 are included in the percent calculation, except as provided in Bylaw 14.2.4-(c).] An institution participating in a single-elimination event may only count the actual contests in which the institution participates (as opposed to the number of contests scheduled in the event) in determining the number of scheduled or completed contests

in the denominator. (*Revised: 1/14/97 effective 8/1/97, 2/11/98, 4/26/01 effective 8/1/01, 6/21/01, 8/4/05, 4/24/08*)

14.2.4.3.6.1.1 Conference Championships. A conference championship shall be counted as one contest or date of competition in determining the institution's scheduled or completed contests or dates of competition in that sport, regardless of the number of days or games involved in the championship. However, for purposes of this regulation, the calculation of scheduled or completed contests or dates of competition in a particular season does not include postseason competition conducted after the completion of the institution's regular-season schedule and conference tournament. (*Revised: 1/14/97 effective 8/1/97, 4/26/01 effective 8/1/01, 8/4/05*)

14.2.4.3.6.1.1.2 Contests or Dates of Competition Based on Championship Selection. In sports in which the playing season may be divided into two segments, but championship selection is based on competition throughout the season (e.g., ice hockey), the denominator shall be based on the institution's number of scheduled or completed varsity contests or dates of competition for the entire season (e.g., nonchampionship and championship segments). In sports in which the playing season may be divided into two segments, but championship selection is based on competition during only one segment of the season (e.g., spring baseball, fall soccer), the denominator shall be based on the institution's number of scheduled or completed varsity contests or dates of competition for only the championship segment. (*Adopted: 4/23/08*)

14.2.4.3.6.1.2 Individual Sports. The denominator in the institution's percent calculation shall be the maximum permissible number of dates of competition as set forth in Bylaw 17 plus one date for a conference championship (e.g., gymnastics: $13+1=14$, wrestling: $16+1=17$), regardless of whether the team participates in the conference championship, provided the institution is a member of a conference and the conference sponsors a championship in the applicable sport. For institutions that sponsor both indoor and outdoor track and field, the denominator for indoor track and field shall be nine, plus one date for a conference championship, if applicable, and the denominator for outdoor track and field shall be nine, plus one date for a conference championship, if applicable. (*Adopted: 4/24/08*)

14.2.4.3.6.2 Fraction in Percent Computation. Any computation of the percent limitation that results in a fractional portion of a contest or date of competition shall be rounded to the next whole number (e.g., 30 percent of a 29-game basketball schedule—8.7 games—shall be considered nine games). (*Revised: 1/14/97 effective 8/1/97, 4/26/07*)

14.2.4.3.7 Transfer Student-Athletes. The application of the hardship legislation for a transfer student-athlete may be based on the method that would be most beneficial to the student-athlete (the rule applicable to the division in which the injury or illness occurred or the Division I rule). The application of a particular division's legislation must include all the applicable elements of that division's legislation. It is not permissible to use selected elements of the legislation of more than one division. (*Adopted: 11/12/97, Revised: 4/26/01 effective 8/1/01, 9/17/09*)

14.2.4.3.8 Foreign-Tour Competition. A student-athlete who qualifies for a hardship for the previous academic year would not use a season of competition if the student-athlete represents the institution on a certified foreign tour during the summer-vacation period at the conclusion of that academic year. (*Adopted: 1/10/92, Revised: 4/26/01*)

14.2.5 Season-of-Competition Waiver—Competition While Ineligible. In conjunction with a request for restoration of eligibility and any conditions imposed thereon per Bylaw 14.11, a student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement when the student-athlete participated in a limited amount of competition as a result of a good-faith, erroneous formal declaration of eligibility by the institution's appropriate certifying authority; or the student-athlete's good-faith, erroneous reliance on a coaching staff member's decision to put the student-athlete into competition prior to the coaching staff member receiving a formal declaration of the student-athlete's eligibility from the institution's appropriate certifying authority. The competition must have occurred under all of the following conditions: (*Adopted: 1/16/93, Revised: 4/20/99, 4/25/02 effective 8/1/02*)

- (a) The competition occurred while the student-athlete was representing an NCAA member institution;
- (b) The competition occurred within 60 days of the date the student-athlete first reported for athletics participation;
- (c) The student-athlete did not participate in more than two events or 10 percent (whichever number is greater) of the institution's scheduled or completed events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of completed events during that season (both segments) in the sport; (*Revised: 1/14/97 effective 8/1/97, 8/4/05*)

- (d) The student-athlete was involved innocently and inadvertently in the erroneous determination or declaration of eligibility, which permitted the student-athlete to compete while ineligible; and (*Revised: 4/20/99*)
- (e) In the case of a coaching staff member's erroneous decision, the student-athlete had reason to believe he or she would be eligible to participate, and the student-athlete did not contribute to the coaching staff member's erroneous decision to allow the student-athlete to participate. (*Adopted: 4/20/99*)

14.2.5.1 Administrative Criteria. The following criteria shall be employed in the administration of the season-of-competition waiver: (*Adopted: 1/16/93*)

14.2.5.1.1 Application—Use of Scheduled or Completed Contests. An institution may use scheduled or completed contests or dates of competition, but it is not permissible to combine the two methods of calculation. (*Adopted: 8/4/05*)

14.2.5.1.2 Ten-Percent Calculation. The requirements specified in Bylaw 14.2.4.3.6 shall apply to the 10-percent calculation specified in this waiver. (*Adopted: 1/16/93*)

14.2.6 Season-of-Competition Waiver—Competition While Eligible. A student-athlete may be granted an additional season of competition by the Committee on Student-Athlete Reinstatement in a case in which the student-athlete participated in a limited amount of competition while eligible due to a coach's documented misunderstanding of the legislation or other extenuating circumstances. In cases in which a student-athlete does not meet the criteria of this waiver, the Committee on Student-Athlete Reinstatement shall have authority to review and grant a waiver based on additional documented extenuating circumstances. (*Adopted: 4/25/02 effective 8/1/02, Revised: 10/28/04*)

14.2.6.1 Application—Use of Scheduled or Completed Contests. An institution may use scheduled or completed contests or dates of competition, but it is not permissible to combine the two methods of calculation. (*Adopted: 8/4/05*)

14.2.6.2 Coach's Documented Misunderstanding. The student-athlete participated as a result of good faith, reliance on a coaching staff member's decision to put the student-athlete in an alumni contest, exhibition contests, scrimmages, or nonchampionship segment contests based on the coach's documented misunderstanding of NCAA legislation and the competition occurred under the following conditions: (*Adopted: 10/28/04*)

- (a) The competition occurred while the student-athlete was representing an NCAA institution;
- (b) The competition occurred prior to the completion of the first 20 percent of the championship segment of the institution's declared playing and practice season; and
- (c) The student-athlete did not compete in more than two events or 10 percent (whichever number is greater) of the institution's scheduled or completed events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of scheduled or completed events during that season (both segments) in the sport. (*Revised: 8/4/05*)

14.2.6.2.1 Penalty. A student-athlete who is granted a waiver pursuant to Bylaw 14.2.6.2 shall be withheld from two contests of intercollegiate competition for each contest in which he or she competed. (*Adopted: 10/28/04*)

- (b) The student-athlete failed to complete the entire season of competition at the institution as a result of extreme financial difficulties as a result of a specific event (e.g., layoff, death in family) experienced by the student-athlete or an individual upon whom the student-athlete is legally dependent and prohibited the student-athlete from participating in intercollegiate athletics. These circumstances must be clearly supported by objective documentation (e.g., decree of bankruptcy, proof of termination) and must be beyond the control of the student-athlete or the individual upon whom the student-athlete is legally dependent; (*Adopted: 4/25/02 effective 8/1/02, Revised: 10/28/04*)
- (c) The student-athlete's institution dropped the sport (in which the student practiced or competed) from its intercollegiate program. (*Adopted: 4/25/02 effective 8/1/02*)

- (b) The student-athlete did not compete in more than three events or 30 percent (whichever number is greater) of the institution's scheduled or completed events in his or her sport. All competition (including a scrimmage) against outside participants shall be countable under this limitation in calculating both the number of events in which the student-athlete participated and the number of scheduled or completed events during that season (both segments) in the sport. *(Revised: 8/4/05, 1/14/08 applicable to student-athletes who initially enrolled full time in a collegiate institution on or after 8/1/04)*

14.3.1.2 Core-Curriculum Requirements. [#] For purposes of meeting the core-curriculum requirement to establish eligibility at a member institution, a “core course” must meet all of the following criteria: *(Revised: 1/11/00 effective 8/1/00, 1/15/11 effective 1/14/12)*

- A course must be a recognized academic course and qualify for high school graduation credit in one or a combination of the following areas: English, mathematics, natural/physical science, social science, foreign language or nondoctrinal religion/philosophy; *(Revised: 11/1/01 effective 8/1/05 for those students first entering a collegiate institution on or after 8/1/05)*
- A course must be considered college preparatory by the high school. College preparatory is defined for these purposes as any course that prepares a student academically to enter a four-year collegiate institution upon graduation from high school;
- A mathematics course must be at the level of Algebra I or a higher-level mathematics course;
- A course must be taught by a qualified instructor as defined by the appropriate academic authority (e.g., high school, school district or state agency with authority of such matters); and
- A course must be taught at or above the high school’s regular academic level (remedial, special education or compensatory courses shall not be considered core courses). However, the prohibition against the use of remedial or compensatory courses is not applicable to courses designed for students with education-impacting disabilities (see Bylaw 14.3.1.2.1.2). *(Revised: 8/7/08)*

14.3.1.2 Academic Redshirt. An academic redshirt may receive institutional athletically related financial aid but may not compete during the first academic year in residence. An academic redshirt may practice only on campus or at the institution’s regular practice facility during the first regular academic term in residence. An academic redshirt must successfully complete nine semester or eight quarter hours of academic credit in each applicable regular academic term in order to be eligible for practice in the immediately subsequent term of the first academic year (see Bylaw 14.4.2.1). An academic redshirt is defined as one who is a high school graduate and who presented the same academic qualifications applicable to qualifiers (see Bylaw 14.3.1.1) except for the following: *(Adopted: 10/27/11, Revised: 4/26/12 effective 8/1/16; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16)*

- The required minimum cumulative grade-point average and minimum combined score on the SAT critical reading and math sections or a minimum sum score on the ACT as specified in Bylaw 14.3.1.2.1;
- Bylaw 14.3.1.1-(c) shall not apply.

14.3.1.2.1 Core-Curriculum Time Limitation. A prospective student-athlete must complete his or her core-curriculum requirements not later than the high school graduation date of the prospective student-athlete’s class [as determined by the first year of enrollment in high school (ninth grade) or the international equivalent as specified in the NCAA Guide to International Academic Standards for Athletics Eligibility]. Graduation from high school or secondary school shall be based on the prospective student-athlete’s prescribed educational path in his or her country. The eligibility of an international student-athlete whose prescribed educational path culminates with a leaving examination (e.g., General Certificate of Secondary Education, Baccalaureat, Arbitur) shall be determined based on the leaving examination, regardless of a delay in graduation or completion of the leaving examination. *(Revised: 1/10/90, 9/15/97, 11/1/01 effective 8/1/02, 4/26/07 effective 8/1/07, 1/15/11 effective 8/1/12; applicable to student-athletes who initially enroll full time in a collegiate institution on or after 8/1/12)*

14.3.1.2.1.1 Exception—One Core Course after High School Graduation. If a prospective student-athlete graduates from high school within the core-curriculum time limitation, he or she may use one core course, completed in the year after graduation (summer or academic year), but not later than the end of the academic year immediately after the high school graduation date of the prospective student-athlete's class, to satisfy the core-curriculum or minimum grade-point average requirements or both. The prospective student-athlete may complete the core course at a location other than the high school from which he or she graduated and may initially enroll full time at a collegiate institution at any time after completion of the core course. (*Adopted: 4/26/07 effective 8/1/07, Revised: 9/24/09*)

14.3.1.2.1.1.1 Receipt of Athletically Related Financial Aid While Enrolled in Core Courses. A prospective student-athlete may not use a core course completed after high school graduation to satisfy initial-eligibility requirements if the prospective student-athlete is enrolled in the core course while concurrently receiving athletically related financial aid to attend an institution's summer term. A prospective student-athlete may use a core course completed after high school graduation, provided the prospective student-athlete either completes the core course prior to receiving athletically related financial aid to attend an institution's summer term or does not enroll in the core course until after he or she completes the institution's summer term for which he or she is receiving athletically related financial aid (see Bylaw 15.2.8.1.4). (*Adopted: 9/24/09*)

14.3.1.2.1.2 Exception—Students with Education-Impacting Disabilities. If a prospective student-athlete with a diagnosed education-impacting disability graduates from high school within the core-curriculum time limitation, he or she may use up to three core courses completed after high school graduation to satisfy the core-curriculum or minimum grade-point average requirements or both. The prospective student-athlete may complete the core courses at a location other than the high school from which he or she graduated and may initially enroll full time at a collegiate institution at any time after completion of the core courses. A prospective student-athlete may not use a core course completed after graduation if he or she receives institutional financial aid while enrolled in a course during the summer after the high school graduation date of his or her class (see Bylaw 15.2.8.1.4). 14.3.1.2.2 Nontraditional Courses. [#] Courses taught via the Internet, distance learning, independent study, individualized instruction, correspondence, and courses taught by similar means may be used to satisfy NCAA core-course requirements if all of the following conditions are satisfied: (*Adopted: 1/11/00 effective 8/1/00, Revised: 1/15/11 effective 1/14/12*)

- (a) The course meets all requirements for a core course as defined in Bylaw 14.3.1.2;
- (b) The instructor and the student have ongoing access to one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course; (*Revised: 1/16/10 effective 8/1/10; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/10*)

- (c) The instructor and the student have regular interaction with one another for purposes of teaching, evaluating and providing assistance to the student throughout the duration of the course; (*Adopted: 1/16/10 effective 8/1/10; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/10*)
- (d) The student's work (e.g., exams, papers, assignments) is available for evaluation and validation; (*Adopted: 1/16/10 effective 8/1/10; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/10*)
- (e) Evaluation of the student's work is conducted by the appropriate academic authorities in accordance with the high school's established academic policies;
- (f) The course includes a defined time period for completion; and (*Adopted: 1/16/10 effective 8/1/10; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/10*)
- (g) The course is acceptable for any student and is placed on the high school transcript.

Delayed effective date. See specific date below.

14.3.1.2.2 Outside Competition—Academic Redshirt. An academic redshirt may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but during the first year of enrollment, such an individual is not permitted to practice or compete on an institutional club team or on an outside sports team. (*Adopted: 10/27/11, Revised: 4/26/12 effective 8/1/16; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16*)

14.3.1.2.3 College Courses. [#] College courses may be used to satisfy core-curriculum requirements if accepted by the high school, provided the courses are accepted for any other student, meet all other requirements for core courses and are placed on the student's high school transcript. (*Revised: 4/26/12*)

14.3.1.2.4 English as a Second Language Course. [#] It is permissible to use an advanced-level English as a Second Language (ESL) course to satisfy core-curriculum requirements, provided it is reviewed through the NCAA Initial-Eligibility Waiver process. Other ESL courses taught in disciplines other than English (e.g., social studies) may satisfy a core-course requirement, provided they are qualitatively and quantitatively the same as the comparison course in the regular-course offering. (*Adopted: 11/17/98, Revised: 1/15/11 effective 1/14/12*)

14.3.1.2.5 Courses for Students With Education-Impacting Disabilities. [#] High school courses for students with education-impacting disabilities may be used to fulfill the core-curriculum requirements, even if such courses appear to be taught at a level below the high school's regular academic instructional level (e.g., special education courses), if the high school principal submits a written statement to the NCAA Eligibility Center indicating that the courses are substantially comparable, quantitatively and qualitatively, to similar core course offerings in that academic discipline and the courses appear on the high school's list of approved core courses. Students with education-impacting disabilities still must complete the required core courses and achieve the minimum required grade-point average in the core curriculum. The fact that the title of a course includes a designation such as "remedial," "special education," "special needs," or other similar titles used for courses designed for students with education-impacting disabilities does not, in and of itself, disqualify a course from satisfying core-curriculum requirements. (*Revised: 1/14/97 effective 8/1/97, 2/11/98, 4/24/03 effective 8/1/03, 8/7/08, 1/15/11 effective 1/14/12*)

14.3.1.2.6 Grade Value of Core Courses. [#] The following grade values are to be used in determining a student's grade-point average in the core courses: A = 4 quality points, B = 3 quality points, C = 2 quality points, D = 1 quality point. In determining the core-curriculum grade-point average, each grade earned in a course (including all numerical grades) must be converted to this 4.000 scale on an individual-course basis. Pluses or minuses within a grade level shall not receive greater or lesser quality points. A school's normal practice of weighting honors or advanced courses may be used to compute the quality points awarded in those courses and the cumulative grade-point average, provided a written statement verifying the grading policy accompanies the prospective student-athlete's official grade transcript. An honors or advanced course shall receive no greater than 1.000 additional quality point (e.g., A=5.000). In calculating the grade in a weighted honors or advanced course, if a high school does not assign quality points to its courses, quality points shall be added to each course before calculating the student's grade-point average and not added to a student's cumulative core-course grade-point average. The core-curriculum grade-point average may be calculated using the student's 16 best grades from courses that meet the distribution requirements of the core curriculum. Additional core courses (beyond the 16 required) may be used to meet the core-curriculum grade-point average, provided the distribution requirements are met. (*Revised: 1/10/92 effective 8/1/95, 1/14/97, 4/15/98, 1/13/03 effective 8/1/05, 4/24/03 effective 8/1/08, 1/15/11 effective 1/14/12*)

Delayed effective date. See specific date below.

14.3.1.2.6 Grade Value of Core Courses. The following grade values are to be used in determining a student's grade-point average in the core courses: A = 4 quality points, B = 3 quality points, C = 2 quality

points, D = 1 quality point. In determining the core-curriculum grade-point average, each grade earned in a course (including all numerical grades) must be converted to this 4.000 scale on an individual-course basis. Pluses or minuses within a grade level shall not receive greater or lesser quality points. A school's normal practice of weighting honors or advanced courses may be used to compute the quality points awarded in those courses and the cumulative grade-point average, provided a written statement verifying the grading policy accompanies the prospective student-athlete's official grade transcript. An honors or advanced course shall receive no greater than 1.000 additional quality point (e.g., A=5.000). In calculating the grade in a weighted honors or advanced course, if a high school does not assign quality points to its courses, quality points shall be added to each course before calculating the student's grade-point average and not added to a student's cumulative core-course grade-point average. The core-curriculum grade-point average may be calculated using the student's 16 best grades from courses that meet the distribution requirements of the core curriculum. *(Revised: 1/10/92 effective 8/1/95, 1/14/97, 4/15/98, 1/13/03 effective 8/1/05, 4/24/03 effective 8/1/08, 1/15/11 effective 1/14/12, 5/2/13 effective 8/1/16; for student-athletes initially enrolling full time in a college institution on or after 8/1/16)*

14.3.1.2.7 Pass-Fail Grades. [#] Courses that are awarded pass-fail grades may be used to satisfy core-curriculum requirements. The NCAA Eligibility Center shall assign the course the lowest passing grade that the high school assigns for a pass-fail course. *(Revised: 1/14/97 effective 8/1/97, 4/15/97, 5/9/07, 1/15/11 effective 1/14/12)*

14.3.1.2.8 Repeat Courses. [#] A repeated course may be used only once to satisfy core-curriculum requirements. The best grade in that course may be used to calculate the grade-point average in the core curriculum. *(Revised: 1/15/11 effective 1/14/12)*

14.3.1.2.9 Multiple High School Attendance. [#] For a student-athlete who attends more than one high school, a Form 48-H (core-course form) and an official transcript from each high school the student-athlete attended must be used. However, the NCAA Eligibility Center may receive the official transcript from either the student-athlete's original high school or the high school from which the student-athlete graduated, or an institution's admissions office. *(Adopted: 1/10/92, Revised: 4/22/98 effective 8/1/98, 3/30/06, 5/9/07, 4/26/12)*

14.3.1.3 Test-Score Requirements. [#] The minimum required SAT or ACT score (see Bylaw 14.3.1.1) must be achieved under national testing conditions on a national testing date [no residual (campus) testing, or regional testing dates] except that a state-administered ACT may be used to meet the test-score requirement. *(Adopted: 1/9/06 effective 8/1/06, Revised: 1/15/11 effective 1/14/12)*

14.3.1.3.1 Test-Score Time Limitation. The minimum required SAT or ACT score shall be achieved prior to registering for a minimum full-time program of studies (as determined by the institution) and attending classes in a regular term (e.g., semester or quarter) of an academic year at a collegiate institution. *(Revised: 1/11/89, 1/16/93, 1/10/95, 6/10/04)*

14.3.1.3.2 Combined Test Scores. [#] For students using the SAT examination, the highest scores achieved on the critical reading and mathematics sections of the SAT from two different national testing dates may be combined in determining whether the student has met the minimum test-score requirements. For students using the ACT examination, the highest scores achieved on the individual subtests of the ACT from more than one national testing date or state-administered examination may be combined in determining whether the student's sum score has met the minimum test-score requirement. *(Revised: 1/9/06 effective 8/1/06, 1/15/11 effective 1/14/12)*

14.3.1.3.3 Nonstandard Test Administration. [#] Students with education-impacting disabilities may use scores achieved during a nonstandard administration of the SAT or ACT. A student who takes a nonstandard SAT or ACT still must achieve the minimum required test score; however, the test is not required to be administered on a national testing date. *(Revised: 4/24/03 effective 8/1/03, 8/7/08, 1/15/11 effective 1/14/12)*

14.3.1.3.4 Test-Score Report. [#] The minimum SAT or ACT score(s) used for initial-eligibility purposes must be provided to the NCAA Eligibility Center by the appropriate testing agency through an official test-score report. *(Adopted: 4/27/06 effective 8/1/07, Revised: 5/9/07, 1/15/11 effective 1/14/12)*

14.3.1.4 Initial-Eligibility Waivers. The Initial-Eligibility Waivers Committee (see Bylaw 21.7.5.1.3.1) shall have the authority to waive the initial-eligibility requirements based on objective evidence that demonstrates circumstances in which a student's overall academic record warrants a waiver of the normal application of this regulation. The committee shall oversee the process for reviewing such waivers and shall report annually to the Academic Cabinet and to the membership the actions taken in summary, aggregate form. *(Revised: 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10)*

14.3.2 Eligibility for Financial Aid, Practice and Competition—Nonqualifier.

14.3.2.1 Nonqualifier. A nonqualifier is a student who has not graduated from high school or who, at the time specified in the regulation (see Bylaw 14.3), did not present the core-curriculum grade-point average and/or SAT/ACT score required for a qualifier.

Delayed effective date. See specific date below.

14.3.2.1 Nonqualifier. A nonqualifier is a student who has not graduated from high school or who, at the time specified in the regulation (see Bylaw 14.3), did not present the core-curriculum grade-point average and/or SAT/ACT score required for a qualifier or an academic redshirt. (*Revised: 10/27/11, Revised: 4/26/12 effective 8/1/16; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16*)

14.3.2.1.1 Eligibility for Aid, Practice and Competition. An entering freshman with no previous college attendance who was a nonqualifier at the time of enrollment in a Division I institution shall not be eligible for regular-season competition or practice during the first academic year of residence. However, such a student shall be eligible for nonathletics institutional financial aid that is not from an athletics source and is based on financial need only, consistent with institutional and conference regulations. (*Revised: 1/10/95 effective 8/1/96*)

14.3.2.2 Practice-Session Attendance. A student-athlete who is a nonqualifier and who, therefore, is not eligible for practice, may not attend any practice sessions in any capacity, nor may the student-athlete attend any meeting characterized as practice (see Bylaw 17.02.1). (*Revised: 1/10/95 effective 8/1/96, 1/9/96 effective 8/1/96*)

14.3.2.3 Outside Competition—Nonqualifier. A nonqualifier may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but during the first year of enrollment [including an institution's term-time official vacation periods (e.g., midterm break, Labor Day weekend) and between terms when classes are not in session (e.g., winter break)], such an individual is not permitted to practice or compete on an institutional club team or on an outside sports team, including a national team. (*Revised: 1/10/13*)

14.3.3 Seasons of Competition—Nonqualifier. Nonqualifiers, recruited or nonrecruited, shall not engage in more than three seasons of competition in any one sport. A student who transfers to a Division I member institution from another collegiate institution shall not engage in more than four seasons of competition with not more than three of those seasons in Division I.

14.3.3.1 Fourth Season of Competition—Not a Qualifier. A fourth season of intercollegiate competition shall be granted to a student-athlete who is not a qualifier, provided that at the beginning of the fifth academic year following the student-athlete's initial, full-time collegiate enrollment, the student-athlete has completed at least 80 percent of his or her designated degree program. (*Revised: 4/28/05 effective 8/1/05, 1/3/06*)

Delayed effective date. See specific date below.

14.3.3.1 Fourth Season of Competition—Nonqualifiers. A fourth season of intercollegiate competition shall be granted to a student-athlete who is a nonqualifier, provided that at the beginning of the fifth academic year following the student-athlete's initial, full-time collegiate enrollment, the student-athlete has completed at least 80 percent of his or her designated degree program. (*Revised: 4/28/05 effective 8/1/05, 1/3/06, 10/27/11, 4/26/12 effective 8/1/16; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16*)

14.3.3.1.1 Waiver. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) shall have the authority to grant a fourth season of intercollegiate competition to a student-athlete who is not a qualifier based on objective evidence of extraordinary circumstances that warrant a waiver of the normal application of this regulation. (*Adopted: 1/13/98 effective 8/1/98, Revised: 4/27/00 effective 8/1/00, 8/4/05, 1/3/06, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10*)

Delayed effective date. See specific date below.

14.3.3.1.1 Waiver. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) shall have the authority to grant a fourth season of intercollegiate competition to a student-athlete who is a nonqualifier based on objective evidence of extraordinary circumstances that warrant a waiver of the normal application of this regulation. (*Adopted: 1/13/98 effective 8/1/98, Revised: 4/27/00 effective 8/1/00, 8/4/05, 1/3/06, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10, 10/27/11, 4/26/12 effective 8/1/16; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16*)

14.3.4 Residence Requirement—Nonqualifier. A nonqualifier must fulfill an academic year of residence in order to be eligible for practice, competition and athletically related financial aid (see Bylaw 14.3.2.1.1). (*Revised: 1/10/90 effective 8/1/90, 1/10/95 effective 8/1/96, 1/3/06, 4/14/10*)

Delayed effective date. See specific date below.

14.3.4 Residence Requirement—Academic Redshirts and Nonqualifiers. An academic redshirt must fulfill an academic year of residence in order to be eligible to compete and to practice away from the institution. A nonqualifier must fulfill an academic year of residence in order to be eligible for practice, competition and athletically related financial aid (see Bylaw 14.3.2.1.1). (*Revised: 1/10/90 effective 8/1/90, 1/10/95 effective 8/1/96, 1/3/06, 4/14/10, 10/27/11, 4/26/12 effective 8/1/16; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16*)

14.3.5 Determination of Freshman Eligibility.

14.3.5.1 Participation Prior to Certification. If a student-athlete reports for athletics participation before his or her qualification status has been certified, the student may practice, but not compete, during a 45-day period, provided the student meets all other requirements to be eligible to practice. An institution shall not provide athletically related financial aid to the student during this period. After the 45-day period, the student shall have established minimum requirements (as certified by the NCAA Eligibility Center) to continue practicing or to compete and receive athletically related financial aid. (*Revised: 1/11/89, 10/7/05, 5/9/07, 9/18/07, 1/15/11 effective 8/1/11, 1/19/13 effective 8/1/13*)

14.3.5.2 High School Graduate. In order to be considered a high school graduate, a prospective student-athlete shall meet all graduation requirements, including academic and nonacademic (e.g., state exit exams, community service, senior project) requirements, as defined for all students by his or her high school or secondary school. (*Adopted: 4/23/08*)

14.3.5.3 GED Test/Equivalency Diploma. A prospective student-athlete who does not graduate from high school but who subsequently completes the General Educational Development (GED) test and obtains a state high school equivalency diploma may satisfy the graduation requirement of Bylaw 14.3, but not the core-curriculum or test-score requirement, if the following conditions are met:

- (a) Only scores from a GED test taken by the prospective student-athlete on or after the date the prospective student-athlete's high school class would normally have graduated from high school (the last class of which the student was a member while enrolled in high school) shall be used; (*Revised: 1/10/05 effective 8/1/05*)
- (b) The prospective student-athlete must present the state high school equivalency diploma prior to initial enrollment as a full-time, regularly matriculated student in a collegiate institution; and
- (c) To qualify for financial aid, practice and competition, the prospective student-athlete must meet the core-curriculum grade-point average and test-score requirements (see Bylaw 14.3.1.1) in addition to presenting a minimum average score of 450 on the five-part GED test. (*Revised: 6/16/04*)

14.3.5.4 Advanced Placement. If the student-athlete is admitted with a minimum of 24-semester hours or a minimum of 36-quarter hours of advanced placement from a College Entrance Examination Board (CEEB) examination (or from a similar proficiency examination) and/or concurrent high school/college credit without previous enrollment at a collegiate institution, the student-athlete shall be immediately eligible. Credits earned from extension or summer-session courses may not be counted in satisfaction of this requirement. A "similar proficiency examination" must be an advanced or higher level, nationally administered proficiency exam with a uniform grading scale that is taken after high school graduation. (*Revised: 1/14/12 effective 8/1/12*)

14.3.5.4.1 International Certification. An institution shall use the NCAA Eligibility Center to determine whether a "similar proficiency examination" taken by an international student-athlete is an advanced or higher level, nationally administered proficiency exam with a uniform grading scale that is taken after high school graduation. In addition, the Eligibility Center shall certify the eligibility of an international student-athlete based on the number of advanced placement hours accepted by the certifying institution. (*Adopted: 1/14/12 effective 8/1/12*)

14.3.5.5 International Academic Standards. A student from a foreign country shall satisfy both the requirements outlined in the NCAA Guide to International Academic Standards for Athletics Eligibility and the test-score requirements set forth in Bylaw 14.3.1.1-(b).

14.4 Progress-Toward-Degree Requirements.

14.4.1 Progress-Toward-Degree Requirements. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall maintain progress toward a baccalaureate or equivalent degree at that institution as determined by the regulations of that institution subject to controlling legislation of the conference(s) or similar association of which the institution is a member and applicable NCAA legislation. (See Constitution 3.2.4.13 regarding the obligations of members to publish their progress-toward-degree requirements for student-athletes.) (*Revised: 5/29/08, 4/15/09*)

14.4.1.1 Bona Fide International Exchange Student. The eligibility for competition of a bona fide international exchange student, as defined in Bylaw 14.5.1.5.1, shall be based on satisfactory completion of at least: (*Revised: 1/14/08 effective 8/1/08*)

- (a) Six-semester or six-quarter hours of academic credit during the preceding regular academic term in which the student has enrolled full time at the certifying institution; (*Revised: 4/14/09*)
- (b) Eighteen-semester or 27-quarter hours of academic credit since the beginning of the previous fall term or since the beginning of the certifying institution's preceding regular two semesters or three quarters (hours earned during the summer may not be used to fulfill this requirement) (see Bylaw 14.4.3.1.4); and (*Revised: 4/14/09*)
- (c) A minimum grade-point average per academic term of enrollment as set forth in Bylaw 14.4.3.3.1.

14.4.1.2 Temporary Student. A student-athlete having the status of temporary, transient or exchange student shall not represent an institution in intercollegiate athletics competition unless such status is specifically allowed and governed by provisions adopted by the membership.

14.4.2 Eligibility for Financial Aid and Practice. Eligibility for institutional financial aid and practice during each academic year after a student-athlete's initial year in residence or after the student-athlete has used one season of eligibility in a sport shall be based upon the rules of the institution and the conference(s), if any, of which the institution is a member.

Delayed effective date. See specific date below.

14.4.2.1 Eligibility for Practice During Initial Year of Residence—Academic Redshirt. An academic redshirt must successfully complete nine semester or eight quarter hours of academic credit during each applicable regular academic term of his or her initial year of residence in order to be eligible for practice in the immediately subsequent term of his or her initial year in residence. (*Adopted: 10/27/11, Revised: 4/26/12 effective 8/1/16; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/16*)

14.4.3 Eligibility for Competition.

14.4.3.1 Fulfillment of Credit-Hour Requirements. Eligibility for competition shall be determined based on satisfactory completion of at least: (*Revised: 1/10/92, 10/31/02 effective 8/1/03, 3/10/04, 4/28/05*)

- (a) Twenty-four-semester or 36-quarter hours of academic credit prior to the start of the student-athlete's second year of collegiate enrollment (third semester, fourth quarter); (*Revised: 10/31/02 effective 8/1/03*)
- (b) Eighteen-semester or 27-quarter hours of academic credit since the beginning of the previous fall term or since the beginning of the certifying institution's preceding regular two semesters or three quarters (hours earned during the summer may not be used to fulfill this requirement) (see Bylaw 14.4.3.1.4); and (*Revised: 10/31/02 effective 8/1/03*)
- (c) Six-semester or six-quarter hours of academic credit during the preceding regular academic term (e.g., fall semester, winter quarter) in which the student-athlete has been enrolled full time at any collegiate institution (see Bylaw 14.1.9 for postseason certification). (*Adopted: 10/31/02 effective 8/1/03, Revised: 3/10/04, 4/28/05*)

14.4.3.1.1 Regular Academic Year. For purposes of Bylaw 14.4.3.1, the regular academic year shall be defined as the time beginning with the opening of the institution's fall term and concluding with the institution's spring commencement exercises. (*Adopted: 4/2/03 effective 8/1/03, Revised: 6/1/06*)

14.4.3.1.2 Transfer. To be eligible for competition, a transfer student-athlete must meet the following credit-hour requirements based on attendance at the previous institution(s) for the specified time and may use any hours of academic credit earned at any collegiate institution: (*Adopted: 10/31/02 effective 8/1/03, Revised: 5/12/05*)

- (a) Equivalent of one semester/one quarter: six-semester or six-quarter hours of academic credit;
- (b) Equivalent of one academic year (e.g., two semesters/three quarters): 24-semester or 36-quarter hours of academic credit;
- (c) Equivalent of three semesters/four quarters: 30-semester or 42-quarter hours of academic credit; or
- (d) Equivalent of four semesters/six quarters and thereafter: six-semester or six-quarter hours of academic credit during the previous term of full-time enrollment, if applicable (see Bylaw 14.4.3.1.2.1).

14.4.3.1.2.1 Six-Hour Requirement for Transfer. A transfer student-athlete from a domestic two-year or four-year collegiate institution must complete six hours of academic credit during the previous term of full-time enrollment regardless of when the student-athlete enrolls in the certifying institution. A transfer student-athlete from a foreign collegiate institution is not required to complete six hours of academic credit in the previous term of full-time enrollment. (*Adopted: 5/12/05*)

14.4.3.1.3 Regaining Eligibility. For purposes of Bylaw 14.4.3.1-(a), a student-athlete who does not meet the 24-semester or 36-quarter credit-hour requirement prior to the start of his or her second year of collegiate enrollment (third semester, fourth quarter), may become eligible at the beginning of the next academic term by successfully completing 24-semester or 36-quarter hours during the previous two semesters or three quarters. (*Adopted: 4/14/03 effective 8/1/03, Revised: 4/28/05*)

14.4.3.1.3.1 Exception—Baseball. In baseball, a student-athlete who is subject to the 24-semester or 36-quarter credit-hour requirement at the beginning of an institution's fall term and fails to meet the requirement based on the student-athlete's academic record in existence at that time shall not be eligible during the remainder of the academic year. (*Adopted: 4/26/07 effective 8/1/08*)

14.4.3.1.4 Application of Rule. For purposes of Bylaw 14.4.3.1-(b), once a student-athlete initially enrolls as a full-time student [including a midyear enrollee (freshman or transfer)], he or she must meet the 18-semester/27-quarter hour requirement prior to the start of the institution's third semester or fourth quarter following the student-athlete's initial full-time enrollment. Further, the 18-semester/27-quarter hour requirement applies to each academic year in which a student-athlete is enrolled as a full-time student dur-

ing any term of that academic year. Credits earned during a term in which a student-athlete is enrolled in less than a full-time program of studies may be used to satisfy the 18-semester/27-quarter hour requirement only if such credits are combined with credits earned during a term that immediately precedes or immediately follows a term in which the student-athlete is enrolled as a full-time student. Credits earned during a part-time term may be completed at an institution other than the certifying institution. (Adopted: 4/14/03 effective 8/1/03, Revised: 9/18/07, 4/8/09)

14.4.3.1.4.1 Application to a Midyear Enrollee. After a midyear enrollee's initial certification, (prior to the start of the institution's third semester or fourth quarter following the student-athlete's initial full-time enrollment), the student-athlete's completion of the 18-semester/27-quarter hour requirement shall be certified prior to the start of each academic year based on the student-athlete's record since the beginning of the previous fall term. (Adopted: 4/8/09)

14.4.3.1.4.2 Additional Application—Baseball. In baseball, a student-athlete who is subject to the 18-semester/27-quarter hour requirement at the beginning of an institution's fall term and fails to meet the requirement based on the student-athlete's academic record in existence at that time shall not be eligible during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.4.3.1.5 Additional Application of Six-Hour and Transfer Rules—Baseball. In baseball, a student-athlete who fails to meet the requirements of Bylaws 14.4.3.1-(c) or 14.4.3.1.2, or both, to be eligible for an institution's fall term shall not be eligible during the remainder of the academic year. (Adopted: 4/26/07 effective 8/1/08)

14.4.3.1.6 Additional Requirements—Football. [FBS/FCS] In football, a student-athlete who is a member of the institution's football team and who does not successfully complete at least nine-semester hours or eight-quarter hours of academic credit during the fall term or does not earn the Academic Progress Rate eligibility point for the fall term (or does not successfully complete either requirement) shall not be eligible to compete in the first four contests against outside competition in the following playing season. (Adopted: 4/28/11 effective 8/1/11, Revised: 5/28/13)

14.4.3.1.6.1 Regaining Eligibility for Two Contests. [FBS/FCS] A student-athlete who is ineligible, pursuant to Bylaw 14.4.3.1.6, to compete in the first four contests of a playing season against outside competition may regain eligibility to compete in the third and fourth contests of that season, provided he or she successfully completes at least 27-semester hours or 40-quarter hours of academic credit before the beginning of the next fall term. A student-athlete in his or her initial year of full-time collegiate enrollment may use credit hours earned at the certifying institution during the summer prior to initial full-time enrollment and credit hours earned during the summer following the regular academic year to satisfy the 27-semester/40-quarter credit-hour requirement. (Adopted: 4/28/11 effective 8/1/11, Revised: 2/6/12)

14.4.3.1.6.2 Regaining Full Eligibility—One-Time Exception. [FBS/FCS] One time during a student-athlete's five-year period of eligibility, a student-athlete who is ineligible, pursuant to Bylaw 14.4.3.1.6, to compete in the first four contests of a playing season against outside competition may regain eligibility to compete in the first four contests of that season, provided he or she successfully completes at least 27-semester hours or 40-quarter hours of academic credit before the beginning of the next fall term. A student-athlete in his or her initial year of full-time collegiate enrollment may use credit hours earned at the certifying institution during the summer prior to initial full-time enrollment and credit hours earned during the summer following the regular academic year to satisfy the 27-semester/40-quarter credit-hour requirement. (Adopted: 4/28/11 effective 8/1/11, Revised: 2/6/12, 5/28/13)

14.4.3.1.7 Hours Earned or Accepted for Degree Credit. The provision that the calculation of credit hours under the progress-toward-degree regulation shall be based on hours earned or accepted for degree credit at the certifying institution in a student-athlete's specific baccalaureate degree program (see Bylaw 14.4.3.1) shall be met as follows:

- (a) During the first two years of enrollment, a student-athlete may use credits acceptable toward any of the institution's degree programs; (Revised: 1/9/06 effective 8/1/06)
- (b) By the beginning of the third year of enrollment (fifth semester or seventh quarter), a student-athlete shall be required to have designated a program of studies leading toward a specific baccalaureate degree. From that point, the credits used to meet the progress-toward-degree requirements must be degree credit toward the student's designated degree program;
- (c) A student-athlete who changes his or her designated degree program may comply with the progress-toward-degree requirements if:
 - (1) The change in programs is documented appropriately by the institution's academic authorities;
 - (2) The credits earned prior to the change are acceptable toward the degree previously sought; and
 - (3) The credits earned from the time of the change are acceptable toward the new desired degree.

- (d) Once a student-athlete has begun his or her third year of enrollment (fifth semester or seventh quarter), a course may not be used to fulfill the credit-hour requirements for meeting progress toward degree if the student ultimately must repeat the course to fulfill the requirements of the student's major, even if the course fulfills an elective component of the student-athlete's degree program. (*Adopted: 1/14/97, Revised: 3/12/12*)

14.4.3.1.7.1 Exception—Final Academic Year of Degree Program—Six-Hour Requirement. A student-athlete who is in the final academic year (final two semesters or three quarters) of his or her designated degree program may use credit hours acceptable toward any of the institution's degree programs to satisfy the six-hour requirement stated in Bylaw 14.4.3.1, provided the institution certifies that the student is enrolled in courses necessary to complete degree requirements at the end of the two semesters or three quarters. Thereafter, the student shall forfeit eligibility in all sports, unless the student completes all degree requirements during the final two semesters or three quarters and is eligible to receive the baccalaureate diploma on the institution's next degree-granting date. (*Adopted: 8/5/04*)

14.4.3.1.7.2 Hours Earned or Accepted Toward a Minor. Credit hours earned or accepted toward a voluntary or optional minor (a minor that is not a required element of the original baccalaureate degree program for all students) may not be used to satisfy the credit-hour requirements after the first two years of enrollment even if the student-athlete must complete the requirements of the voluntary or optional minor to graduate. A student-athlete may use credits earned in a minor only if the minor is a required element for all students to obtain the original baccalaureate degree. (*Adopted: 9/24/09*)

14.4.3.2 Fulfillment of Percentage of Degree Requirements. A student-athlete who is entering his or her third year of collegiate enrollment shall have completed successfully at least 40 percent of the course requirements in the student's specific degree program. A student-athlete who is entering his or her fourth year of collegiate enrollment shall have completed successfully at least 60 percent of the course requirements in the student's specific degree program. A student-athlete who is entering his or her fifth year of collegiate enrollment shall have completed successfully at least 80 percent of the course requirements in the student's specific degree program. The course requirements must be in the student's specific degree program (as opposed to the student's major). (*Adopted: 1/10/92 effective 8/1/92, Revised: 1/9/96, 10/31/02 effective 8/1/03*)

14.4.3.2.1 Five-Year Degree Program. If the student-athlete's degree is identified in the institution's official catalog as a five-year program or otherwise requires the completion of a minimum of 150-semester or 225-quarter hours, the student-athlete who is entering his or her third year of collegiate enrollment shall have completed successfully 33 percent of the course requirements in the student's specific degree program. A student-athlete who is entering his or her fourth year of collegiate enrollment shall have completed successfully 50 percent of the course requirements in the student's specific degree program. A student-athlete who is entering his or her fifth year of collegiate enrollment shall have completed successfully 67 percent of the course requirements in the student's specific degree program. (*Adopted: 1/14/97, Revised: 10/31/02 effective 8/1/03*)

14.4.3.2.2 Application of Rule to Transfer Student. The provisions of Bylaw 14.4.3.2 shall be applicable to the eligibility of a transfer student from a two-year or four-year collegiate institution, even if the student has not yet completed an academic year in residence or used a season of eligibility in a sport at the certifying institution. (*Adopted: 1/10/92 effective 8/1/92*)

14.4.3.2.2.1 Exception—National Service Academies. The provisions of Bylaw 14.4.3.2 shall only apply to the eligibility of a student-athlete for those years in which the student-athlete is enrolled at a national service academy. (*Adopted: 4/24/03*)

14.4.3.2.3 Timing of Certification. A student-athlete's eligibility under this provision shall be determined on the basis of the student's academic record in existence at the beginning of that student's third or later academic year (fifth semester or seventh quarter) of full-time enrollment. If the student-athlete is ineligible under the provisions of the progress-toward-degree legislation at the beginning of that term, eligibility may be reinstated at the beginning of any other regular term of that student's specific academic year, based on the student's later fulfillment of the necessary degree requirements. (*Adopted: 1/11/94, Revised: 1/10/95*)

14.4.3.2.3.1 Exception—Baseball. In baseball, a student-athlete who is ineligible under this provision at the beginning of an institution's fall term shall not be eligible during the remainder of the academic year. (*Adopted: 4/26/07 effective 8/1/08*)

14.4.3.2.4 Hours Earned or Accepted Toward a Minor. Credit hours earned or accepted toward a voluntary or optional minor (a minor that is not a required element of the original baccalaureate degree program for all students) may not be used to satisfy percentage-of-degree requirements even if the student-athlete must complete the requirements of the voluntary or optional minor to graduate. A student-athlete may use credits earned in a minor only if the minor is a required element for all students to obtain the original baccalaureate degree. (*Adopted: 9/24/09*)

14.4.3.3 Fulfillment of Minimum Grade-Point Average Requirements. A student-athlete who is entering his or her second year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum 4.000) that equals at least 90 percent of the institution's overall cumulative grade-point

average required for graduation. A student-athlete who is entering his or her third year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum of 4.000) that equals 95 percent of the institution's overall cumulative minimum grade-point average required for graduation. A student-athlete who is entering his or her fourth or later year of collegiate enrollment shall present a cumulative minimum grade-point average (based on a maximum of 4.000) that equals 100 percent of the institution's overall cumulative grade-point average required for graduation. If the institution does not have an overall grade-point average required for graduation, it is permissible to use the lowest grade-point average required for any of the institution's degree programs in determining the cumulative minimum grade-point average. The minimum grade-point average must be computed pursuant to institutional policies applicable to all students. (*Adopted: 1/10/92 effective 8/1/92, Revised: 10/31/02 effective 8/1/03, 4/15/09*)

14.4.3.3.1 Application of Rule to Transfer Student. The provisions of Bylaw 14.4.3.3 shall be applicable to the eligibility of a transfer student from a two-year or four-year collegiate institution who has completed an academic term in residence at the certifying institution. A student-athlete who attends the certifying institution as a full-time student, transfers to another institution and later returns to the original institution is immediately subject to the provisions of Bylaw 14.4.3.3 on re-enrollment. (*Adopted: 1/10/92 effective 8/1/92, Revised: 1/16/93, 1/9/06 effective 8/1/06, 4/15/09, 9/24/09*)

14.4.3.3.2 Timing of Certification. A student-athlete's eligibility under this provision shall be certified by the first date of competition or contest of each regular term of an academic year beginning with that student's second or later academic year (third semester or fourth quarter) of full-time enrollment. The certification shall be based on the student-athlete's academic record in existence at the beginning of the applicable term. (*Adopted: 1/11/94, Revised: 1/10/95, 4/24/03 effective 8/1/03, 5/9/08, 4/15/09*)

14.4.3.3.2.1 Exception—Baseball. In baseball, a student-athlete who is ineligible under this provision at the beginning of an institution's fall term shall not be eligible during the remainder of the academic year. (*Adopted: 4/26/07 effective 8/1/08*)

14.4.3.4 Regulations for Administration of Progress Toward Degree.

14.4.3.4.1 Nontraditional Terms. An institution that determines registration other than on a traditional semester- or quarter-hour basis shall submit a statement describing the continuing-eligibility requirements applicable to its student-athletes for approval by the Academic Cabinet. (*Revised: 11/1/07 effective 8/1/08*)

14.4.3.4.2 Advanced-Placement Tests/Credit by Examination. Credit received through advanced-placement tests or by examination may be used by the student to meet the minimum progress-toward-degree requirement, provided the subject for which the examination is an alternative is offered by the institution as acceptable degree credit.

14.4.3.4.3 Nontraditional Courses From Another Institution. Nontraditional courses (e.g., distance-learning, correspondence, extension, Internet/virtual courses, independent study or any other course or credit that is not earned in a face-to-face classroom environment with regular interaction between the instructor and the student) completed at an institution other than the certifying institution, may be used to meet credit-hour and percentage-of-degree requirements, provided the following conditions are met: (*Revised: 4/28/11 effective 8/1/11*)

- (a) The course is available to any student at the certifying institution;
- (b) The student-athlete enrolls in the course in the same manner as is available to any student; and
- (c) Enrollment in the course occurs within the offering institution's regular enrollment periods (pre-registration or drop-add period) in accordance with the institution's academic calendar and applicable policies and procedures.

14.4.3.4.4 Remedial, Tutorial or Noncredit Courses. Remedial, tutorial or noncredit courses may be used by the student to satisfy the minimum academic progress requirement of Bylaw 14.4.3.1 only if they meet all of the following conditions:

- (a) The courses must be considered by the institution to be prerequisites for specific courses acceptable for any degree program;
- (b) The courses must be given the same weight as others in the institution in determining the student's status for full-time enrollment;
- (c) Noncredit courses may not exceed the maximum institutional limit for such courses in any baccalaureate degree program (or the student's specific baccalaureate degree program once a program has been designated); and
- (d) Credit in such courses shall not exceed six-semester or nine-quarter hours, and the courses must be taken during the student's first academic year of collegiate enrollment. (*Revised: 10/31/02 effective 8/1/03*)

14.4.3.4.5 Incomplete Grades. A student who receives an incomplete grade in a course may use the course in question to fulfill the minimum progress-toward-degree requirements, subject to the following conditions:

- (a) The incomplete grade must have been removed in accordance with the institution's regulations applicable to all students;
- (b) Such a course may be counted only once after a grade has been achieved that is acceptable to the institution for determining progress toward degree; and
- (c) The course with the acceptable grade shall be counted either during the term in which the student initially enrolled in the course or during the term in which the incomplete grade was removed and acceptable credit was awarded.

14.4.3.4.6 Repeated Courses. Credit for courses that are repeated may be used by a student to satisfy the minimum academic progress requirements only under the following conditions:

- (a) A course repeated due to an unsatisfactory initial grade may be used only once, and only after it has been satisfactorily completed;
- (b) Credit for a course that may be taken several times (e.g., a physical education activities course) shall be limited by institutional regulations; and
- (c) Credits earned in courses that may be taken several times may not exceed the maximum institutional limit for credits of that type for any baccalaureate degree program (or for the student's specific baccalaureate degree program once a program has been designated).

14.4.3.4.7 Credit From Other Institutions. Credit hours earned at another institution while enrolled as a full-time student may be used to satisfy academic progress requirements specified in Bylaws 14.4.3.1 and 14.4.3.2 (see Bylaw 14.4.3.4.3). Credit hours earned prior to initial full-time enrollment may be used to fulfill the 24-semester or 36-quarter hours requirement specified in Bylaw 14.4.3.1-(a) and the percentage-of-degree requirements specified in Bylaw 14.4.3.2. (*Revised: 1/16/93, 10/31/02 effective 8/1/03, 4/5/06*)

14.4.3.4.8 Cooperative Educational Work Experience and Study-Abroad Programs. A student-athlete shall not be required to complete six-semester or six-quarter hours of academic credit during a regular academic term or terms of full-time enrollment in a cooperative educational work experience program (e.g., co-op, internship, practicum, student-teaching) or an institutionally approved study-abroad program. (*Adopted: 4/29/04, Revised: 10/8/10*)

14.4.3.5 Exceptions to Progress-Toward-Degree Rule.

- (a) **Missed Term.** One time during a student-athlete's entire period of collegiate enrollment, the provisions of Bylaw 14.4.3.1-(b) may be prorated at nine hours per term of actual attendance if the student-athlete misses a complete term or consecutive terms during an academic year, subject to the following conditions: (*Adopted: 10/31/02 effective 8/1/03, Revised: 4/29/04, 4/28/05*)
 - (1) The student-athlete engaged in no outside competition in the sport during the academic term or terms in which the student was not in attendance; and (*Adopted: 10/31/02 effective 8/1/03*)
 - (2) At the time of certification, the student has fulfilled the progress-toward-degree requirements (per Bylaw 14.4.3.1) for the terms in which the student was in attendance. (*Adopted: 10/31/02 effective 8/1/03*)
 - (3) A transfer student from a two-year college is not eligible to use this one-time exception during the first academic year of residence at the certifying institution in order to maintain eligibility during the second year in residence. Hours earned while enrolled as a part-time student during the "missed term" may be used to satisfy the 24-/36-hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3). (*Adopted: 10/31/02 effective 8/1/03, Revised: 1/10/90, 4/28/05 effective 8/1/05*)
- (b) **Nonrecruited, Nonparticipant.** A student-athlete may qualify for an exception to the application of the progress-toward-degree regulation for the initial season of eligibility if the student was not recruited; has not received athletically related financial assistance; has never practiced or participated in intercollegiate athletics, except that a student may have participated in limited preseason tryouts; and is otherwise eligible under all institutional, conference and NCAA rules. The student-athlete's eligibility in following seasons would be governed by the provisions of the progress-toward-degree rule, which would be applied from the beginning of the first term the student began participation. This exception shall not apply to the percentage-of-degree (see Bylaw 14.4.3.2) and minimum grade-point average (see Bylaw 14.4.3.3) requirements. (*Revised: 1/10/90, 1/10/92, 1/9/96, 10/31/02 effective 8/1/03, 1/9/06 effective 8/1/06*)
- (c) **Graduate Student/Postbaccalaureate Exception.** A graduate student-athlete or a student-athlete who graduates and returns for a second baccalaureate degree or who is taking course work that would lead to the equivalent of another major or degree who is otherwise eligible for regular-season competition shall be exempt from the provisions of this regulation, except the student-athlete shall successfully complete a minimum of six-semester or -quarter hours of academic credit during each regular academic

term in which the student is enrolled full time as a graduate student at any collegiate institution or as a student who has graduated and is seeking a second baccalaureate or taking course work that would lead to the equivalent of another major degree at the same institution from which he or she previously received a baccalaureate degree (see Bylaw 14.1.8). *(Revised: 10/31/02 effective 8/1/03, 4/24/03 effective after the 2003 fall term, 8/25/04, 5/28/09)*

14.4.3.6 Waivers of Progress-Toward-Degree Rule. The Division I Progress-Toward-Degree Waivers Committee shall establish appropriate criteria for waivers of this legislation. The following waivers shall be administered by the conference members of the Association or, in the case of an independent institution, by the Division I Progress-Toward-Degree Waivers Committee. *(Revised: 10/28/97, 4/27/00, 10/31/02 effective 8/1/03)*

- (a) **Medical Absence.** The credit hours required under the progress-toward-degree regulation of Bylaws 14.4.3.1-(b), 14.4.3.1-(c), 14.4.3.1.6 and 14.4.3.5-(c) may be prorated at nine hours per term of actual attendance during an academic year in which a student misses a term or is unable to complete a term as a full-time student as a result of an injury or illness. Such an exception may be granted only when circumstances clearly supported by appropriate medical documentation establish that a student-athlete is unable to attend a collegiate institution as a full-time student as a result of an incapacitating physical injury or illness involving the student-athlete or a member of the student-athlete's immediate family. Credits earned by the student during the term to which the waiver applies may be used to satisfy the 24-/36-hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3). *(Revised: 10/31/02 effective 8/1/03, 3/10/04, 4/28/05, 5/22/13)*
- (b) **International Competition.** The credit hours required under the progress-toward-degree regulation of Bylaws 14.4.3.1 and 14.4.3.5-(c) may be prorated at nine hours per term of actual attendance during an academic year in which a student is not enrolled for a term or terms or is unable to complete a term as a full-time student as a result of participation in the Pan American Games, Olympic Games, World Championships, World Cup, FIFA U-20 World Cup, World University Games or World University Championships (including final Olympic tryouts and the officially recognized training program that directly qualifies participants for those tryouts). This waiver provision may be applied to not more than two semesters or three quarters. Credits earned by the student during the term or terms to which the waiver applies may be used to satisfy the 24-/36-hour [see Bylaw 14.4.3.1-(a)], percentage-of-degree (see Bylaw 14.4.3.2) and grade-point average requirements (see Bylaw 14.4.3.3). *(Revised: 1/9/96, 10/31/02 effective 8/1/03, 3/10/04, 1/17/09 effective 8/1/09, 1/14/12)*

14.4.3.7 Waiver—Olympic Games. The Division I Progress-Toward-Degree Waivers Committee may waive this general progress-toward-degree requirement for any participant in the Olympic Games, who because of such participation, may lose eligibility for practice and competition in any sport. *(Adopted: 10/31/02 effective 8/1/03)*

14.4.3.8 Waiver—Student-Athletes With Education-Impacting Disabilities. The Division I Progress-Toward-Degree Waivers Committee may waive the general progress-toward-degree requirements for a student-athlete when objective evidence demonstrates that the institution has defined full-time enrollment for that student-athlete to be less than 12 hours to accommodate for the student's education-impacting disability. *(Adopted: 10/31/02 effective 8/1/03, Revised: 8/7/08)*

14.4.3.9 Additional Progress-Toward-Degree Waivers. The Division I Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) shall have the authority to waive all other progress-toward-degree requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The committee shall establish the process for granting such waivers and shall report annually to the Academic Cabinet and to the membership the actions taken in summary, aggregate form. *(Adopted: 1/9/96 effective 8/1/96, Revised: 10/28/97, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10)*

14.5 Transfer Regulations.

14.5.1 Residence Requirement—General Principle. A student who transfers (see Bylaw 14.5.2) to a member institution from any collegiate institution is required to complete one full academic year of residence (see Bylaw 14.02.15) at the certifying institution before being eligible to compete for or to receive travel expenses from the member institution (see Bylaw 16.8.1), unless the student satisfies the applicable transfer requirements or qualifies for an exception as set forth in this bylaw. *(Revised: 1/10/91 effective 8/1/91, 4/27/00 effective 8/1/01, 5/19/08, 6/24/09, 4/14/10)*

14.5.1.1 Fulfillment of Residence Requirement in Night School. When a student transfers to a member institution and is required to fulfill a residence requirement before being eligible to participate in competition, it is permissible for the transfer student to meet the requirement by attending an institution's night school, provided the following conditions are met:

- (a) The night school has regular terms (semesters or quarters) that are the same as the institution's day school;
- (b) The student is enrolled in a minimum full-time program of studies during each night term counted; and
- (c) The student is considered by the institution to be a regularly matriculated student in each term.

14.5.1.2 Disciplinary Suspension. A student who transfers to any NCAA institution from a collegiate institution while the student is disqualified or suspended from the previous institution for disciplinary reasons (as opposed to academic reasons) must complete one calendar year of residence at the certifying institution. (*Revised: 1/14/97 effective 8/1/97*)

14.5.1.3 Outside Competition—Not a Qualifier. A two-year college transfer student who is not a qualifier and does not meet the applicable transfer requirements may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but such an individual is not permitted to practice or compete on an institution's club team or an outside sports team during the first academic year in residence. A four-year college transfer student who is not a qualifier and who has not completed an academic year in residence may participate in the institution's intramural program (provided the intramural team is not coached by a member of the institution's athletics department staff), but such an individual is not permitted to practice or compete on an institution's club team or an outside sports team during the first academic year in residence. (*Adopted: 1/14/97, Revised: 1/3/06*)

14.5.1.4 Eligibility for Championship in Progress. A transfer student shall be eligible for any NCAA championship that is in progress after a full calendar year has elapsed and at the time he or she has completed two full semesters or three full quarters of academic work.

14.5.1.5 Foreign Institution Transfers. A transfer student from a foreign collegiate institution (college, university or two-year college), except one entering as a bona fide exchange student, shall comply with the one-year residence requirement set forth in Bylaw 14.5.4.1.

14.5.1.5.1 Bona Fide International Exchange Student Exception. A bona fide international exchange student is an individual who is sponsored by his or her nation's government, or is sponsored by the U.S. Department of State, Rotary International, the Ford Foundation, the Institute of International Education or a similar organization. For a student to be considered a bona fide exchange student, the sponsoring organization shall identify the student prior to the student's departure from his or her home country and make the necessary arrangements to finance the student's education under the international exchange program. If these arrangements have not been completed before the student's enrollment at the certifying institution, the student is considered to be a transfer student and may not represent the institution in competition until the individual has met the required residence requirement.

14.5.2 Conditions Affecting Transfer Status. A transfer student is an individual who transfers from a collegiate institution after having met any one of the following conditions at that institution:

- (a) The student was officially registered and enrolled in a minimum, full-time program of studies in any quarter or semester of an academic year, as certified by the registrar or admissions office, provided the student was present at the institution on the opening day of classes;
- (b) The student attended a class or classes in any quarter or semester in which the student was enrolled in a minimum full-time program of studies, even if the enrollment was on a provisional basis and the student was later determined by the institution not to be admissible;
- (c) The student is or was enrolled in an institution in a minimum full-time program of studies in a night school that is considered to have regular terms (semesters or quarters) the same as the institution's day school, and the student is or was considered by the institution to be a regularly matriculated student;
- (d) The student attended a branch school that does not conduct an intercollegiate athletics program, but the student had been enrolled in another collegiate institution prior to attendance at the branch school;
- (e) The student attended a branch school that conducted an intercollegiate athletics program and transfers to an institution other than the parent institution;
- (f) The student reported for a regular squad practice (including practice or conditioning activities that occur prior to certification per Bylaws 14.3.5.1 and 14.5.4.5.7), announced by the institution through any member of its athletics department staff, prior to the beginning of any quarter or semester, as certified by the athletics director. Participation only in picture-day activities would not constitute "regular practice";
- (g) The student participated in practice or competed in a given sport even though the student was enrolled in less than a minimum full-time program of studies; or
- (h) The student received institutional financial aid while attending a summer term, summer school or summer-orientation program (see Bylaws 15.2.8.1.3 and 15.2.8.1.4). A recruited student who receives institutional aid pursuant to Bylaw 15.2.8.1.4 is subject to the transfer provisions, except that a prospective student-athlete (recruited or nonrecruited) who is denied admission to the institution for full-time enrollment shall be permitted to enroll at another institution without being considered a transfer student. (*Adopted: 1/10/90, Revised: 4/26/01, 4/14/03*)

14.5.3 Conditions Not Constituting Transfer Status. Unless otherwise covered by conditions set forth in Bylaw 14.5.2, a student-athlete is not considered a transfer under the following enrollment conditions:

14.5.3.1 Summer School, Extension Courses or Night School. 14.5.4.3 Academic Redshirt. A transfer student from a two-year college who was an academic redshirt (per Bylaw 14.3.1.2) is eligible for competition in the first academic year in residence only if the student: *(Adopted: 8/1/12 effective 8/1/16, for students initially enrolling full time in a collegiate institution on or after 8/1/16)*

- (d) Has achieved a cumulative grade-point average of 2.500 (see Bylaw 14.5.4.5.3.2).

14.5.4.4 Status of Nonqualifier, Nonrecruited. A two-year college student-athlete who transferred to a Division I institution without meeting the requirements of Bylaw 14.5.4.2 shall not be eligible for regular-season competition and practice during the first academic year in residence. However, such a student who was not recruited per Bylaw 13.02.13 and for whom admission and financial aid were granted without regard to athletics ability shall be eligible for nonathletics institutional financial aid, provided there is on file in the office of the athletics director certification by the faculty athletics representative, the admissions officer and the chair of the financial aid committee that admission and financial aid were so granted.

14.5.4.5 Two-Year College Transfer Regulations. The following regulations shall be applied in administering the eligibility requirements for two-year college transfers.

14.5.4.5.1 Multiple Two-Year Colleges. When a student-athlete has been in residence at two or more two-year colleges, the terms of residence at all two-year colleges may be combined in order to satisfy the residence requirement. All grades and all course credits that are transferable from the two-year colleges to the member institution shall be considered in determining the student-athlete's eligibility under Bylaw 14.5 (see also Bylaw 14.5.6). In addition, at least 25 percent of the credit hours used to fulfill the student's academic degree requirements must be earned at the two-year college that awards the degree per Bylaw 14.5. *(Revised: 1/11/94)*

14.5.4.5.2 Credit Earned at Four-Year Institution. If a student-athlete attends a two-year college and, prior to regular enrollment at a member institution, attains additional credits as a part-time student in a four-year collegiate institution, the hours accumulated at the four-year institution may be used by the member institution in determining the student-athlete's eligibility under the two-year college transfer provisions, provided:

- (a) These hours are accepted by the two-year college and are placed on the transcript or other official document by the two-year college from which the student-athlete transfers prior to the date of initial regular enrollment at the NCAA member institution; and
- (b) Any official document (other than the student's transcript) used by the two-year college for this purpose includes the official seal of the two-year college, is signed by the appropriate academic official of the two-year college and is forwarded directly from the two-year college to the appropriate admissions official of the certifying institution.

14.5.4.5.3 Determination of Transferable Degree. For the purpose of determining transferable degree credit, the institution may count those courses accepted as degree credit in any of its colleges, schools or departments.

14.5.4.5.3.1 Transferable Credit Unacceptable Grade. Credit hours for courses with grades not considered acceptable for transferable degree credit for all students at an institution shall not be counted in determining whether the transfer requirement for total number of hours is satisfied.

14.5.4.5.3.2 Calculation of Grade-Point Average for Transferable Credit. Grades earned in all courses that are normally transferable to an institution shall be considered in determining the qualitative grade-point average for meeting transfer requirements, regardless of the grade earned or whether such grade makes the course unacceptable for transferable degree credit. Only the last grade earned in a course that has been repeated shall be included in the grade-point-average calculation.

14.5.4.5.4 Use of Physical Education Activity Courses. Not more than two credit hours of physical education activity courses may be used to fulfill the transferable-degree credit and grade-point average requirements. However, a student-athlete enrolling in a physical education degree program or a degree program in education that requires physical education activity courses may use up to the minimum number of credits of physical education activity courses that are required for the specific degree program to fulfill the transferable-degree credit and grade-point average requirements. Additional credit hours of physical education activity courses may not be used to fulfill elective requirements. *(Adopted: 1/16/10 effective 8/1/10, Revised: 4/13/10, 10/27/11 effective 8/1/12; for sports other than men's basketball, applicable to student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12)*

14.5.4.5.5 Degree Requirement. In order to satisfy the two-year-college graduation requirement for eligibility immediately upon transfer from a two-year college to a member institution, a student-athlete must receive an associate or equivalent degree in an academic or technical, rather than a vocational, curriculum. The Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) shall have the authority to determine whether a two-year college degree is academic or technical, rather than vocational, in nature. *(Revised: 1/10/95, 1/12/99 effective 8/1/99, 11/1/07 effective 8/1/08, 1/16/10 effective 5/1/10)*

14.5.4.5.6 Transfer to Four-Year College Prior to Completion of Requirements. The requirements set forth in Bylaw 14.5.4 must be met prior to a student-athlete's transfer to the certifying institution. Thus, if a two-year college student transfers (as defined in Bylaw 14.5.2) to a member institution prior to the completion of applicable transfer requirements, the student is subject to the one-year residence requirement at the certifying institution, even though the student transfers back to the two-year college and completes the necessary requirements.

14.5.4.5.7 Participation Prior to Certification. If a two-year college transfer student reports for athletics participation before the student's high school or two-year college academic record has been certified, the student may practice, but not compete, during a 45-day period, provided the student meets all other requirements to be eligible to practice. An institution shall not provide athletically related financial aid to the student during this period unless he or she has established the minimum requirements to receive such aid. After the 45-day period, the student shall have established minimum requirements as a transfer student to continue practicing or to compete and receive athletically related financial aid. *(Adopted: 1/10/90, Revised: 9/18/07, 1/19/13 effective 8/1/13)*

14.5.4.5.8 Competition in Year of Transfer. A transfer student from a two-year institution, who has met the two-year transfer eligibility requirements per Bylaw 14.5.4, is not eligible to compete at the certifying institution during the segment that concludes with the NCAA championship if the student-athlete has competed at the two-year college during that segment of the same academic year in that sport. *(Revised: 1/11/94, 4/29/04 effective 8/1/04)*

14.5.4.6 Exceptions for Transfers from Two-Year Colleges. A transfer student from a two-year college or from a branch school that conducts an intercollegiate athletics program is not subject to the residence requirement at the certifying institution if any one of the following conditions is met. An individual who is not a qualifier shall not be permitted to use the exceptions under this bylaw. *(Revised: 4/27/06)*

The following bylaw applies to student-athletes who initially enrolled full time in a collegiate institution before August 1, 2012.

14.5.4.6.1 Discontinued/Nonsponsored Sport Exception. The student changed institutions in order to continue participation in a sport because the student's original two-year college dropped the sport from its intercollegiate program (even though it may subsequently establish that sport on a club basis) or never sponsored the sport on the intercollegiate level while the student was in attendance at that institution, provided the student never attended any other collegiate institution that offered intercollegiate competition in that sport and the student earned at least a minimum 2.000 grade-point average (see Bylaw 14.5.4.5.3.2) at the two-year college. *(Revised: 1/11/89, 1/10/90)*

The following bylaw applies to student-athletes who initially enrolled full time in a collegiate institution on or after August 1, 2012.

14.5.4.6.1 Discontinued/Nonsponsored Sport Exception. The student changed institutions in order to continue participation in a sport because the student's original two-year college dropped the sport from its intercollegiate program (even though it may subsequently establish that sport on a club basis) or never sponsored the sport on the intercollegiate level while the student was in attendance at that institution, provided the student never attended any other collegiate institution that offered intercollegiate competition in that sport and the student earned at least a minimum 2.500 grade-point average (see Bylaw 14.5.4.5.3.2) at the two-year college. *(Revised: 1/11/89, 1/10/90, 10/27/11 effective 8/1/12; for student-athletes initially enrolling full time in a collegiate institution on or after 8/1/12)*

14.5.4.6.1.1 Original Collegiate Institution. In applying this provision for an exception to the residence requirement, the original collegiate institution shall be the two-year college in which the student was enrolled immediately prior to the transfer to the certifying institution, provided that, if the student is transferring from a two-year college that never sponsored the sport on the intercollegiate level, the student never shall have attended any other collegiate institution that offered intercollegiate competition in that sport.

14.5.4.6.2 Two-Year Nonparticipation or Minimal Participation Exception. The student transfers to the certifying institution from a two-year college and, for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither engaged in intercollegiate competition nor engaged in other countable athletically related activities in the involved sport in intercollegiate athletics beyond a 14-consecutive-day period, and has neither practiced with a noncollegiate amateur team nor engaged in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. The 14-consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). The two-year period does not include any period of time before the student's initial collegiate enrollment. *(Adopted: 1/9/06 effective 8/1/06, Revised: 5/9/06)*

14.5.4.7 Submission of Information Necessary to Determine Academic Initial-Eligibility Status. An institution shall ensure submission of all necessary information (e.g., high school transcripts, test scores) to the NCAA Eligibility Center to determine the academic initial-eligibility status of a two-year college transfer student-athlete prior to the end of the student-athlete's first regular academic term of full-time enrollment at the institution. If a two-year college transfer student-athlete is added to an institution's squad list after the end of his or her first regular academic term of full-time enrollment at the institution, the institution shall ensure submission of all necessary information (e.g., high school transcripts, test scores) to the NCAA Eligibility Center to determine his or her academic initial-eligibility status prior to end of the academic year in which the student-athlete is added to the squad list. The necessary information may be submitted through official or unofficial transcripts or test-score reports. **[D]** *(Adopted: 4/30/09 effective 8/1/10 for two-year college transfer student-athletes who initially enroll full time at the certifying institution on or after 8/1/10)*

14.5.4.7.1 Waiver. The Academic Cabinet may waive the requirements of this legislation based on objective evidence that demonstrates circumstances for which a waiver is warranted. The cabinet shall establish the process for reviewing such waiver requests. *(Adopted: 4/30/09 effective 8/1/10 for two-year college transfer student-athletes who initially enroll full time at the certifying institution on or after 8/1/10)*

14.5.4.8 Waivers. The Division I Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) shall have the authority to waive all two-year college transfer requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The committee shall establish the process for granting such waivers and shall report annually to the Academic Cabinet and to the membership the actions taken in summary aggregate form. *(Adopted: 10/27/11 effective 4/1/12)*

14.5.5 Four-Year College Transfers. See Bylaw 13.1.1.3 for the prohibition against contacting student-athletes of another four-year collegiate institution without permission of that institution's athletics director.

14.5.5.1 General Rule. A transfer student from a four-year institution shall not be eligible for intercollegiate competition at a member institution until the student has fulfilled a residence requirement of one full academic

year (two full semesters or three full quarters) at the certifying institution. *(Revised: 1/10/91 effective 8/1/91, 4/14/10)*

14.5.5.1.1 Attendance for One Academic Year. A transfer student from a four-year institution who attended a four-year institution at least one academic year shall be eligible for financial aid (see Bylaw 14.5.5.4) and practice at a member institution under the rules of the institution and the conference of which the institution is a member, regardless of the student's qualification status (per Bylaw 14.3.1.1) at the time of initial enrollment. *(Revised: 1/9/06 effective 8/1/07)*

14.5.5.1.2 Attendance for Less Than One Academic Year. A transfer student from a four-year institution who was not a qualifier (as defined in Bylaw 14.02.13.2) and who attended a four-year institution less than one full academic year shall not be eligible for competition during the first academic year of attendance at the certifying institution. Participation in practice sessions and the receipt of financial aid during the first academic year of attendance at the certifying institution by such students is governed by the provisions of Bylaw 14.3.2.1 (see Bylaw 14.5.5.4). *(Revised: 1/3/06, 1/9/06 effective 8/1/07)*

14.5.5.2 Exceptions for Transfers From Four-Year Colleges. A transfer student (other than one under disciplinary suspension per Bylaw 14.5.1.2) from a four-year collegiate institution is not subject to the residence requirement for intercollegiate competition, provided the student does not have an unfulfilled residence requirement at the institution from which he or she is transferring (except for the return to original institution without participation or with minimal participation exception) and any of the following exceptions is satisfied. During the student-athlete's first academic year of full-time collegiate enrollment, such conditions may serve as a basis for an exception to the residence requirement only for transfer students who, at the time of initial collegiate enrollment, met the requirements for qualifiers (set forth in Bylaw 14.3.1) in Division I. *(Revised: 1/10/90, 1/10/91 effective 8/1/91, 4/27/00 effective 8/1/01, 3/10/04, 5/19/08, 6/24/09)*

14.5.5.2.1 Educational Exchange Exception. The student returns to his or her original institution under any of the following conditions:

- (a) After participation in a cooperative educational exchange program, provided the student is to receive a baccalaureate degree from the institution from which the student transferred to participate in the exchange program;
- (b) After one semester or quarter of attendance at another institution for purposes of taking academic courses not available at the original institution, regardless of whether they are required in the degree program the student-athlete is pursuing at the first institution. In such an instance, the student also may take additional courses that were available at the first institution; or
- (c) After one academic year of attendance at another collegiate institution, in accordance with the program recommended by the appropriate academic officer at the original institution, provided the student was in good academic standing at the time the student left the original institution.

14.5.5.2.2 Exchange Student Exception. The student is enrolled in the certifying institution for a specified period of time as a bona fide exchange student participating in a formal educational exchange program that is an established requirement of the student-athlete's curriculum. *(Revised: 1/11/89, 1/10/92)*

14.5.5.2.3 Discontinued Academic Program Exception. The student changed institutions in order to continue a major course of study because the original institution discontinued the academic program in the student's major. *(Revised: 4/27/00)*

14.5.5.2.4 International Student Program Exception. The individual is an international student who is required to transfer (one or more times) because of a study program predetermined by the government of the student's nation or the sponsoring educational organization.

14.5.5.2.5 Military Service Exception. The student returns from at least 12 months of active service in the armed forces of the United States. *(Revised: 1/9/06, 1/17/09 effective 8/1/09)*

14.5.5.2.5.1 Collegiate Enrollment Concurrent With Military Service. The amount of time that an individual is enrolled as a regular student in a collegiate institution while concurrently on active military duty may not be counted as a part of the 12-month active-duty period that qualifies a student for an exception to the transfer-residence requirement. *(Revised: 1/9/06, 1/17/09 effective 8/1/09)*

14.5.5.2.6 Discontinued/Non-sponsored Sport Exception. In a particular sport when the student transfers at any time to the certifying institution and participates in the sport on the intercollegiate level after any of the following conditions has occurred:

- (a) The student's original four-year collegiate institution dropped (or has publicly announced it will drop) the sport (in which the student has practiced or competed at that institution in intercollegiate competition) from its intercollegiate program; or *(Revised: 3/10/04)*
- (b) The student's original four-year collegiate institution reclassified (or has publicly announced it will reclassify) the sport (in which the student has practiced or competed at that institution in intercol-

legiate competition) from Division I to Division III status, and the student subsequently had not competed in that sport on the Division III level; or (*Revised: 3/10/04*)

- (c) The student's original four-year collegiate institution never sponsored the sport on the intercollegiate level while the student was in attendance at the institution, provided the student had never transferred from any other collegiate institution that offered intercollegiate competition in that particular sport.

14.5.5.2.6.1 Original Institution. In applying this provision for an exception to the residence requirement, the original collegiate institution shall be the one in which the student was enrolled immediately prior to transfer to the certifying institution, it being understood that, if the student is transferring from an institution that never sponsored the sport on the intercollegiate level, the student never shall have attended any other collegiate institution that offered intercollegiate competition in that sport.

14.5.5.2.7 Two-Year Nonparticipation or Minimal Participation Exception. The student transfers to the certifying institution from another four-year college and, for a consecutive two-year period immediately before the date on which the student begins participation (practice and/or competition), the student has neither engaged in intercollegiate competition nor engaged in other countable athletically related activities in the involved sport in intercollegiate athletics beyond a 14-consecutive-day period, and has neither practiced with a noncollegiate amateur team nor engaged in organized noncollegiate amateur competition while enrolled as a full-time student in a collegiate institution. The 14-consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). The two-year period does not include any period of time before the student's initial collegiate enrollment. (*Revised: 1/10/95, 1/9/06*)

14.5.5.2.8 Return to Original Institution Without Participation or With Minimal Participation Exception. The student transfers to a second four-year collegiate institution, does not compete at the second institution and does not engage in other countable athletically related activities in the involved sport at the second institution beyond a 14-consecutive-day period and returns to the original institution. The 14-consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). A student may use this exception even if he or she has an unfulfilled residence requirement at the institution from which he or she is transferring. (*Revised: 3/10/04, 1/9/06*)

14.5.5.2.9 Nonrecruited Student Exception. The student transfers to the certifying institution, and the following conditions are met:

- (a) The student-athlete was not recruited by the certifying institution (per Bylaw 13.02.13.1);
- (b) No athletically related financial assistance has been received by the student-athlete; and
- (c) The student-athlete has not competed for any previous institution and has not engaged in other countable athletically related activities in intercollegiate athletics beyond a 14-consecutive-day period at any previous institution. The 14-consecutive-day period begins with the date on which the student-athlete first engages in any countable athletically related activity (see Bylaw 17.02.1). (*Revised: 1/9/06*)

14.5.5.2.10 One-Time Transfer Exception. The student transfers to the certifying institution from another four-year collegiate institution, and all of the following conditions are met (for graduate students, see Bylaw 14.1.8.1): (*Revised: 4/28/05 effective 8/1/05*)

- (a) The student is a participant in a sport other than baseball, basketball, bowl subdivision football or men's ice hockey at the institution to which the student is transferring. A participant in championship subdivision football at the institution to which the student is transferring may use this exception only if the participant transferred to the certifying institution from an institution that sponsors bowl subdivision football and has two or more seasons of competition remaining in football or the participant transfers from a Football Championship Subdivision institution that offers athletically related financial aid in football to a Football Championship Subdivision institution that does not offer athletically related financial aid in football; (*Revised: 1/16/93 effective 8/1/93, 1/11/94, 1/10/95, 1/11/00 effective 8/1/01, 4/27/06 effective 10/15/06, 12/15/06, 4/27/07 effective 8/1/08 applicable to student-athletes who transfer on or after 8/1/08*)
- (b) The student has not transferred previously from one four-year institution unless, in the previous transfer, the student-athlete received an exception per Bylaw 14.5.5.2.6 (discontinued/nonsponsored sport exception); (*Revised: 1/11/94, 1/11/97*)
- (c) At the time of transfer to the certifying institution (see Bylaw 14.5.2), the student would have been academically eligible had he or she remained at the institution from which the student transferred, except that he or she is not required to have fulfilled the necessary percentage-of-degree requirements at the previous institution; and (*Revised: 1/10/95, 1/9/96, 4/22/11*)

- (d) If the student is transferring from an NCAA or NAIA member institution, the student's previous institution shall certify in writing that it has no objection to the student being granted an exception to the transfer-residence requirement. If an institution receives a written request for a release from a student-athlete, the institution shall grant or deny the request within seven business days. If the institution fails to respond to the student-athlete's written request within seven business days, the release shall be granted by default and the institution shall provide a written release to the student-athlete. *(Revised: 1/11/94, 4/26/01, 4/29/10 effective 8/1/10)*

14.5.5.2.10.1 Hearing Opportunity. If the student's previous institution denies his or her written request for the release, the institution shall inform the student-athlete in writing that he or she, upon written request, shall be provided a hearing conducted by an institutional entity or committee outside of the athletics department (e.g., the office of student affairs; office of the dean of students; or a committee composed of the faculty athletics representative, student-athletes and nonathletics faculty/staff members). The institution shall conduct the hearing and provide written results of the hearing to the student-athlete within 15 business days (see Bylaw 14.02.3) of receipt of the student-athlete's written request for a hearing. The student-athlete shall be provided the opportunity to actively participate (e.g., in person, via telephone) in the hearing. If the institution fails to conduct the hearing or provide the written results to the student-athlete within 15 business days, the release shall be granted by default and the institution shall provide a written release to the student-athlete. *(Revised: 1/11/94, 4/26/01, 4/29/10 effective 8/1/10)*

14.5.5.2.10.2 Nonrecruited Student. A student-athlete who does not qualify for the exception due to Bylaw 14.5.5.2.10-(a) may use the one-time transfer exception, provided he or she was not recruited by the original four-year institution and has never received institutional athletically related financial aid from any four-year institution. *(Adopted: 1/9/06 effective 8/1/06)*

14.5.5.3 Competition in Year of Transfer. A transfer student from a four-year institution, who has received a waiver of or qualifies for an exception to the transfer residence requirement (per Bylaw 14.5.5.2), is not eligible to compete at the certifying institution during the segment that concludes with the NCAA championship if the student-athlete has competed during that segment of the same academic year in that sport at the previous four-year institution. *(Adopted: 1/10/95 effective 8/1/95, Revised: 1/14/97 effective 8/1/97, 4/29/04 effective 8/1/04)*

14.5.5.4 Eligibility for Institutional Athletically Related Financial Aid. A transfer student from a four-year institution may receive institutional athletically related financial aid during his or her first academic year at the certifying institution only if he or she would have been academically eligible to compete during the next regular academic term had the student-athlete remained at the previous institution. A student-athlete who transfers from a four-year institution to a two-year institution and then to the certifying institution shall complete at least one regular academic term of enrollment at the two-year institution to be eligible for institutional athletically related financial aid at the certifying institution. *(Adopted: 1/9/06 effective 8/1/07, Revised: 1/8/07 effective 8/1/07)*

14.5.5.4.1 Exceptions. A four-year transfer student-athlete may receive institutional athletically related financial aid during his or her first academic year at the certifying institution, provided: *(Adopted: 9/18/07)*

- (a) The student-athlete transferred from a four-year institution that did not sponsor the student-athlete's sport on the intercollegiate level while he or she was in attendance and the student did not previously transfer from any other collegiate institution that offered intercollegiate competition in the sport; or
- (b) The student-athlete has not participated in intercollegiate competition and has not engaged in other countable athletically related activities in the sport beyond a 14-consecutive-day period.

14.5.5.5 Baseball and Basketball—Midyear Enrollee. In baseball and basketball, a student-athlete who initially enrolls at the certifying institution as a full-time student after the conclusion of the first term of the academic year and qualifies for an exception to the one-year residence requirement shall not be eligible for competition until the ensuing academic year. *(Adopted: 6/24/09)*

- (a) The student has completed an average of at least 12-semester or -quarter hours of transferable-degree credit, with a cumulative minimum grade-point average of 2.000, acceptable toward any baccalaureate degree program at the certifying institution for each term of full-time attendance at the two-year college following transfer from the four-year college most recently attended; *(Revised: 1/9/06 effective 8/1/06)*
- (b) One calendar year has elapsed since the student's departure from the previous four-year college (one year since the date that the student-athlete takes formal action with the appropriate institutional authorities required for all students to indicate that the student-athlete is leaving the previous four-year institution and no longer will be attending classes); and *(Revised: 1/9/06 effective 8/1/06)*
- (c) The student has graduated from the two-year college (see Bylaws 14.5.4.5.1 and 14.5.4.5.3.2). *(Revised: 1/10/90, 2/16/00, 1/9/06 effective 8/1/06)*

14.5.6.1 Exceptions. A "4-2-4" transfer student who does not meet the requirements of Bylaw 14.5.6 is not subject to the residence requirement for intercollegiate competition if any of the following conditions are met:

- (a) The student returns to the four-year college from which he or she transferred to the two-year college, provided the student did not have an unfulfilled residence requirement at the time of the transfer from the four-year college. The amount of time originally spent in residence at the first four-year college may be used by the student in completing the unfulfilled residence requirement at that institution;
- (b) The student initially was enrolled in a four-year collegiate institution that never sponsored the student's sport on the intercollegiate level while the student was in attendance at the institution (provided the student never had attended any other four-year collegiate institution that offered intercollegiate competition in that particular sport) and provided the student was a qualifier and satisfactorily completed an average of at least 12-semester or -quarter hours of transferable-degree credit acceptable toward any baccalaureate degree program at the certifying institution during each academic term of attendance with a cumulative minimum grade-point average of 2.000 (see Bylaw 14.5.4.5.3.2), and spent at least two semesters or three quarters in residence at the two-year college (excluding summer sessions); or *(Adopted: 1/11/89)*

14.5.6.5 Calendar-Year Time Lapse. It is not required that the calendar year specified in Bylaw 14.5.6 elapse prior to the student's initial enrollment as a regular student in the second four-year institution, but the calendar year must elapse before the student represents the certifying institution in intercollegiate competition. However, the student-athlete shall be eligible on the first day of classes or on the date of the first scheduled intercollegiate contest that falls earlier than the first day of classes in the regular academic term in which the student would become eligible, provided the student has fulfilled the one-academic-year requirement.

14.5.6.6 Transfer Prior to Completion of Requirements. All transfer requirements set forth in Bylaw 14.5.6, except the calendar-year time-lapse requirement (see Bylaw 14.5.6.5), must be met prior to the student-athlete's transfer to the certifying institution. Thus, if a student-athlete transfers from a four-year institution to a two-year college and, prior to completing the applicable transfer requirements, transfers to a member institution, the student-athlete shall be subject to the one-year residence requirement, even though during the course of that one-year residence at the certifying institution, the student-athlete may complete the necessary requirements.

14.5.6.7 Eligibility for Institutional Athletically Related Financial Aid. A student-athlete who transfers from a four-year institution to a two-year institution and then to the certifying institution shall complete at least one regular academic term of enrollment at the two-year institution to be eligible for institutional athletically related financial aid at the certifying institution. (See Bylaw 14.5.5.4.) *(Adopted: 1/8/07 effective 8/1/07)*

athlete prior to the end of the student-athlete's first regular academic term of full-time enrollment at the institution. If a 4-2-4 transfer student-athlete is added to an institution's squad list after the end of his or her first regular academic term of full-time enrollment at the institution, the institution shall ensure submission of all necessary information (e.g., high school transcripts, test scores) to the NCAA Eligibility Center to determine his or her academic initial-eligibility status prior to the end of the academic year in which the student-athlete is added to the squad list. The necessary information may be submitted through official or unofficial transcripts or test-score reports. **[D]** (Adopted: 4/30/09 effective 8/1/10 for 4-2-4 transfer student-athletes who initially enroll full time at the certifying institution on or after 8/1/10)

14.5.6.8.1 Waiver. The Academic Cabinet may waive the requirements of this legislation based on objective evidence that demonstrates circumstances for which a waiver is warranted. The cabinet shall establish the process for reviewing such waiver requests. (Adopted: 4/30/09 effective 8/1/10 for 4-2-4 transfer student-athletes who initially enroll full time at the certifying institution on or after 8/1/10)

14.5.6.9 Waivers. The Division I Progress-Toward-Degree Waivers Committee (see Bylaw 21.7.5.1.3.2) shall have the authority to waive all two-year college transfer requirements based on objective evidence that demonstrates circumstances that warrant the waiver of the normal application of those regulations. The committee shall establish the process for granting such waivers and shall report annually to the Academic Cabinet and to the membership the actions taken in summary aggregate form. (Adopted: 10/27/11 effective 4/1/12)

14.6 Outside Competition, Effects on Eligibility.

The eligibility of a student-athlete who engages in outside competition (see Bylaw 17.02.9) is affected as set forth in the following regulations.

14.6.1 Outside Competition—Sports Other Than Basketball. A student-athlete in any sport other than basketball who participates during the academic year as a member of any outside team in any noncollegiate, amateur competition becomes ineligible for intercollegiate competition unless eligibility is restored by the Committee on Student-Athlete Reinstatement. A student-athlete is permitted to practice on such a team. (Adopted: 1/10/91 effective 8/1/91, Revised: 1/16/93, 1/11/94, 1/10/05)

14.6.1.1 Exception—Sports Other Than Wrestling. In sports other than wrestling, a student-athlete may compete outside of the institution's declared playing and practice season as a member of an outside team in any noncollegiate, amateur competition during any official vacation period published in the institution's catalog. The number of student-athletes from any one institution shall not exceed the applicable limits set forth in Bylaw 17.28.2. (Adopted: 1/11/94 effective 8/1/94, Revised: 1/15/11 effective 8/1/11)

In wrestling, a student-athlete may compete outside of the institution's declared playing and practice season as a member of an outside team in any noncollegiate, amateur competition during any official vacation period published in the institution's catalog, except a vacation period that occurs between the beginning of the institution's academic year and November 1. The number of student-athletes from any one institution shall not exceed the applicable limits set forth in Bylaw 17.28.2. (Adopted: 1/15/11 effective 8/1/11)

14.6.1.3 Exception—Soccer, Women's Volleyball, Field Hockey and Men's Water Polo. In soccer, women's volleyball, field hockey and men's water polo, a student-athlete may compete outside of the institution's declared playing and practice season as a member of an outside team in any noncollegiate, amateur competition, provided: (Adopted: 1/14/97 effective 8/1/97, Revised: 4/22/98 effective 8/1/98, 1/12/99 effective 5/1/99)

- (a) Such participation occurs not earlier than May 1;
- (b) In soccer, women's volleyball and field hockey, the number of student-athletes from any one institution does not exceed the applicable limits set forth in Bylaw 17.28.2; (Revised: 1/12/99 effective 5/1/99)
- (c) The competition is approved by the institution's director of athletics;
- (d) No class time is missed for practice activities or for competition; and
- (e) In women's volleyball, all practice and competition is confined to doubles tournaments in outdoor volleyball, either on sand or grass.

14.6.1.4 Exception—Conference All-Star Competition Against U.S. National Team—Women's Ice Hockey. In women's ice hockey, a student-athlete may compete during the academic year as a member of a conference all-star team in up to two contests against the U.S. Women's National Ice Hockey Team in the 12 months prior to the Winter Olympic Games, provided the student-athlete is academically eligible for competition at the time of the competition. (Adopted: 1/17/09)

14.6.1.5 Exception—USA Fencing National Championships. In fencing, a student-athlete may compete during the academic year as a member of a USA Fencing member club team in the USA Fencing National Championships. (Adopted: 1/14/12)

14.6.1.6 Exception—Preseason Tryouts. A student-athlete who fails to make an institution's team during a given year after participating in limited preseason tryouts shall not be subject to the provision of Bylaw 14.6.1. (Revised: 4/5/06)

14.6.1.7 Competition as Individual/Not Representing Institution. It is permissible for a student-athlete to participate in outside competition as an individual during the academic year in the student-athlete's sport, as long as the student-athlete represents only himself or herself in the competition and does not engage in such competition as a member of or receive expenses from an outside team.

14.6.1.7.1 Exception—No Competition Before November 1—Wrestling. In wrestling, a student-athlete shall not participate in outside competition as an individual between the beginning of the institution's academic year and November 1. (*Adopted: 1/15/11 effective 8/1/11*)

14.6.1.8 Exempt Teams. In individual sports (see Bylaw 17.02.12.2), such units as "pro-am" golf teams, doubles tennis teams and relay teams in track and field are not considered to be outside teams for purposes of this legislation.

14.6.1.9 Volleyball and Sand Volleyball. Volleyball and sand volleyball are considered the same sport for purposes of Bylaw 14.6. (*Adopted: 8/26/10*)

14.6.2 Outside Competition—Basketball. A student-athlete who participates in any organized basketball competition except while representing the institution in intercollegiate competition in accordance with the permissible playing season specified in Bylaw 17.3 becomes ineligible for any further intercollegiate competition in basketball (see Bylaws 14.6.3 and 14.6.4 for exceptions and waivers).

14.6.2.1 Organized Basketball Competition. Outside basketball competition, including competition involving teams with fewer than five players, shall be considered "organized" if any one of the following conditions exists:

- (d) Individual or team standings are maintained;
- (e) Official timer or game officials are used;
- (f) Team uniforms are used;
- (g) Admission is charged;
- (h) A team is privately or commercially sponsored; or
- (i) Competition is either directly or indirectly sponsored, promoted or administered by an individual, an organization or any other agency.

14.6.2.2 Individual Subject to Outside-Competition Regulations. Once a student-athlete becomes a candidate for the institution's basketball team (has reported for the squad), or if the student was recruited by a member institution in part for basketball ability and subsequently enrolls in the institution, this prohibition against outside organized basketball competition remains applicable until the student-athlete's intercollegiate basketball eligibility has been exhausted. This includes time while the student is officially withdrawn from college, fulfilling a residence requirement after transfer to another college, awaiting transfer or enrolled in a non-member collegiate institution.

14.6.2.3 Nonrecruited, Nonparticipant. Participation by a student-athlete in organized basketball competition while enrolled in a member institution and having participated in a sport other than basketball would not jeopardize the student's eligibility in basketball if the individual had not been recruited in basketball and had not participated on or been a candidate for the institution's intercollegiate basketball team.

14.6.3 Exceptions—All Sports. The following exceptions to the outside-competition regulations are permitted: (*Revised: 7/30/10*)

- (a) **High School Alumni Game.** A student-athlete may compete in one game a year involving participants from the student-athlete's former high school and its alumni team. In sports other than basketball, this game must take place during an official vacation period of the institution's academic year.
- (b) **Olympic Games.** A student-athlete may participate in the official Olympic Games, in final tryouts that directly qualify competitors for the Olympic Games, and in officially recognized competition directly qualifying participants for final Olympic Games tryouts. (*Revised: 1/14/97 effective 8/1/97*)
- (c) **Official Pan American Games Tryouts and Competition.** A student-athlete may participate in official Pan American Games tryouts and competition. (*Adopted: 1/14/97 effective 8/1/97*)

- (a) For student-athletes in times of national emergency;
- (b) For member institutions that have instituted a trimester or other accelerated academic program, provided any member institution applying for a waiver shall demonstrate a reasonable need for such waiver. Further, no waiver shall be granted that permits a student-athlete to compete in more than the maximum permissible number of seasons of intercollegiate competition (see Bylaw 14.2). Under the waiver allowed, if a student in an accelerated academic program completes the requirements for a degree before completing eligibility, the student may participate in competition that begins within 90 days after completion of the requirements for the degree; and *(Revised: 11/1/07 effective 8/1/08)*
- (c) For institutions that have suffered extraordinary personnel losses from one or more of their intercollegiate athletics teams due to accident or illness of a disastrous nature.

14.7.2 Residence Requirement Waivers. The Legislative Council Subcommittee for Legislative Relief may waive the one-year residence requirement for student-athletes under the following conditions or circumstances: *(Revised: 11/1/07 effective 8/1/08)*

- (a) For a student-athlete who transfers to a member institution for reasons of health. Such request for waiver shall be initiated by the member institution from which the student-athlete is transferring and shall be supported by medical recommendations of that institution's team physician and/or the student-athlete's personal physician;
- (b) For a student-athlete who transfers to a member institution after loss of eligibility due to a violation of the regulation prohibiting pay for participation in intercollegiate athletics (see Bylaw 12.1.2); a violation of recruiting regulations (see Bylaw 13.01.1), or for a student-athlete who transfers to a Division I institution after loss of eligibility due to involvement in a violation of the freshman or transfer eligibility requirements for financial aid, practice and competition set forth in Bylaws 14.3.1, 14.5.4, 14.5.5 and 14.5.6. These requirements may be waived only on a determination of the innocence or inadvertent involvement of the student-athlete in the violation; *(Revised: 11/1/07 effective 8/1/08)*

- (c) On the recommendation of the Committee on Infractions, for a student-athlete who transfers to a member institution to continue the student-athlete's opportunity for full participation in a sport because the student-athlete's original institution was placed on probation by the NCAA with sanctions that would preclude the institution's team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete's eligibility (see also Bylaw 13.1.1.3.3); *(Revised: 1/10/92)*
- (d) On the recommendation of the Committee on Institutional Performance for a student-athlete who transfers to a member institution to continue the student-athlete's opportunity for full participation in a sport because the student-athlete's original institution, per Bylaw 22.3.3, is placed in a membership category that would preclude the institution's team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete's eligibility; and *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*
- (e) On the recommendation of the Committee on Academic Performance, for a student-athlete who transfers to a member institution to continue the student-athlete's opportunity for full participation in a sport because the student-athlete's original institution is ineligible for postseason competition, pursuant to the Academic Performance Program, that would preclude the institution's team in that sport from participating in postseason competition during all of the remaining seasons of the student-athlete's eligibility, provided the student-athlete would have been academically eligible had he or she remained at his or her original institution (see also Bylaw 13.1.1.3.4). *(Adopted: 1/9/06 effective 8/1/06)*

14.8 U.S. Service Academy Exceptions, Special Eligibility Provisions.

14.8.1 Five-Year Rule. The Committee on Student-Athlete Reinstatement, by a two-thirds majority of its members present and voting, may approve waivers to the five-year rule (see Bylaw 14.2) for student-athletes of the national service academies who have exhausted eligibility in one sport but wish to compete in another sport or sports in which they have eligibility remaining. *(Revised: 4/24/03 effective 8/1/03)*

14.8.2 Transfer Status. A student who has attended as a freshman (plebe) only in the official summer-enrollment program of one of the four national service academies is not considered a transfer in the application of the transfer regulations of Bylaw 14.5.

14.9 Certification of Eligibility.

14.9.1 Institutional Responsibility for Eligibility Certification. The president or chancellor is responsible for approving the procedures for certifying the eligibility of an institution's student-athletes under NCAA legislation. The president or chancellor may designate an individual on the institution's staff to administer proper certification of eligibility. Certification of eligibility must occur prior to allowing a student-athlete to represent the institution in intercollegiate competition (see Bylaw 14.01.1). A violation of this bylaw in which the institution fails to certify a student-athlete's eligibility prior to allowing him or her to represent the institution in intercollegiate competition shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete's eligibility, provided all the necessary information to certify the student-athlete's eligibility was available to the institution and the student-athlete otherwise would have been eligible for competition. *(Revised: 3/8/06, 1/14/08)*

14.9.2 Squad-List Form. The institution's athletics director shall compile on a form maintained by the Awards, Benefits, Expenses and Financial Aid Cabinet and approved by the Legislative Council a list of the squad members in each sport on the first day of competition and shall indicate thereon the status of each member in the designated categories. A student-athlete's name must be on the official institutional form in order for the student to be eligible to represent the institution in intercollegiate competition. Violations of this bylaw do not affect a student-athlete's eligibility if the violation occurred due to an institutional administrative error or oversight and the student-athlete is subsequently added to the form; however, the violation shall be considered an institutional violation per Constitution 2.8.1. (See Bylaw 15.5.11 for details about the administration of the squad list.) *(Revised: 1/14/97, 11/1/07 effective 8/1/08)*

14.10 Ineligibility.

14.10.1 Obligation of Member Institution to Withhold Student-Athlete From Competition. If a student-athlete is ineligible under the provisions of the constitution, bylaws or other regulations of the Association, the institution shall be obligated to apply immediately the applicable rule and to withhold the student-athlete from all intercollegiate competition. The institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility as provided in Bylaw 14.11 if it concludes that the circumstances warrant restoration.

14.10.2 Ineligibility Resulting From Recruiting Violation. An institution shall not enter a student-athlete (as an individual or as a member of a team) in any intercollegiate competition if it is acknowledged by the institution or established through the Association's enforcement procedures that the institution or representative(s) of its athletics interests violated the Association's legislation in the recruiting of the student-athlete. The institution

may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility as provided in Bylaw 14.11 if it concludes that circumstances warrant restoration.

14.10.2.1 Payment of Legal Fees During Appeal. A member institution may provide actual and necessary expenses for a prospective student-athlete to attend proceedings conducted by the institution, its athletics conference or the NCAA that relate to the prospective student-athlete's eligibility to participate in intercollegiate athletics, provided the prospective student-athlete either has signed a National Letter of Intent with the institution or (if the institution is not a subscribing member of the National Letter of Intent program) the prospective student-athlete has been accepted for enrollment by the institution and has provided written confirmation of his or her intent to enroll at the institution. The cost of legal representation in such proceedings also may be provided by the institution (or a representative of its athletics interests).

14.10.3 Application of Ineligibility Ruling Pending Appeal. Once an interpretation (per Constitution 5.4.1.2) applicable to a member institution has been issued and results in the ineligibility of a student-athlete, it is necessary for the institution to apply the rule to the eligibility of the student-athlete, even if review of the interpretation (per Constitution 5.4.1.2.1.1 or 5.4.1.2.2) at the request of the institution is pending. Failure to withhold such a student-athlete from competition is a violation of the conditions and obligations of membership. *(Revised: 12/22/08)*

14.10.4 Ineligible Participation.

14.10.4.1 Loss of Eligibility. A student-athlete shall be denied eligibility for intercollegiate competition in a sport if he or she participates in intercollegiate competition in that sport while ineligible under this bylaw or other applicable NCAA legislation. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility if it concludes that the circumstances warrant restoration (see Bylaw 14.11).

14.10.4.2 Penalty for Ineligible Participation or Receipt of Improper Aid. A student-athlete who practices or competes in intercollegiate athletics and/or receives institutional financial assistance (based in some degree on athletics ability) while ineligible for such aid, practice or competition per Bylaw 14.3 shall be charged with the loss of one year of eligibility for practice and varsity competition for each year gained improperly. The student-athlete shall be declared ineligible at the time it is determined that eligibility was gained improperly. Prior to declaring the student-athlete ineligible, the institution may provide the student-athlete an opportunity for a hearing. The institution may appeal to the Committee on Student-Athlete Reinstatement for a reduction in the period of ineligibility. *(Revised: 4/26/01)*

14.11 Restoration of Eligibility.

14.11.1 Basis for Appeal. When a student-athlete is determined to be ineligible under any applicable provision of the constitution, bylaws or other regulations of the Association, the member institution, having applied the applicable rule and having withheld the student-athlete from all intercollegiate competition, may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student's eligibility, provided the institution concludes that the circumstances warrant restoration of eligibility.

14.11.2 Participation in Appeal Hearing. Any appeal to restore a student-athlete's eligibility shall be submitted in the name of the institution by the president or chancellor (or an individual designated by the president or chancellor), faculty athletics representative, senior woman administrator or athletics director (for the men's or women's program). At least one of those individuals must participate in any hearing of the appeal that involves direct participation by the student-athlete or other individuals representing the institution or the student. *(Revised: 1/11/94, 3/8/06)*

14.11.3 Student Responsibility, Relationship to Restoration of Eligibility. A student-athlete is responsible for his or her involvement in a violation of NCAA regulations (as defined in Bylaw 19), and the Committee on Student-Athlete Reinstatement may restore the eligibility of a student involved in any violation only when circumstances clearly warrant restoration. The eligibility of a student-athlete involved in a major violation shall not be restored other than through an exception authorized by the Committee on Student-Athlete Reinstatement in a unique case on the basis of specifically stated reasons.

Financial Aid

15.01 General Principles.

15.01.1 Institutional Financial Aid Permitted. A student-athlete may receive scholarships or educational grants-in-aid administered by (see Bylaw 15.02.1) an educational institution that do not conflict with the governing legislation of this Association. (See Bylaws 15.01.6.1, 16.3, 16.4 and 16.12.) *(Revised: 5/26/09)*

15.01.1.1 Financial Aid to Attend Another Institution. An institution may not provide financial aid to a student-athlete to attend another institution, except as specifically authorized by NCAA legislation. *(Adopted: 1/16/93)*

15.01.2 Improper Financial Aid. Any student-athlete who receives financial aid other than that permitted by the Association shall not be eligible for intercollegiate athletics.

15.01.3 Financial Aid Not Administered by Institution. Any student who receives financial aid other than that administered by the student-athlete's institution shall not be eligible for intercollegiate athletics competition, unless it is specifically approved under the Association's rules of amateurism (see Bylaw 12) or the aid is: *(Revised: 1/15/11 effective 8/1/11)*

- (a) Received from one upon whom the student-athlete is naturally or legally dependent; or
- (b) Awarded solely on bases having no relationship to athletics ability; or
- (c) Awarded through an established and continuing program to aid students under the conditions listed in Bylaw 15.2.6.3.

15.01.4 Contributions by Donor. An individual may contribute funds to finance a scholarship or grant-in-aid for a particular sport, but the decision as to how such funds are to be allocated in the sport shall rest exclusively with the institution. It is not permissible for a donor to contribute funds to finance a scholarship or grant-in-aid for a particular student-athlete.

15.01.5 Eligibility of Student-Athletes for Institutional Financial Aid. A student-athlete must meet applicable NCAA (see Bylaw 14), conference and institutional regulations to be eligible for institutional financial aid. If these regulations are met, the student-athlete may be awarded institutional financial aid during any term in which a student-athlete is in regular attendance [was enrolled initially in a minimum full-time program of studies as defined by the certifying institution during that term (see Bylaw 14.1.7.2.1.3 for final term exception and Bylaw 15.2.8 for summer-term exception)] under the following circumstances: *(Revised: 6/8/99, 10/27/11)*

- (a) The student-athlete is an undergraduate with eligibility remaining under Bylaw 14.2 (five-year rule); or
- (b) The student-athlete is a graduate student eligible under Bylaw 14.1.8.

[Note: See Bylaw 13.1.1.3 for the financial aid implications in the prohibition against contacting student-athletes of another four-year collegiate institution without permission of that institution's athletics director. See Bylaw 14.5.5.4 for financial aid implications related to the academic eligibility of four-year college transfers.] *(Revised: 1/9/06 effective 8/1/07)*

15.01.5.1 Exception—Part-Time Enrollment After Exhausted Eligibility. An institution may provide financial aid to a student-athlete who has exhausted eligibility in his or her sport and is enrolled in less than a minimum full-time program of studies, provided: *(Adopted: 1/15/11 effective 8/1/11)*

- (a) The student-athlete is carrying for credit the courses necessary to complete degree requirements; or
- (b) The student-athlete is carrying for credit all the degree-applicable courses necessary to complete his or her degree requirements that are offered by the institution during that term.

15.01.5.2 Exception—Former Student-Athletes. Institutional financial aid may be awarded to a former student-athlete for any term during which he or she is enrolled (full time or part time). *(Adopted: 10/27/11)*

15.01.5.3 Effect of Violation of Conference Rule. A violation of Bylaw 15.01.5 that relates only to a conference rule shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete's eligibility. *(Adopted: 10/27/06)*

15.01.6 Maximum Institutional Financial Aid to Individual. An institution shall not award financial aid to a student-athlete that exceeds the cost of attendance that normally is incurred by students enrolled in a comparable program at that institution (see Bylaw 15.1). (*Revised: 4/29/04 effective 8/1/04*)

15.01.6.1 Student Assistance Fund. The receipt of money from the NCAA Student Assistance Fund for student-athletes is not included in determining the permissible amount of financial aid that a member institution may award to a student-athlete. Member institutions and conferences shall not use money received from the fund to finance salaries, grants-in-aid (other than summer school) for student-athletes with remaining eligibility, capital improvements, stipends and outside athletics development opportunities for student-athletes (e.g., participation in a sports camp or clinic, private sports-related instruction, greens fees, batting cage rental, outside foreign tour expenses). (*Adopted: 4/24/03, Revised: 1/8/07, 2/24/12*)

15.01.7 Sport-by-Sport Financial Aid Limitations. Division I may establish limitations on the number of financial aid awards a member institution may provide to countable student-athletes (counters) (see Bylaw 15.5).

15.01.8 Additional Financial Aid Limitations. The Committee on Academic Performance shall have the authority to determine the circumstances that would require an institution or team(s) that fails to satisfy the academic performance program to apply additional financial aid limitations. The Committee on Academic Performance shall establish and annually publish to the membership such circumstances (see Bylaw 14.12). (*Adopted: 4/29/04 effective 8/1/04*)

15.02 Definitions and Applications.

15.02.1 Administered By. Financial aid is administered by an institution if the institution, through its regular committee or other agency for the awarding of financial aid to students generally, makes the final determination of the student-athlete who is to receive the award and of its value.

15.02.2 Cost of Attendance. The “cost of attendance” is an amount calculated by an institutional financial aid office, using federal regulations, that includes the total cost of tuition and fees, room and board, books and supplies, transportation, and other expenses related to attendance at the institution. (*Adopted: 1/11/94*)

15.02.2.1 Calculation of Cost of Attendance. An institution must calculate the cost of attendance for student-athletes in accordance with the cost-of-attendance policies and procedures that are used for students in general. Accordingly, if an institution’s policy allows for students’ direct and indirect costs (e.g., tuition, fees, room and board, books, supplies, transportation, child care, cost related to a disability and miscellaneous personal expenses) to be adjusted on an individual basis from the institution’s standard cost figure, it is permissible to make the same adjustment for student-athletes, provided the adjustment is documented and is available on an equitable basis to all students with similar circumstances who request an adjustment. (*Adopted: 1/11/94*)

15.02.3 Counter. A “counter” is an individual who is receiving institutional financial aid that is countable against the aid limitations in a sport.

15.02.3.1 Initial Counter. [FBS/FCS] An “initial counter” is a counter who is receiving countable financial aid in a sport for the first time. (See Bylaw 15.5.6.3 in football for instances in which the institution is permitted to defer the counting of such financial aid until the following academic year.)

15.02.4 Financial Aid. “Financial aid” is funds provided to student-athletes from various sources to pay or assist in paying their cost of education at the institution. As used in NCAA legislation, “financial aid” includes all institutional financial aid and other permissible financial aid as set forth below. (See Bylaws 15.01.6.1, 16.2, 16.3 and 16.4.) (*Revised: 5/26/09*)

15.02.4.1 Institutional Financial Aid. The following sources of financial aid are considered to be institutional financial aid: (*Revised: 1/15/11 effective 8/1/11*)

(a) All funds administered by the institution, which include but are not limited to the following: (*Revised: 1/11/94 effective 8/1/94, 1/14/97 effective 8/1/97*)

- (1) Scholarships;
- (2) Grants;
- (3) Tuition waivers;
- (4) Employee dependent tuition benefits, unless the parent or the legal guardian of a student-athlete has been employed as a full-time faculty/staff member for a minimum of five years; and (*Revised: 4/26/01 effective 8/1/01, 10/31/02 effective 8/1/03*)
- (5) Loans. (*Revised: 10/31/02 effective 8/1/03*)

(b) Aid from government or private sources for which the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient. (*Revised: 10/31/02 effective 8/1/03*)

15.02.4.2 Other Permissible Financial Aid. The following sources of financial aid are also permitted:

- (a) Financial aid received from anyone upon whom the student-athlete is naturally or legally dependent;
- (b) Financial aid awarded solely on bases having no relationship to athletics ability;

- (c) Financial aid awarded through an established and continuing outside program as outlined in Bylaw 15.2.6.3; and *(Revised: 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11)*
- (d) Educational expenses awarded by the U.S. Olympic Committee, which count against an institution's sport-by-sport financial aid limitations and against the individual's full-grant-in-aid limit. *(Adopted: 1/10/95 effective 8/1/95)*

15.02.4.3 Exempted Institutional Financial Aid. The following institutional financial aid is exempt and is not counted in determining the institution's financial aid limitations: *(Revised: 4/29/04 effective 8/1/04)*

- (a) An honorary award for outstanding academic achievement or an established institutional research grant that meets the criteria set forth in Bylaw 15.02.6 (and must be included in determining if the student-athlete's cost of attendance has been met); *(Revised: 1/10/91, 1/10/92, 10/31/02 effective 8/1/03)*
- (b) A postgraduate scholarship awarded by an institution in accordance with Bylaw 16.1.4.1.1; *(Adopted: 4/25/02)*
- (c) Federal government grants awarded based on a student's demonstrated financial need [e.g., Supplemental Educational Opportunities Grant (SEOG)], regardless of whether the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient; *(Adopted: 1/15/11 effective 8/1/11)*
- (d) State government grants awarded based on a student's demonstrated financial need, regardless of whether the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient, provided the aid is administered in accordance with the federal methodology for determining a student's financial need and has no relationship to athletics ability. However, such aid is not exempt for purposes of determining a football or basketball student-athlete's counter status pursuant to Bylaw 15.5.1.2; *(Adopted: 1/15/11 effective 8/1/11)*
- (e) State government merit-based grants, regardless of whether the institution is responsible for selecting the recipient or determining the amount of aid, or providing matching or supplementary funds for a previously determined recipient, provided the aid is awarded consistent with the criteria of Bylaws 15.5.3.2.2.1, 15.5.3.2.2.2 or 15.5.3.2.2.3 and has no relationship to athletics ability. However, such aid is not exempt for purposes of determining a football or basketball student-athlete's counter status pursuant to Bylaw 15.5.1.2; and *(Adopted: 1/15/11 effective 8/1/11)*
- (f) Matching payments made by the Department of Veterans Affairs pursuant to the Yellow Ribbon G.I. Education Enhancement Program [see Bylaw 15.2.5.1-(e)]. *(Adopted: 1/15/11 effective 8/1/11)*

15.02.4.4 Exempted Government Grants. Government grants listed in Bylaw 15.2.5.1 shall not be included when determining the cost of attendance for a student-athlete. *(Revised: 1/11/89, 4/29/04 effective 8/1/04)*

15.02.4.5 Operation Gold Grant. Funds administered by the U.S. Olympic Committee pursuant to its Operation Gold Grant program shall not be included when determining the cost of attendance for a student-athlete. *(Revised: 4/29/04 effective 8/1/04)*

15.02.5 Full Grant-in-Aid. A full grant-in-aid is financial aid that consists of tuition and fees, room and board, and required course-related books.

15.02.6 Honorary Academic Award/Research Grant. An honorary academic award for outstanding academic achievement or a research grant is an award that meets the following criteria:

- (a) The award or grant is a standing scholarship award or an established research grant; *(Revised: 10/28/04)*
- (b) The basis for the award or grant shall be the candidate's academic record at the awarding institution;
- (c) The award or grant shall be determined by competition among the students of a particular class or college of the institution. Competition for the award or grant may include additional objective criteria unrelated to athletics abilities (e.g., gender, race and ethnicity, financial need); and *(Revised: 1/14/08 effective 8/1/08)*
- (d) The award or grant is included in determining if the student-athlete's cost-of-attendance limitation has been met. *(Revised: 1/10/91, 1/10/92)*

15.02.7 Period of Award. The period of award begins when the student-athlete receives any benefits as a part of the student's grant-in-aid on the first day of classes for a particular academic term, or the first day of practice, whichever is earlier, until the conclusion of the period set forth in the financial aid agreement. An athletics grant-in-aid shall not be awarded in excess of the student-athlete's five-year period of eligibility. *(Revised: 10/27/11)*

15.02.8 Recruited Student-Athlete. For purposes of Bylaw 15, a recruited student-athlete is a student-athlete who, as a prospective student-athlete: *(Adopted: 1/15/11 effective 8/1/11)*

- (a) Was provided an official visit to the institution's campus;
- (b) Had an arranged, in-person, off-campus encounter with a member of the institution's coaching staff (including a coach's arranged, in-person, off-campus encounter with the prospective student-athlete or the prospective student-athlete's parents, relatives or legal guardians); or
- (c) Was issued a National Letter of Intent or a written offer of athletically related financial aid by the institution for a regular academic term.

15.02.9 Signature. For purposes of Bylaw 15, a signature includes an electronic authorization (e.g., electronic signature). *(Adopted: 3/5/12)*

15.1 Maximum Limit on Financial Aid—Individual.

A student-athlete shall not be eligible to participate in intercollegiate athletics if he or she receives financial aid that exceeds the value of the cost of attendance as defined in Bylaw 15.02.2. A student-athlete may receive institutional financial aid based on athletics ability (per Bylaw 15.02.4.1) and educational expenses awarded per Bylaw 15.2.6.4 up to the value of a full grant-in-aid, plus any other financial aid up to the cost of attendance. (See Bylaws 15.01.6.1, 16.3, 16.4 and 16.12.) *(Revised: 4/29/04 effective 8/1/04, 5/26/09, 1/15/11 effective 8/1/11)*

15.1.1 Exception for Pell Grant. A student-athlete who receives a Pell Grant may receive financial aid equivalent to the limitation set forth in Bylaw 15.1 or the value of a full grant-in-aid plus the Pell Grant, whichever is greater. *(Adopted: 4/29/04 effective 8/1/04)*

15.1.2 Types of Aid Included in Limit. In determining whether a student-athlete's financial aid exceeds the cost of attendance, all institutional financial aid (per Bylaw 15.02.4.1) and all funds received from the following and similar sources shall be included (see Bylaws 15.02.4.3, 15.02.4.4 and 15.02.4.5 for types of financial aid that are exempt from a student-athlete's individual limit): *(Revised: 10/31/02 effective 8/1/03, 4/29/04 effective 8/1/04)*

- (a) **Government Grants.** Government grants for educational purposes, except for those listed in Bylaw 15.2.5;
- (b) **Other Scholarships and Grants.** Other institutional or outside scholarships or grants-in-aid; *(Revised: 1/10/95 effective 8/1/95, 4/29/04 effective 8/1/04)*
- (c) **Gifts.** The value of gifts given to a student-athlete following completion of eligibility in appreciation for or recognition of the student-athlete's athletics accomplishments;
- (d) **Professional Sports Stipend.** Any bonus or salary (no matter when received or contracted for) from a professional sports organization;
- (e) **Athletics Participation Compensation.** Any other income (no matter when received or contracted for) from participation in an athletics event (except funds that are administered by the U.S. Olympic Committee pursuant to its Operation Gold Grant Program) unless eligibility has been exhausted in that sport; and *(Revised: 1/11/94 effective 8/1/94)*
- (f) **Loans.** Loans, except legitimate loans that are based upon a regular repayment schedule, available to all students and administered on the same basis for all students.

15.1.3 Recruited Student-Athlete Receiving Institutional Financial Aid. Unearned financial aid (excluding loans) administered by an institution to an athletically recruited student (per Bylaw 15.02.8) is subject to the limitations set forth in Bylaw 15.1. Such aid is considered to be athletically related financial aid unless the faculty athletics representative and the director of financial aid certify that the aid was granted without regard in any degree to athletics ability (see Bylaw 15.5.1.1). *(Revised: 5/30/08, 5/28/09, 1/15/11 effective 8/1/11)*

15.1.4 Reduction When Excess Aid Is Awarded. In the event that a student-athlete's financial aid from the sources listed in Bylaw 15.1.2, which includes institutional financial aid, will exceed the cost of attendance for the balance of the academic year, the institution shall reduce institutional financial aid so as not to exceed the cost of attendance. Payments credited to a student-athlete's account that are not refundable by the institution to the scholarship office or other appropriate institutional agency shall not become the student's obligation. *(Revised: 4/29/04 effective 8/1/04)*

15.2 Elements of Financial Aid.

15.2.1 Tuition and Fees. An institution may provide a student-athlete financial aid that includes the actual cost of tuition and required institutional fees.

15.2.1.1 Permissible Fees. A student-athlete may be awarded financial aid that covers the payment of fees for a course in which the student-athlete is enrolled, if the course is part of the institution's regular curriculum (included in the institution's catalog of classes), and the institution pays these same fees for other students enrolled in the course who receive fees as a part of a grant-in-aid or scholarship.

15.2.1.2 Optional Fees. An institution may not pay fees for services offered on an optional basis to the student body in general.

15.2.1.3 Noninstitutional Fees and Expenses. Fees paid by an institution are confined to required institutional fees and do not include noninstitutional fees or expenses (e.g., the cost of typing reports for student-athletes).

15.2.1.4 Fees and Related Expenses for Prospective Student-Athletes. An institution shall not waive, pay in advance or guarantee payment of the following expenses for a prospective student-athlete, unless such benefits generally conform to institutional policy as it applies to other prospective student-grantees:

- (a) The institution's processing fee required prior to the admissions office's evaluation of the prospective student-athlete's application;
- (b) The orientation-counseling tests fee required of all incoming freshmen;
- (c) The preadmission academic testing fee;

- (d) Advance tuition payment or room deposit;
- (e) Damage deposits for dormitory rooms;
- (f) ROTC deposits for military equipment; or
- (g) Any other pre-enrollment fees required of prospective student-grantees.

15.2.1.4.1 Fees Rebate. If the prospective student-athlete enrolls and is awarded financial aid covering institutional fees, the fees described in Bylaw 15.2.1.4-(a) through Bylaw 15.2.1.4-(d) may be rebated as a part of the institution's regular fees.

15.2.2 Room and Board. An institution may provide a student-athlete financial aid that includes the cost of room and board, based on the official allowance for a room as listed in the institution's official publication (e.g., catalog) and a board allowance that consists of three meals per day, even if the institution's maximum permissible award allowance for all students represents a lesser cost figure. *(Revised: 10/28/99 effective 8/1/00)*

15.2.2.1 Off-Campus Room and Board Stipend. If a student-athlete lives and eats in noninstitutional facilities, the institution may provide the student-athlete an amount equal to the institution's official on-campus room allowance as listed in its catalog, the average of the room costs of all of its students living on campus or the cost of room as calculated based on its policies and procedures for calculating the cost of attendance for all students. The institution also may provide the student-athlete an amount that is equivalent to an on-campus seven-day or 21-meal board plan or the cost of meals as calculated based on its policies and procedures for calculating the cost of attendance for all students, excluding those meals provided as part of the training table. Meals provided on the training table shall be deducted at the regular cost figure from such a student-athlete's board allowance. *(Revised: 1/10/92, 11/12/97, 10/28/99 effective 8/1/00, 4/27/06 effective 8/1/06)*

15.2.2.1.1 Determination of Off-Campus Room Rates. An institution with several official on-campus room rates listed in its catalog may use the average of the room cost for all students living on campus (based on a weighted average for all students who reside in on-campus facilities) or the cost of room as calculated based on its policies and procedures for calculating the cost of attendance for all students. *(Revised: 11/12/97, 4/27/06 effective 8/1/06)*

15.2.2.1.2 Determination of Off-Campus Board Costs. An institution with several on-campus board plans (e.g., five-day, seven-day, 14-meal, 17-meal or 21-meal plans) may provide a student-athlete living in noninstitutional facilities with the equivalent of a seven-day or 21-meal plan at that institution or the cost of meals as calculated based on its policies and procedures for calculating the cost of attendance for all students. *(Adopted: 1/10/92, Revised: 11/12/97, 10/28/99 effective 8/1/00, 4/27/06 effective 8/1/06)*

15.2.2.1.3 Institution With No On-Campus Room and Board Facilities. If an institution does not provide an official dollar amount for room and board in its catalog and does not have on-campus student room and board facilities, the figure provided to student-athletes for off-campus student room and board shall be the amount determined by the institution's office of financial aid as being commensurate with the average cost a student at that institution normally would incur living and eating in off-campus facilities. *(Revised: 11/12/97)*

15.2.2.1.4 Married Student Housing. Married student-athletes who live in noninstitutional housing are permitted to receive the same room and board allowance that is provided to married students with on-campus housing. If the institution does not provide on-campus room and board facilities for married students but has other on-campus dormitory facilities, it must use the provisions of Bylaw 15.2.2.1 in determining the amount of room-and-board expenses a married student-athlete who lives in noninstitutional facilities may receive. *(Adopted: 1/10/92)*

15.2.2.1.5 Cost-Free Apartment. It is permissible for the institution to arrange for a cost-free, off-campus apartment rather than to give a student-athlete an amount equal to the institution's official room allowance (as listed in its catalog) or the cost of a room as calculated based on its policies and procedures for calculating the cost of attendance for all students, provided the apartment is not rented by the institution at a reduced rate. However, if the actual rental rate is more than the institutional room allowance, the student-athlete shall pay the additional amount from the student-athlete's own resources. *(Revised: 4/27/06 effective 8/1/06)*

15.2.2.1.6 Training-Table Meals. The cost of meals provided on the institution's training table shall be deducted from a student-athlete's board allowance, even if the student-athlete is not receiving a full grant-in-aid. In determining the cost figure to be deducted, the institution may use the actual meal costs listed in the institution's catalog or the average meal costs of its student-athletes living on campus.

15.2.2.1.7 Game-Related Meals. The cost of meals provided for away-from-home practices and contests and meals at home contests need not be deducted from a student-athlete's board allowance. Such meals also may be received by a student-athlete who is not receiving athletically related financial aid inasmuch as they constitute a benefit incidental to athletics participation [see Bylaw 16.5.2-(d)].

15.2.2.2 Facility Designated by Institution. It is permissible for the institution to require a grant-in-aid recipient to obtain room and board in a facility designated by the institution, provided the requirement is con-

tained in the written statement outlining the amount, duration, conditions and terms of the financial aid agreement (see Bylaw 15.3.2.2).

15.2.2.3 Summer Dormitory Rentals. An institution may rent dormitory space to a prospective or enrolled student-athlete during the summer months at the regular institutional rate, if it is the institution's policy to make such dormitory space available on the same basis to all prospective or enrolled students.

15.2.2.4 Sunday Evening Meals. If the regular eating facility used by a student-athlete who is receiving an award that covers the cost of meals is not available for a given meal (e.g., Sunday evening meal), the institution may provide actual expenses to cover the cost of the meal, provided the meal is similar to those served at the university's regular dining facilities and is not excessive in nature.

15.2.2.5 Food Stamps. A grant-in-aid recipient who lives and eats off campus may use the money provided for his or her board to obtain governmental food stamps, provided the stamps are available to the student body in general. Additionally, the student-athlete must be eligible for such stamps without any special arrangements on the part of athletics department personnel or representatives of the institution's athletics interests.

15.2.3 Books. A member institution may provide a student-athlete financial aid that covers the actual cost of required course-related books. **[R]** (*Revised: 4/24/03 effective 8/1/03*)

15.2.3.1 Dollar Limit. There is no dollar limit for books a student-athlete may receive, provided each book is required for a course in which the student-athlete is enrolled. The institution may provide the student-athlete with cash to purchase books, as long as the amount of cash provided is equal to the actual cost of the books purchased. **[R]** (*Revised: 4/24/03 effective 8/1/03*)

15.2.4 Other Expenses Related to Attendance. An institution may provide a student-athlete financial aid that covers other expenses related to attendance in combination with other permissible elements of financial aid (per Bylaw 15.2) up to the cost of attendance (see Bylaws 15.02.2 and 15.1). (See Bylaws 15.01.6.1, 16.3, 16.4 and 16.12.) (*Adopted: 4/29/04 effective 8/1/04, Revised: 5/26/09*)

15.2.5 Government Grants. Government grants for educational purposes shall be included when determining the permissible amount of the cost of attendance for a student-athlete, except for those listed in Bylaw 15.2.5.1. (*Revised: 1/11/89, 4/29/04 effective 8/1/04, 4/21/05*)

15.2.5.1 Exempted Government Grants. The following government grants for educational purposes shall not be included when determining the permissible amount of the cost of attendance of a student-athlete: (*Adopted: 1/11/89, Revised: 4/29/04 effective 8/1/04, 1/10/05*)

- (a) **AmeriCorps Program.** Benefits received by student-athletes under the AmeriCorps Program; (*Adopted: 1/9/96 effective 8/1/96*)
- (b) **Disabled Veterans.** State government awards to disabled veterans; (*Adopted: 4/28/05*)
- (c) **Military Reserve Training Programs.** Payments to student-athletes for participation in military reserve training programs;
- (d) **Montgomery G.I. Bill.** Benefits received by student-athletes under the Montgomery Bill—Active Duty and the Montgomery G.I. Bill—Selected Reserve;
- (e) **Post-9/11 G.I. Bill.** Benefits received under the Post-9/11 G.I. Bill, including matching payments made by the Department of Veterans Affairs pursuant to the Yellow Ribbon G.I. Education Enhancement Program. [Contributions made by the institution pursuant to the Yellow Ribbon Program are institutional financial aid (see Bylaws 15.02.4.1 and 15.02.4.3)]; (*Adopted: 1/15/11 effective 8/1/11*)
- (f) **Special U.S. Government Entitlement Programs.** Payments by the U.S. government under the terms of the Dependents Education Assistance Program (DEAP), Social Security Insurance Program [including the Reinstated Entitlement Program for Survivors (REPS)] or Non-Service-Connected Veteran's Death Pension Program;

15.2.6 Financial Aid From Outside Sources.

15.2.6.1 Parents and Legal Guardians. A student-athlete may receive financial aid from anyone upon whom the student-athlete is naturally or legally dependent.

15.2.6.1.1 Prepaid College Tuition Plans. A state-sponsored or private prepaid college tuition plan, purchased by a family member and paid to an institution on behalf of a student-athlete, is not considered aid from an outside source. Such aid is considered financial aid from someone upon whom the student-athlete is naturally or legally dependent. *(Revised: 6/10/04)*

15.2.6.2 No Relationship to Athletics Ability. A student-athlete may receive financial aid awarded solely on bases having no relationship to athletics ability.

15.2.6.3 Financial Aid From an Established and Continuing Program. A student-athlete may receive financial aid through an established and continuing program to aid students, provided: *(Adopted: 1/15/11 effective 8/1/11)*

- (a) The recipient's choice of institutions is not restricted by the donor of the aid; and
- (b) There is no direct connection between the donor and the student-athlete's institution.

15.2.6.4 Educational Expenses—U.S. Olympic Committee or U.S. National Governing Body. A student-athlete may receive educational expenses awarded by the U.S. Olympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country). The amount of the financial assistance shall be subject to the following limitations: *(Adopted: 1/10/95 effective 8/1/95, Revised: 10/28/97 effective 8/1/98, 11/1/00)*

- (a) Disbursement of the aid shall be through the member institution for the recipient's educational expenses while attending that institution;
- (b) The recipient's choice of institutions shall not be restricted by the U.S. Olympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country); *(Revised: 4/22/98, 11/1/00)*
- (c) The value of the award alone or in combination with other aid per Bylaw 15.1.2 shall not exceed the value of a full grant-in-aid; and
- (d) The recipient shall be considered a counter per Bylaw 15.5.1, and the amount shall be applied to the maximum awards limitation of Bylaw 15.5 for the sport in question.

15.2.7 Employment. Earnings from a student-athlete's on- or off-campus employment that occurs at any time is exempt and is not counted in determining a student-athlete's cost of attendance or in the institution's financial aid limitations, provided: *(Revised: 10/31/02 effective 8/1/03, 4/29/04 effective 8/1/04)*

- (a) The student-athlete's compensation does not include any remuneration for value or utility that the student-athlete may have for the employer because of the publicity, reputation, fame or personal following that he or she has obtained because of athletics ability;
- (b) The student-athlete is compensated only for work actually performed; and
- (c) The student-athlete is compensated at a rate commensurate with the going rate in that locality for similar services (see Bylaw 12.4).

15.2.8 Summer Financial Aid. Summer financial aid may be awarded only to attend the awarding institution's summer term, summer school or summer-orientation program, provided the following conditions are met: *(Revised: 1/10/90)*

- (a) The student has been in residence a minimum of one term during the regular academic year;
- (b) The student is attending a summer term, summer school or summer-orientation program and financial aid is administered pursuant to Bylaw 15.2.8.1.2, 15.2.8.1.3 or 15.2.8.1.4; or *(Revised: 1/10/90, 1/10/92)*
- (c) The student is a two-year or a four-year college transfer student and is receiving aid to attend the awarding institution's summer-orientation program. *(Adopted: 1/10/92)*

15.2.8.1 General Stipulations. A student-athlete who is eligible for institutional financial aid during the summer is not required to be enrolled in a minimum full-time program of studies. However, the student-athlete may not receive financial aid that exceeds the cost of attendance in that summer term. A student-athlete may receive institutional financial aid based on athletics ability (per Bylaw 15.02.4.1) and educational expenses awarded (per Bylaw 15.2.6.4) up to the value of a full grant-in-aid, plus any other financial aid up to the cost of attendance. (See Bylaws 15.01.6.1, 16.3, 16.4 and 16.12.) *(Revised: 4/29/04 effective 8/1/04, 5/26/09, 1/15/11 effective 8/1/11)*

15.2.8.1.1 Exception for Pell Grant. A student-athlete who receives a Pell Grant may receive financial aid equivalent to the limitation set forth in Bylaw 15.2.8.1 or the value of a full grant-in-aid plus the Pell Grant, whichever is greater. *(Adopted: 4/29/04 effective 8/1/04)*

15.2.8.1.2 Enrolled Student-Athletes. After initial full-time enrollment during a regular academic year, a student-athlete shall not receive athletically related financial aid to attend the certifying institution's summer term or summer school unless the student-athlete received such athletically related aid from the certifying institution during the student-athlete's previous academic year at that institution. Further, such aid may be awarded only in proportion to the amount of athletically related financial aid received by the student-athlete during the student-athlete's previous academic year at the certifying institution. The proportionality restriction shall not apply to a student-athlete who has exhausted his or her eligibility and is

enrolled in course work acceptable toward his or her degree requirements. (*Adopted: 1/10/90 effective 8/1/90, Revised: 1/10/91, 1/10/92, 11/12/97, 4/26/12*)

15.2.8.1.2.1 Attendance During Only One Term of Previous Academic Year. A student-athlete who attended the institution on a full-time basis for only one regular term during the previous academic year may receive the same percentage of financial aid during the following summer term that the student-athlete received during the term in which the student-athlete was enrolled on a full-time basis. (*Adopted: 1/10/92*)

15.2.8.1.2.2 Multiple Summer Sessions. An institution that conducts multiple summer sessions may not award athletically related financial aid to attend any one session that exceeds the proportion of the amount of athletically related financial aid received by the student-athlete during the previous academic year. (*Adopted: 1/10/92*)

15.2.8.1.2.3 Effect of Reduction When Excess Aid is Awarded. If an institution provides a student-athlete with a full athletics grant during the academic year but is required to reduce the grant in accordance with Bylaw 15.1.4 (reduction when excess aid is awarded), the institution may provide the student-athlete full athletically related financial aid to attend the institution's summer term.

15.2.8.1.2.4 Exception for Nonqualifiers. A nonqualifier may receive athletically related financial aid to attend an institution's summer term or summer school after the first academic year in residence under the following conditions: (*Adopted: 1/10/92, Revised: 1/14/97 effective 8/1/97*)

- (a) The student-athlete has satisfied progress-toward-degree requirements and, thus, would be eligible for competition for the succeeding year (the student-athlete must have successfully satisfied the applicable requirements of Bylaw 14.4.3 and be in good academic standing at the institution);
- (b) The student-athlete has been awarded athletically related financial aid for the succeeding academic year; and
- (c) The student-athlete receives athletically related financial aid to attend the institution's summer term or summer school only in proportion to the amount of athletically related financial aid the student will receive for the succeeding year.

15.2.8.1.2.5 Exception for First-Time Recipient in the Next Academic Year. A student-athlete who has not received athletically related aid from the certifying institution during a previous academic year may receive athletically related financial aid to attend the institution's summer term or summer school under the following conditions: (*Adopted: 1/15/11*)

- (a) The student-athlete has been awarded athletically related financial aid for the following academic year; and
- (b) The aid is awarded only in proportion to the amount of athletically related financial aid the student will receive for the following academic year.

15.2.8.1.3 Prior to Initial, Full-Time Collegiate Enrollment—Institutional Nonathletics Aid. The following conditions apply to the awarding of institutional nonathletics financial aid to a prospective student-athlete to attend an institution in the summer prior to the prospective student-athlete's initial, full-time collegiate enrollment: **[D]** (*Revised: 1/10/90, 1/10/92, 4/29/04, 1/10/05 effective 5/1/05*)

- (a) The recipient shall be admitted to the awarding member institution in accordance with regular, published entrance requirements; (*Adopted: 1/10/90*)
- (b) The recipient, if recruited (per Bylaw 15.02.8), is subject to NCAA transfer provisions pursuant to Bylaw 14.5.2-(h); (*Adopted: 1/10/90, Revised: 1/15/11 effective 8/1/11*)
- (c) During the summer term or orientation period, the recipient shall not engage in any countable athletically related activities except for those activities specifically permitted in Bylaws 13 and 17 (see Bylaws 13.11.3.9, 17.1.1 and 17.1.1.1); and (*Adopted: 1/10/90, Revised: 3/14/05, 1/14/12*)
- (d) The awarding institution certifies in writing that the student's financial aid was granted without regard in any degree to athletics ability. The written certification shall be on file in the office of the director of athletics and shall be signed, or electronically authorized (e.g., electronic signature), by the faculty athletics representative and the director of financial aid. (*Adopted: 1/10/90, Revised: 4/26/01, 3/10/04*)

15.2.8.1.4 Prior to Initial Full-Time Enrollment at the Certifying Institution—Athletics Aid. The following conditions apply to the awarding of athletically related financial aid to a prospective student-athlete (including a prospective student-athlete not certified by the NCAA Eligibility Center as a qualifier) to attend an institution in the summer prior to the prospective student's initial, full-time enrollment at the certifying institution (see also Bylaw 13.02.12.1): (*Adopted: 4/27/00 effective 8/1/00, Revised: 4/29/04, 1/10/05 effective 5/1/05, 5/9/07*)

- (a) The recipient shall be admitted to the awarding member institution in accordance with regular, published entrance requirements;

- (b) The recipient is enrolled in a minimum of six hours of academic course work (other than physical education activity courses) that is acceptable degree credit toward any of the institution's degree programs. Remedial, tutorial and noncredit courses may be used to satisfy the minimum six-hour requirement, provided the courses are considered by the institution to be prerequisites for specific courses acceptable for any degree program and are given the same academic weight as other courses offered by the institution; *(Revised: 9/6/00)*
- (c) The recipient, if recruited (per Bylaw 15.02.8), is subject to NCAA transfer provisions pursuant to Bylaw 14.5.2-(h), unless admission to the institution as a full-time student is denied; *(Revised: 4/26/01, 1/15/11 effective 8/1/11)*
- (d) During the summer term or orientation period, the recipient shall not engage in any countable athletically related activities except for those activities specifically permitted in Bylaws 13 and 17 (see Bylaws 13.11.3.9, 17.1.1 and 17.1.1.1); and *(Revised: 3/14/05, 1/14/12)*
- (e) Summer coursework is not used for the purpose of completing initial-eligibility or continuing-eligibility (transfer eligibility, progress-toward-degree) requirements. However, the hours earned during the summer prior to initial full-time enrollment at the certifying institution may be used to satisfy the applicable progress-toward-degree requirements in following years (see Bylaw 14.4.3). *(Revised: 6/21/01, 3/10/04)*

15.2.8.2 Branch School. An institution may not provide a student-athlete with financial aid to attend a summer session at a branch campus of the institution.

15.3 Terms and Conditions of Awarding Institutional Financial Aid.

15.3.1 Eligibility of Student-Athletes for Financial Aid. Institutional financial aid may be awarded for any term during which a student-athlete is in regular attendance as an undergraduate with eligibility remaining under Bylaw 14.2, or as a graduate eligible under Bylaw 14.1.8. *(Revised: 10/27/11)*

15.3.1.1 Applicable Requirements. A student-athlete must meet applicable NCAA (see Bylaw 14), conference and institutional regulations to be eligible for institutional financial aid (see Bylaws 15.01.5 and 15.01.6). A violation of this bylaw that relates only to a violation of a conference rule shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete's eligibility. *(Revised: 10/27/06)*

15.3.1.2 Withdrawal From Institution. A student-athlete who withdraws from the institution may not receive financial aid during the remainder of the term.

15.3.1.3 Retroactive Financial Aid. Institutional financial aid awarded to an enrolled student-athlete after the first day of classes in any term may not exceed the remaining room and board charges and educational expenses for that term and may not be made retroactive to the beginning of that term.

15.3.1.4 Institutional Financial Aid to Professional Athlete. It is permissible to award institutional financial aid to a student-athlete who is under contract to or currently receiving compensation from a professional sports organization in the same sport. A professional athlete in one sport may represent a member institution in a different sport and may receive institutional financial assistance in the second sport. *(Revised: 8/11/98, 4/26/01, 4/27/06 effective 8/1/06, 10/27/11)*

15.3.2 Terms of Institutional Financial Aid Award.

15.3.2.1 Physical Condition of Student-Athlete. Financial aid awarded to a prospective student-athlete may not be conditioned on the recipient reporting in satisfactory physical condition. If a student-athlete has been accepted for admission and awarded financial aid, the institution shall be committed for the term of the original award, even if the student-athlete's physical condition prevents him or her from participating in intercollegiate athletics.

15.3.2.2 Written Statement Requirement. The institutional agency making a financial aid award for a regular academic year or multiple regular academic years shall give the recipient a written statement of the amount, duration, conditions and terms of the award. The chair of the regular committee or other agency for the awarding of financial aid to students generally, or the chair's official designee, shall sign or electronically authorize (e.g., electronic signature) the written statement. The signature of the athletics director, attesting to the committee's award, does not satisfy this requirement. *(Revised: 3/10/04, 7/26/12)*

15.3.2.3 Hearing Opportunity. The institution's regular financial aid authority shall notify the student-athlete in writing of the opportunity for a hearing when institutional financial aid based in any degree on athletics ability is to be reduced or canceled during the period of the award, or is reduced or not renewed for the following academic year. The institution shall have established reasonable procedures for promptly hearing such a request and shall not delegate the responsibility for conducting the hearing to the university's athletics department or its faculty athletics committee. The written notification of the opportunity for a hearing shall include a copy of the institution's established policies and procedures for conducting the required hearing, including the deadline by which a student-athlete must request such a hearing. *(Revised: 1/9/06 effective 8/1/06, 4/3/07, 4/23/08)*

15.3.2.3.1 Reduction of a Multiyear Award. A reduction of a multiyear award shall occur if the renewal period is for fewer years than the original agreement, unless the renewal includes the remaining years of the student-athlete's eligibility in all sports (e.g., five-year period of eligibility) or if the average amount of aid provided per year in the renewal is less than the average amount of aid provided per year in the original agreement, including any increases during the period of the original award. *(Adopted: 10/27/11 effective 8/1/12; awards may be executed before 8/1/12)*

15.3.2.3.2 Athletics Department Staff as Member of Committee. An institution's athletics department staff member may be a member of a committee (other than an athletics department or faculty athletics committee) that conducts hearings related to the nonrenewal or reduction of a student-athlete's financial aid. Under such circumstances, the athletics department staff member must be a standing member of the committee and may not serve as a member of a committee only for a specific student-athlete's hearing. *(Adopted: 4/3/07)*

15.3.3 Period of Institutional Financial Aid Award.

15.3.3.1 Period of Award. If a student's athletics ability is considered in any degree in awarding financial aid, such aid shall neither be awarded for a period less than one academic year nor for a period that would exceed the student's five-year period of eligibility (see Bylaws 14.2 and 15.01.5). One-year grants-in-aid shall be awarded (as set forth in the written statement per Bylaw 15.3.2.2) in equal amounts for each term of the academic year. *(Revised: 4/27/06 effective 8/1/06, 10/27/11 effective 8/1/12; awards may be executed before 8/1/12)*

15.3.3.1.1 One-Year Period. An institution may award athletically related financial aid to a student-athlete for a period of less than one academic year only under the following circumstances: *(Adopted: 4/27/06 effective 8/1/06)*

- (a) **Midyear Enrollment.** A student-athlete whose first full-time attendance at the certifying institution during a particular academic year occurs at midyear (e.g., the beginning of the second semester or second or third quarter of an academic year) may receive a financial aid award for the remainder of that academic year. *(Revised: 5/9/06)*
- (b) **Final Semester/Quarter.** A student-athlete may receive athletically related financial aid for less than one academic year, provided the student is in the final semester or final two quarters of his or her degree program and the institution certifies that the student is carrying (for credit) the courses necessary to complete the degree requirements.
- (c) **Graduated During Previous Academic Year and Will Exhaust Eligibility During the Following Fall Term.** A student-athlete who graduated during the previous academic year (including summer) and will exhaust his or her athletics eligibility during the following fall term may be awarded athletically related financial aid for less than one academic year. *(Adopted: 1/15/11 effective 8/1/11)*
- (d) **One-Time Exception.** One time during a student-athlete's enrollment at the certifying institution he or she may be awarded athletics aid for less than a full academic year, provided the student-athlete has been enrolled full time at the certifying institution for at least one regular academic term and has not previously received athletically related financial aid from the certifying institution. *(Revised: 5/19/09)*
- (e) **Eligibility Exhausted/Medical Noncounter.** A student-athlete who has exhausted eligibility and is exempt from counting (per Bylaw 15.5.1.6) in the institution's financial aid limit, or a student-athlete who is exempt from counting (per Bylaw 15.5.1.3) due to an injury or illness may receive athletically related financial aid for less than one academic year. If an institution awards aid under this provision, the institutional financial aid agreement shall include specific nonathletically related conditions (e.g., academic requirements) the student-athlete must satisfy in order for the aid to be renewed for the next academic term or terms. If the student-athlete satisfies the specified conditions, the institution shall award financial aid at the same amount for the next term or terms of the academic year. If the student-athlete does not satisfy the specified conditions, he or she must be provided a hearing opportunity per Bylaw 15.3.2.3. *(Adopted: 4/24/08 effective 8/1/08)*

15.3.3.1.2 Effect of Violation. A violation of Bylaw 15.3.3.1 in which financial aid is awarded for a period of less than one academic year shall be considered an institutional violation per Constitution 2.8.1; however, the prospective student-athlete or student-athlete's eligibility shall not be affected. *(Adopted: 10/29/09)*

15.3.3.2 Regular Academic Year vs. Summer Term. An institution may award financial aid to a student-athlete for one or more academic years or, pursuant to the exceptions set forth in Bylaw 15.3.3.1.1, part of one academic year. An institution also may award financial aid for a summer term or summer-orientation period, provided the conditions of Bylaw 15.2.8 have been met. *(Revised: 4/27/06 effective 8/1/06, 10/27/11 effective 8/1/12; awards may be executed before 8/1/12)*

15.3.3.2.1 Summer Term as Additional Award. It is necessary to make an additional award for a summer term; however, an institution is not required to provide the recipient with a written statement of the amount, duration, conditions or terms of the award. *(Revised: 10/27/11 effective 8/1/12, 7/26/12)*

15.3.4 Reduction or Cancellation During Period of Award.

15.3.4.1 Increase Permitted. Institutional financial aid may be increased for any reason at any time. (*Adopted: 1/11/94, Revised: 2/26/03, 4/23/08, 10/27/11 effective 8/1/12; awards may be executed before 8/1/12*)

15.3.4.2 Reduction or Cancellation Permitted. Institutional financial aid based in any degree on athletics ability may be reduced or canceled during the period of the award if the recipient: (*Revised: 1/11/94, 1/10/95*)

- (a) Renders himself or herself ineligible for intercollegiate competition;
- (b) Fraudulently misrepresents any information on an application, letter of intent or financial aid agreement (see Bylaw 15.3.4.2.3);
- (c) Engages in serious misconduct warranting substantial disciplinary penalty (see Bylaw 15.3.4.2.4); or
- (d) Voluntarily (on his or her own initiative) withdraws from a sport at any time for personal reasons; however, the recipient's financial aid may not be awarded to another student-athlete in the academic term in which the aid was reduced or canceled. A student-athlete's request for written permission to contact another four-year collegiate institution regarding a possible transfer does not constitute a voluntary withdrawal. (*Revised: 1/10/92, 1/11/94, 1/10/95, 1/9/96, 12/13/05, 9/11/07*)

15.3.4.2.1 Timing of Reduction or Cancellation. Any reduction or cancellation of aid during the period of the award may occur only after the student-athlete has been provided an opportunity for a hearing per Bylaw 15.3.2.3. (*Adopted: 5/15/07, Revised: 4/23/08*)

15.3.4.2.2 Nonathletically Related Conditions. An institutional financial aid agreement may include nonathletically related conditions (e.g., compliance with academics policies or standards, compliance with athletics department rules or policies) by which the aid may be reduced or canceled during the period of the award. (*Adopted: 4/23/08*)

15.3.4.2.3 Fraudulent Misrepresentation. If a student-athlete is awarded institutional financial aid on the basis of declaring intention to participate in a particular sport by signing a letter of intent, application or tender, action on the part of the grantee not to participate (either by not reporting for practice or after making only token appearances as determined by the institution) would constitute fraudulent misrepresentation of information on the grantee's application, letter of intent or financial aid agreement and would permit the institution to cancel or reduce the financial aid. (*Revised: 1/11/94*)

15.3.4.2.4 Misconduct. An institution may cancel or reduce the financial aid of a student-athlete who is found to have engaged in misconduct by the university's regular student disciplinary authority, even if the loss-of-aid requirement does not apply to the student body in general. (*Revised: 1/11/94*)

15.3.4.2.5 Release of Obligation to Provide Athletically Related Financial Aid—One-Year Award. Before becoming a counter for an academic year pursuant to a one-year grant-in-aid, if a prospective student-athlete or student-athlete is awarded institutional financial aid unrelated to athletics that is of equal or greater value than his or her signed award of athletically related financial aid, the prospective student-athlete or student-athlete may, on his or her initiative, release the institution of its obligation to provide the athletically related financial aid. (*Adopted: 1/15/11 effective 8/1/11, Revised: 10/27/11 effective 8/1/12; awards may be executed before 8/1/12*)

15.3.4.3 Reduction or Cancellation Not Permitted. Institutional financial aid based in any degree on athletics ability may not be reduced or canceled during the period of its award: (*Adopted: 1/16/93, Revised: 1/11/94, 12/11/07*)

- (a) On the basis of a student-athlete's athletics ability, performance or contribution to a team's success;
- (b) Because of an injury, illness, or physical or mental medical condition (except as permitted pursuant to Bylaw 15.3.4.2); or (*Revised: 1/14/08*)
- (c) For any other athletics reason.

15.3.4.3.1 Athletically Related Condition Prohibition. An institution may not set forth an athletically related condition (e.g., financial aid contingent upon specified performance or playing a specific position) that would permit the institution to reduce or cancel the student-athlete's financial aid during the period of the award if the conditions are not satisfied. (*Adopted: 1/16/93, Revised: 1/11/94*)

15.3.4.3.2 Decrease Not Permitted. An institution may not decrease a prospective student-athlete's or a student-athlete's financial aid from the time the prospective student-athlete or student-athlete signs the financial aid award letter until the conclusion of the period set forth in the financial aid agreement, except under the conditions set forth in Bylaw 15.3.4.2. (*Adopted: 1/11/94, Revised: 4/2/03 effective 8/1/03*)

15.3.5 Renewals and Nonrenewals.

15.3.5.1 Institutional Obligation. The renewal of institutional financial aid based in any degree on athletics ability shall be made on or before July 1 prior to the academic year in which it is to be effective. The institution shall promptly notify in writing each student-athlete who received an award the previous academic year and who has eligibility remaining in the sport in which financial aid was awarded the previous academic year (under Bylaw 14.2) whether the grant has been renewed or not renewed for the ensuing academic year. Notification of

financial aid renewals and nonrenewals must come from the institution's regular financial aid authority and not from the institution's athletics department. *(Revised: 1/10/95)*

15.3.5.2 Reconsideration of Nonrenewal. It is permissible for an institution that has notified a student-athlete that he or she will not be provided institutional financial aid for the next academic year subsequently to award financial aid to that student-athlete.

15.5 Maximum Institutional Grant-in-Aid Limitations by Sport.

15.5.1 Counters. A student-athlete shall be a counter and included in the maximum awards limitations set forth in this bylaw under the following conditions: *(Revised: 6/10/04, 1/15/11 effective 8/1/11)*

- (a) **Athletics Aid.** A student-athlete who receives financial aid based in any degree on athletics ability shall become a counter for the year during which the student-athlete receives the financial aid; or
- (b) **Educational Expenses—Olympic Committee/National Governing Body.** A student-athlete who receives educational expenses awarded by the U.S. Olympic Committee or a U.S. national governing body (or, for international student-athletes, expenses awarded by the equivalent organization of a foreign country) per Bylaw 15.2.6.4 shall become a counter for the year during which the student-athlete receives the aid.

15.5.1.1 No Athletics Aid—Certification Required. A student-athlete [except for a recruited football or basketball student-athlete (per Bylaw 15.02.8)] who does not receive athletically related financial aid per Bylaw 15.5.1-(a) or 15.5.1-(b) but receives institutional financial aid (as set forth in Bylaw 15.02.4.1) shall not be a counter if the faculty athletics representative and the director of financial aid have certified that the student-athlete's financial aid was granted without regard in any degree to athletics ability. The certification shall be kept on file in the office of the athletics director. *(Revised: 1/15/11 effective 8/1/11)*

15.5.1.1.1 Certification of Institutional Aid Unrelated to Athletics Ability. An institution is not permitted to certify that a student-athlete's institutional financial aid was granted without regard in any degree to athletics ability if athletics participation or achievements were criteria specifically requested as part of the application process for such aid. An institution may certify that a student-athlete's aid was granted without regard in any degree to athletics ability (even if the student-athlete listed athletics participation or achievements as part of his or her extracurricular activities), provided such factors were not specifically requested as part of the application process and were not taken into consideration in awarding the institutional aid to the student-athlete. *(Adopted: 3/8/12)*

15.5.1.2 Football or Basketball, Varsity Competition. In football or basketball, a student-athlete who was recruited (see Bylaw 15.02.8) by the awarding institution and who receives institutional financial aid (as set forth in Bylaw 15.02.4.1) granted without regard in any degree to athletics ability does not have to be counted until the student-athlete engages in varsity intercollegiate competition (as opposed to freshman, B-team, sub-varsity, intramural or club competition) in those sports. For this provision to be applicable, there shall be on file in the office of the athletics director certification by the faculty athletics representative, the admissions officer and the chair of the financial aid committee that the student's admission and financial aid were granted without regard in any degree to athletics ability. *(Revised: 1/16/93 effective 8/1/93, 1/11/94, 6/20/04, 1/15/11 effective 8/1/11)*

15.5.1.2.1 Exception—Receipt of Institutional Academic Aid Only. In football or basketball, a student-athlete who was recruited (see Bylaw 15.02.8) by the awarding institution and whose only source of institutional financial aid is academic aid based solely on the recipient's academic record at the certifying institution, awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by the institution, may compete without counting in the institution's financial aid team limits, provided he or she has completed at least one academic year of full-time enrollment at the certifying institution and has achieved a cumulative grade-point average of at least 3.000 (on a 4.000 scale) at the certifying institution. *(Adopted: 10/27/05 effective 8/1/06, Revised: 1/15/11 effective 8/1/11)*

15.5.1.3 Counter Who Becomes Injured or Ill. A counter who becomes injured or ill to the point that he or she apparently never again will be able to participate in intercollegiate athletics shall not be considered a counter beginning with the academic year following the incapacitating injury or illness.

15.5.1.3.1 Incapacitating Injury or Illness. If an incapacitating injury or illness occurs prior to a prospective student-athlete's or a student-athlete's participation in athletically related activities and results in the student-athlete's inability to compete ever again, the student-athlete shall not be counted within the institution's maximum financial aid award limitations for the current, as well as later, academic years. However, if the incapacitating injury or illness occurs on or after the student-athlete's participation in countable athletically related activities in the sport, the student-athlete shall be counted in the institution's maximum financial aid limitations for the current academic year but need not be counted in later academic years. *(Adopted: 1/10/91, Revised: 3/26/04, 9/18/07)*

15.5.1.3.2 Change in Circumstances. If circumstances change and the student-athlete subsequently practices or competes at the institution at which the incapacitating injury or illness occurred, the student-athlete again shall become a counter, and the institution shall be required to count that financial aid under

the limitations of this bylaw in the sport in question during each academic year in which the financial aid was received. (*Revised: 4/26/01 effective 8/1/01*)

15.5.1.4 Aid Not Renewed, Successful Appeal. If an institution does not renew financial aid for a counter in a following year, and a hearing before the institution's regular financial aid authority results in a successful appeal for restoration of aid, the student-athlete shall continue to be a counter if the individual continues to receive athletically related financial aid. However, the student-athlete shall not be a counter if he or she receives institutionally arranged or awarded, nonathletically related financial aid available to all students, provided such financial aid was granted or arranged without regard in any degree to athletics ability. If the student-athlete ever participates again in intercollegiate athletics at that institution, he or she will be considered to have been a counter during each year the financial aid was received.

15.5.1.5 Cancellation of Aid. Once an individual becomes a counter in a head-count sport (see Bylaws 15.5.2, 15.5.4, 15.5.5, 15.5.6, 15.5.7 and 15.5.8), the individual normally continues as a counter for the remainder of the academic year. However, if he or she voluntarily withdraws from the team prior to the first day of classes or before the first contest of the season (whichever is earlier) and releases the institution from its obligation to provide financial aid, the individual no longer would be considered a counter (see Bylaws 15.5.2.2 and 15.5.6.4.1).

15.5.1.6 Eligibility Exhausted. A student-athlete receiving institutional financial aid after having exhausted his or her eligibility in a sport is not a counter in that sport in later academic years following completion of eligibility in the sport. For this provision to be applicable, the student-athlete is otherwise eligible for the aid and is not permitted to take part in organized, institutional practice sessions in that sport unless the individual has eligibility remaining under the five-year rule. (See Bylaw 15.3.1 for eligibility for financial aid.) (*Revised: 1/10/91*)

15.5.1.6.1 Cross Country/Track and Field. A student-athlete who is awarded athletically related financial aid and who has exhausted eligibility in either cross country, indoor track and field, or outdoor track and field, but has eligibility remaining in any of the other sports, is not a counter in the cross country/track and field financial aid limitations, provided the student-athlete subsequently does not practice or compete in any of the sports that he or she has eligibility remaining in during the academic year in which the aid was awarded. (*Adopted: 6/26/01 effective 8/1/01*)

15.5.1.7 Aid After Departure of Head Coach—Men's Basketball. In men's basketball, a student-athlete who receives athletically related institutional financial aid in later academic years after the departure of a head coach from the institution is not a counter, provided: (*Adopted: 4/29/10 effective 8/1/10*)

- (a) The student-athlete participated in basketball and received athletically related institutional financial aid during the coach's tenure at the institution; and
- (b) The student-athlete does not participate in basketball during the later academic years at the institution.

15.5.1.7.1 Later Participation. If the student-athlete later participates in basketball at the institution, the student-athlete shall become a counter for all years during which athletically related institutional aid was received. (*Adopted: 4/29/10 effective 8/1/10*)

15.5.1.8 Aid After Student-Athlete Becomes Permanently Ineligible. A student-athlete receiving institutional financial aid after becoming permanently ineligible due to a violation of NCAA regulations (e.g., amateurism legislation) may receive athletics aid during later academic years without counting in the institution's financial aid limitations, provided the student-athlete is otherwise eligible for the aid and does not practice or compete in intercollegiate athletics again. If circumstances change and the student-athlete practices or competes, the institution is required to count the financial aid received by the student-athlete during each academic year in which the aid was received (see Bylaw 15.3.1.4). (*Adopted: 1/11/94*)

15.5.1.9 Summer-Term Aid. Institutional financial aid received during a summer term is not countable in these limitations and does not make a student-athlete a counter.

15.5.1.9.1 Exception—Football. [FBS/FCS] In football, a prospective student-athlete who receives athletically related financial aid during a summer term prior to initial full-time enrollment at the certifying institution shall be an initial and overall counter for the ensuing academic year. (See Bylaws 15.02.3 and 15.5.6.) (*Adopted: 1/14/12*)

15.5.1.10 Offers Exceeding Maximum Allowable Awards. An institution may offer more than the maximum number of permissible awards in a sport (per Bylaw 15.5) in anticipation that not all of the offers will be accepted, but the institution shall not exceed the awards limitation in the sport in question.

15.5.1.10.1 Limitation on Number of National Letter of Intent/Offer of Financial Aid Signings—Bowl Subdivision Football. [FBS] In bowl subdivision football, there shall be an annual limit of 25 on the number of prospective student-athletes who may sign a National Letter of Intent or an institutional offer of financial aid from December 1 through May 31. (*Adopted: 1/16/10 effective 8/1/10, Revised: 1/14/12 effective 8/1/12*)

15.5.1.10.1.1 Exception—Counter During Same Academic Year. [FBS] A prospective student-athlete who signs a National Letter of Intent or an institutional offer of financial aid and becomes an initial counter for the same academic year in which the signing occurred (e.g., midyear enrollee) shall not count toward the annual limit on signings. (*Adopted: 1/14/12 effective 8/1/12*)

15.5.2 Head-Count Sports Other Than Football and Basketball.

15.5.2.1 Maximum Limits. An institution shall be limited in any academic year to the total number of counters (head count) in each of the following sports: *(Revised: 1/10/91 effective 8/1/92, 1/9/96 effective 8/1/96)*

Women's Gymnastics.....	12	Women's Volleyball.....	12
Women's Tennis.....	8		

15.5.2.2 Voluntary Withdrawal. An institution may replace a counter who voluntarily withdraws from the team in a head-count sport by providing the financial aid to another student who already has enrolled in the institution and is a member of the team. For this replacement to occur, the counter must withdraw prior to the first day of classes or before the first game of the season, whichever is earlier, and release the institution from its obligation to provide financial aid. The institution may not award the financial aid to another student-athlete in the academic term in which the aid was reduced or canceled. Further, if the financial aid is canceled before a regular academic term (e.g., preseason practice period), the aid may not be provided to another student-athlete during the ensuing academic term.

15.5.2.3 Midyear Replacement—Women's Volleyball. In women's volleyball, the financial aid of a counter who graduates at midyear or who graduates during the previous academic year (including summer) may be provided to another student-athlete without making the second student-athlete a counter for the remainder of that academic year. *(Adopted: 1/11/89, Revised: 1/16/10 effective 8/1/10)*

15.5.2.4 Midyear Graduate Replacement—Women's Gymnastics and Women's Tennis. In women's gymnastics and women's tennis, the financial aid of a counter who graduates at midyear with eligibility remaining and who does not return to the institution for the following academic term may be provided to another student-athlete without making the second student-athlete a counter for the remainder of the academic year. *(Adopted: 4/26/07 effective 8/1/07)*

15.5.3 Equivalency Sports.

15.5.3.1 Maximum Equivalency Limits.

15.5.3.1.1 Men's Sports. There shall be a limit on the value (equivalency) of financial aid awards (per Bylaw 15.02.4.1) that an institution may provide in any academic year to counters in the following men's sports: *(Revised: 1/10/91, 1/10/92, 1/16/93 effective 8/1/93, 4/26/07 effective 8/1/08)*

Cross Country/		Skiing.....	6.3
Track and Field.....	12.6	Soccer.....	9.9
Fencing.....	4.5	Swimming and Diving.....	9.9
Golf.....	4.5	Tennis.....	4.5
Gymnastics.....	6.3	Volleyball.....	4.5
Lacrosse.....	12.6	Water Polo.....	4.5
Rifle.....	3.6	Wrestling.....	9.9

15.5.3.1.2 Women's Sports. There shall be a limit on the value (equivalency) of financial aid awards (per Bylaw 15.02.4.1) that an institution may provide in any academic year to counters in the following women's sports: *(Revised: 1/10/91, 1/10/92 effective 8/1/94, 1/16/93, 1/11/94 effective 9/1/94, 1/9/96 effective 8/1/96, 11/1/01 effective 8/1/02, 4/28/05 effective 8/1/05, 4/28/05 effective 8/1/06, 1/17/09 effective 8/1/09, 1/15/11 effective 8/1/11)*

Equestrian.....	15	Soccer.....	14
Fencing.....	5	Softball.....	12
Field Hockey.....	12	Swimming and Diving.....	14
Golf.....	6	Water Polo.....	8
Lacrosse.....	12		

15.5.3.1.3 Maximum Equivalency Limits—Institutions That Sponsor Cross Country but Do Not Sponsor Track and Field. There shall be a limit of five on the value (equivalency) of financial aid awards (per Bylaw 15.02.4.1) that an institution may provide in any academic year to counters in men's cross country, if the institution does not sponsor indoor or outdoor track and field for men. There shall be a limit of six on the value (equivalency) of financial aid awards (per Bylaw 15.02.4.1) that an institution may provide in any academic year to counters in women's cross country, if the institution does not sponsor indoor or outdoor track and field for women. *(Adopted: 1/10/91 effective 9/1/94, Revised: 1/9/96 effective 8/1/96)*

15.5.3.2 Equivalency Computations. In equivalency sports, each institutional financial aid award (per Bylaw 15.02.4.1) to a counter shall be computed as follows:

- (a) Once a student becomes a counter, the institution shall count all institutional aid (per Bylaw 15.02.4.1) received for room, board, tuition and fees, and books up to the value of a full grant-in-aid. Exempted government grants per Bylaw 15.2.5 and exempted institutional aid per Bylaw 15.02.4.3 specifically are excluded from this computation. *(Revised: 1/9/96 effective 8/1/96, 4/29/04 effective 8/1/04, 10/20/08)*
- (b) A fraction shall be created, with the amount received by the student-athlete (up to the value of a full grant-in-aid) as the numerator and the full grant-in-aid value for that student-athlete as the denominator based on the actual cost or average cost of a full grant for all students at that institution. Financial aid unrelated to athletics ability (see Bylaw 15.1) received by the student-athlete in excess of a full grant-in-aid shall not be included in this computation. *(Revised: 1/10/90, 4/29/04 effective 8/1/04)*
- (c) The sum of all fractional and maximum awards received by counters shall not exceed the total limit for the sport in question for the academic year as a whole.

15.5.3.2.1 Additional Requirements. The following additional requirements shall apply to equivalency computations: *(Revised: 10/20/08)*

- (a) An institution may use either the actual cost or average cost of any or all of the elements (other than books) of the equivalency calculation (room, board, tuition and fees), provided the same method is used in both the numerator and denominator for each element. Either method (or different combinations of methods among elements) may be used for each student-athlete on the same team or for separate teams generally.
- (b) In computing equivalencies for tuition and fees, it is not permissible to average the value of in-state and out-of-state tuition and fees to determine an average cost for tuition and fees.
- (c) Books shall count for calculation purposes as \$800 in the denominator. If a student-athlete receives any portion of a book allowance for the academic year, the institution must use \$800 in the denominator and numerator for books, regardless of the actual cost of the books. If a student-athlete is enrolled for less than a full academic year (e.g., one semester, one or two quarters) and receives any portion of a book allowance, the institution must use the amount in the numerator that is proportionate to the number of terms of enrollment (\$400 for semester systems, \$534 or \$267 for quarter systems). *(Revised: 1/15/11, 10/18/11, 4/17/12 effective 8/1/12)*

15.5.3.2.2 Exceptions.

15.5.3.2.2.1 Academic Honor Awards—Based on High School Record. Academic honor awards that are part of an institution's normal arrangements for academic scholarships, based solely on the recipient's high school record and awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by institutions, are exempt from an institution's equivalency computation, provided the recipient was ranked in the upper 10 percent of the high school graduating class or achieved a cumulative grade-point average of at least 3.500 (based on a maximum of 4.000) or a minimum ACT sum score of 105 or a minimum SAT score of 1200 (critical reading and math). *(Adopted: 1/12/99 effective 8/1/99, Revised: 1/14/08 effective 8/1/08, 1/16/10 effective 8/1/10)*

15.5.3.2.2.1.1 Additional Requirements. The following additional requirements shall be met: *(Adopted: 1/12/99 effective 8/1/99)*

- (a) The awards may include additional, nonacademic criteria (e.g., interviews, essays, need analysis), provided the additional criteria are not based on athletics ability, participation or interests, and the awards are consistent with the pattern of all such awards provided to all students;
- (b) No quota of awards shall be designated for student-athletes;
- (c) Athletics participation shall not be required before or after collegiate enrollment;
- (d) No athletics department staff member shall be involved in designating the recipients of such awards;
- (e) Any additional criteria shall not include athletics ability, participation or interests; and
- (f) There must be on file in the office of the director of athletics certification by the financial aid director or the chair of the financial aid committee that such awards are part of the institution's normal arrangements for academic scholarships, awarded independently of athletics ability, participation and interests, and in amounts consistent with the pattern of all such awards made by the institution.

15.5.3.2.2.1.2 Renewals. The renewal of an academic honor award (per Bylaw 15.5.3.2.2.1) may be exempted from an institution's equivalency computation regardless of whether the recipient qualified for exemption in his or her initial academic year enrollment, provided: *(Adopted: 1/12/99 effective 8/1/99, Revised: 3/18/10)*

- (a) The recipient achieves a cumulative grade-point average of at least 3.000 (based on a maximum of 4.000) at the certifying institution; and
- (b) The recipient meets all NCAA, conference and institutional progress-toward-degree requirements.

15.5.3.2.2.2 Academic Honor Awards—Transfer Students. Academic honor awards that are part of an institution's normal arrangements for academic scholarships, either based solely on the recipient's cumulative academic record from all collegiate institutions previously attended or based on the recipient's high school record and cumulative academic record from all collegiate institutions previously attended, awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by the institution, may be exempted from a team's equivalency computation, provided the recipient achieved a cumulative transferable grade-point average of at least 3.000 (based on a maximum of 4.000). (*Adopted: 1/16/10 effective 8/1/10, Revised: 1/15/11 effective 8/1/11*)

15.5.3.2.2.2.1 Calculation of Grade-Point Average. Grades earned in all courses that are normally transferable to an institution shall be considered in determining the grade-point average for meeting this exception, regardless of the grade earned or whether such grade makes the course unacceptable for transferable-degree credit. (*Adopted: 1/16/10 effective 8/1/10*)

15.5.3.2.2.2.2 Renewals. The renewal of an academic honor award (per Bylaw 15.5.3.2.2.2) may be exempted from an institution's equivalency computation, provided: (*Adopted: 1/16/10 effective 8/1/10*)

- (a) The recipient achieves a cumulative grade-point average of at least 3.000 (based on a maximum of 4.000) at the certifying institution; and (*Revised: 1/15/11 effective 8/1/11*)
- (b) The recipient meets all NCAA, conference and institutional progress-toward-degree requirements.

15.5.3.2.2.3 Institutional Academic Scholarships. Institutional academic scholarships that are part of an institution's normal arrangements for academic scholarships, based solely on the recipient's academic record at the certifying institution, awarded independently of athletics interests and in amounts consistent with the pattern of all such awards made by the institution, are exempt from an institution's equivalency computation, provided the recipient has completed at least one academic year of full-time enrollment at the certifying institution and has achieved a cumulative grade-point average of at least 3.000 (on a 4.000 scale) at the certifying institution. (*Adopted: 10/27/05 effective 8/1/06, Revised: 1/15/11 effective 8/1/11*)

15.5.3.2.3 Cancellation of Athletically Related Aid. If a student-athlete is dismissed from or voluntarily withdraws from a team and his or her athletically related financial aid is canceled (see Bylaws 15.3.2.3 and 15.3.4.2) during an academic term, all other countable financial aid the student-athlete receives during the remainder of the term is countable toward the student-athlete's equivalency for the academic year; however, the institution is not required to count other countable financial aid toward the student-athlete's equivalency during any remaining terms of the academic year. If a student-athlete is dismissed from or voluntarily withdraws from a team and his or her athletically related financial aid is canceled at the end of an academic term, the institution is not required to count other countable financial aid toward the student-athlete's equivalency during any remaining terms of the academic year. (*Adopted: 12/13/05*)

15.5.4 Baseball Limitations. There shall be an annual limit of 11.7 on the value of financial aid awards (equivalencies) to counters and an annual limit of 27 on the total number of counters in baseball at each institution. (*Adopted: 4/26/07 effective 8/1/08*)

15.5.4.1 Minimum Equivalency Value. An institution shall provide each counter athletically related and other countable financial aid that is equal to or greater than 25 percent of an equivalency. (*Adopted: 4/26/07 effective 8/1/08 for student-athletes who initially enroll full time at any four-year collegiate institution on or after 8/1/08, Revised: 8/9/07*)

15.5.4.1.1 Exception—Need-Based Athletics Aid Only. In baseball, an institution that awards athletically related financial aid based solely on demonstrated financial need, as determined for all students by the institution's financial aid office using methodologies that conform to federal, state and written institutional guidelines (including institutional financial aid that is considered athletically related financial aid based on the intervention of athletics department staff), is not subject to the 25 percent minimum equivalency value per counter. (*Adopted: 1/14/08 effective 8/1/08*)

15.5.4.1.2 Exception—Final Year of Eligibility and Not Previously Aided. An institution may provide less than 25 percent of an equivalency to a student-athlete, provided the student-athlete is in the final year of eligibility and has not previously received athletically related financial aid in baseball at any collegiate institution. (*Adopted: 4/26/12 effective 8/1/12, 8/20/12*)

15.5.5 Basketball Limitations.

15.5.5.1 Men's Basketball. There shall be a limit of 13 on the total number of counters in men's basketball at each institution. (*Adopted: 1/10/91 effective 8/1/92, Revised: 4/27/00 effective 8/1/01, 11/01/01, 4/29/04 effective 8/1/04*)

15.5.5.2 Women's Basketball. There shall be an annual limit of 15 on the total number of counters in women's basketball at each institution. (*Adopted: 1/10/91 effective 8/1/92, Revised: 1/10/92 effective 8/1/93, 1/16/93*)

15.5.6 Football Limitations.

15.5.6.1 Bowl Subdivision Football. [FBS] There shall be an annual limit of 25 on the number of initial counters (per Bylaw 15.02.3.1) and an annual limit of 85 on the total number of counters (including initial counters) in football at each institution. *(Revised: 1/10/91 effective 8/1/92, 12/15/06)*

15.5.6.2 Championship Subdivision Football. [FCS] There shall be an annual limit of 30 on the number of initial counters (per Bylaw 15.02.3.1), an annual limit of 63 on the value of financial aid awards (equivalencies) to counters, and an annual limit of 85 on the total number of counters (including initial counters) in football at each Football Championship Subdivision institution. *(Revised: 1/10/91 effective 8/1/92, 12/15/06)*

15.5.6.2.1 Exception—Championship Subdivision. [FCS] Championship subdivision football programs that meet the following criteria are exempt from the championship subdivision football counter and initial-counter requirements of Bylaws 15.5.1 and 15.5.6, regardless of multi-sport student-athletes who receive athletics aid in a sport(s) other than football: *(Adopted: 1/11/94 effective 8/1/94, Revised: 1/10/95, 12/15/06)*

- (a) In football, the institution awards financial aid only to student-athletes who demonstrate financial need, except loans, academic honor awards, nonathletics achievement awards, or certain aid from outside sources may be provided without regard to financial need; *(Revised: 10/31/02 effective 8/1/03)*
- (b) The institution uses methodologies for analyzing need that conform to federal, state and written institutional guidelines. The methodologies used to determine the need of a student-athlete must be consistent with the methodologies used by the institution's financial aid office for all students; and *(Revised: 1/10/95)*
- (c) The composition of the financial aid package offered to football student-athletes is consistent with the policy established for offering financial assistance to all students. The financial aid packages for football student-athletes also shall meet the following criteria:
 - (1) The institution shall not consider athletics ability as a criterion in the formulation of any football student-athlete's financial aid package; and
 - (2) The procedures used to award financial aid to football student-athletes must be the same as the existing financial aid procedures used for all students at the institution.

15.5.6.3 Initial Counters—Football (Also see Bylaw 15.02.3.1).

15.5.6.3.1 Recruited Student-Athlete Entering in Fall Term, Aided in First Year. [FBS/FCS] A student-athlete recruited (see Bylaw 15.02.8) by the awarding institution who enters in the fall term and receives institutional financial aid (based in any degree on athletics ability) during the first academic year in residence shall be an initial counter for that year in football. Therefore, such aid shall not be awarded if the institution has reached its limit on the number of initial counters prior to the award of institutional financial aid to the student-athlete. *(Revised: 1/15/11 effective 8/1/11)*

15.5.6.3.2 Recruited Student-Athlete Entering After Fall Term, Aided in First Year. [FBS/FCS] A student-athlete recruited (per Bylaw 15.02.8) by the awarding institution who enters after the first term of the academic year and immediately receives institutional financial aid (based in any degree on athletics ability) shall be an initial counter for either the current academic year (if the institution's annual limit has not been reached) or the next academic year. The student-athlete shall be included in the institution's total counter limit during the academic year in which the aid was first received. *(Revised: 1/15/11 effective 8/1/11)*

15.5.6.3.3 Recruited Student-Athlete, Aid Received After First Year. [FBS/FCS] A recruited student-athlete (per Bylaw 15.02.8) (including a student-athlete who was not a qualifier) who first receives athletically related financial aid after the student-athlete's first academic year in residence shall be an initial counter for that academic year in which the aid is first received, if such aid is received during the fall term. However, such a student-athlete who first receives athletically related financial aid in the second or third term of an academic year may be considered an initial counter during the academic year in which aid was first received or the next academic year. In either case, the student-athlete shall be included in the institution's total counter limit during the academic year in which the aid was first received. *(Revised: 1/3/06, 1/15/11 effective 8/1/11)*

15.5.6.3.4 Nonrecruited Student-Athlete Receiving Institutional Financial Aid. [FBS/FCS] A student-athlete not recruited (per Bylaw 15.02.8) by the institution who receives institutional financial aid (based in any degree on athletics ability) after beginning football practice becomes a counter but need not be counted as an initial counter until the next academic year if the institution has reached its initial limit for the year in question. However, the student-athlete shall be considered in the total counter limit for the academic year in which the aid was first received. *(Revised: 1/15/11 effective 8/1/11)*

15.5.6.3.5 Midyear Replacement. [FBS/FCS] A counter who graduates at midyear or who graduates during the previous academic year (including summer) may be replaced by an initial counter, who shall be counted against the initial limit either for the year in which the aid is awarded (if the institution's annual limit has not been reached) or for the following academic year, or by a student-athlete who was an initial counter in a previous academic year and is returning to the institution after time spent on active duty in the

armed services or on an official religious mission. In bowl subdivision football, an institution may use the midyear replacement exception only if it previously has provided financial aid during that academic year to the maximum number of overall counters (85 total counters). In championship subdivision football, an institution may use the midyear replacement exception only if it previously has provided financial aid during that academic year that equals the maximum number of overall equivalencies or overall counters. (Revised: 4/20/99 effective 8/1/99, 6/8/99, 4/26/01 effective 8/1/01, 8/2/05, 12/15/06, 1/14/08 effective 8/1/08, 4/2/10, 1/15/11)

15.5.6.3.6 Aid First Awarded After Second Year. [FBS/FCS] A student-athlete who has been in residence at the certifying institution for at least two academic years may receive athletically related financial aid for the first time without such aid counting as an initial award, provided the aid falls within the overall grant limitation. (Adopted: 1/11/89, Revised: 1/10/90 effective 8/1/90)

15.5.6.3.7 Recruited Student-Athlete, Varsity Competition. [FBS/FCS] In accordance with Bylaw 15.5.1.2, a recruited student-athlete (per Bylaw 15.02.8) receiving institutional financial aid certified as having been granted without regard in any degree to athletics ability becomes an initial counter in the first academic year in which the student-athlete competes on the varsity level. (See Bylaw 15.5.1.2.1.) (Revised: 10/27/05 effective 8/1/06, 1/15/11 effective 8/1/11)

15.5.6.3.8 Returning Two-Year Transfer. [FBS/FCS] A student-athlete who previously was an initial counter and who transferred to a two-year college shall not be an initial counter upon return to the original institution.

15.5.6.3.9 Delayed Initial Counter Who Does Not Return to School. [FBS/FCS] A student-athlete who receives countable financial aid but whose status as an initial counter under this bylaw is delayed until the following academic year shall be counted against the initial limit the following academic year, regardless of whether the student-athlete reports for participation or attends the institution in that academic year.

15.5.6.4 Exceptions.

15.5.6.4.1 Voluntary Withdrawal. [FBS/FCS] An institution may replace a counter who voluntarily withdraws from the football team by providing the financial aid to another student who already has enrolled in the institution and is a member of the football squad. For this replacement to occur, the counter must withdraw prior to the first day of classes or before the first game of the season, whichever is earlier, and provide the institution with a signed statement releasing the institution from its obligation to provide institutional financial aid and verifying the voluntary nature of the withdrawal. The institution may immediately (beginning with the fall term) award the financial aid to a student-athlete who has been a member of the team for at least one academic year and has not previously received athletically related financial aid. A student-athlete who has not been a member of the team for at least one academic year may not receive the financial aid during the fall term, but may receive it in a following term (e.g., spring semester, winter quarter). (Revised: 4/28/05 effective 8/1/05)

15.5.6.4.2 Sprint Football. [FBS/FCS] Participants in sprint football programs who do not participate in the institution's regular varsity intercollegiate program shall not be counted in the institution's financial aid limitations.

15.5.7 Ice Hockey Limitations. There shall be an annual limit of 18 on the value of financial aid awards (equivalencies) to counters and an annual limit of 30 on the total number of counters in ice hockey at each institution. (Adopted: 1/16/93 effective 8/1/93)

15.5.8 Women's Sand Volleyball Limitations.

15.5.8.1 Institutions That Sponsor Women's Sand Volleyball and Women's Volleyball. If an institution sponsors women's sand volleyball and women's volleyball, the annual limit on the value of financial aid awards (equivalencies) provided to counters and the annual limit on the total number of counters in women's sand volleyball shall be: (Adopted: 1/15/11 effective 8/1/11)

- (a) During the 2012-13 academic year, four equivalencies and 14 counters;
- (b) During the 2013-14 academic year, five equivalencies and 14 counters; and
- (c) During the 2014-15 academic year and thereafter, six equivalencies and 14 counters.

15.5.8.2 Institutions That Sponsor Women's Sand Volleyball but Do Not Sponsor Women's Volleyball. If an institution does not sponsor women's volleyball, there shall be an annual limit of eight on the value of financial aid awards (equivalencies) provided to counters and an annual limit of 14 on the total number of counters in women's sand volleyball. (Adopted: 1/15/11 effective 8/1/11)

15.5.9 Multi-Sport Participants.

15.5.9.1 Football. [FBS/FCS] In football, a counter who was recruited (per Bylaw 15.02.8) and/or offered financial aid to participate in football and who participates (practices or competes) in football and one or more sports (including basketball) shall be counted in football. A counter who was not recruited (per Bylaw 15.02.8) and/or offered financial aid to participate in football and who competes in football and one or more sports (in-

cluding basketball) shall be counted in football. *(Revised: 1/10/95 effective 8/1/95, 1/9/96 effective 8/1/96, 1/15/11 effective 8/1/11)*

15.5.9.1.1 Initial Counter. [FBS/FCS] A counter who previously has not been counted in football shall be considered an initial counter even though the student-athlete already has received countable financial aid in another sport.

15.5.9.1.2 Championship Subdivision Football Exception. [FCS] A counter who practices or competes in football at a Football Championship Subdivision institution that elects to use the football counter and initial-counter exception set forth in Bylaw 15.5.6.2.1 and who practices or competes in another sport and receives countable financial aid in another sport shall be counted in the institution's financial aid limitations in the other sport. *(Adopted: 1/10/95, Revised: 12/15/06)*

15.5.9.2 Basketball. A counter who practices or competes in basketball and one or more other sports (other than football) shall be counted in basketball.

15.5.9.3 Ice Hockey, Men's. A counter who practices or competes in men's ice hockey and one or more other sports (other than football or basketball) shall be counted in men's ice hockey. *(Adopted: 1/16/93 effective 8/1/93)*

15.5.9.4 Swimming and Diving/Water Polo, Men's. A counter who practices or competes in both men's swimming and diving and men's water polo at a member institution shall be counted in men's swimming and diving, unless he counts in football or basketball.

15.5.9.5 Volleyball, Women's. A counter who practices or competes in women's volleyball and one or more other sports (other than basketball) shall be counted in women's volleyball.

15.5.9.5.1 Participation in Women's Volleyball in Second Year of Enrollment After Counter Status in Women's Sand Volleyball in First Year of Enrollment. A student-athlete who was a counter in women's sand volleyball during her initial year of full-time enrollment at the certifying institution and participates (practices and competes) in women's volleyball during her second year of full-time enrollment at the certifying institution shall be a counter in women's volleyball for her initial year of full-time enrollment at the certifying institution. *(Adopted: 1/15/11 effective 8/1/11)*

15.5.9.6 Two-Year Exception. If an individual has participated in a sport other than basketball, field hockey or women's volleyball for two years or more since the individual's initial collegiate enrollment and would be involved only in basketball, field hockey or women's volleyball practice sessions, such a student would not become a counter in those sports until the student actually competes as a member of that institution's intercollegiate team, at either the varsity or junior varsity level. *(Revised: 1/10/95 effective 8/1/95, 1/9/96 effective 8/1/96)*

15.5.9.7 Other Sports. Except as otherwise provided in this section, a counter who participates in two or more sports shall be counted in one of the sports but shall not be counted in the others.

15.5.9.7.1 Requirement to Qualify as Multi-Sport Athlete. [FBS/FCS] To be considered a multiple-sport athlete under this section, an individual must meet all of the following requirements:

- (a) The individual shall report and participate fully in regularly organized practice with each squad;
- (b) The individual shall participate where qualified in actual competition in each sport;
- (c) The individual shall be a member of each squad for the entire playing and practice season; and
- (d) If a recruited student-athlete (per Bylaw 15.02.8), the individual shall have been earnestly recruited to participate in the sport in which financial aid is counted (the institution recruiting the student-athlete shall have a reasonable basis to believe that the student-athlete is capable of participating in the institution's varsity intercollegiate program in that sport, including documentation of a record of previous participation in organized competition in the sport that supports the student-athlete's potential to participate in that sport in varsity intercollegiate competition). *(Revised: 1/15/11 effective 8/1/11)*

15.5.10 Changes in Participation. If a student-athlete changes sports during an academic year, the student-athlete's financial aid shall be counted in the maximum limitations for the first sport for the remainder of the academic year. If the student-athlete continues to receive financial aid, the award shall be counted the next academic year against the maximum limitations in the second sport. A student-athlete shall be counted as an initial counter in football during the year in which the student-athlete first becomes countable in that sport, regardless of whether countable financial aid was received previously for another sport. *(Revised: 4/3/02)*

15.5.11 Squad List.

15.5.11.1 Eligibility Requirement. To be eligible to represent an institution in intercollegiate athletics competition, a student-athlete shall be included on the institution's squad-list form. **[D]**

15.5.11.2 Squad-List Form. The member institution's athletics director shall compile a list, on a form maintained by the Awards, Benefits, Expenses and Financial Aid Cabinet and approved by the Legislative Council, of the squad members in each sport on the first day of competition and shall indicate thereon the status of each member in the categories listed. **[D]** *(Revised: 11/1/07 effective 8/1/08, 7/30/10)*

15.5.11.2.1 Procedures. The following procedures shall be used for the squad list: **[D]** (*Revised: 7/30/10*)

- (a) The forms shall be kept on file in the office of the athletics director, and such file shall be available for examination upon request by an authorized representative of another member institution, the NCAA, and, if the institution is a member of a conference, an authorized representative of the conference;
- (b) A supplementary form may be filed to add names of persons not initially on the squad or to indicate a change of status; (*Revised: 1/9/06 effective 8/1/06*)
- (c) A student-athlete's name must be on the official institutional form to qualify to represent the institution in intercollegiate athletics; and
- (d) The athletics director shall sign the form for each sport. The head coach in each sport shall sign the form for the applicable sport. (*Revised: 1/9/06 effective 8/1/06*)

15.5.11.3 Drug-Testing Consent-Form Requirement. Any student-athlete who signs a drug-testing consent form must be included on the institution's squad-list form, and any student-athlete who is included on the squad-list form must have signed a drug-testing consent form pursuant to Bylaw 14.1.4. **[D]** (*Adopted: 1/10/92 effective 8/1/92*)

FIGURE 15-2
How to Determine a Counter

1. Per Bylaw 15.02.8.
2. In football, a prospective student-athlete who receives athletically related financial aid during a summer term prior to initial full-time enrollment at the certifying institution shall be an initial and overall counter for the ensuing academic year.
3. Recruited student-athlete (per Bylaw 15.02.8) who is a varsity football or basketball team member but does not compete: Admission and financial aid must be certified as unrelated to athletics ability (Bylaw 15.5.1.2).
4. Recruited student-athlete (per Bylaw 15.02.8) participating in sport other than football or basketball: Financial aid must be certified as unrelated to athletics ability (Bylaw 15.5.1.1).
5. Nonrecruited student-athlete (per Bylaw 15.02.8) participating in any sport: Financial aid must be certified as unrelated to athletics ability (Bylaw 15.5.1.1).

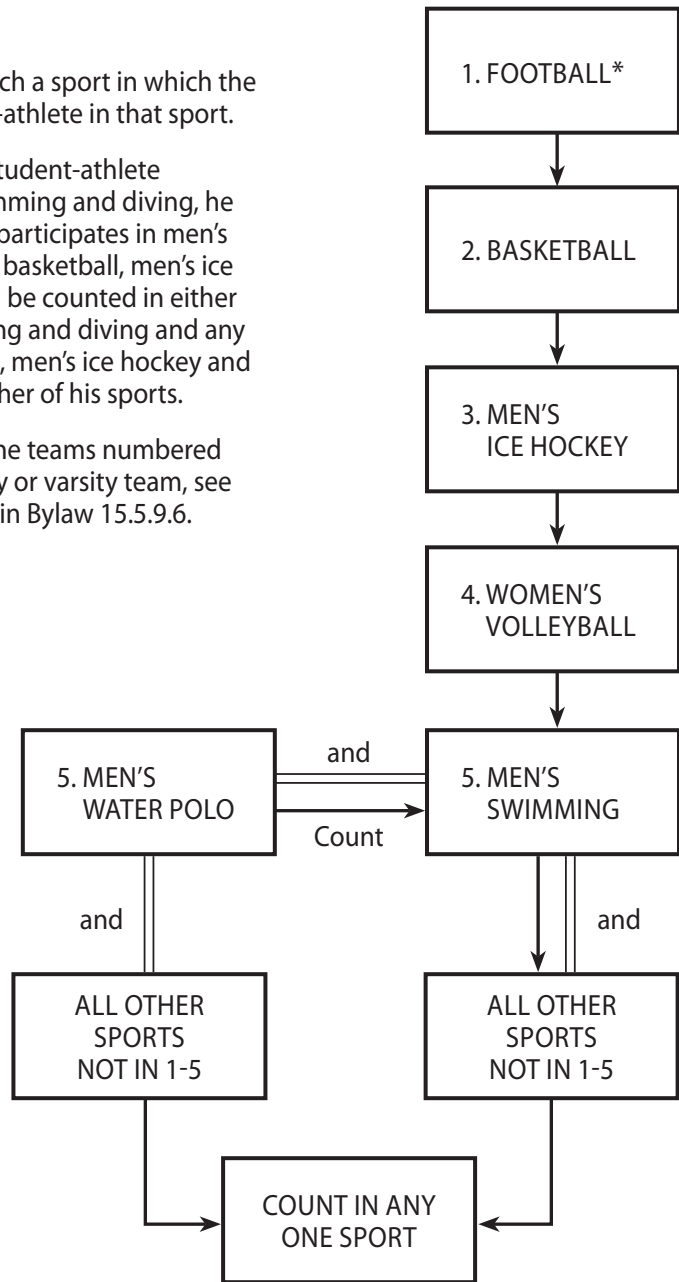

FIGURE 15-3
Where To Count Student-Athletes Who Participate
in More Than One Intercollegiate Sport

DIRECTIONS:

Start at 1, football, and keep going until you reach a sport in which the student-athlete participates. Count the student-athlete in that sport.

Note the alternatives for men's water polo. If a student-athlete participates in men's water polo and men's swimming and diving, he is counted in men's swimming and diving. If he participates in men's water polo and any sport except football, men's basketball, men's ice hockey and men's swimming and diving, he can be counted in either of his sports. If he participates in men's swimming and diving and any other sport except for football, men's basketball, men's ice hockey and men's water polo, then he can be counted in either of his sports.

For student-athletes who practice with one of the teams numbered 1-2 and 4 but do not compete on a junior varsity or varsity team, see the information on the two-year exception rule in Bylaw 15.5.9.6.

*In football, a counter who was not recruited (per Bylaw 15.02.8) and/or offered financial aid to participate in football and who competes in football and one or more sports (including basketball) must be counted in the sport of football (see Bylaw 15.5.9.1).

BYLAW, ARTICLE 16

Awards, Benefits and Expenses for Enrolled Student-Athletes

16.01 General Principles.

16.01.1 Eligibility Effect of Violation. A student-athlete shall not receive any extra benefit. Receipt by a student-athlete of an award, benefit or expense allowance not authorized by NCAA legislation renders the student-athlete ineligible for athletics competition in the sport for which the improper award, benefit or expense was received. If the student-athlete receives an extra benefit not authorized by NCAA legislation, the individual is ineligible in all sports.

16.01.1.1 Restitution for Receipt of Impermissible Benefits. Unless otherwise noted, for violations of Bylaw 16 in which the value of the benefit is \$100 or less, the eligibility of the student-athlete shall not be affected conditioned upon the student-athlete repaying the value of the benefit to a charity of his or her choice. The student-athlete, however, shall remain ineligible from the time the institution has knowledge of receipt of the impermissible benefit until the student-athlete repays the benefit. For violations of Bylaw 16 in which there is no monetary value to the benefit, violations shall be considered institutional violations per Constitution 2.8.1; however, such violations shall not affect the student-athlete's eligibility. *(Adopted: 11/1/01, Revised: 8/5/04)*

16.02 Definitions and Applications.

16.02.1 Award. An award is an item given in recognition of athletics participation or performance. Such awards are subject to the limitations set forth in Bylaw 16.1.

16.02.2 Excessive Expense. An excessive expense is one not specifically authorized under regulations of the Association concerning awards, benefits and expenses.

16.02.3 Extra Benefit. An extra benefit is any special arrangement by an institutional employee or representative of the institution's athletics interests to provide a student-athlete or the student-athlete family member or friend a benefit not expressly authorized by NCAA legislation. Receipt of a benefit by student-athletes or their family members or friends is not a violation of NCAA legislation if it is demonstrated that the same benefit is generally available to the institution's students or their family members or friends or to a particular segment of the student-body (e.g., international students, minority students) determined on a basis unrelated to athletics ability. *(Revised: 1/10/91, 1/19/13 effective 8/1/13)*

16.02.4 Family Member. For purposes of Bylaw 16, a family member is an individual with any of the following relationships to a student-athlete: spouse, parent or legal guardian, child, sibling, grandparent, domestic partner or any individual whose close association with the student-athlete is the practical equivalent of a family relationship. *(Adopted: 1/19/13 effective 8/1/13)*

16.02.5 Pay. Pay is the receipt of funds, awards or benefits not permitted by governing legislation of the Association for participation in athletics. (See Bylaw 12.1.2.1 for explanation of forms of pay prohibited under the Association's amateur-status regulations.)

16.1 Awards.

16.1.1 Application of Awards Legislation.

16.1.1.1 Awards Received for Participation While Not Representing the Institution. Awards received by an individual for participation in competition while not representing the institution shall conform to the rules of the amateur sports organization that governs the competition, but may not include cash (or cash equivalents) that exceeds actual and necessary expenses (see Bylaw 12.1.2.4). *(Revised: 1/19/13 effective 8/1/13)*

16.1.1.2 Awards Received for Participation While Representing the Institution. The awards limitations of Bylaw 16.1 apply to awards received by a student-athlete for participation in competition while representing his or her institution. Such awards may not include cash or cash equivalents, gift certificates or gift cards that are redeemable for cash (original amount or any balance thereof), or a country club or sports club membership. [R] *(Revised: 4/28/10, 1/19/13 effective 8/1/13)*

16.1.2 Uniformity of Awards. Awards presented by a member institution, conference or other approved agency must be uniform for all team members receiving the award. [R]

16.1.3 Transfer of Nonpermissible Award. Cash or any other award that an individual could not receive under NCAA legislation may not be forwarded in the individual's name to a different individual or agency (e.g., a collegiate institution).

16.1.4 Types of Awards, Awarding Agencies, Maximum Value and Numbers of Awards. Athletics awards given to individual student-athletes shall be limited to those approved or administered by the member institution, its conference or an approved agency as specified in the following subsections and shall be limited in value and number as specified in this section. Awards received for intercollegiate athletics participation may not be sold, exchanged or assigned for another item of value, even if the student-athlete's name or picture does not appear on the award. Each of the following subsections is independent of the others so that it is permissible for an individual student-athlete to receive the awards described in all subsections. [R] (Revised: 9/12/03)

16.1.4.1 Participation Awards. Awards for participation in intercollegiate athletics may be presented each year, limited in value and number as specified in Figure 16-1. Awards for participation in special events may be provided only to student-athletes eligible to participate in the competition. [R] (Revised: 4/25/02 effective 8/1/02, 3/8/12, 1/19/13 effective 8/1/13)

16.1.4.1.1 Senior Scholar-Athlete Award. An institution may provide a maximum of two senior scholar-athlete awards each year to graduating seniors. The award may consist of a tangible item valued at not more than \$175 and a postgraduate scholarship not to exceed \$10,000. The postgraduate scholarship shall be used for graduate studies at the recipient's choice of institution and shall be disbursed directly to that institution. Such a scholarship only may be awarded to a student-athlete who has completed the requirements for a baccalaureate degree. A student-athlete who has received an institutional postgraduate scholarship as part of a senior scholar-athlete award shall no longer be eligible to participate in intercollegiate athletics, except that the student may complete the remainder of any season currently in progress at the time of the award (e.g., postseason competition in the spring sport that occurs after graduation). [R] (Adopted: 4/25/02, Revised: 6/1/06, 1/14/08)

16.1.4.1.2 Special Event Participation Awards Based on Level of Achievement. Special event participation awards may include awards that are based on a level of achievement (e.g., all-tournament award, finalist award, place-finish award) in the event, provided the awards are uniform within each level and the combined value of all awards received for participation in the particular type of special event (e.g., conference championship; other established meets, tournaments and featured individual competition) does not exceed the maximum permissible value of such awards (see Figure 16-1). (Adopted: 1/10/13)

16.1.4.2 Awards for Winning Conference and National Championships. Awards for winning an individual or team conference or national championship may be presented each year, limited in value and number as specified in Figure 16-2. Awards for winning a conference or national championship in a team sport may be provided only to student-athletes who were eligible to participate in the championship event. The total value of any single award received for a national championship may not exceed \$415. The total value of any single award received for a conference championship may not exceed \$325, and each permissible awarding agency is subject to a separate \$325 limit per award. Each permissible awarding agency may provide only a single award for each championship to each student-athlete. Separate awards may be presented to both the regular-season conference champion and the postseason conference champion (with a separate \$325 limitation), but if the same institution wins both the regular-season and postseason conference championship, the combined value of both awards shall not exceed \$325. [R] (Revised: 4/25/02 effective 8/1/02)

16.1.4.3 Special Achievement Awards. Awards may be provided each year to individual student-athletes and teams to recognize special achievements, honors and distinctions, limited in value and number as specified in Figure 16-3. [R] (Revised: 4/25/02 effective 8/1/02)

16.1.4.4 Local Civic Organization. A local civic organization (e.g., Rotary Club, Touchdown Club) may provide awards to a member institution's team(s), provided such awards are approved by the institution and are counted in the institution's limit for institutional awards. [R] (Adopted: 1/10/92, Revised: 1/9/96 effective 8/1/96, 6/11/09)

16.1.5 Purchase Restrictions.

16.1.5.1 Assignment of Normal Retail Value. Normal retail value shall be assigned as the value of an award when determining whether an award meets specified value limits, even when a member institution receives institutional awards from an athletics representative or organization free of charge or at a special reduced rate. Normal retail value is the cost to the institution that is based solely on volume and is available to all purchasers of a similar volume and that does not involve an obligation to make additional purchases to enable the supplier to recover the costs for the original purchase. (Adopted: 1/16/93)

16.1.5.2 Supplementary-Purchase Arrangement. An institution may not enter into a supplementary-purchase arrangement with an awards supplier whereby the supplier agrees to sell an award (e.g., a watch or ring) at a price below the maximum amount specified by NCAA legislation with the understanding that the institution will make additional purchases of other unrelated items to enable the supplier to recover the costs for the original purchase. Such an arrangement would exceed the specific-value limitations placed on permissible awards. [R]

16.1.5.3 Combining Values. An institution may not combine the value limits of awards given in a sport during the same season, or given to athletes who participate in more than one sport, to provide an award more expensive than permissible under separate application to some or all of its participating student-athletes. [R]

16.1.5.4 Student-Athlete Contribution to Purchase. The value of an award may not exceed specified value limits, and a student-athlete may not contribute to its purchase in order to meet those limits. [R]

16.1.6 Institutional Awards Banquets. An institution may conduct awards banquets to commemorate the athletics and/or academic accomplishments of its student-athletes. *(Revised: 1/9/96 effective 8/1/96)*

16.1.6.1 Booster Club Recognition Banquet. One time per year, an institution's athletics booster club may finance an intercollegiate team's transportation expenses to a recognition banquet, provided all expenses are paid through the institution's athletics department, the location of the event is not more than 100 miles from the campus and no tangible award is provided to members of the team. However, the contests must be at the site at which the institution's team participates.

16.2.1.2 General Regulations. Complimentary admissions shall be provided only through a pass list for individuals designated by the student-athlete. "Hard tickets" shall not be issued. A violation of this administrative procedure shall be considered an institutional violation per Constitution 2.8.1; however, such a violation shall not affect the student-athlete's eligibility. The student-athlete's eligibility shall be affected by involvement in action contrary to the provisions of Bylaws 16.2.1.1 and 16.2.2.1 (receipt of more than the permissible four complimentary admissions or the sale or exchange of a complimentary admission for any item of value). *(Revised: 1/11/94 effective 8/1/94, 1/14/08)*

16.2.1.2.1 Issuance Procedures. The individual using the complimentary admission must present identification to the person supervising the use of the pass list at the admission gate. 16.2.2.5 Professional Sports Tickets. An institution or any representative of its athletics interests may not purchase or otherwise obtain tickets to a professional sports event and make these tickets available to student-athletes enrolled in an NCAA member institution. Playing and Practice Seasons

17.01 General Principles.

17.01.1 Institutional Limitations. A member institution shall limit its organized practice activities, the length of its playing seasons and the number of its regular-season contests and/or dates of competition in all sports, as well as the extent of its participation in noncollegiate-sponsored athletics activities, to minimize interference with the academic programs of its student-athletes (see Figures 17-1 and 17-2).

17.01.2 Additional Playing and Practice Seasons Limitations. The Committee on Academic Performance shall have the authority to determine the circumstances that would require an institution or team(s) that fails to satisfy the academic performance program to apply additional playing and practice seasons limitations. The committee shall establish and annually publish to the membership such circumstances (see Bylaw 14.12). *(Adopted: 1/9/06 effective 8/1/07)*

17.02 Definitions and Applications.

17.02.1 Countable Athletically Related Activities. Countable athletically related activities include any required activity with an athletics purpose involving student-athletes and at the direction of, or supervised by, one or more of an institution's coaching staff (including strength and conditioning coaches) and must be counted within the weekly and daily limitations under Bylaws 17.1.6.1 and 17.1.6.2. Administrative activities (e.g., academic meetings, compliance meetings) shall not be considered as countable athletically related activities. *(Adopted: 1/10/91 effective 8/1/91, Revised: 10/31/02 effective 8/1/03)*

17.02.2 Contest. A contest is any game, match, exhibition, scrimmage or joint practice session with another institution's team, regardless of its formality, in which competition in a sport occurs between an intercollegiate athletics team or individual representing a member institution and any other team or individual not representing the intercollegiate athletics program of the same member institution. *(Revised: 1/10/91)*

17.02.3 Contest, Countable, Institutional. A countable contest for a member institution, in those sports for which the limitations are based on the number of contests, is any contest by the member institution against an outside team in that sport, unless a specific exemption for a particular contest is set forth in this bylaw. Contests, including scrimmages, by separate squads of the same team against different outside teams shall each count as one contest.

17.02.4 Contest, Countable, Individual Student-Athlete. A countable contest for an individual student-athlete in a sport is any contest in which the student-athlete competes while representing the member institution (see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team of the institution in that sport, unless a specific exemption for a particular contest is set forth in this bylaw.

17.02.5 Date of Competition. A date of competition is a single date on which any game(s), match(es), meet(s), exhibition(s), scrimmage(s) or joint practice session(s) with another institution's team takes place, regardless of its formality, between an intercollegiate athletics team or individual representing a member institution and any other team or individual not representing the intercollegiate athletics program of the same member institution. *(Revised: 1/10/91)*

17.02.6 Date of Competition, Countable, Institutional. A countable date of competition for a member institution, in those sports for which the limitations are based on the number of dates of competition, is a single date on which the institution's team in a sport engages in competition in that sport against an outside team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.6.1 Required Minimum Number of Student-Athletes. For individual sports, a member institution shall be considered to have participated in competition that constitutes a date of competition if the minimum number of student-athletes participating on one or more teams, at one or more sites, on behalf of the institution on that date equals or exceeds the minimum number established for that sport, unless otherwise restricted in this bylaw for a particular sport (e.g., golf, tennis). (See Bylaw 20.9.6.3 for listings of minimum numbers of student-athletes per sport.)

17.02.7 Date of Competition, Countable, Individual Student-Athlete. A countable date of competition for an individual student-athlete is any date on which a student-athlete competes while representing the

institution (see Bylaw 17.02.8) individually or as a member of the varsity, subvarsity or freshman team, unless a specific exemption for a particular date of competition is set forth in this bylaw.

17.02.8 Intercollegiate Competition. Intercollegiate competition is considered to have occurred when a student-athlete in either a two-year or a four-year collegiate institution does any of the following: (*Revised: 1/10/95*)

- (a) Represents the institution in any contest against outside competition, regardless of how the competition is classified (e.g., scrimmage, exhibition or joint practice session with another institution's team) or whether the student is enrolled in a minimum full-time program of studies; (*Revised: 1/10/91*)
- (b) Competes in the uniform of the institution, or, during the academic year, uses any apparel (excluding apparel no longer used by the institution) received from the institution that includes institutional identification; or (*Revised: 1/16/93, 1/11/94, 1/9/06*)
- (c) Competes and receives expenses (e.g., transportation, meals, room or entry fees) from the institution for the competition.

17.02.8.1 Exempted Events. Participation in events listed in Bylaw 16.8.1.1 is exempted from the application of this legislation. (*Revised: 1/10/92*)

17.02.8.2 Participation on an Institution's Club Team. Participation on a collegiate institution's club team is exempted from the application of this legislation, provided the institution did not sponsor the sport on the varsity intercollegiate level at the time of participation. (*Adopted: 6/24/09*)

17.02.9 Outside Competition. Outside competition is athletics competition against any other athletics team (including an alumni team) that does not represent the intercollegiate athletics program of the same institution.

17.02.10 Outside Team. An outside team is any team that does not represent the intercollegiate athletics program of the member institution or a team that includes individuals other than eligible student-athletes of the member institution (e.g., members of the coaching staff, ineligible student-athletes, members of the faculty).

17.02.11 Practice Units. In determining the first permissible preseason practice date, an institution shall count back from its first scheduled contest, one unit for each day beginning with the opening of classes, one unit for each day classes are not in session in the week of the first scheduled intercollegiate contest and two units for each other day in the preseason practice period, except that the institution shall not count any units during the preseason when all institutional dormitories are closed, the institution's team must leave campus, and practice is not conducted. (*Adopted: 1/10/91 effective 8/1/91, Revised: 1/10/92, 4/14/03*)

17.02.11.1 Sunday. Sundays are excluded from the counting. (*Adopted: 1/10/91 effective 8/1/91*)

17.02.11.2 Week. The "week" of the first scheduled intercollegiate contest is defined as the six days, excluding Sunday, preceding the date of competition (even if one or more of the days fall into different traditional calendar weeks). (*Adopted: 1/10/91 effective 8/1/91*)

17.02.11.3 Opening Day of Classes. The "opening day of classes" is defined as the first day of classes as listed in the member institution's official catalog. Required freshman orientation is not considered to be the opening day of classes for the academic year. (*Adopted: 1/10/91 effective 8/1/91*)

17.02.11.4 First Day of Practice. The first day of practice may be conducted on the day when the last practice unit occurs, which is determined by counting backward from the day of the first permissible regularly scheduled contest. For example, in women's volleyball, practice may be held on the day that the 29th practice unit actually occurs, counting backward from the day of the first permissible regularly scheduled contest. (*Adopted: 12/10/97, Revised: 4/14/03*)

17.02.12 Varsity Intercollegiate Sport. A varsity intercollegiate sport is a sport that has been accorded that status by the institution's president or chancellor or committee responsible for intercollegiate athletics policy and that satisfies the following conditions: (*Revised: 3/8/06*)

- (a) It is a sport that is administered by the department of intercollegiate athletics;
- (b) It is a sport for which the eligibility of the student-athletes is reviewed and certified by a staff member designated by the institution's president or chancellor or committee responsible for intercollegiate athletics policy; and (*Revised: 3/8/06*)
- (c) It is a sport in which qualified participants receive the institution's official varsity awards.

- The student-athlete must not be required to report back to a coach or other athletics department staff member (e.g., strength coach, trainer, manager) any information related to the activity. In addition, no athletics department staff member who observes the activity (e.g., strength coach, trainer, manager) may report back to the student-athlete's coach any information related to the activity;
- The activity must be initiated and requested solely by the student-athlete. Neither the institution nor any athletics department staff member may require the student-athlete to participate in the activity at any time. However, it is permissible for an athletics department staff member to provide information to student-athletes related to available opportunities for participating in voluntary activities (e.g., times when the strength and conditioning coach will be on duty in the weight room or on the track). In addition, for students who have initiated a request to engage in voluntary activities, the institution or an athletics department staff member may assign specific times for student-athletes to use institutional facilities for such purposes and inform the student-athletes of the time in advance;
- The student-athlete's attendance and participation in the activity (or lack thereof) may not be recorded for the purposes of reporting such information to coaching staff members or other student-athletes; and
- The student-athlete may not be subjected to penalty if he or she elects not to participate in the activity. In addition, neither the institution nor any athletics department staff member may provide recognition or incentives (e.g., awards) to a student-athlete based on his or her attendance or performance in the activity. [Note: Coaching staff members may be present during permissible skill-related instruction pursuant to By-laws 17.1.6.2.2 and 17.1.6.2.3] (*Revised: 4/29/04 effective 8/1/04*)

17.02.14 Student-Athlete Discretionary Time. [FBS/FCS] Student-athlete discretionary time is time during which a student-athlete may only participate in athletics activities at his or her discretion. There shall be no required workouts and institutions are not permitted to recommend that student-athletes engage in weight-training or conditioning activities; however, if the student-athlete opts to work out, the strength and conditioning coach may monitor the facility in use for health and safety purposes. (*Adopted: 4/24/03 effective 5/1/03*)

17.02.15 Tournament—Sports Other Than Basketball. In sports other than basketball, for purposes of maximum contest or date of competition limitations, a tournament is an event that culminates in the determination of a winner. A tournament may be conducted in round-robin, pool play or bracket formats. (*Adopted: 9/18/07*)

17.1 General Playing-Season Regulations.

17.1.1 Playing Season. The playing (practice and competition) season for a particular sport is the period of time between the date of an institution's first officially recognized practice session and the date of the institution's last practice session or date of competition, whichever occurs later. An institution is permitted to conduct officially recognized practice and competition each academic year only during the playing season as regulated for each sport in accordance with the provisions of this bylaw. The institution must conduct the same playing season for varsity and subvarsity teams in the same sport. (*Revised: 1/10/92*)

17.1.1.1 Playing Season—Athletically Related Activities. The playing (practice and competition) season for a particular sport is the only time within which a member institution is permitted to conduct countable athletically related activities (see Bylaw 17.02.1) except as set forth in Bylaws 17.1.6.2 and 17.9.6. However, a coaching staff member may engage in coaching activities with a student-athlete during the student-athlete's participation in events listed in Bylaws 16.8.1.1-(a) and 16.8.1.1-(b). (*Revised: 4/28/05 effective 8/1/05*)

17.1.2 Segments of Playing Season. For all sports other than football and basketball, each member institution may divide the playing season into not more than two distinct segments. (*Revised: 1/10/91 effective 8/1/91, 1/14/97 effective 8/1/97*)

17.1.2.1 Exception—Severe Inclement Weather. An institution may temporarily discontinue a segment due to severe inclement weather (e.g., hurricane, snowstorm), and restart the discontinued segment provided the permissible overall length of that segment is not exceeded. An institution that uses this exception is required to annually submit a detailed summary to the NCAA national office by July 31. (*Adopted: 4/28/05*)

17.1.3 Declaration of Playing Season. Each member institution shall determine the playing season for each of the sports referenced under Bylaw 17.02.12. Declaration of the institution's playing season in each such sport shall be on file in writing in the department of athletics prior to the beginning of the institution's playing season for that sport. Changes in the declaration for a particular sport are permissible and also shall be filed in writing in the office of the institution's athletics director. *(Revised: 1/11/89)*

[#] Prior to participation in any practice, competition or out-of-season conditioning activities (or in Division I, permissible voluntary summer conditioning in basketball and football or voluntary individual workouts pursuant to the safety exception), student-athletes who are beginning their initial season of eligibility and students who are trying out for a team shall be required to undergo a medical examination or evaluation administered or supervised by a physician (e.g., family physician, team physician). The examination or evaluation must be administered within six months prior to participation in any practice, competition or out-of-season conditioning activities. In following years, an updated history of the student-athlete's medical condition shall be administered by an institutional medical staff member (e.g., sports medicine staff, team physician) to determine if additional examinations (e.g., physical, cardiovascular, neurological) are required. The updated history must be administered within six months prior to the student-athlete's participation in any practice, competition or out-of-season conditioning activities for the applicable academic year. *(Adopted: 1/8/07 effective 5/1/07, Revised: 8/5/08)*

17.1.5.1 Sickle Cell Solubility Test. The examination or evaluation of student-athletes who are beginning their initial season of eligibility and students who are trying out for a team shall include a sickle cell solubility test, unless documented results of a prior test are provided to the institution or the prospective student-athlete or student-athlete declines the test and signs a written release. *(Adopted: 4/29/10 effective 8/1/10, Revised: 5/3/10)*

17.1.6.1.1 Exception—Golf Practice Round. A practice round of golf may exceed the four-hours-per-day limitation, but the weekly limit of 20 hours shall remain in effect. A practice round played on the day prior to the start of an intercollegiate golf tournament at the tournament site shall count as three hours, regardless of the actual duration of the round. *(Adopted: 1/10/91 effective 8/1/91, Revised: 1/16/93)*

17.1.6.2 Weekly Hour Limitations—Outside the Playing Season. *(Adopted: 1/10/91 effective 8/1/91, Revised: 1/10/95 effective 8/1/95, 1/14/97, 11/1/00, 10/31/02 effective 8/1/03, 3/10/04)*

(a) **Sports Other Than Football.** Outside of the playing season, from the institution's first day of classes of the academic year or September 15, whichever occurs earlier, to one week prior to the beginning of the institution's final examination period at the conclusion of the academic year, only a student-athlete's participation in required weight training, conditioning and skill-related instruction shall be permitted. A student-athlete's participation in such activities per Bylaw 17.02.1 shall be limited to a maximum of eight hours per week with not more than two hours per week spent on skill-related workouts. All countable related activities outside the playing season are prohibited one week prior to the beginning of the final examination period for the applicable academic term through the conclusion of each student-athlete's final exams. *(Revised: 4/27/06 effective 8/1/06, 9/22/06)*

The five-day acclimatization period shall be conducted as follows: (*Adopted: 4/24/03 effective 5/1/03, Revised: 12/15/06*)

- (a) In bowl subdivision football, institutions may not conduct administrative activities (e.g., team pictures, etc.) other than those permitted prior to or on the academic orientation day (e.g., compliance-related activities, medical examinations, individual photographs) prior to the first permissible date of practice. In championship subdivision football, institutions may not conduct administrative activities (e.g., team pictures, individual photographs) other than compliance-related activities and medical examinations prior to the first permissible date of practice. Conditioning, speed, strength or agility tests may not occur on any day prior to the start of the five-day acclimatization period. In championship subdivision football, during the five-day acclimatization period, the institution must establish an academic orientation period for those student-athletes who are beginning their initial season of eligibility for football practice at the institution. The orientation activities may be conducted on more than one day during the five-day period, but must be conducted for the equivalent of one day (not less than six hours). (*Revised: 12/13/05, 4/27/06, 12/15/06, 1/14/08*)
- (b) During the five-day period, participants shall not engage in more than one on-field practice per day, not to exceed three hours in length.
 - (1) Exception—During the five-day acclimatization period, an institution has the option of conducting one on-field practice per day, not to exceed three hours in length, or one on-field testing session (speed, conditioning or agility tests) per day, not to exceed one hour in length and one on-field practice, not to exceed two hours in length. In addition, an institution may conduct one one-hour walk-through session per day of the acclimatization period, provided protective equipment (e.g., helmets, shoulder pads) is not worn, equipment related to football (e.g., footballs, blocking sleds) is not used and conditioning activities do not occur. Student-athletes must be provided with at least three continuous hours of recovery time between any sessions (testing, practice or walk-through) occurring that day. During this time, student-athletes may not attend any meetings or engage in other athletically related activities (e.g., weight lifting); however, time spent receiving medical treatment and eating meals may be included as part of the recovery time. If an institution conducts only a walk-through on a particular day during the acclimatization period, that day does not count toward the required five days of acclimatization, but the walk-through counts toward the limit of 29 on-field practices for the preseason practice period. (*Revised: 4/28/05 effective 8/1/05, 7/18/05, 12/13/05*)
- (c) First-time participants and continuing students shall not be required to practice separately.

- (d) During the first two days of the acclimatization period, helmets shall be the only piece of protective equipment student-athletes may wear. During the third and fourth days of the acclimatization period, helmets and shoulder pads shall be the only pieces of protective equipment student-athletes may wear. During the final day of the five-day period and on any days thereafter, student-athletes may practice in full pads.

17.9.2.3.1 Exception—National Service Academies. [FBS] First-time participants (e.g., freshmen and transfers) who will be attending a national service academy and who have completed basic military training immediately prior to preseason practice are not required to complete the five-day acclimatization period. (*Adopted: 4/29/04 effective 8/1/04, Revised: 12/15/06*)

- (b) Student-athletes shall not engage in more than three hours of on-field practice activities on those days during which one practice is permitted;
- (c) Student-athletes shall not engage in more than five hours of on-field practice activities on those days during which more than one practice is permitted; and
- (d) On days that institutions conduct multiple practice sessions, student-athletes must be provided with at least three continuous hours of recovery time between the end of the first practice and the start of the last practice that day. During this time, student-athletes may not attend any meetings or engage in other athletically related activities (e.g., weight lifting); however, time spent receiving medical treatment and eating meals may be included as part of the recovery time.

17.9.2.4.1 Exception—"Walk-Throughs." [FBS/FCS] During the preseason practice period only and after the five-day acclimatization period, a walk-through is not considered to be an on-field activity under Bylaw 17.9.2.4, provided protective equipment (e.g., helmets, shoulder pads) is not worn, equipment related to football (e.g., footballs, blocking sleds) is not used and conditioning activities do not occur. If a walk-through is conducted on a day in which no other on-field activities occur, the walk-through must be included in the limit of 29 on-field practices for the preseason practice period. In championship subdivision football, on-field walk-throughs shall not exceed a total of two hours per day on the days one practice is conducted and one hour per day on the days multiple practice sessions are conducted. If a division subdivides for the administration of a sport, resulting in less than the applicable minimum number of the division's active members sponsoring the sport on a varsity intercollegiate basis in that subdivision, the subdivision shall meet the requirement within three years of the date

the subdivision was created. It may establish and conduct a championship in the interim. (*Revised: 1/11/94 effective 8/1/94*)

18.2.10 Failure to Meet Minimum Sponsorship Requirements. A championship shall be discontinued automatically at the conclusion of the academic year in which it falls below the applicable minimum sponsorship number set forth in Bylaw 18.2.3 or 18.2.4. (*Revised: 1/11/94 effective 8/1/94*)

18.2.10.1 Exception—Olympic Sports. A National Collegiate Championship or a division championship in any Olympic sport shall be exempt from the minimum sponsorship-percentage requirements of Bylaws 18.2.3 and 18.2.4. The membership may adopt specific legislation to discontinue the championship in an Olympic sport. (*Adopted: 1/14/97 effective 8/1/97*)

18.2.10.2 Exception—Men's and Women's Lacrosse. A National Collegiate Championship or a division championship in men's and women's lacrosse shall be exempt from the minimum sponsorship-percentage requirements of Bylaws 18.2.3 and 18.2.4. 18.4 Eligibility for Championships.

18.4.1 Student-Athlete Eligibility. To be eligible for NCAA championships, a student-athlete shall meet all applicable individual-eligibility requirements set forth in NCAA legislation. The general and academic eligibility requirements are set forth in detail in Bylaw 14.

18.4.1.1 Institution's Responsibility. The responsibility of an institution to withhold from all intercollegiate competition a student-athlete who is ineligible under any NCAA legislation is set forth in Bylaw 14.10.1.

18.4.1.2 Committee on Student-Athlete Reinstatement Authority. The Committee on Student-Athlete Reinstatement shall have initial authority to determine all matters pertaining to the eligibility of student-athletes competing in the various NCAA championships and to act upon all appeals concerning the eligibility of student-athletes submitted by member institutions (see Bylaw 14.11).

18.4.1.3 Protest of Eligibility Status. If a student-athlete has been certified by the institution as eligible to compete in an NCAA championship and the student-athlete's eligibility is protested, the Committee on Student-Athlete Reinstatement shall not rule on such a protest received during the period beginning 24 hours

before the event and ending with the conclusion of the event. (See Bylaw 31.2.2.2 regarding protests received during a break in the continuity of a championship.)

18.4.1.4 Amateur-Status Certification. If requested by the Championships/Sports Management Cabinet, the student-athlete shall certify his or her amateur standing under the provisions of Bylaw 12 by signing an affidavit that is administered by the chair of the games committee and taken on a form prescribed by the Championships/Sports Management Cabinet. (*Revised: 11/1/07 effective 8/1/08*)

18.4.1.5 Ineligibility for Use of Banned Drugs. A student-athlete who, as a result of a drug test administered by the NCAA, is found to have used a substance on the list of banned drug classes, as set forth in Bylaw 31.2.3.4, shall be declared ineligible for further participation in postseason and regular-season competition in accordance with the ineligibility provisions in Bylaw 18.4.1.5.1. The certifying institution may appeal to the Committee on Student-Athlete Reinstatement for restoration of the student-athlete's eligibility if the institution concludes that circumstances warrant restoration. (*Revised: 1/10/90 effective 8/1/90*)

18.4.1.5.1 Duration of Ineligibility. A student-athlete who, as a result of a drug test administered by the NCAA, tests positive (in accordance with the testing methods authorized by the Executive Committee) shall be charged with the loss of a minimum of one season of competition in all sports if the season of competition has not yet begun for that student-athlete or a minimum of the equivalent of one full season of competition in all sports if the student-athlete tests positive during his or her season of competition (the remainder of contests in the current season and contests in the following season up to the period of time in which the student-athlete was declared ineligible during the previous year). The student-athlete shall remain ineligible for all regular-season and postseason competition during the time period ending one calendar year (365 days) after the collection of the student-athlete's positive drug-test specimen and until the student-athlete tests negative (in accordance with the testing methods authorized by the Executive Committee) and the student-athlete's eligibility is restored by the Committee on Student-Athlete Reinstatement. If the student-athlete participates in any contests from the time of collection until the confirmation of the positive result, he or she must be withheld from an equal number of contests after the 365-day period of ineligibility. (*Revised: 1/10/90 effective 8/1/90, 1/16/93, 1/9/96 effective 8/1/96, 1/14/97 effective 8/1/97, 4/28/05 effective 8/1/05, 11/1/07*)

18.4.1.5.1.1 Breach of NCAA Drug-Testing Program Protocol. A student-athlete who is in breach of the NCAA drug-testing program protocol (e.g., no-show) shall be considered to have tested positive for the use of any drug other than a "street" drug. (*Adopted: 4/28/05 effective 8/1/05, Revised: 4/26/12 effective 8/1/12*)

18.4.1.5.1.1.1 Tampering With Drug-Test Sample. A student-athlete who is involved in a case of clearly observed tampering with an NCAA drug-test sample, as documented per NCAA drug-testing protocol by a drug-testing crew member, shall be charged with the loss of a minimum of two seasons of competition in all sports if the season of competition has not yet begun for that student-athlete or a minimum of the equivalent of two full seasons of competition in all sports if the student-athlete is involved in the tampering with a drug-test sample during his or her season of competition (the remainder of contests in the current season and contests in the following two seasons up to the period of time in the initial season in which the student-athlete was declared ineligible). The student-athlete shall remain ineligible for all regular-season and postseason competition during the time period ending two calendar years (730 days) after the student-athlete was involved in the tampering with a drug-test sample and until the student-athlete tests negative (in accordance with the testing methods authorized by the Executive Committee) and the student-athlete's eligibility is restored by the Committee on Student-Athlete Reinstatement. (*Adopted: 4/26/12 effective 8/1/12, for tests occurring on or after August 1, 2012, Revised: 6/19/12*)

18.4.1.5.1.2 Appeals. An institution may appeal the duration of ineligibility to the Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee). In all sports, the committee may reduce the legislated penalty to withholding the student-athlete from the next 50 percent of the season of competition or provide complete relief from the legislated penalty. If the committee requires the student-athlete to fulfill the legislated penalty or be withheld from the next 50 percent of the season of competition in all sports, the student-athlete shall remain ineligible until the prescribed penalty is fulfilled, the student-athlete tests negative and the student-athlete's eligibility is restored by the Committee on Student-Athlete Reinstatement. (*Adopted: 4/28/05 effective 8/1/05*)

18.4.1.5.1.3 Transfers. If the student-athlete transfers to another NCAA institution while ineligible, the institution from which the student-athlete transferred must notify the institution that the student-athlete is ineligible. If the student-athlete immediately transfers to a non-NCAA institution while ineligible and competes in intercollegiate competition within the 365-day period at a non-NCAA institution, the student-athlete shall be ineligible for all NCAA regular-season and postseason competition until the student-athlete does not compete in intercollegiate competition for a 365-day period. Additionally, the student-athlete must test negative (in accordance with the testing methods authorized by the Executive Committee) and request that eligibility be restored by the Committee on Student-Athlete Reinstatement. (*Revised: 4/28/05 effective 8/1/05*)

18.4.1.5.1.4 Testing Positive on More Than One Occasion. If the student-athlete tests positive for the use of any banned drug other than a “street drug” after having previously tested positive for any banned drug other than a “street drug,” he or she shall lose all remaining regular-season and postseason eligibility in all sports. If the student-athlete tests positive for the use of a “street drug” after having tested positive for use of any banned drug, he or she shall be charged with the loss of a minimum of one additional season of competition in all sports and also shall remain ineligible for regular-season and postseason competition during the time period ending one calendar year (365 days) after the collection of the student-athlete’s positive drug-test specimen. *(Revised: 4/28/05 effective 8/1/05, 6/17/08, 5/27/10)*

18.4.1.5.2 Banned Drugs and Drug-Testing Methods. The Executive Committee shall adopt a list of banned drug classes and shall authorize methods for drug testing of student-athletes on a year-round basis. The list of banned drug classes and the procedure for informing member institutions about authorized methods for drug testing are set forth in Bylaw 31.2.3. *(Revised: 1/10/90 effective 8/1/90)*

18.4.1.5.3 Non-NCAA Athletics Organization’s Positive Drug Test. The Executive Committee shall authorize methods for drug testing any student-athlete who has disclosed in the student-athlete statement (see Bylaw 14.1.3.1) that he or she has a positive drug test administered by a non-NCAA athletics organization. A student-athlete under a drug-testing suspension from a national or international sports governing body that has adopted the World Anti-Doping Agency (WADA) code shall not participate in NCAA intercollegiate competition for the duration of the suspension. *(Adopted: 1/14/97 effective 8/1/97, Revised: 4/28/05 effective 8/1/05)*

- (a) Shall have been temporarily or permanently suspended from coaching duties by another member institution within the last two years;
- (b) Shall have been prohibited within the last two years, as a result of violations occurring while employed by another member institution, from participating in identified coaching-related activities, unless the prohibition has been equally applied by the certifying institution with respect to the individual’s coaching-related activities on its behalf; or

- (a) Games scheduled as to the identity of a participating college before the beginning of the regular football season of the institution for any academic year, including not only games for which the identity of one participating college is known, but also one for which the institution's opponent is not known at the time of scheduling;
- (b) Any football game scheduled between two colleges [which is to be played on a common and regular open date (as defined in Bylaw 18.02.3) of their regular football seasons, on the campus or in the regular playing stadium of either team], even if it is scheduled after the beginning of either participant's football season;

18.7.2.1 Contest Status. [FBS] A contest shall serve the purpose of providing a national contest between deserving teams. A “deserving team” shall be defined as one that has won a number of games against Football Bowl Subdivision opponents that is equal to or greater than the number of its overall losses. Tie games do not count in determining a team’s won-lost record. Further, when forfeiture of a regular-season football victory is required by the Committee on Infractions or a conference, or is self-imposed by an institution as a result of a violation of NCAA rules, neither of the competing institutions may count that contest in satisfying the definition of a “deserving team.” *(Revised: 10/18/89, 10/12/93, 4/20/99, 12/15/06, 4/29/10 effective 8/1/10, 7/30/10, 10/27/11 effective 4/1/12)*

18.7.2.1.1 Exception—Football Championship Subdivision Opponent. [FBS] Each year, a Football Bowl Subdivision institution may count one victory against a Football Championship Subdivision opponent toward meeting the definition of a “deserving team,” provided the opponent has averaged 90 percent of the permissible maximum number of grants-in-aid per year in football during a rolling two-year period. *(Adopted: 10/28/97 effective 8/1/98, Revised: 4/28/05, 12/15/06, 4/29/10 effective 8/1/10, 7/30/10)*

18.7.2.1.1.1 Waiver. [FBS] The Football Issues Committee may approve a waiver of the 90 percent requirement to permit a Football Bowl Subdivision institution to count a victory against a Football Championship Subdivision opponent toward meeting the definition of a “deserving team,” if a unique or catastrophic situation affects the Football Championship Subdivision institution’s ability to average 90 percent of the permissible maximum number of football grants-in-aid per year during a rolling two-year period. *(Adopted: 8/11/98, Revised: 4/28/05, 12/15/06, 4/29/10 effective 8/1/10, 7/30/10)*

18.7.2.1.2 Exception—Conference Champion. [FBS] If a conference champion is scheduled contractually to participate in a bowl game, the institution that is the conference champion shall be eligible to participate regardless of its won-lost record. *(Adopted: 1/12/93, Revised: 10/28/97, 11/1/07 effective 8/1/08, 4/29/10 effective 8/1/10, 7/30/10, 5/2/13)*

18.7.2.1.3 Exception—Deserving Team That Loses Conference Championship Game. An institution that finishes its regular season having met the definition of a “deserving team” but loses its conference championship game shall continue to be considered a deserving team. *(Adopted: 5/2/13)*

18.7.2.1.4 Exception—Insufficient Number of Eligible Institutions. [FBS] For a period of four years beginning August 2, 2012, if an insufficient number of institutions meet the definition of a “deserving team” pursuant to Bylaw 18.7.2.1 to participate in postseason bowl games in a particular year, an institution that meets a condition set forth below shall be eligible to be selected to participate in such a bowl game. A particular bowl game may benefit from this provision only one time within the four-year period. All institutions that meet the first condition must be selected before an institution that meets the second condition may be selected and so forth in descending order: *(Adopted: 8/2/12, Revised: 5/2/13)*

- (a) An institution that would have met the exception in Bylaw 18.7.2.1.1 but for the fact that one victory was against a Football Championship Subdivision opponent that had not averaged 90 percent of the permissible maximum number of grants-in-aid per year in football during a rolling two-year period and the institution’s waiver request, per Bylaw 18.7.2.1.1.1, was denied.
- (b) An institution that has won a number of games against Football Bowl Subdivision opponents and two Football Championship Subdivision opponents that together is equal to or greater than the number of its overall losses.
- (c) An institution that participated in 13 regular-season contests and finished the season with a record of six wins and seven losses.

- (d) An institution that is in its final year of reclassification from the Football Championship Subdivision to the Football Bowl Subdivision and meets the definition of a “deserving team” pursuant to Bylaw 18.7.2.1 or the exception in Bylaw 18.7.2.1.1.
- (e) An institution that finished its season with a minimum of five wins and a maximum of seven losses but achieved a top-five Academic Progress Rate in the Football Bowl Subdivision for the most recent reporting year.

18.7.2.2 Participation Restrictions. [FBS] The competing institutions shall be active members of this Association, and a member institution shall not participate in more than one such game during any academic year. *(Revised: 7/30/10)*

18.7.3 Written Report—Championship Subdivision Football. The report shall be submitted by the following March 1 on a form approved by the Leadership Council. *(Revised: 7/30/10)*

Enforcement

19.01 General Principles.

19.01.1 Mission of the Enforcement Program. It is the mission of the NCAA enforcement program to uphold integrity and fair play among the NCAA membership, and to prescribe appropriate and fair penalties if violations occur. One of the fundamental principles of the enforcement process is to ensure that those institutions and student-athletes abiding by the NCAA constitution and bylaws are not disadvantaged by their commitment to compliance. The program is committed to the fairness of procedures and the timely resolution of infractions cases. The ability to investigate allegations and penalize infractions is critical to the common interests of the Association's membership and the preservation of its enduring values. *(Adopted: 1/11/94, Revised: 10/30/12 effective 8/1/13)*

19.01.2 Accountability. The enforcement program shall hold institutions, coaches, administrators and student-athletes who violate the NCAA constitution and bylaws accountable for their conduct, both at the individual and institutional levels. *(Adopted: 10/30/12 effective 8/1/13)*

19.01.3 Public Disclosure. Except as provided in this article, the Committee on Infractions, the Infractions Appeals Committee and the enforcement staff shall not make public disclosures about a pending case until the case has been announced in accordance with prescribed procedures. An institution and any individual subject to the NCAA constitution and bylaws involved in a case, including any representative or counsel, shall not make public disclosures about the case until a final decision has been announced in accordance with prescribed procedures. *(Adopted: 10/30/12 effective 8/1/13)*

19.01.4 Penalty Structure. The enforcement program shall address the varying levels of infractions and, for the most serious infractions, include guidelines for a range of penalties, which the Committee on Infractions may prescribe, subject to review by the Infractions Appeals Committee. Penalties shall depend on the relative severity of the infraction(s), the presence of aggravating or mitigating factors and, in some cases, the existence of extenuating circumstances. *(Adopted: 10/30/12 effective 8/1/13)*

19.01.5 Exemplary Conduct. Individuals employed by or associated with member institutions for the administration, the conduct or the coaching of intercollegiate athletics are, in the final analysis, teachers of young people. Their responsibility is an affirmative one, and they must do more than avoid improper conduct or questionable acts. Their own moral values must be so certain and positive that those younger and more pliable will be influenced by a fine example. Much more is expected of them than of the less critically placed citizen.

19.02 Definitions and Applications.

19.02.1 Involved Individual. Involved individuals are current or former institutional staff members and current or former student-athletes who have received notice of involvement in alleged violations. *(Adopted: 10/30/12 effective 8/1/13)*

19.02.2 New Evidence. New evidence is relevant, material information that could not have reasonably been ascertained prior to the Committee on Infractions hearing. *(Adopted: 1/6/96, Revised: 10/30/12 effective 8/1/13)*

19.02.3 Show-Cause Order. A show-cause order is an order that requires a member institution to demonstrate to the satisfaction of the Committee on Infractions why it should not be subject to a penalty or additional penalty for not taking appropriate disciplinary or corrective action with regard to an institutional staff member or representative of the institution's athletics interests found by the committee as having been involved in a violation of the NCAA constitution and bylaws. *(Revised: 1/10/95, 4/24/03, Revised: 10/30/12 effective 8/1/13)*

19.1 Violation Structure.

19.1.1 Severe Breach of Conduct (Level I Violation). A severe breach of conduct is one or more violations that seriously undermine or threaten the integrity of the NCAA Collegiate Model, as set forth in the constitution and bylaws, including any violation that provides or is intended to provide a substantial or extensive recruiting, competitive or other advantage, or a substantial or extensive impermissible benefit. Among other examples, the following, in appropriate circumstances, may constitute a severe breach of conduct: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Lack of institutional control;
- (b) Academic fraud;
- (c) Failure to cooperate in an NCAA enforcement investigation;
- (d) Individual unethical or dishonest conduct, regardless of whether the underlying institutional violations are considered Level I;
- (e) A Bylaw 11.1.1.1 violation by a head coach resulting from an underlying Level I violation by an individual within the sport program;
- (f) Cash payment or other benefits provided by a coach, administrator or representative of the institution's athletics interests intended to secure, or which resulted in, enrollment of a prospective student-athlete;
- (g) Third-party involvement in recruiting violations in which institutional officials knew or should have known about the involvement;
- (h) Intentional violations or reckless indifference to the NCAA constitution and bylaws; or
- (i) Collective Level II and/or Level III violations.

19.1.2 Significant Breach of Conduct (Level II Violation). A significant breach of conduct is one or more violations that provide or are intended to provide more than a minimal but less than a substantial or extensive recruiting, competitive or other advantage; include more than a minimal but less than a substantial or extensive impermissible benefit; or involve conduct that may compromise the integrity of the NCAA Collegiate Model as set forth in the constitution and bylaws. Among other examples, the following may constitute a significant breach of conduct: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Violations that do not rise to the level of Level I violations and are more serious than Level III violations;
- (b) Failure to monitor (such violations will be presumed Level II but may be deemed to be of a Level I nature if the failure is substantial or egregious);
- (c) Systemic violations that do not amount to a lack of institutional control;
- (d) Multiple recruiting, financial aid, or eligibility violations that do not amount to a lack of institutional control;
- (e) A Bylaw 11.1.1.1 violation by a head coach resulting from an underlying Level II violation by an individual within the sport program; or
- (f) Collective Level III violations.

19.1.3 Breach of Conduct (Level III Violation). A breach of conduct is one or more violations that are isolated or limited in nature; provide no more than a minimal recruiting, competitive or other advantage; and provide no more than a minimal impermissible benefit. Among other examples, the following may constitute a breach of conduct: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Inadvertent violations that are isolated or limited in nature; or
- (b) Extra-benefit, financial aid, academic eligibility and recruiting violations, provided they do not create more than minimal advantages.

19.1.4 Incidental Infraction (Level IV Violation). An incidental infraction is a minor infraction that is technical in nature and does not constitute a Level III violation. Incidental infractions generally will not affect eligibility for intercollegiate athletics. Multiple or repeated Level IV violations collectively may constitute a Level III violation. *(Adopted: 10/30/12 effective 8/1/13)*

19.2 Expectations and Shared Responsibility.

19.2.1 Member Responsibility for Compliance. Each institution has an affirmative obligation to monitor and control its athletics programs, its representatives and its student-athletes to assure compliance with the constitution and bylaws of the Association. *(Adopted: 10/30/12 effective 8/1/13)*

19.2.2 Member Responsibility to Report Noncompliance. Each institution has an affirmative obligation to report all instances of noncompliance to the Association in a timely manner. *(Adopted: 10/30/12 effective 8/1/13)*

19.2.3 Responsibility to Cooperate. All representatives of member institutions have an affirmative obligation to cooperate fully with and assist the NCAA enforcement staff, the Committee on Infractions and the Infractions Appeals Committee to further the objectives of the Association and its enforcement program. The responsibility to cooperate requires institutions and individuals to protect the integrity of investigations and to make a full and complete disclosure of any relevant information, including any information requested by the enforcement staff or relevant committees. All representatives of member institutions have an affirmative obligation to report instances of noncompliance to the Association in a timely manner and assist in developing full information to determine whether a possible violation has occurred and the details thereof. *(Adopted: 11/1/07 effective 8/1/08, Revised: 10/30/12 effective 8/1/13)*

19.2.3.1 Exemplary Cooperation. Exemplary cooperation by an institution or involved individual may constitute a mitigating factor for purposes of determining a penalty for a violation. Institutions or involved

individuals may demonstrate exemplary cooperation while denying some or all of the alleged violations and otherwise acting in furtherance of their independent interests. *(Adopted: 10/30/12 effective 8/1/13)*

19.2.3.2 Failure to Cooperate. Failing to satisfy the responsibility to cooperate may result in an independent allegation and/or be considered an aggravating factor for purposes of determining a penalty. Institutional representatives and the involved individual may be requested to appear before a hearing panel of the Committee on Infractions at the time the allegation is considered. *(Adopted: 10/30/12 effective 8/1/13)*

19.3 Committee on Infractions.

19.3.1 Composition of Committee. The Board of Directors shall appoint a Committee on Infractions comprised of not more than 24 members to act as hearing officers in infractions proceedings of the Association. The Board of Directors shall also appoint one member of the committee to serve as chair and another member to serve as vice chair. If at any time the chair is unavailable to act as such, the vice chair is empowered to exercise the functions of the chair. There shall be no subdivision restrictions except that all nonpublic members may not be from the same subdivision. The committee shall reflect the Association's commitment to diversity. To the extent reasonably possible, the Committee shall include members from each of the following categories: *(Revised: 1/16/93, 10/27/98, 10/28/99, 1/11/00, 11/1/01, 10/31/02, 10/30/12 effective 8/1/13)*

- (a) Current or former college or university presidents, chancellors or other senior institutional administrators (no more than three years removed from employment by a member institution or similar service at the time of his or her initial appointment);
- (b) Current or former directors of athletics (no more than three years removed from employment by a member institution or similar service at the time of his or her initial appointment);
- (c) Former NCAA coaches (no more than 10 years removed from employment by a member institution or similar service at the time of his or her initial appointment); *(Revised: 1/19/13 effective 8/1/13)*
- (d) Representatives from conference offices;
- (e) University staff or faculty, including but not limited to faculty athletics representatives;
- (f) Athletics administrators with compliance experience; and
- (g) Members of the general public with formal legal training who are not associated with a collegiate institution, conference, or professional or similar sports organization and who do not represent coaches or athletes in any capacity.

19.3.2 Temporary Substitutes. If it appears that one or more members of the committee will be unable to participate in the disposition of a case, the chair may designate a current or former member or members of the committee to participate for purposes of consideration and disposition of that case. *(Revised: 11/1/07 effective 8/1/08, 10/30/12 effective 8/1/13)*

19.3.3 Hearing Panels of the Committee. Unless ordered otherwise by the committee chair, cases involving Level I or Level II violations will be presented to and decided by hearing panels consisting of not less than five and not more than seven members of the full Committee on Infractions. Decisions issued by hearing panels are made on behalf of the Committee on Infractions. *(Adopted: 10/30/12 effective 8/1/13)*

19.3.4 Conflict of Interest. No member of a hearing panel shall participate in a case if he or she is directly connected with an institution under investigation or if he or she has a personal, professional or institutional affiliation that may create the appearance of partiality. It is the responsibility of the panel member to remove himself or herself if a conflict exists. Objections to the participation of a panel member in a particular case should be raised as soon as recognized but will not be considered unless raised at least one week in advance of the panel's review of the case. Objections will be decided by the committee chair. *(Adopted: 10/30/12 effective 8/1/13)*

19.3.5 Term of Office. Members appointed on or before August 1, 2013, shall be assigned to serve a one-, two- or three-year term as necessary to assure alternating expiration of terms. Thereafter, members may be appointed to serve a three-year term, which shall commence on the first day of August following the member's appointment. Regardless of when appointed, a member may be reappointed for additional three-year terms but shall not serve more than nine years on the committee. *(Adopted: 1/11/00, Revised: 10/30/12 effective 8/1/13)*

19.3.6 Authority and Duties of Committee. Disciplinary or corrective actions other than suspension or termination of membership may be prescribed by members of hearing panels of the Committee on Infractions present and voting at any duly called hearing thereof, provided the call of such a hearing shall have contained notice of the situation presenting the disciplinary problem. Actions of panels in cases involving Level I or Level II violations, however, may be subject to review by the Infractions Appeals Committee. The penalties prescribed by a panel are separate and apart from any penalties prescribed as part of the Academic Performance Program by the Committee on Academic Performance. The Committee on Infractions shall: *(Revised: 1/16/93, 1/10/95, 4/24/03, 10/30/12 effective 8/1/13)*

- (a) Find facts related to alleged bylaw violations;
- (b) Conclude whether the facts constitute one or more violations of the NCAA constitution and bylaws;

- (c) Upon concluding that one or more violations occurred, prescribe an appropriate penalty consistent with the provisions of this article;
- (d) Coordinate with the office of the Committees on Infractions as necessary for logistic, administrative or other support related to implementation of the committee's decisions;
- (e) Monitor compliance with prescribed penalties. In the event an institution fails or refuses to implement prescribed penalties, a hearing panel of the committee may prescribe additional penalties, provided the institution is given the opportunity to appear before the panel and the opportunity to appeal any additional penalty;
- (f) Consider complaints alleging the failure of any member to maintain the academic or athletics standards required for membership or the failure of any member to meet the conditions and obligations of membership in the Association;
- (g) Formulate and revise internal operating procedures and revise investigative guidelines. Committee amendments to the procedures and guidelines shall be effective immediately and subject to review and approval by the Board of Directors; and
- (h) Carry out such other duties directly related to the administration of the Association's enforcement program.

19.3.7 Duties of Committee Chair. The duties of the committee chair, or his or her designee, shall be as follows: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Schedule and preside over two meetings of the full committee annually. In the interim between meetings of the full committee, the chair shall act on behalf of the committee, subject to committee ratification at its next meeting;
- (b) For each hearing panel, appoint a chief hearing officer to preside over cases assigned to the panel. The chief hearing officer will generally be the panel member with the greatest length of service on the Committee on Infractions.
- (c) At the request of the enforcement staff, determine whether to grant limited immunity to an institutional employee with responsibilities related to athletics based on information that the employee reports in situations in which he or she would otherwise be subject to disciplinary action as described in Bylaws 19.9.5.4 and 19.9.8-(i). Such immunity shall not apply to the employee's involvement in violations of NCAA legislation not reported, to future involvement in violations of NCAA legislation by the employee or to any action taken by an institution;
- (d) At the request of the enforcement staff, determine whether to grant limited immunity to a student-athlete or prospective student-athlete in situations in which he or she might otherwise be declared ineligible for intercollegiate competition based on information reported to the enforcement staff by the individual or a third party associated with the individual. Such immunity shall not apply to the individual's involvement in violations of NCAA legislation not reported, to future involvement in violations of NCAA legislation by the individual or to any action taken by an institution;
- (e) In Level II cases, consider and decide requests by an institution or involved individual for an accelerated hearing;
- (f) Coordinate with the office of the Committees on Infractions as necessary for logistic, administrative or other support;

19.3.8 Duties of the Chief Hearing Officer. The duties of the chief hearing officer shall be as follows: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Consider and decide scheduling requests and extensions of time regarding hearing-related deadlines;
- (b) For each hearing panel, appoint an individual responsible for conducting the press conference when the panel's decision is released;
- (c) For each case set for hearing and in consultation with the committee chair, designate a panel member or other member of the committee to serve as the committee appeals advocate for any appeal from the decision of the panel;
- (d) Coordinate with the office of the Committees on Infractions as necessary for logistic, administrative or other support related to hearings to which the chief hearing officer is assigned; and
- (e) Resolve or appoint another panel member to resolve preliminary procedural or other matters that may arise prior to the infractions hearing as authorized in Bylaw 19.7.6.

19.4 Infractions Appeals Committee.

19.4.1 Composition of Committee. The Board of Directors shall appoint an Infractions Appeals Committee to act as appellate hearing officers for appeals from decisions involving Level I or Level II violations by the Committee on Infractions. The committee shall be comprised of five members. At least one member shall be from the general public and shall not be connected with a collegiate institution, conference, or professional or similar sports organization, or represent coaches or athletes in any capacity. The remaining members shall presently or previously be on the staff of an active member institution or member conference, but shall not serve presently on the Board of Directors. There shall be no subdivision restrictions except that all nonpublic members may not be from the same subdivision. The committee shall reflect the Association's commitment to diversity. (*Adopted: 1/16/93, Revised: 10/27/98, 10/30/12 effective 8/1/13*)

19.4.2 Temporary Substitutes. If it appears that one or more of the committee members will be unable to participate in the disposition of a case, the chair may designate a former member or members of the committee to rejoin the committee for purposes of consideration and disposition of that case. (*Adopted: 4/22/98, Revised: 11/1/07 effective 8/1/08, 4/28/11, 10/30/12 effective 8/1/13*)

19.4.3 Conflict of Interest. No member of the Infractions Appeals Committee shall participate in a case if he or she is directly connected with an institution under investigation or if he or she has a personal, professional or institutional affiliation that may create the appearance of partiality. It is the responsibility of the committee member to remove himself or herself if a conflict exists. Objections to the participation of a committee member in a particular case should be raised as soon as recognized, but will not be considered unless raised at least one week in advance of the committee's review of the case. (*Adopted: 10/30/12 effective 8/1/13*)

19.4.4 Term of Office. A member shall serve a three-year term, which shall commence on the first day of September following the member's appointment. A member may be reappointed for additional terms but shall not serve more than nine years on the committee. (*Adopted: 1/9/96, Revised: 10/30/12 effective 8/1/13*)

19.4.5 Authority of Committee. The Infractions Appeals Committee shall: (*Adopted: 1/16/93, Revised: 1/10/95, 1/14/97, 11/1/07 effective 8/1/08, 10/30/12 effective 8/1/13*)

- (a) Consider appeals from decisions of a hearing panel of the Committee on Infractions involving Level I or Level II violations;
- (b) Affirm, reverse, or vacate and/or remand the panel's findings, conclusions, penalties, corrective actions, requirements, and/or other conditions and obligations of membership prescribed for violations of the NCAA constitution and bylaws; and
- (c) Formulate and revise its operating procedures. Committee amendments to the procedures shall be effective immediately and subject to review and approval by the Board of Directors. The procedures shall include guidance on the conduct of appeal hearings.

19.5 Review and Investigation of Alleged Violations.

19.5.1 Enforcement Staff to Receive Information and Conduct Investigations. Information regarding an alleged failure to comply with the NCAA constitution and bylaws or to meet the conditions and obligations of membership shall be provided to the enforcement staff. The enforcement staff shall determine whether an investigation is warranted or whether the matter may be resolved without a formal investigation. If an investigation is warranted, the enforcement staff shall conduct an investigation on behalf of the entire membership to develop, to the extent reasonably possible, all relevant information. The enforcement staff will usually share information with the institution during an investigation, including information that may assist the institution in stopping an ongoing violation. However, to protect the integrity of the investigation, the staff may not in all instances be able to share information with the institution. (*Adopted: 10/30/12 effective 8/1/13*)

19.5.1.1 Conflict of Interest. Any enforcement staff member who has or had a personal relationship or institutional affiliation that may create the appearance of partiality should refrain from participating in the case. (*Adopted: 10/30/12 effective 8/1/13*)

19.5.1.2 Initial Determination. The staff shall have the discretion to submit information to the chair of the Committee on Infractions for an initial determination of how that information should be processed. In such cases, the chair shall not be appointed to the hearing panel, if any, later assigned to the case. (*Adopted: 10/30/12 effective 8/1/13*)

19.5.2 Public Announcements. The enforcement staff shall not publicly confirm or deny the existence of an infractions case before complete resolution of the case pursuant to this article. However, if information concerning a case is made public, the institution, enforcement staff and the involved individual may confirm, correct or deny the information made public. (*Adopted: 10/30/12 effective 8/1/13*)

19.5.3 Notice of Inquiry to Institution. Before the enforcement staff conducts an inquiry on an institution's campus, the enforcement staff shall notify the institution's president or chancellor of the inquiry, either orally or in writing. This notice shall toll the statute of limitations. The institution shall be informed of its obligation to cooperate and of the confidential nature of the inquiry. The institution shall be notified that if the inquiry develops reliable information of a possible Level I or Level II violation, a notice of allegations will be produced. In the

alternative, the institution will be notified that the matter may be processed as a Level III or Level IV violation or that the matter has been concluded. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.4 Representation by Legal Counsel. When an enforcement staff member conducts an interview that may develop information detrimental to the interests of the individual being questioned, he or she may be represented by personal legal counsel. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.5 Interview Notices.

19.5.5.1 Disclosure of Purpose of Interview. When an enforcement staff member requests information that could be detrimental to the interests of the student-athlete or institutional employee being questioned, that individual shall be advised that the purpose of the interview is to determine whether the individual has knowledge of or has been involved directly or indirectly in any violation of the NCAA constitution and bylaws. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.5.2 Responsibility to Provide Truthful Information. At the beginning of an interview involving the enforcement staff, a current or former student-athlete or a current or former institutional employee shall be advised that refusing to furnish information or providing false or misleading information to the NCAA, conference or institution may result in an allegation that the individual has violated NCAA ethical-conduct bylaws. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.6 Interviews with Member Institution. The athletics director or other appropriate official of an institution shall be contacted by the enforcement staff in order to schedule interviews on the institution's campus with enrolled student-athletes or coaching or other institutional staff members with athletically related responsibilities who are believed to have knowledge of possible violations. Interviews should be conducted without disrupting normally scheduled academic activities whenever reasonably possible. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.6.1 Presence of Institutional Representative During Interview. If an interview with an enrolled student-athlete or athletics department staff member is conducted on the campus of an institution, an institutional representative (as designated by the institution) may be present during the interview, provided the subject matter to be discussed in the interview relates directly to the individual's institution or could affect the individual's eligibility or employment at the institution. If the enforcement staff wishes to discuss information with a student-athlete or staff member that is related solely to institutions other than the one in which the student-athlete is enrolled or the staff member is employed, and would not reasonably affect the student's eligibility or the staff member's employment at that institution, only an institutional representative outside of athletics (e.g., faculty athletics representative or general counsel) may be present during that portion of the interview. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.7 Use of Court Reporters. Institutional representatives or individuals being interviewed may use a court reporter to transcribe an interview subject to the following conditions. The institution or individual shall: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Pay the court reporter's fees;
- (b) Provide a copy of the transcript to the enforcement staff at no charge; and
- (c) Agree that the confidentiality standards of Bylaw 19.5.8 apply. An institutional representative or individual who chooses to use a court reporter shall submit a written notice of agreement with the required conditions to the enforcement staff prior to the interview.
- (d) If the enforcement staff chooses to use a court reporter, the NCAA will pay all costs of the reporter. A copy of the transcript prepared by the court reporter for the enforcement staff shall be made available to the institution and the involved individuals through the secure website.

19.5.8 Statement of Confidentiality. Individuals and institutional representatives shall be required to agree not to release recordings or interview transcripts to a third party. A statement of confidentiality shall be signed or recorded prior to an interview. Failure to enter into such an agreement precludes the individual or institutional representative from recording or transcribing the interview. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.9 Access to Information. For all cases to be considered by the Committee on Infractions, the enforcement staff shall make available to the institution or involved individuals copies of recorded interviews, interview summaries and/or interview transcripts, and other evidentiary information pertinent to the case. The institution and involved individuals may review such information through a secure website or at the NCAA national office. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.10 Termination of Investigation. The enforcement staff shall terminate the investigation related to any notice of inquiry in which the information that is developed does not appear to be of sufficient substance or reliability to warrant a notice of allegations or notice of Level III allegations. *(Adopted: 10/30/12 effective 8/1/13)*

19.5.11 Statute of Limitations. Allegations included in a notice of allegations shall be limited to possible violations occurring not earlier than four years before the date the notice of inquiry is provided to the institution or the date the institution notifies (or, if earlier, should have notified) the enforcement staff of its inquiries into the matter. However, the following shall not be subject to the four-year limitation: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Allegations involving violations affecting the eligibility of a current student-athlete;

- (b) Allegations in a case in which information is developed to indicate a pattern of willful violations on the part of the institution or individual involved, which began before but continued into the four-year period; and
- (c) Allegations that indicate a blatant disregard for the Association's fundamental recruiting, extra benefit, academic or ethical-conduct bylaws or that involve an effort to conceal the occurrence of the violation. In such cases, the enforcement staff shall have a one-year period after the date information concerning the matter becomes available to the NCAA to investigate and submit to the institution a notice of allegations concerning the matter.

19.6 Summary Disposition Process.

19.6.1 Summary Disposition Election. In a case involving Level I or Level II violations, the institution, involved individuals and the enforcement staff may elect to use the summary disposition procedures specified below. To invoke the summary disposition procedures, the enforcement staff, involved individuals, if participating, and the institution must agree to summary disposition. The institution, an involved individual or the enforcement staff may require, as a condition of agreement, that the parties jointly submit the proposed findings of fact to the chair of the Committee on Infractions or his or her designee for a preliminary assessment of the appropriateness of the use of the summary disposition process. *(Adopted: 10/30/12 effective 8/1/13)*

19.6.2 Written Report. The institution, involved individuals and the enforcement staff shall submit a written report setting forth: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) The proposed findings of fact;
- (b) A summary of information on which the findings are based;
- (c) A statement identifying the violation(s) of the NCAA constitution and bylaws;
- (d) The parties' agreement on the overall level of the case;
- (e) A stipulation by the enforcement staff that the investigation, if conducted by the institution, was complete and thorough and that the institution cooperated fully in the process;
- (f) A statement of unresolved issues;
- (g) A list of any agreed-upon aggravating and mitigating factors; and
- (h) A stipulation that the proposed findings are substantially correct and complete.

19.6.3 Proposed Penalties. The institution and involved individuals shall submit proposed penalties from the guidelines set forth in Bylaw 19.9 and Figure 19-1. The institution and involved individuals also may submit a statement regarding any aggravating or mitigating factors and other considerations that may impact the penalty or penalties. *(Adopted: 10/30/12 effective 8/1/13)*

19.6.4 Committee on Infractions Review. A hearing panel of the Committee on Infractions shall consider the case during a subsequent meeting. *(Adopted: 10/30/12 effective 8/1/13)*

19.6.4.1 Review of Investigation. The panel shall determine whether a thorough investigation of possible violations of the NCAA constitution and bylaws has been conducted (by the enforcement staff and/or the institution). If the panel determines that the investigation was inadequate, it shall notify the enforcement staff and the parties and allow them to respond, as appropriate. *(Adopted: 10/30/12 effective 8/1/13)*

19.6.4.2 Additional Information or Clarification. The panel may contact the institution, enforcement staff and involved individuals for additional information or clarification prior to accepting or rejecting the proposed findings or penalties. *(Adopted: 10/30/12 effective 8/1/13)*

19.6.4.3 Acceptance of Proposed Findings and Penalties. If the proposed findings of fact and proposed penalties are accepted, the panel shall prepare a report of its decision or adopt the written report of the parties. The panel may make additional comments explaining its analysis or amend the proposed findings of fact, provided any addition or amendment is editorial and does not alter the substance of the proposed findings of fact. The written report may identify the chancellor president of the institution (in cases involving lack of institutional control); the director of athletics and/or any individual with direct responsibility and oversight of the athletics department (in cases involving lack of institutional control and failure to monitor); the head coach(es) of the sport(s) involved; and, if appropriate, the chair or other members of the institution's governing body. The panel shall forward the report to the enforcement staff and the parties and publicly announce the resolution of the case. *(Adopted: 10/30/12 effective 8/1/13)*

19.6.4.4 Proposed Findings Not Accepted. If the panel does not accept the proposed findings of fact, the case shall be processed pursuant to Bylaw 19.7. *(Adopted: 10/30/12 effective 8/1/13)*

19.6.4.5 Proposed Penalties Not Accepted. If the panel accepts the proposed findings of fact but proposes penalties in addition to those set forth in the parties' written report, the institution and/or involved individuals may accept those penalties or request an expedited hearing on penalties before the panel. The institution and/or involved individuals may appear before the panel in person, by video conference or other mode of distance communication, as the panel deems appropriate, to discuss the proposed additional penalties. The institution and/or involved individuals also may provide a written submission in lieu of a hearing. The panel shall only consider

information relevant to the calculation of penalties during the expedited hearing or, if no hearing is requested, on the written record. At the conclusion of the expedited hearing or review of the written record, the panel shall prepare a written report and provide notification of its decision. The institution and/or any involved individuals may appeal additional penalties to the Infractions Appeals Committee. *(Adopted: 10/30/12 effective 8/1/13)*

19.7 Notice of Allegations and Opportunity to Respond.

19.7.1 Notice of Allegations. If the enforcement staff determines after an investigation that there is sufficient information to conclude that a hearing panel of the Committee on Infractions could conclude that a violation occurred, it shall issue a cover letter and notice of allegations to the chancellor or president of the institution involved (with copies to the faculty athletics representative, the athletics director and the executive officer of the conference of which the institution is a member). The institution and/or involved individuals, if applicable, shall be given notice of the alleged violation(s), the details of the allegations, the possible level of each violation, the available hearing procedures and the opportunity to answer the allegations. The notice of allegations shall also identify the factual information and aggravating and/or mitigating factors on which the enforcement staff may rely in presenting the case. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.1.1 Notice to Institution's Administration. The cover letter accompanying each notice of allegations shall: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Inform the chancellor or president of the matter under inquiry and request the cooperation of the institution in obtaining all the pertinent facts;
- (b) Request the chancellor or president to respond to the allegations and to provide all relevant information that the institution has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the case has been concluded;
- (c) In cases in which there will be an in-person hearing, request the chancellor or president and other institutional staff to appear before a hearing panel of the Committee on Infractions at a time and place determined by the panel;
- (d) In cases in which there will be an in-person hearing, inform the chancellor or president that if the institution fails to appear after having been requested to do so, it may not appeal to the panel's decision or the resultant penalty; and
- (e) Inform the chancellor or president that the enforcement staff's primary investigator in the case will be available to discuss the development of its response and assist in locating various individuals who have, or may have, important information regarding the allegations.

19.7.1.2 Notice to Involved Individuals. The enforcement staff shall notify an involved individual of the allegations in a notice of allegations in which he or she is named. The involved individual shall receive notice of his or her duty to cooperate in the investigation and to appear at a hearing, if requested (and the potential consequences for failing to appear). The notice of allegations shall request the involved individual to respond to the allegations and to provide all relevant information that he or she has or may reasonably obtain, including information uncovered related to new violations. The responsibility to provide information continues until the case has been concluded. The involved individual shall also be advised that the enforcement staff's primary investigator in the case will be available to discuss the development of the individual's response. If an involved individual is employed at a member institution, a copy of the notification shall also be forwarded to the chancellor or president and the director of athletics of his or her current institution. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.2 Responses by Institutions or Involved Individuals. Any response to the notice of allegations shall be submitted to the hearing panel, if assigned, and the enforcement staff, and to the institution and all involved individuals, not later than 90 days from the date of the notice of allegations unless the chief hearing officer, if assigned, and if not assigned, the committee chair, grants an extension. The enforcement staff may establish a deadline for the submission of responses to any reasonable time within the 90-day period, provided the institution and all involved individuals consent to the expedited deadline. Failure to submit a timely response may be viewed by the panel as an admission that the alleged violation(s) occurred. *(Adopted: 10/30/12 effective 8/1/13, Revised: 1/19/13)*

19.7.3 Submissions by Enforcement Staff. Within 60 days after the institution and involved individuals, if any, submit written responses to the notice of allegations, the enforcement staff shall submit a written reply to the hearing panel, and pertinent portions to an involved individual or institution. In addition to submitting its reply and after the prehearing conference, the enforcement staff shall prepare a statement of the case, which shall set forth a brief history of the case, a summary of the parties' positions on each allegation and a list of any remaining items of disagreement. An involved individual will be provided those portions of the statement in which he or she is named. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.4 Prehearing Conference. Within 60 days after the institution and involved individuals, if any, submit written responses to the notice of allegations, the enforcement staff shall consult with institutional representatives and other involved individuals in order to clarify the issues to be discussed during the hearing, make suggestions regarding additional investigation or interviews that should be conducted to supplement a response and

identify allegations that the staff intends to amend or withdraw. The enforcement staff shall conduct independent prehearings with the institution and/or any involved individuals, unless mutually agreed by all parties to do otherwise. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.5 Deadline for Submission of Written Material. Except as otherwise ordered by the chief hearing officer and for good cause shown, all written material from the parties to be considered by the hearing panel must be received by the hearing panel, enforcement staff, institution and any involved individuals at least 30 days prior to the date the panel considers the case. Information may be submitted at the hearing, subject to the limitations set forth in Bylaw 19.7.7.3. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.6 Prehearing Procedural Issues. The committee chair has authority to resolve procedural matters that arise prior to an infractions hearing. Unless otherwise specified by the committee chair, the chief hearing officer has authority to resolve procedural matters that arise prior to an infractions hearing and after appointment of the chief hearing officer to preside over the case assigned to a panel. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7 Committee Hearings. The hearing panel assigned to a case shall hold a hearing to make factual findings and to conclude whether violations of the NCAA constitution and bylaws occurred and, if so, to determine appropriate penalties as set forth in this Article. In cases that involve a small number of contested issues or cases in which the contested issues are relatively uncomplicated, the institution and/or the involved individual may make a written request to appear before the panel by video conference or other mode of distance communication. The decision regarding the use of video conference (or another mode of communication) rests with the panel. In a Level II case, the hearing will be conducted by telephone or video conference unless an in-person hearing is requested by the panel, institution, enforcement staff or involved individual or unless all participating parties agree to submit the case in writing without a hearing. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.1 Allegations of Violations in Multiple Levels. If violations from multiple levels are identified in the notice of allegations, the case shall be processed pursuant to procedures applicable to the most serious violation(s) alleged. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.2 Accelerated Hearing Docket. In Level II cases, the institution or involved individual may petition the committee chair for an accelerated schedule for written submissions and an earlier hearing date. The petition shall be submitted not later than 14 calendar days after the date of the notice of allegations. The enforcement staff may respond to the petition within five business days. The committee chair may grant or deny such a petition and set a reasonable schedule at his or her discretion. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.3 Information Presented at Hearings. At a hearing, the parties or their legal counsel have the obligation to present, to the extent reasonably possible, material, relevant information necessary for the hearing panel to reach an informed decision, including information that corroborates or refutes an allegation. Subject to procedures of the Committee on Infractions, the parties or their legal counsel may deliver opening and closing statements, present factual information, make arguments, explain the alleged violations and answer questions from panel members. Any oral or documentary information may be received, but the panel may exclude information that it determines to be irrelevant, immaterial or unduly repetitious. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.3.1 Information from Confidential Sources. At a hearing, the parties, including the enforcement staff, shall present only information that can be attributed to individuals who are willing to be identified. Information obtained from individuals not wishing to be identified shall not be relied on by the hearing panel in concluding whether a violation occurred. Such confidential sources shall not be identified to the hearing panel, the institution or an involved individual. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.3.2 Information Relevant to Possible Penalties. Institutional, conference and enforcement staff representatives and any involved individuals are encouraged to present all relevant information that should be considered in arriving at appropriate penalties. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.4 Scope of Inquiry. When an institution and/or involved individual appears before a hearing panel to discuss a response to the notice of allegations, the hearing shall be directed toward the general scope of the notice of allegations but shall not preclude the panel from concluding that any violation occurred based on information developed or discussed during the hearing. In any case, the panel may make specific factual findings based on information presented by the parties or at a hearing even if different from the notice of allegations. *(Revised: 4/24/03, 10/30/12 effective 8/1/13)*

19.7.7.5 Appearance of Individuals at Hearings. Except as otherwise provided herein or as ordered by the chief hearing officer, hearing attendees shall be limited to institutional representatives (Bylaw 19.7.7.5.2), involved individuals, enforcement staff representatives, hearing panel members, representatives from the office of the Committees on Infractions, representatives from the NCAA office of legal affairs, the audio recorder, court reporter and other technical/support staff as permitted by the chief hearing officer. An individual who appears before the panel may appear with personal legal counsel. At his or her discretion, the chief hearing officer may exclude an individual and his or her counsel from those portions of the hearing concerning matters in which the individual is not involved. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.5.1 Request for Specific Individuals. Institutional officials, current or former staff members, or enrolled student-athletes who are specifically requested by the chief hearing officer to appear before the

hearing panel at an institutional hearing are expected to appear and may be accompanied by personal legal counsel. Failure to attend may result in a violation of this bylaw. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.5.2 Representatives of Institution. Except as otherwise ordered by the chief hearing officer, at the time an institution appears before the hearing panel, its representatives should include the institution's chancellor or president, the head coach of the sport(s) in question, the institution's director of athletics and/or any individual with direct responsibility and oversight of the athletics department, senior compliance administrator, faculty athletics representative, legal counsel (if any), enrolled student-athletes whose eligibility could be affected by information presented at the hearing, and any other representatives whose attendance has been requested by the panel. Additional individuals may be included among the institution's representatives only if specifically approved. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.5.3 Representatives of Member Conference. A representative of a conference may attend an institutional hearing involving a conference member. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.5.4 Prohibited Attendance by Conflicted Committee Members. A member of the Committee on Infractions or the Infractions Appeals Committee who is prohibited under Bylaws 19.3.4 or 19.4.3 from participating in an infractions proceeding may not attend a Committee on Infractions hearing involving his or her institution unless specifically requested by the chief hearing officer. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.7.6 Recording of Proceedings. The proceedings of infractions hearings shall be transcribed by a court reporter (unless otherwise agreed) and shall be recorded by the hearing panel. No additional verbatim recording of the proceedings will be permitted. In the event of an appeal, a transcript of the proceedings shall be reproduced and submitted to the Infractions Appeals Committee and made available for review by the appealing parties through a secure website. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.8 Posthearing Committee Deliberations. After all presentations have been made and the hearing has been concluded, the hearing panel shall excuse the parties and deliberate in private. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.8.1 Request for New Information. In arriving at its decision, the hearing panel may request additional information from any source, including the institution, the enforcement staff or an involved individual. In the event that new information is requested, all parties will be afforded an opportunity to respond at the time such information is provided. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.8.2 Request for Interpretation. The hearing panel may request that the NCAA academic and membership affairs staff provide an interpretation of applicable legislation based on facts submitted by the panel. If an interpretation is requested, the institution, involved individuals and the enforcement staff will be notified in writing of the interpretation request and the response. The institution may appeal the interpretation in accordance with Constitution 5.4.1.2. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.8.3 Basis of Decision. The hearing panel shall base its decision on information presented to it that it determines to be credible, persuasive and of a kind on which reasonably prudent persons rely in the conduct of serious affairs. *(Adopted: 10/30/12 effective 8/1/13)*

19.7.8.4 Calculation of Penalty. If the hearing panel concludes that a violation occurred, it shall prescribe an appropriate penalty pursuant to Bylaw 19.9 or recommend to the Board of Directors suspension or termination of membership in an appropriate case. Failure to fully implement the prescribed penalty may subject the institution, and/or an institution employing an involved individual under a show-cause order, to further disciplinary action by the Committee on Infractions. *(Adopted: 10/30/12 effective 8/1/13)*

19.8 Notification of Committee on Infractions Decision.

19.8.1 Infractions Decision. After a hearing, the hearing panel shall prepare and approve the final written infractions decision, which shall contain a statement of the findings of fact, conclusions of violations, penalties, corrective actions, requirements and (for institutions) any other conditions and obligations of membership. *(Adopted: 10/30/12 effective 8/1/13)*

19.8.1.1 Provision of Decision to the Parties. The decision shall be sent to the chancellor or president of the involved institution (or his or her designee), any involved individuals and the vice president of enforcement. *(Adopted: 10/30/12 effective 8/1/13)*

19.8.1.2 Public Infractions Decision. Once the decision has been provided to the parties, the hearing panel shall release a public infractions decision. The public infractions decision will not include names of individuals, but the panel may, at its discretion, identify the chancellor or president of the institution (in cases involving lack of institutional control); the director of athletics and/or any individual with direct responsibility and oversight of the athletics department (in cases involving lack of control or failure to monitor); the head coach(es) of the sport(s) involved; and, if appropriate, the chair or other members of the institution's governing body. *(Adopted: 10/30/12 effective 8/1/13)*

19.8.1.3 Public Announcement. Once the public infractions decision has been released, the panel member designated by the chief hearing officer may make a public announcement related to the infractions case. The

institution and/or any involved individuals shall be requested not to comment publicly concerning the case prior to the time the NCAA's public announcement is released. *(Adopted: 10/30/12 effective 8/1/13)*

19.8.1.4 Decision to Infractions Appeals Committee. The hearing panel shall forward a copy of the public infractions decision to the Infractions Appeals Committee at the time of the public announcement. *(Adopted: 10/30/12 effective 8/1/13)*

19.8.2 Reconsideration by the Hearing Panel. Once the decision has been publicly announced by the hearing panel, and the appeal opportunity has been exhausted, there shall be no reconsideration of the decision except as follows. *(Adopted: 10/30/12 effective 8/1/13)*

19.8.2.1 New Evidence or Prejudicial Error. A hearing panel may reconsider a decision upon a showing of new evidence that is directly related to the decision or upon a showing that there was prejudicial error in the procedure that was followed in the processing of the case. *(Revised: 1/9/96, 10/30/12 effective 8/1/13)*

19.8.2.1.1 Review Process. Any institution or involved individual that initiates such a review shall submit a brief of its request to a hearing panel of the Committee on Infractions. Based on the party's brief, the hearing panel shall decide whether to deny the request or grant the request and conduct further proceedings as the panel deems necessary to resolve the matter. *(Revised: 10/30/12 effective 8/1/13)*

19.8.2.1.2 No Calculation of New Penalty. If reconsideration is granted, the panel may reduce or eliminate a penalty but may not prescribe any new penalty. The panel's decision with respect to the penalty shall be final and conclusive for all purposes. *(Revised: 10/30/12 effective 8/1/13)*

19.8.2.2 Penalty Modified or Set Aside Outside the Association. Should any portion of the penalty in the case be modified or set aside for any reason other than by appropriate action of the Association, the penalty shall be reconsidered by a hearing panel. In such cases, any extensions or adjustment of a penalty shall be prescribed by the panel after notice to the institution and an opportunity to respond. Any such action by the panel may be reviewed by the Infractions Appeals Committee. *(Revised: 10/30/12 effective 8/1/13)*

19.8.3 Finality of Decisions. Any decision by a hearing panel of the Committee on Infractions that is not appealed or reconsidered pursuant to Bylaw 19.8.2 shall be final, binding and conclusive, and shall not be subject to further review by any governance body. *(Adopted: 10/30/12 effective 8/1/13)*

19.9 Penalties.

19.9.1 Application. The penalties set forth in this section shall be prescribed for violations committed on or after October 30, 2012. Penalties prescribed for violations committed before October 30, 2012, shall be the penalties set forth in this section or the penalties that would have been prescribed pursuant to the 2012-13 Division I Manual, whichever is less stringent. For violations that commence before October 30, 2012, and continue on or after October 30, 2012, the hearing panel shall prescribe the penalties set forth in this section unless it determines that the conduct constituting a violation predominately occurred before October 30, 2012. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.2 Factors Affecting Penalties. The hearing panel shall determine whether any factors that may affect penalties are present in a case. The panel shall weigh any factors and determine whether a case should be subject to standard penalties or should be classified with aggravation or mitigation and, therefore, subject to a higher or lower range of penalties. Absent extenuating circumstances, core penalties corresponding to the classification shall be prescribed as set forth in Figure 19-1. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.2.1 Aggravation. An aggravated case is one in which aggravating factors outweigh mitigating factors. A case should not be classified as aggravated solely because the number of aggravating factors is larger than the number of mitigating factors. An egregious aggravating factor may outweigh multiple mitigating factors. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.2.2 Standard. A standard case is one in which no mitigating or aggravating factors are present or in which aggravating and mitigating factors are generally of equal weight. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.2.3 Mitigation. A mitigated case is one in which mitigating factors outweigh aggravating factors. A case should not be classified as mitigated solely because the number of mitigating factors is larger than the number of aggravating factors. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.3 Aggravating Factors. Aggravating factors are circumstances that warrant a higher range of penalties in a particular case. A hearing panel of the Committee on Infractions determines whether aggravating factors are present in a case and the weight assigned to each factor. Examples of aggravating factors include but are not limited to the following: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Multiple Level I violations by the institution or involved individual;
- (b) A history of Level I, Level II or major violations by the institution, sport program(s) or involved individual. Additional considerations include:
 - (1) The amount of time between the occurrences of violations;
 - (2) The similarity, severity and types of violations involved;

- (3) Efforts to implement previously prescribed corrective measures; and
- (4) Other factors the committee deems relevant to the infractions history.
- (c) Lack of institutional control;
- (d) Obstructing an investigation or attempting to conceal the violation;
- (e) Unethical conduct, compromising the integrity of an investigation, failing to cooperate during an investigation or refusing to provide all relevant or requested information;
- (f) Violations were premeditated, deliberate or committed after substantial planning;
- (g) Multiple Level II violations by the institution or involved individual;
- (h) Persons of authority condoned, participated in or negligently disregarded the violation or related wrongful conduct;
- (i) One or more violations caused significant ineligibility or other substantial harm to a student-athlete or prospective student-athlete;
- (j) Conduct or circumstances demonstrating an abuse of a position of trust;
- (k) A pattern of noncompliance within the sport program(s) involved;
- (l) Conduct intended to generate pecuniary gain for the institution or involved individual;
- (m) Intentional, willful or blatant disregard for the NCAA constitution and bylaws; or
- (n) Other facts warranting a higher penalty range.

19.9.4 Mitigating Factors. Mitigating factors are circumstances that warrant a lower range of penalties in a particular case. A hearing panel of the Committee on Infractions determines whether mitigating factors are present in a case and the weight assigned to each factor. Examples of mitigating factors include but are not limited to the following: (*Adopted: 10/30/12 effective 8/1/13*)

- (a) Prompt self-detection and self-disclosure of the violation(s);
- (b) Prompt acknowledgement of the violation, acceptance of responsibility and (for an institution) imposition of meaningful corrective measures and/or penalties;
- (c) Affirmative steps to expedite final resolution of the matter;
- (d) An established history of self-reporting Level III or secondary violations;
- (e) Implementation of a system of compliance methods designed to ensure rules compliance and satisfaction of institutional/coaches' control standards;
- (f) Exemplary cooperation, such as:
 - (1) Identifying individuals (to be interviewed by the enforcement staff), documents and other information of which the enforcement staff was not aware;
 - (2) Expending substantial institutional resources to expedite a thorough and fair collection and disclosure of information; or
 - (3) Recognizing and bringing to the attention of the enforcement staff, in a timely manner, additional violations discovered in the investigation of which the enforcement staff was not aware.
- (g) The violations were unintentional, limited in scope and represent a deviation from otherwise compliant practices by the institution or involved individual; or
- (h) Other facts warranting a lower penalty range.

19.9.5 Core Penalties for Level I and Level II Violations. If a hearing panel concludes that an institution or involved individual committed one or more Level I or Level II violations, and after determining the appropriate classification based on aggravating and mitigating factors, the hearing panel shall prescribe core penalties from the ranges set forth in Figure 19-1 and described below. The panel may depart from the core penalties only as set forth in Bylaw 19.9.6. (*Adopted: 10/30/12 effective 8/1/13*)

19.9.5.1 Competition Penalties. Competition limitations on the institution's participation in postseason play in the involved sport(s). (*Adopted: 10/30/12 effective 8/1/13*)

19.9.5.2 Financial Penalties. Financial penalties may include requirements that an institution pay a fine, return revenue received from a specific athletics event or series of events, or face reduction in or elimination of monetary distribution by the Association. (*Adopted: 10/30/12 effective 8/1/13*)

19.9.5.3 Scholarship Reductions. Limitations on the number of financial aid awards that may be provided during a specified period. (*Adopted: 10/30/12 effective 8/1/13*)

19.9.5.4 Show-Cause Orders. If a determination is made by a hearing panel that an institution has not taken appropriate disciplinary or corrective action regarding an individual found in violation of the NCAA constitution and bylaws, the panel may issue an order that the institution take additional disciplinary or corrective action, including but not limited to, restriction of some or all athletically related duties, as set forth in Figure 19-1, unless the institution appears before the panel to show cause why the additional penalties should not be ap-

plied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution's obligation of NCAA membership shall rest solely with the Committee on Infractions. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.5.5 Head Coach Restrictions. If a determination is made by the hearing panel that an employing institution has not taken appropriate disciplinary or corrective action regarding a head coach found in violation of Bylaw 11.1.1.1, the panel may issue an order that the institution suspend the coach for a number of contests from the range set forth in Figure 19-1 that would apply to the underlying violation(s) unless the institution appears before the panel to show cause why the suspension should not be applied. Decisions regarding disciplinary or corrective actions involving personnel shall be made by the institution, but the determination of whether the action satisfies the institution's obligation of NCAA membership shall rest solely with the Committee on Infractions. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.5.6 Recruiting Restrictions. Recruiting restrictions may include limitations for varying lengths of time on official visits; unofficial visits (the number of scheduled unofficial visits, provision of complimentary admissions and local transportation); recruiting communications (telephone and written correspondence); and off-campus recruiting activities. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.5.7 Probation. The hearing panel may prescribe probationary conditions designed on a case-by-case basis to remediate weaknesses detected in the institution's administration of its athletics programs. Prior to expiration of the probation period and before the institution is restored to full rights and privileges of membership in the Association, the office of the Committee on Infractions will review the athletics policies and practices of the institution. If an institution fails to satisfy all probationary conditions, the committee may extend the probationary period and/or prescribe additional penalties. Conditions of probation may include but are not limited to the following: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Submission of compliance reports during the period of probation;
- (b) Acknowledgement in alumni publications, media guides and recruiting materials identifying the violations committed, the terms of probation, and penalties prescribed;
- (c) Written confirmation to the committee that the institution's president or chancellor met with student-athletes, athletics department staff and other relevant parties to personally affirm his or her commitment to NCAA rules compliance, shared responsibility and preserving the integrity of intercollegiate athletics;
- (d) Requiring an institution to announce during broadcast contests, on its website and in institutional publications that it is on probation and the reasons why the probation was prescribed;
- (e) In cases in which an institution is found to lack institutional control and serious remediation is necessary, in-person reviews of the institution's athletics policies and practices by the office of the Committee on Infractions or, in limited circumstances, as appropriate, committee members or a third party;
- (f) Implementation of educational or deterrent programs; or
- (g) Audits for specific programs or teams.

19.9.6 Departures from Level I and Level II Core Penalties. If extenuating circumstances are found, the hearing panel may depart from the core penalties in Figure 19-1, provided the panel explains, in its decision, the basis for its prescription of core penalties different than those set forth in Figure 19-1. *(Adopted: 10/30/12 effective 8/1/13)*

19.9.7 Additional Penalties for Level I and Level II Violations. In addition to the core penalties for Level I and Level II violations, the panel may prescribe one or more of the following penalties: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Prohibition against specified competition in the sport during the regular season;
- (b) Prohibition of all coaching staff members in the sport from involvement, directly or indirectly, in any coaching activities at the institution during the regular season;
- (c) Prohibition against institutional staff members serving on the Board of Directors, Leadership Council, Legislative Council, or other cabinets or committees of the Association for a prescribed period (or requirement that any institutional staff members serving in leadership positions on any NCAA council, cabinet or committee resign their leadership positions);
- (d) Requirement that the institution relinquish its voting privilege in the Association for a prescribed period;
- (e) Recommendation that the institution's membership in the Association be suspended or terminated pursuant to Constitution 3.2.5;
- (f) Public reprimand and censure;

- (c) If the appealing party is an involved individual, a statement indicating whether he or she is employed at an NCAA institution. If the involved individual's employment status changes during the course of the appeal, the statement shall be amended promptly to reflect the change and the identity of the new employer.

19.10.2.2 Stay of Penalties. If a notice of intent to appeal is filed within the deadline, unless ordered otherwise by the Infractions Appeals Committee, any penalties prescribed by a hearing panel of the Committee on Infractions that have been appealed shall be stayed during the pendency of the appeal. *(Adopted: 10/30/12 effective 8/1/13)*

19.10.3 Written Materials on Appeal. An appealing party may submit materials as set forth below, subject to procedures promulgated by the Infractions Appeals Committee or as otherwise directed by the committee. 19.10.3.2 Response by Committee Appeals Advocate. Within 30 days after receipt of an initial submission in support of its appeal by an institution or involved individual, the committee appeals advocate shall submit a response to the Infractions Appeals Committee. The response shall include the following: *(Adopted: 10/30/12 effective 8/1/13)*

- (g) A transcript of any hearing conducted by the Committee on Infractions.

19.10.3.3 Rebuttal by Institution or Involved Individual. Within 14 days after receipt of the committee appeals advocate's response, an institution or involved individual may submit a rebuttal to the Infractions Appeals Committee. The rebuttal may only address issues contained in the initial submission or the committee appeals advocate's response. *(Adopted: 10/30/12 effective 8/1/13)*

19.10.3.4 Enforcement Staff Statement. Within 10 days after the deadline for submission of all rebuttals, the enforcement staff may provide a written statement to the Infractions Appeals Committee regarding perceived new information, errors, misstatements and omissions relating to the initial submission(s), the committee appeals advocate's response and/or rebuttal documents. *(Adopted: 10/30/12 effective 8/1/13)*

19.10.4 Information Considered on Appeal. The Infractions Appeals Committee shall consider only the information contained in the record of proceedings before the Committee on Infractions, the record on appeal and arguments presented during the appeal oral argument, if any, unless otherwise ordered by the Infractions Appeals Committee. If an institution or involved individual seeks to introduce new evidence during the appeal process, the Infractions Appeals Committee shall determine whether it meets the threshold definition of new evidence per Bylaw 19.02.02 and, if so, may stay the appeal and remand the matter to the assigned panel to conduct further proceedings as may be necessary to address whether the evidence affects the panel's decision and to amend the decision, if necessary. *(Adopted: 10/30/12 effective 8/1/13)*

19.10.5 Appeal Arguments. If one or more of the appealing parties request an appeal oral argument, an appeal oral argument may be conducted as set forth below, subject to procedures promulgated by the Infractions Appeals Committee or as otherwise directed by the committee. *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Only those individuals identified in Bylaw 19.7.7.5 may attend the appeal oral argument;
- (b) The parties may be represented by legal counsel and shall be permitted a reasonable time to make an oral presentation to supplement the initial submission;
- (c) The Infractions Appeals Committee may question representatives of appealing parties (institution or involved individual), the Committee on Infractions or enforcement staff, as well as any other persons appearing before it, in order to determine the issues related to the appeal;
- (d) Representatives from the enforcement staff may participate during the appeal oral argument but such participation shall be limited to the opportunity to provide information regarding perceived new information, errors, misstatements and omissions;
- (e) If an institution or involved individual appeared before the Committee on Infractions but waived the right to appeal, the institution or involved individual may elect to be present in person and/or by counsel as a silent observer during the appeal oral argument; and
- (f) If the institution or involved individual elects to appeal in writing only, the committee appeals advocate's written response specific to that written appeal shall be considered without any in-person appearance.

19.10.6 Decision of the Infractions Appeals Committee. After considering the appeal and deliberating privately, the Infractions Appeals Committee shall prepare a written decision and provide a copy to any appealing party (including the president or chancellor of an institution currently employing an involved individual), the chair of the Committee on Infractions, the committee appeals advocate and the vice president of enforcement, unless otherwise ordered by the committee. Once the decision has been provided to the parties, the committee shall release a public appeal decision. The public appeal decision will not include names of individuals, but the committee may, at its discretion, identify the chancellor or president of the institution (in cases involving lack of institutional control); the director of athletics and/or any individual with direct responsibility and oversight of the athletics department (in cases involving lack of control or failure to monitor); the head coach(es) of the sport(s) involved; and, if appropriate, the chair or other members of the institution's governing body. *(Adopted: 10/30/12 effective 8/1/13)*

19.10.7 Final Decision not Subject to Further Review. Any decision of the Infractions Appeals Committee shall be final, binding and conclusive, and shall not be subject to further review by any governance body. *(Adopted: 10/30/12 effective 8/1/13)*

19.11 Notice of Allegations, Opportunity to Respond and Penalties (Level III Cases).

19.11.1 General Process for Alleged Violations. A Level III case is a case presenting Level III or Level IV violations that do not collectively constitute a Level II violation. An institution or involved individual subject to a show-cause order in a Level III case may be represented by legal counsel and shall be provided the following: *(Adopted: 10/30/12 effective 8/1/13)*

- (a) Notice of any specific allegations and the facts upon which such allegations are based; and
- (b) An opportunity to provide a written response to the vice president of enforcement, or his or her designee, to answer such allegations by the production of evidence and to appeal to a hearing panel of the Committee on Infractions.

19.11.2 Determination by Enforcement Staff. After reviewing relevant information and consulting with the institution or involved individual, the enforcement staff shall conclude whether one or more Level III violations occurred. If the enforcement staff concludes that the alleged violation(s) should not be processed as a Level III case, it may process the case as Level I or Level II case, as appropriate, refer the case to the institution's conference for resolution as a Level IV case, or determine that no further action is required. *(Adopted: 10/30/12 effective 8/1/13)*

19.11.3 Authority to Prescribe Penalties. As authorized by the Committee on Infractions, upon a conclusion that one or more Level III violations occurred, the vice president of enforcement, or his or her designee, may determine whether a penalty is warranted and, if so, prescribe and announce an appropriate penalty pursuant to Bylaw 19.9.8. Failure to fully implement the penalty may subject the institution to further disciplinary action by the NCAA. Failure to fully implement self-imposed actions may also subject the institution to further disciplinary action by the NCAA. *(Adopted: 10/30/12 effective 8/1/13)*

19.11.4 Appeal to Committee on Infractions. If an institution or involved individual subject to a show-cause order disputes an action by the enforcement staff regarding a Level III violation, the institution or involved individual may appeal by submitting a notice of appeal through the online reporting system for Level III violations within 15 days after receipt of the enforcement staff's decision. An institution that self-reports a violation may appeal a penalty prescribed by the enforcement staff, but not the violation. An institution or involved individual subject to a show-cause order may request the opportunity to appear in person or by video or telephone conference. If no such request is made, or if the request is denied, a hearing panel of the committee will review the appeal on the basis of the written record. The panel shall not deny an involved individual's request to appear in person if a show-cause order was prescribed. *(Adopted: 10/30/12 effective 8/1/13)*

19.11.4.1 Stay of Penalties. If a notice of appeal is filed within the deadline, unless ordered otherwise by a hearing panel of the Committee on Infractions, any penalties prescribed by the enforcement staff that have been appealed shall be stayed during the pendency of the appeal. *(Adopted: 10/30/12 effective 8/1/13)*

19.12 Notice of Allegations, Opportunity to Respond and Penalties (Level IV Cases).

19.12.1 Conference Policies. A member conference shall establish, publish and adhere to policies for the investigation and resolution of alleged Level IV violations. Such policies shall afford institutions notice of alleged violations and an opportunity to respond. *(Adopted: 10/30/12 effective 8/1/13)*

19.12.2 Determination by Conference. Cases involving only Level IV violations shall be processed by the institution's athletics conference. The conference shall work with the institution to determine whether compliance deficiencies need to be addressed and, if so, the appropriate penalties to be prescribed, if any. In cases involving multiple or repeated Level IV violations, the conference may consult with the NCAA enforcement staff to conclude whether the allegations should be treated as Level III violations. Any violations processed and penalties prescribed by the conference shall be kept on file for review by the NCAA enforcement staff. Failure to fully implement the penalties may subject the institution to disciplinary action by the NCAA. *(Adopted: 10/30/12 effective 8/1/13)*

19.12.2.1 Institutions without Conference Affiliation or with Multiple Affiliations. A case involving only Level IV violations by an institution that is not affiliated with an athletics conference shall be processed by the NCAA enforcement staff. If an institution is affiliated with more than one conference, the violations shall be processed by the conference governing the sport in which the violations occurred. *(Adopted: 10/30/12 effective 8/1/13)*

19.12.2.2 Review of Level Determination. The vice president of enforcement, or his or her designee, may determine that a violation processed by a conference as a Level IV violation should have been processed at a different level. Subject to any applicable statute of limitations, the enforcement staff shall notify the conference and involved institution that the case was not processed correctly, that the enforcement staff intends to resolve the case pursuant to this article and that the NCAA may take appropriate action. *(Adopted: 10/30/12 effective 8/1/13)*

19.13 Restitution.

If a student-athlete who is ineligible under the terms of the constitution, bylaws or other legislation of the Association is permitted to participate in intercollegiate competition contrary to such NCAA legislation but in accordance with the terms of a court restraining order or injunction operative against the institution attended by such student-athlete or against the Association, or both, and said injunction is voluntarily vacated, stayed or reversed or it is finally determined by the courts that injunctive relief is not or was not justified, the Board of Directors may

take any one or more of the following actions against such institution in the interest of restitution and fairness to competing institutions: *(Revised: 11/1/07 effective 8/1/08)*

- (a) Require that individual records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;
- (b) Require that team records and performances achieved during participation by such ineligible student-athlete shall be vacated or stricken;
- (c) Require that team victories achieved during participation by such ineligible student-athlete shall be abrogated and the games or events forfeited to the opposing institutions;
- (d) Require that individual awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;
- (e) Require that team awards earned during participation by such ineligible student-athlete shall be returned to the Association, the sponsor or the competing institution supplying same;
- (f) Determine that the institution is ineligible for one or more NCAA championships in the sports and in the seasons in which such ineligible student-athlete participated;
- (g) Determine that the institution is ineligible for invitational and postseason meets and tournaments in the sports and in the seasons in which such ineligible student-athlete participated;
- (h) Require that the institution shall remit to the NCAA the institution's share of television receipts (other than the portion shared with other conference members) for appearing on any live television series or program if such ineligible student-athlete participates in the contest(s) selected for such telecast, or if the Board of Directors concludes that the institution would not have been selected for such telecast but for the participation of such ineligible student-athlete during the season of the telecast; any such funds thus remitted shall be devoted to the NCAA postgraduate scholarship program; and *(Revised: 11/1/07 effective 8/1/08)*
- (i) Require that the institution that has been represented in an NCAA championship by such a student-athlete shall be assessed a financial penalty as determined by the Committee on Infractions. *(Revised: 4/26/01 effective 8/1/01)*

Processing a Typical NCAA Division I Infractions Case

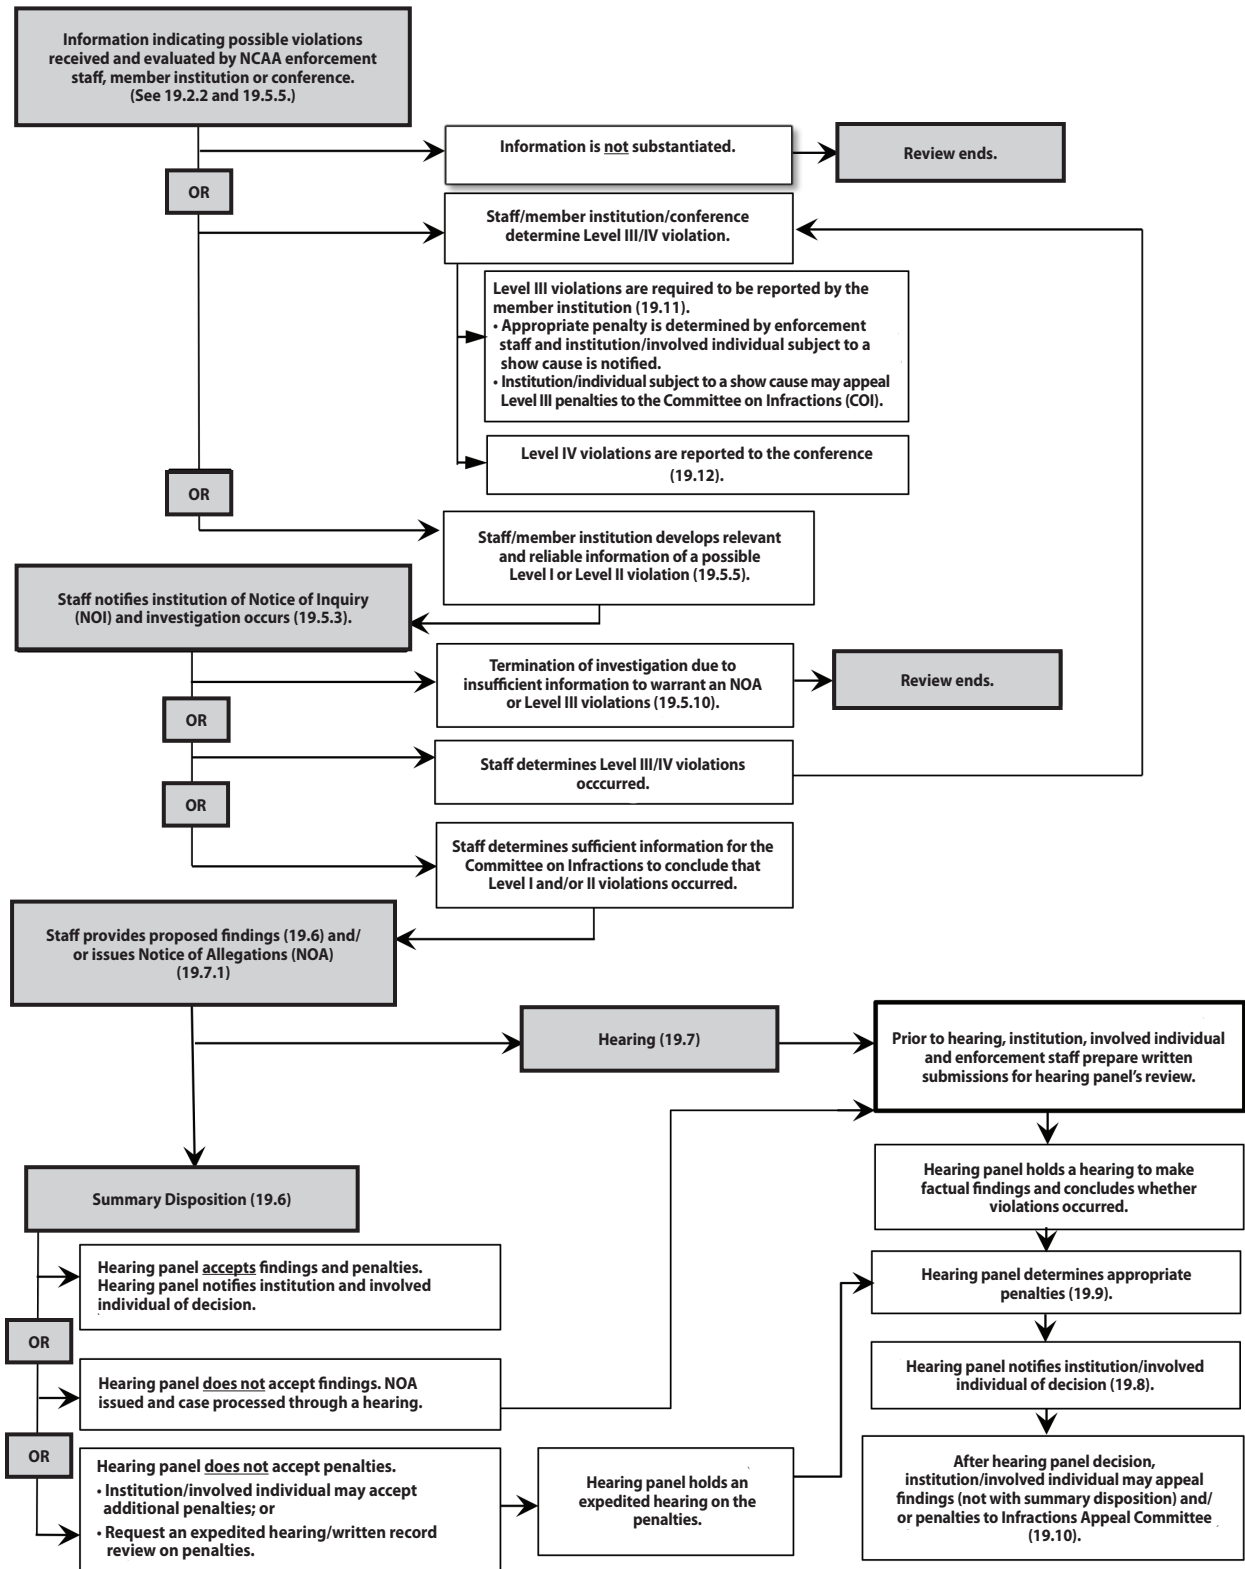

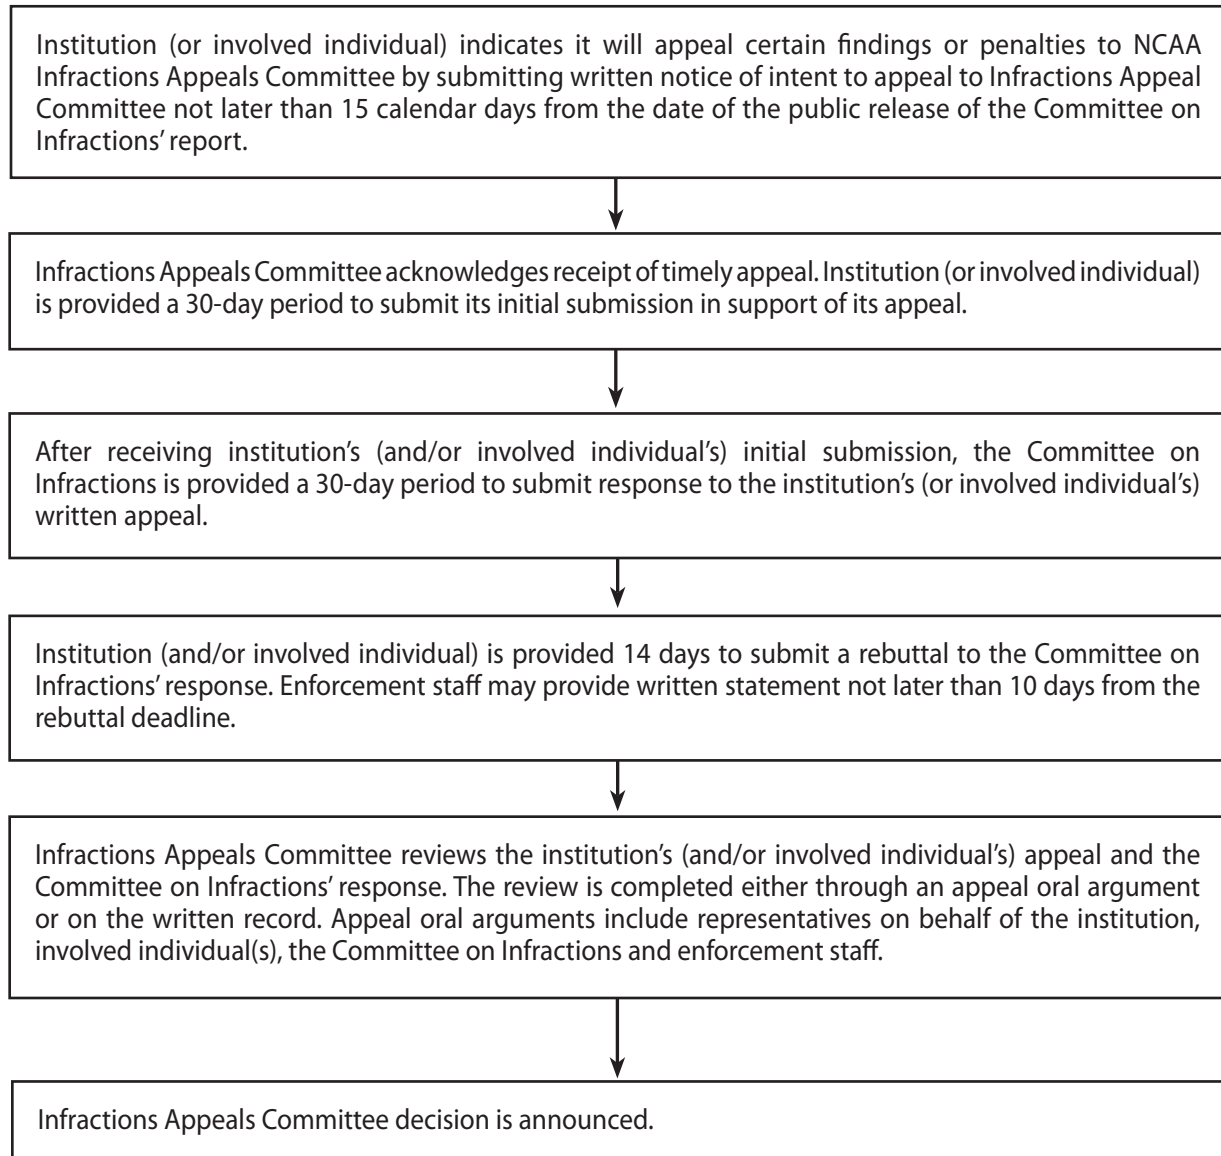

FIGURE 19-3
Processing a Typical NCAA Infractions Appeals Case

BYLAW, ARTICLE 20

Division Membership

20.01 General Principles.

20.01.1 Membership in the Association. Eligibility for membership in the Association; conditions, obligations and classes of Association membership; and procedures governing the termination, suspension and reinstatement of such membership are governed by Constitution 3.

20.01.2 Division Membership. Each active and provisional member institution and member conference is designated as a member of Division I, II or III for certain legislative and competitive purposes. In football, Division I is divided into the Football Bowl Subdivision and the Football Championship Subdivision (see Bylaw 20.7.1). Multidivision classification is permitted under specified circumstances (see Bylaw 20.4). *(Revised: 12/15/06)*

20.02 Definitions and Applications.

20.02.1 Multidivision Classification. Multidivision classification is the classification in which a sport is classified in a division other than the division in which an institution holds membership (see Bylaw 20.4). *(Revised: 1/15/11 effective 8/1/11)*

20.02.2 Performance Criterion. A performance criterion is a requirement for membership or classification in a division that must be met by the member institution prior to the date that the requirement becomes effective (e.g., during the academic year preceding the effective date). Performance criteria include, but are not limited to, minimum sports sponsorship requirements, minimum scheduling requirements and minimum game-attendance requirements.

20.02.3 Restricted Membership. Restricted membership is a membership classification status assigned to an institution that fails to comply with the minimum requirements of its division (e.g., sports sponsorship, scheduling). The institution placed in such status loses eligibility for a number of membership privileges and has from one year to three years to comply with the requirement involved. Failure to comply shall result in the termination of the institution's membership in the Association. *(Revised: 1/15/11 effective 8/1/11)*

20.02.4 Emerging Sports for Women. The following shall be considered emerging sports for women and countable for purposes of revenue distribution (for sports sponsorship and grants-in-aid): *(Adopted: 1/11/94 effective 9/1/94)*

- (a) **Team Sports:** rugby and sand volleyball; and *(Revised: 4/15/97, 4/27/00 effective 8/1/00, 4/25/02, 1/17/09 effective 8/1/09, 4/30/09, 1/16/10 effective 8/1/11)*
- (b) **Individual Sports:** equestrian. *(Revised: 1/12/99 effective 8/1/99, 4/24/03 effective 8/1/03, 1/17/09 effective 8/1/09, 1/15/11 effective 8/1/11)*

20.02.4.1 Additional Emerging Sports. The Board of Directors periodically shall identify future emerging sports for women that shall be countable sports for revenue distribution and minimum sports sponsorship criteria and shall establish procedures to determine minimum contests and maximum grants in those sports. *(Adopted: 1/11/94 effective 9/1/94)*

20.02.4.2 Removal of Emerging Sports. A sport shall no longer be considered an emerging sport once the sport has been established as a championship sport. Further, an emerging sport is limited to a 10-year time period to become a championship sport unless it can be demonstrated that steady growth has occurred during that time. *(Adopted: 4/15/97)*

20.02.6 Football Bowl Subdivision Conference. A conference classified as a Football Bowl Subdivision conference shall be comprised of at least eight full Football Bowl Subdivision members that satisfy all bowl subdivision requirements. 20.2 Establishment of and Compliance With Division Criteria.

20.2.1 Adoption of Criteria. The members of each division, through the legislative process, may establish division criteria for membership and competition by sport.

20.2.2 Effective Date and Compliance Period. In establishing criteria, the members of the division shall specify the effective date and compliance period, if any. Each institution (either as a member of that division or as an institution that competes in a sport in that division under the provisions of multidivision classification per Bylaw 20.4) shall conform to the requirements of the criteria by that effective date or by the end of the compliance period, whichever is later.

20.2.2.1 Deadline for Meeting Performance Criterion. An institution must comply with any specific performance criterion adopted by the membership of its division (e.g., that the institution sponsor a minimum number of sports, schedule and play a specific percentage or number of contests against opponents of a certain division, or demonstrate a specific level of paid attendance) by the end of the academic year prior to the effective date of the legislation.

20.2.3 Failure to Conform by Effective Date. If an institution has not conformed to the adopted criteria of its division by the effective date or the end of the prescribed compliance period, the institution's membership (or its sport per Bylaw 20.4) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution (or its sport per Bylaw 20.4) shall be reclassified in accordance with Bylaw 20.2.5.

20.2.4 Continuation of Compliance. To retain division membership or approved multidivision classification (per Bylaw 20.4), each member institution shall continue to meet division criteria when any grace period expires. If an institution fails to remain in compliance with its division's criteria, the institution's membership (or its sport per Bylaw 20.4) shall be reassigned to a division for which it qualifies. If the member (or its sport per Bylaw 20.4) does not qualify for any division, the institution shall be reclassified in accordance with Bylaw 20.2.5 and also shall be subject to the Association's enforcement procedures.

20.2.5 Noncompliance and Waivers of Division Criteria.

20.2.5.1 Restricted Membership.

20.2.5.1.1 Minimum One-Year Compliance Period. If an institution (or its sport per Bylaw 20.4) does not qualify for membership in any division, the institution (or its sport per Bylaw 20.4) may be placed in a restricted membership category for a minimum of one year. At the conclusion of the minimum one-year period, the institution automatically shall be granted membership in its preferred division, provided the institution complies with the division's criteria. If the institution does not meet the criteria of any division at the end of the restricted membership period, the institution shall forfeit its membership in the Association. *(Revised: 1/15/11 effective 8/1/11)*

20.2.5.1.2 Failure to Meet Minimum Sports Sponsorship Criteria.

20.2.5.1.2.1 One-Year Probationary Period. An institution that fails to meet either the minimum men's or women's sports sponsorship criterion for its division shall be placed on probation for one year for its entire program (both men's and women's sports) in the next academic year after noncompliance with sports sponsorship requirements is discovered. An institution shall be afforded the one-year probationary period for failure to comply with sports sponsorship criteria only once in every 10-year period. The 10-year period shall begin the September 1 following completion of the academic year in which the membership criterion is not met. *(Revised: 1/11/89)*

20.2.5.1.2.2 Application of Restricted Membership Status. If an institution fails to meet the sports sponsorship criteria at the end of the probationary year or is ineligible for the once-in-10-year probationary period, it shall be placed in restricted membership and shall not be eligible for NCAA championship competition in all sports (both men's and women's) in the first academic year after the probationary year (or the first academic year after failure to meet the requirements if the institution is ineligible for the once-in-10-year probationary period). If the institution still cannot certify compliance with the division criteria at the end of that year, it shall forfeit its membership in the Association. *(Revised: 1/11/89, 1/15/11 effective 8/1/11)*

20.2.5.1.3 Failure to Meet Division Scheduling Requirement. An institution that fails to meet the division scheduling requirement in a sport shall be placed in the restricted membership category in that sport, with men's and women's teams in the same sport treated separately. The sport shall be in the restricted membership category for not longer than a three-year period.

20.2.5.1.4 Failure to Meet Financial Aid Minimums. An institution that fails to meet the financial aid minimums shall be placed in the restricted membership category for a period of one year. *(Adopted: 11/1/00 effective 8/1/01)*

20.2.5.1.5 Voting Privileges and Eligibility for Championships. The institution shall identify its preferred division and, during the period of restricted membership, shall be:

- (a) In compliance to the greatest extent possible with that division's scheduling criteria;
- (b) Bound by all other applicable rules of the Association;
- (c) Permitted to vote only on dominant issues, unless the restricted membership status is in one sport, in which case its loss of voting privileges shall apply only to that sport; and
- (d) Ineligible for NCAA championships and postseason football contests, unless the restricted membership status is in one sport, in which case loss of eligibility for championships and postseason football contests shall apply only to that sport.

20.2.5.1.6 Division Members Counting a Restricted Opponent. During the period of its restricted membership, an institution may be counted by its classified opponents as a member of the restricted institution's desired division for purposes of the opponents' meeting their division's scheduling criteria; however, a restricted member shall not count another restricted member for such purposes.

20.2.5.1.6.1 Restricted Members Counting a Restricted Opponent. A contest between two institutions in restricted membership status in a sport shall not be counted as a contest by either institution for purposes of the scheduling criterion in the sport in which they are restricted, provided this

exception is not applied to more than 25 percent of an institution's contests in the sport in question for any particular season.

20.2.5.1.7 No Voluntary Selection of Restricted Membership Category. Restricted membership status is imposed only when an institution has failed to comply with division membership criteria. An institution is not permitted to select voluntarily or to request that it be placed in the restricted membership category.

20.2.5.1.8 Removal of Restricted Membership Status. When an institution that has been placed in restricted membership status wishes to return to its original membership division, it shall meet the criteria that were in effect at the time it became restricted or that have become effective since that time. If a restricted institution wishes to move to a different membership division, it is considered a petitioner for change of division membership per Bylaw 20.5 and would be required to meet all of the new division's criteria at the time the institution leaves restricted status.

20.2.5.2 Loss of Membership.

20.2.5.2.1 Failure to Meet Three-Season Requirement. If an active member no longer meets the three-season requirement for either men or women, it shall immediately forfeit its membership in the Association. (*Revised: 5/8/06, 1/15/11 effective 8/1/11*)

The institution shall submit its written request for a waiver to the Administration Cabinet, and it shall be received in the national office not later than September 15. The request shall be signed by the institution's president or chancellor and shall include pertinent information supporting the institution's request. The Administration Cabinet, by a two-thirds majority of its members present and voting, may waive the September 15 deadline due to circumstances beyond an institution's control. (*Revised: 1/19/96, 4/24/03 effective 8/1/03, 3/8/06, 11/1/07 effective 8/1/08*)

20.2.5.3.2 Waiver—Restricted Membership Status. If an institution has been placed in the restricted membership category by the Committee on Institutional Performance, the institution may request a waiver of such status from the Administration Cabinet immediately on rectifying deficiencies outlined by the Committee on Institutional Performance. Such a waiver shall be submitted to the Administration Cabinet at least 60 days prior to the meeting in which the Administration Cabinet will act on the waiver. The Administration Cabinet, by a two-thirds majority of its members present and voting, may waive the 60-day deadline due to circumstances beyond an institution's control. (*Adopted: 1/13/98 effective 8/1/98, Revised: 4/24/03 effective 8/1/03, 11/1/07 effective 8/1/08, 1/19/13*)

20.2.5.3.3 Voting Requirement. The division, by a majority of its members present and voting, shall vote to accept or reject the request for a waiver of the division's criteria.

20.2.5.3.4 Effective Date of Waiver. If the division votes to admit the institution as a member of that division, such classification shall become effective:

- (a) In accordance with the requirements of Constitution 3.2.3.3 if a new member of the Association is involved;
- (b) September 1 following the Leadership Council action if an active member institution is seeking multidivision classification or change of division membership; or (*Revised: 1/10/90, 11/1/07 effective 8/1/08*)
- (c) Immediately if the institution receives a waiver of the restricted membership classification. (*Adopted: 1/11/89*)

20.2.5.3.4.1 Maximum Three-Year Waiver Period. If after three years from the effective date of multidivision classification or reclassification (September 1 following the Leadership Council action) the institution receiving such a waiver has not conformed to all adopted criteria of the division, the institution's membership (or its sport per Bylaw 20.4): (*Revised: 1/11/94 effective 9/2/94, 11/1/07 effective 8/1/08*)

- (a) Shall be assigned to a division for which it qualifies in accordance with Bylaw 20.5.1; or
- (b) Shall be placed in the restricted membership category for a minimum of one year in accordance with Bylaw 20.2.5.1 if the member (or its sport per Bylaw 20.4) does not qualify for any division.

20.2.5.3.4.2 Eligibility for Championships. The institution receiving such a waiver shall be accorded all privileges of division membership during this waiver period; however, its eligibility for championships shall require compliance with the institutional eligibility requirements of Bylaw 20.4.3 or 20.5.3.

20.2.5.3.5 Rejection of Waiver Request. If the Administration Cabinet votes to reject the institution's request, the institution's membership (or its sport per Bylaw 20.4): *(Revised: 4/24/03 effective 8/1/03, 11/1/07 effective 8/1/08)*

- (a) Shall be reassigned to a division for which it qualifies;
- (b) Shall be placed in the restricted membership category, if it does not qualify for any division (see Bylaw 20.2.5.1); or
- (c) Shall be required to repeat the membership process. *(Adopted: 4/24/03 effective 8/1/03)*

20.4 Multidivision Classification/Reclassification of Football Subdivision.

20.4.1 Multidivision Classification. A member of Division II or Division III may have a sport classified in Division I, provided the sport was so classified during the 2010-11 academic year. If the institution meets all applicable division membership criteria of this article (other than scheduling requirements during the first year of reclassification) and complies for the two years preceding June 1 of the year the institution intends to reclassify the applicable sport with all other bylaw requirements as they pertain to the sport in question, the Administration Cabinet shall refer the institution's request for participation in the division in that sport to the Board of Directors for election effective August 1 of the year that the institution selects as its effective date. *(Adopted: 10/27/11; process to begin with applications received by 6/1/12, Revised: 7/22/13)*

(*Adopted: 10/27/11*)

20.9 Division I Membership.

20.9.1 Commitments to the Division I Collegiate Model. In addition to the purposes and fundamental policy of the National Collegiate Athletic Association, as set forth in Constitution 1, members of Division I support the following commitments in the belief that these commitments assist in defining the nature and purposes of the division. These commitments are not binding on member institutions, but serve as a guide for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences. (*Adopted: 1/19/13 effective 8/1/13*)

20.9.1.1 The Commitment to Value-Based Legislation. Bylaws proposed and enacted by member institutions governing the conduct of intercollegiate athletics shall be designed to foster competition in amateur athletics, promote the Association's enduring values and advance the Collegiate Model as set forth in the NCAA Constitution. In some instances, a careful balancing of these values may be necessary to help achieve the purposes of the Association. (*Adopted: 1/19/13 effective 8/1/13*)

20.9.1.2 The Commitment to Amateurism. Member institutions shall conduct their athletics programs for students who choose to participate in intercollegiate athletics as a part of their educational experience and in accordance with NCAA bylaws, thus maintaining a line of demarcation between student-athletes who participate in the Collegiate Model and athletes competing in the professional model. (*Adopted: 1/19/13 effective 8/1/13*)

20.9.1.3 The Commitment to Fair Competition. Bylaws shall be designed to promote the opportunity for institutions and eligible student-athletes to engage in fair competition. This commitment requires that all member institutions compete within the framework of the Collegiate Model of athletics in which athletics competition is an integral part of the student-athlete's effort to acquire a degree in higher education. The commitment to fair competition acknowledges that variability will exist among members, including facilities, geographic locations and resources, and that such variability should not be justification for future legislation. Areas affecting fair competition include, but are not limited to, personnel, eligibility and amateurism, recruiting, financial aid, the length of playing and practice seasons, and the number of institutional competitions per sport. (*Adopted: 1/19/13 effective 8/1/13*)

20.9.1.4 The Commitment to Integrity and Sportsmanship. It is the responsibility of each member institution to conduct its athletics programs and manage its staff members, representatives and student-athletes

in a manner that promotes the ideals of higher education and the integrity of intercollegiate athletics. Member institutions are committed to encouraging behavior that advances the interests of the Association, its membership and the Collegiate Model of athletics. All individuals associated with intercollegiate athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty, responsibility, academic integrity and ethical conduct. These values should be manifest not only in athletics participation, but also in the broad spectrum of activities affecting the athletics programs. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.5 The Commitment to Institutional Control and Compliance. It is the responsibility of each member institution to monitor and control its athletics programs, staff members, representatives and student-athletes to ensure compliance with the Constitution and bylaws of the Association. Responsibility for maintaining institutional control ultimately rests with the institution's campus president or chancellor. It is also the responsibility of each member institution to report all breaches of conduct established by these bylaws to the Association in a timely manner and cooperate with the Association's enforcement efforts. Upon a conclusion that one or more violations occurred, an institution shall be subject to such disciplinary and corrective actions as may be prescribed by the Association on behalf of the entire membership. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.6 The Commitment to Student-Athlete Well-Being. Intercollegiate athletics programs shall be conducted in a manner designed to enhance the well-being of student-athletes who choose to participate and to prevent undue commercial or other influences that may interfere with their scholastic, athletics or related interests. The time required of student-athletes for participation in intercollegiate athletics shall be regulated to minimize interference with their academic pursuits. It is the responsibility of each member institution to establish and maintain an environment in which student-athletes' activities, in all sports, are conducted to encourage academic success and individual development and as an integral part of the educational experience. Each member institution should also provide an environment that fosters fairness, sportsmanship, safety, honesty and positive relationships between student-athletes and representatives of the institution. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.7 The Commitment to Sound Academic Standards. Standards of the Association governing participation in intercollegiate athletics, including postseason competition, shall be designed to ensure proper emphasis on educational objectives and the opportunity for academic success, including graduation, of student-athletes who choose to participate at a member institution. Intercollegiate athletics programs shall be maintained as an important component of the educational program, and student-athletes shall be an integral part of the student body. Each member institution's admission and academic standards for student-athletes shall be designed to promote academic progress and graduation and shall be consistent with the standards adopted by the institution for the student body in general. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.8 The Commitment to Responsible Recruiting Standards. Recruiting bylaws shall be designed to promote informed decisions and balance the interests of prospective student-athletes, their educational institutions, the Association's member institutions and intercollegiate athletics as a whole. This commitment includes minimizing the role of external influences on prospective student-athletes and their families and preventing excessive contact or pressure in the recruitment process. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.1.9 The Commitment to Diversity and Inclusion. The Division I membership believes in and is committed to the core values of diversity, inclusion and equity, because realization of those values improves the learning environment for all student-athletes and enhances excellence within the membership and in all aspects of intercollegiate athletics. The membership shall create diverse and inclusive environments, promote an atmosphere of respect for and sensitivity to the dignity of every person, and include diverse perspectives in the pursuit of academic and athletic excellence. Member institutions, with assistance from the national office, are expected to develop inclusive practices that foster positive learning and competitive environments for student-athletes, as well as professional development and opportunities for athletics administrators, coaches and staff from diverse backgrounds. *(Adopted: 1/19/13 effective 8/1/13)*

20.9.2 Division I Philosophy. Members of Division I support the following principles in the belief that the following statements provide further definition of the nature and purposes of the division. These statements are not binding on member institutions, but serve as additional guidance for the preparation of legislation by the division and for planning and implementation of programs by institutions and conferences. A member of Division I: *(Revised: 1/19/13 effective 8/1/13)*

- (a) Subscribes to high standards of academic quality, as well as breadth of academic opportunity;
- (b) Strives in its athletics program for regional and national excellence and prominence. Accordingly, its recruitment of student-athletes and its emphasis on and support of its athletics program are, in most cases, regional and national in scope;
- (c) Recognizes the dual objective in its athletics program of serving both the university or college community (participants, student body, faculty-staff, alumni) and the general public (community, area, state, nation);
- (d) Believes in offering extensive opportunities for participation in varsity intercollegiate athletics for both men and women;
- (e) Sponsors at the highest feasible level of intercollegiate competition one or both of the traditional spectator-oriented, income-producing sports of football and basketball. In doing so, members of Division I recognize

the differences in institutional objectives in support of football; therefore, the division provides competition in that sport in the Bowl Subdivision and the Championship Subdivision;

- (f) Believes in scheduling its athletics contests primarily with other members of Division I, especially in the emphasized, spectator-oriented sports, as a reflection of its goal of maintaining an appropriate competitive level in its sports program;
- (g) Maintains institutional control over all funds supporting athletics; and
- (h) Understands, respects and supports the programs and philosophies of other divisions. Occasionally, institutions from other divisions or athletics associations will seek membership in Division I. In such cases, the applicants should be required to meet, over a period of time, prescribed criteria for Division I membership in order to assure that such institutions agree and comply with the principles and program objectives embodied in this statement.

20.9.3 Financial Aid Requirements.

20.9.3.1 Maximum Limitations. A member of Division I shall not make an award of financial aid (for which the recipient's athletics ability is considered in any degree) in excess of the number permitted by the provisions of the bylaws governing Division I financial aid awards limitations (see Bylaw 15.5). (*Revised: 1/10/91 effective 9/1/94*)

If an institution uses indoor track and field, outdoor track and field and cross country to meet the financial aid criterion, it must award the equivalent of at least 80 percent of the full grants for men and 80 percent of the full grants for women in those sports. If the institution counts two of those three sports to meet the financial aid criterion, it must award the equivalent of at least 70 percent of the full grants for men and 70 percent of the full grants for women. If the institution counts indoor and outdoor track and field as one sport, it must award the equivalent of at least 50 percent of the full grants for men and 50 percent of the full grants for women; (*Revised: 1/10/91 effective 9/1/94, 10/27/98 effective 8/1/99*)

The Administration Cabinet shall adjust the minimum aggregate figure annually to reflect inflation, based on changes in average national tuition charges for regionally accredited institutions. The Administration Cabinet shall announce the revised figure in the fall each year for the following academic year. If the institution does not sponsor men's or women's basketball, the minimum aggregate expenditure must be \$920,707 in 2013-14 and \$937,280 in 2014-15 for the gender without the basketball program, but in no case fewer than the equivalent of 29 full grants for that gender; (*Revised: 1/10/91 effective 9/1/94, 1/10/95, 1/9/96, 1/14/97 effective 9/1/97, 4/15/97 effective 8/1/98, 10/27/98 effective 8/1/99, 4/13/99, 4/11/00, 4/10/01, 4/28/05, 4/27/06, 6/11/07, 11/1/07 effective 8/1/08*)

This provision shall be applicable to an institution in a given year if the average per-student allotment of Pell Grant dollars for undergraduates reported to the U.S. Department of Education the previous September is more than one standard deviation above the mean for all reporting Division I member institutions that year. If an institution does not qualify under this provision after having been able to do so the previous year, the institution may continue to use this alternative for one year and shall not be required to meet the provisions of (a), (b) or (c) above until the following year. This provision shall be applicable only to institutions that were members of Division I on September 1, 1990. (*Revised: 1/10/91 effective 9/1/94*)

(*Revised: 1/10/91 effective 9/1/94, 1/11/04, 10/27/05 effective 8/1/06*)

20.9.3.2.10 Waiver of Minimum Financial Aid Awards. 22.3.3.2.2 Not Certified—Loss of Membership. If, at the end of the restricted-membership year specified in Bylaw 22.3.3.2.1, the Committee on Institutional Performance concludes that the concerns cited previously related to the institution's athletics department still are not being addressed properly, the institution shall forfeit its membership in the Association. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/15/11 effective 8/1/11, 1/19/13)*

22.3.4 Action on Referrals from Committee on Infractions. The Committee on Institutional Performance may review and alter an institution's status upon referral from the Committee on Infractions. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

22.3.5 Appeals. Following a hearing before the Committee on Institutional Performance, an institution may appeal the decision of the Committee on Institutional Performance pursuant to this section to the Legislative Council (see Bylaw 33 for hearing procedures). *(Adopted: 1/16/93 effective 1/1/94, Revised: 11/1/07 effective 8/1/08, 1/19/13)*

22.4 Conference Assistance.

Conference offices may assist member institutions in the regular review of the institution's commitment to compliance with the rules of the Association and in the development and maintenance of institutional compliance objectives and strategies. Conference records of ongoing institutional compliance efforts shall be subject to review by the peer-review team. Conferences also may serve as facilitators in the institutional performance program process, linking participating institutions and external review teams as follows: *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

- (a) Participating in the orientation process for institutions scheduled for review;
- (b) Accompanying peer-review teams on campus visits of conference members; and
- (c) Ensuring that conference members develop, implement and report corrective actions identified as a normal part of the institutional performance program process.

22.5 Other Assistance.

An institution may obtain other assistance in carrying out the responsibilities specific to the institutional performance program set forth in Bylaw 22.4, subject to the prior approval of the Committee on Institutional Performance. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

Executive Regulations

31.01 General Principles.

31.01.1 Names of Championships. All NCAA championships (see Bylaw 18.3) have formal designations that identify their appropriate category and sport classification (see Bylaw 31.02.2). The name of each championship is the property of the Association (see Bylaw 31.6).

31.01.2 Postseason Championship Opportunities. NCAA championships are intended to provide national-championship competition among the best eligible student-athletes and teams at the conclusion of the respective sport seasons, with consideration for regional structures that may be approved for certain championships.

31.01.3 Size of Championship Fields. The size of all NCAA championships fields shall be established by the Championships/Sports Management Cabinet to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. (See Bylaw 31.3.1 for the criteria to be considered in establishing the size of the championship field.) *(Revised: 11/1/07 effective 8/1/08)*

31.01.4 Economy of Operation. Every sports committee (see Bylaws 21.02.1 through 21.02.3) and games committee (Bylaw 31.1.2) shall exercise all possible economy in the conduct of an NCAA championship.

31.02 Definitions and Applications.

31.02.1 Automatic Qualification. Automatic qualification is the automatic entry into a championship field by a team or individual student-athletes representing a member conference recommended by the appropriate sports committee and approved by the Championships/Sports Management Cabinet (see Bylaw 31.3.4). *(Revised: 11/1/07 effective 8/1/08)*

31.02.2 Championships Classification and Terminology.

31.02.2.1 Team Championships. Team championships are those conducted for the team sports (see Bylaw 17.02.12.1). The title of a team championship is always singular and is identified as a National Collegiate Championship or a division championship (e.g., National Collegiate Women's Water Polo Championship, Division I Men's Basketball Championship).

31.02.2.2 Individual-Team Championships. Individual-team championships are those conducted for the individual sports (see Bylaw 17.02.12.2). The title of an individual-team championship is always plural, reflecting the fact that both individual and team championships are determined (e.g., National Collegiate Men's Gymnastics Championships, Division I Women's Tennis Championships).

31.02.3 Core Conference. A core conference is a multisport conference that has been elected to membership and, as a result of legislation, is identified in the applicable sections of Constitution 4 related to representation in the NCAA governance structure. *(Adopted: 1/15/11 effective 8/1/11)*

31.02.4 Misconduct. Misconduct in an NCAA championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law, occurring from the time the championship field is announced through the end of the championship, that discredits the event or intercollegiate athletics. *(Revised: 8/15/89, 8/13/92, 1/14/08 effective 8/1/08)*

31.1 Administration of NCAA Championships.

31.1.1 Authority of Championships/Sports Management Cabinet, Leadership Council, Board of Directors and/or Executive Committee and Sports Committees. As specified in Bylaw 18.1, all NCAA championships shall be conducted in accordance with the general policies established by the Championships/Sports Management Cabinet, Leadership Council, Board of Directors and/or Executive Committee and shall be under the control, direction and supervision of the appropriate sports committees, subject to the standards and conditions set forth in these executive regulations. Additional policies of an administrative nature are set forth in the respective championships handbooks and are to be followed in the administration of NCAA championships. *(Revised: 8/9/07, 11/1/07 effective 8/1/08)*

31.1.1.1 Waivers. The NCAA president shall be authorized to grant waivers of executive regulations governing the conduct of an NCAA championship when warranted by special and unusual circumstances.

31.1.1.2 Appeal of Decisions of Sports Committees. An appeal of a decision of a governing sports committee, or a subcommittee designated by it, concerning questions of individual or institutional eligibility or the conduct of a championship will not be considered by the Championships/Sports Management Cabinet at any time during the championship or 48 hours immediately preceding the beginning of the championship. During such period, the governing sports committee, or a subcommittee designated by it, shall be the final authority in acting upon appeals concerning the conduct of the championship, subject to the provisions of Bylaw 31.2 regarding institutional and individual eligibility questions. *(Revised: 11/1/07 effective 8/1/08)*

31.1.2 Games Committee. The governing sports committee shall appoint a games committee to supervise actively the conduct of each championship session. The games committee conducting any NCAA championship shall limit participation to eligible student-athletes and may limit the number of entries or reject any application for entry in any event in order that the competition shall best promote the welfare and interest of the sport involved.

31.1.3 Sites and Dates. The governing sports committees recommend to the Championships/Sports Management Cabinet the sites and dates for all NCAA championships. *(Revised: 11/1/07 effective 8/1/08)*

31.1.3.1 Championships/Sports Management Cabinet Approval. Championships/Sports Management Cabinet approval shall be obtained before final site commitments are made to the host institution or any other individual or organization associated with the management of an NCAA championship. However, in the sports of baseball, basketball, field hockey, football, ice hockey, lacrosse, soccer, softball and volleyball, the governing sports committees are authorized to select sites for preliminary rounds of competition without prior Championships/Sports Management Cabinet approval. *(Revised: 11/1/07 effective 8/1/08)*

31.1.3.2 Site Selection. The governing sports committees shall evaluate prospective sites for NCAA championships in terms of the specific criteria approved by the Championships/Sports Management Cabinet. The division championships committees may assign specific priorities to these criteria for their respective championships. These shall be specified in the appropriate championships handbooks. A governing sports committee that desires to use additional criteria shall obtain Championships/Sports Management Cabinet approval before doing so. *(Revised: 11/1/07 effective 8/1/08)*

31.1.3.2.1 Criteria for Site Determination. The following criteria are to be used in the evaluation of sites for all competition in NCAA championships:

- (a) Quality and availability of the facility and other necessary accommodations;
- (b) Revenue potential (e.g., a financial guarantee or guideline that ensures fiscal responsibility and is appropriate for the particular event, as recommended by the governing sports committee and approved by the Championships/Sports Management Cabinet); *(Revised: 11/1/07 effective 8/1/08)*
- (c) Attendance history and potential;
- (d) Geographical location; and
- (e) Championships operating costs. *(Revised: 11/1/01)*

31.1.3.2.1.1 Site Bid Information. Sports committees shall submit information related to championships site bids in a format approved by the Championships/Sports Management Cabinet. *(Adopted: 11/1/01, Revised: 11/1/07 effective 8/1/08)*

31.1.3.2.2 Nonpredetermined Site. If a championship site is not predetermined, the governing sports committee may award the site to the higher-ranked team if the above criteria, and any priorities established by the respective division championships committee, are met.

31.1.3.2.3 On-Campus Versus Off-Campus Sites. Preference shall be given to conducting competition on the grounds or in the buildings of educational institutions unless there are compelling reasons, based on evaluation of the criteria in Bylaw 31.1.3.2.1 (which shall be applied to both on-campus and off-campus sites), to conduct the competition in an off-campus facility. In those instances in which it is advisable to conduct the competition at off-campus sites, the host institution(s) shall have complete control, supervision and management of the facility being used. *(Revised: 12/3/90)*

31.1.3.2.4 Reconsideration of Host Institution. The Championships/Sports Management Cabinet may reconsider the designation of a host institution for an NCAA championship if that institution's team or individual student-athletes are not eligible to compete in the championship. *(Revised: 11/1/07 effective 8/1/08)*

31.1.3.2.5 Nonrevenue Championships Site Assignment. In championships that do not generate revenue and for which only 25 percent of the bracket is seeded, seeded teams shall have the opportunity to host preliminary rounds. Conference opponents shall be avoided in the first two rounds of the championships. *(Adopted: 4/28/11 effective 8/1/11)*

31.1.3.3 Concluding Dates. NCAA championships competition shall be concluded not later than May 31 each year unless later dates are approved by the Championships/Sports Management Cabinet. (Note: The

Division I Baseball Championship, the Division I Men's Golf Championships, and the Division I Men's and Women's Outdoor Track and Field Championships have been granted waivers by the Championships/Sports Management Cabinet.) (*Revised: 11/1/07 effective 8/1/08*)

31.1.4 Day of Competition. NCAA championships competition may be scheduled or conducted on any day, provided the governing sports committee has received the prior approval of the Championships/Sports Management Cabinet and the following regulations are applied. (*Revised: 4/22/98, 8/11/98, 11/1/07 effective 8/1/08*)

31.1.4.1 Institutional Policy. If a participating institution has a written policy against competition on a particular day for religious reasons, it shall submit its written policy to the governing sports committee on or before September 1 of each academic year in order for it or one of its student-athletes to be excused from competing on that day. The championship schedule shall be adjusted to accommodate that institution. (*Adopted: 4/22/98, Revised: 8/11/98, 10/28/99, 5/2/13*)

31.1.4.2 Individual Championships. In individual championships, an athlete must compete according to the institution's policy regarding Sunday competition (if the institution has no policy against Sunday competition, the athlete shall compete on Sunday if required by the schedule).

31.1.4.3 Rescheduling. If an emergency develops that causes postponement of an NCAA championship, or if the competitive situation dictates a more expeditious completion of the meet or tournament, Sunday competition may be permitted, provided the competing institutions are agreeable and advance approval is obtained from the Championships/Sports Management Cabinet. (*Revised: 11/1/07 effective 8/1/08*)

31.1.4.4 Noon Start Time. NCAA competition conducted on Sunday may not begin prior to noon, local time.

31.1.4.4.1 Exception. Sports committees may reschedule competition to begin prior to noon on Sunday if extenuating circumstances arise (e.g., weather) that would affect the health and safety of the participants or otherwise cause postponement of the championship. (*Adopted: 4/25/02, Revised: 10/30/03*)

31.1.4.4.2 Exception—Men's Golf and Women's Rowing Championships. In instances in which the final day of the men's golf or women's rowing championships occurs on a Sunday, competition may begin prior to noon. (*Adopted: 10/31/02 effective 8/1/03, Revised: 1/14/12*)

31.1.5 Squad Limits. In any championship in which a squad limit has been established by the governing sports committee or by the bylaws, the number of eligible student-athletes in competitive uniform at the start of the competition shall not exceed the prescribed number. An institution that is advised that it is in violation of this regulation and that does not promptly conform to it automatically shall forfeit the competition. There shall be no inordinate delay of the competition to allow the institution to conform to the rule.

31.1.6 Playing Rules.

31.1.6.1 Non-NCAA Rules, Men's Sports. In those men's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except where those rules are superseded by modifications made by the appropriate governing sports committee (see Bylaw 18.6):

- (a) Fencing—U.S. Fencing Association Rules;
- (b) Golf—U.S. Golf Association Rules;
- (c) Gymnastics—International Gymnastics Federation Rules;
- (d) Rifle—USA Shooting Rules; (*Revised: 4/20/11*)
- (e) Tennis—U.S. Tennis Association Rules; and
- (f) Volleyball—U.S. Volleyball Association Rules.

31.1.6.2 Non-NCAA Rules, Women's Sports. In those women's sports in which the Association does not publish rules, the NCAA championships shall be conducted according to the following, except where those rules are superseded by modifications made by the appropriate governing sports committee (see Bylaw 18.6):

- (a) Fencing—U.S. Fencing Association Rules;
- (b) Field Hockey—International Field Hockey Rules;
- (c) Golf—U.S. Golf Association Rules;
- (d) Gymnastics—International Gymnastics Federation Women's Code of Points with the U.S. Gymnastics Federation Class I, Competition I-B rules and the USGF modifications;
- (e) Rifle—USA Shooting Rules; (*Revised: 4/20/11*)
- (f) Rowing—U.S. Rowing Rules; and (*Adopted: 1/14/97*)
- (g) Tennis—U.S. Tennis Association Rules.

31.1.7 Logo Restrictions—Bench Personnel. The logo restrictions on student-athletes' apparel set forth in Bylaw 12.5.4 shall apply during NCAA championships to all personnel (e.g., coaches, trainers, managers) who are on the team bench for practices and games or who participate in NCAA news conferences. (*Adopted: 8/11/98 effective 8/1/99; those contracts between institutions and apparel manufacturers or distributors that include logo specifications may be honored, provided such contracts were in effect before 8/11/98*)

31.1.8 Logo Restrictions—Noncompeting Participants. The logo restriction on student-athletes' apparel set forth in Bylaw 12.5.4 shall apply to commercial logos on uniforms worn by band members, cheerleaders, dance team members and the institution's mascot during NCAA championship events. (*Adopted: 8/11/98 effective 8/1/99*)

31.1.9 Medical Disqualification. The student-athlete's team physician shall examine each athlete injured during NCAA competition and make a recommendation to the athlete, the coach and the chair of the governing sports committee, or the chair's designated representative, as to the advisability of continued participation or disqualification of the athlete. In the absence of said team physician, the NCAA tournament physician, as recommended by the host institution and approved by the governing sports committee, shall examine the injured athlete and make a recommendation as noted above. The chair of the governing sports committee, or the chair's designated representative, shall be responsible for enforcement of the medical recommendation if it involves disqualification.

31.1.10 Misconduct. Each games committee shall hold a pretournament meeting with the coaches of participating institutions to review and explain the policies related to misconduct (as defined in Bylaw 31.02.4).

31.1.10.1 Hearing Opportunity. An act of misconduct may be found upon an administrative hearing granted to the student-athlete or the institutional representative involved by the governing sports committee or the games committee authorized to act for it.

31.1.10.2 Misconduct Incident During Competition. If the act of misconduct occurs during the competition, under normal circumstances the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition and conduct the hearing following this action. Other acts of misconduct may be dealt with at the governing sports committee's convenience. (*Revised: 8/13/92*)

31.1.10.3 Penalty for Misconduct. A governing sports committee (or the games committee authorized to act for it) may impose any one or a combination of the following penalties on an institution or any student-athlete or representative of an institution guilty of misconduct: (*Revised: 1/14/08 effective 8/1/08*)

- (a) Public or private reprimand of the individual;
- (b) Disqualification of the individual from further participation in the NCAA championship involved;
- (c) Banishment of the individual from participation in one or more following championships of the sport involved;
- (d) Cancellation of payment to the institution of the Association's travel guarantee for the individuals involved;
- (e) Withholding of all or a portion of the institution's share of revenue distribution;
- (f) Banishment of the institution from participation in one or more following championships in which its team in that sport otherwise would be eligible to participate;
- (g) Disqualification of an institution for a period of time from serving as host institution for one or more NCAA championships; (*Revised: 8/13/92*)
- (h) Cancellation of all or a portion of the honorarium for hosting an NCAA championship; and (*Revised: 8/13/92*)
- (i) Financial or other penalties different from (a) through (h) above, but only if they have prior approval of the Championships/Sports Management Cabinet. (*Revised: 8/13/92, 11/1/07 effective 8/1/08*)

31.1.10.4 Ban from Following Championship. When a student-athlete or institutional representative is banned from participation in a following championship, such penalty shall be applied to the next tournament(s) in which the individual's team is involved and the individual otherwise is eligible to participate. In the case of an individual event, the penalty shall be applied to the next meet(s) or tournament(s) for which the individual qualifies and otherwise is eligible to participate.

31.1.10.5 Review of Action. Any action related to misconduct may be reviewed by the governing sports committee upon request of any institution participating in the championship.

31.1.11 Failure to Adhere to Policies and Procedures.

31.1.11.1 Financial Penalties. A governing sports committee may assess a financial penalty against an institution for failure of any of its representatives to adhere to the policies and procedures governing championships administration, subject to review by and appeal to the Championships/Sports Management Cabinet. The institution may be assessed: (*Revised: 11/1/07 effective 8/1/08*)

- (a) One hundred dollars per team or \$50 per individual, up to a \$600 maximum penalty, for failure to adhere to published procedures for the submission of regular-season results, availability questionnaires and/or entry forms; (*Revised: 10/29/09*)

- (b) One hundred dollars, cancellation of all or a portion of the Association's travel guarantee, or all or a portion of the institution's share of revenue distribution for failure to adhere to published managerial and administrative policies and procedures; (*Revised: 5/7/90*)
- (c) Cancellation of all or a portion of the honorarium for hosting an NCAA championship for failure to submit the financial report within 60 days following the competition, as specified in Bylaw 31.4.1.1; or (*Revised: 5/7/90*)
- (d) Financial or other penalties different from (a), (b) and (c) above, but only if they have prior approval of the Championships/Sports Management Cabinet. (*Revised: 5/7/90, 11/1/07 effective 8/1/08*)

31.1.11.2 Late-Entry Fines. Institutions shall not be charged entry fees for teams or student-athletes competing in NCAA championships, but governing sports committees may establish late-entry fines, subject to the approval of the Championships/Sports Management Cabinet. (*Revised: 11/1/07 effective 8/1/08*)

31.1.12 Awards. The Association has created standard participant and commemorative awards for individuals and teams that participate in NCAA championships. The number of such awards for each championship shall be determined by the governing sports committee, subject to the approval of the Championships/Sports Management Cabinet. These official NCAA awards shall be the only awards presented by the Association to teams and individuals for participation in NCAA championships competition and shall be the only awards presented at the site of an NCAA championship. "At the site" is intended to include the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition. (See Figure 16-1, Figure 16-2 and Figure 16-3 for additional limitations on awards.) (*Revised: 8/8/02, 11/1/07 effective 8/1/08*)

31.1.12.1 Additional Awards. Subject to the director of athletics' discretion, an institution may purchase standard participant or commemorative awards at the level in which the institution competed. The NCAA awards form shall be used to purchase additional awards. (*Adopted: 8/8/02, Revised: 10/28/04, 5/18/05*)

31.1.12.2 Other Permissible Awards. The above provision places no restriction on the presentation of awards at banquets or meetings held in conjunction with the championship or at sites other than that of the championships competition itself.

31.1.13 Admission and Tickets. Admission shall be charged at all NCAA championships unless a governing sports committee determines that charging admission is not feasible because of facility configuration or the expense relative to the event's attendance history. Ticket prices shall be determined by the respective games committees with the approval of the governing sports committee.

31.1.14 Restricted Advertising and Sponsorship Activities. The following activities are restricted when they occur in conjunction with NCAA championships. Other restrictions are set forth in the championships handbooks.

31.1.14.1 Advertising. Advertising policies of the Association are designed to exclude those advertisements that do not appear to be in the best interests of higher education. The NCAA president shall have the authority to rule in cases in which doubt exists concerning acceptable advertisers and advertising copy of game programs, broadcasts and telecasts of NCAA championships; however, the following expressly are prohibited: (*Revised: 8/15/89, 1/14/12*)

- (a) Alcoholic beverages (except as specified below);
- (b) Cigarettes and other tobacco products; and
- (c) Organizations promoting gambling.

31.1.14.1.1 Malt Beverages, Beer and Wine Advertisements. Advertising of malt beverages, beer and wine products that do not exceed six percent alcohol by volume may be used in game programs. Such advertisements, however, shall not compose more than 14 percent of the space in the program devoted to advertising or not more than 60 seconds per hour of any telecast or broadcast (either a single 60-second commercial or two 30-second commercials).

31.1.14.1.2 Sponsorships. A championships activity or promotion may not be sponsored by liquor, tobacco, beer or wine companies at any time. (*Revised: 1/14/12*)

31.1.14.1.2.1 Professional Sports Organizations. A professional sports organization may serve as a financial sponsor of an NCAA championship competition event, provided the organization is not publicly identified as such. A professional sports organization may serve as a financial sponsor of an activity or promotion that is ancillary to the competition event and may be publicly identified as such. The NCAA may receive financial contributions from a professional sports organization for sponsorship of a specific NCAA championship competition event, including ancillary activities and promotions. (*Adopted: 1/14/12*)

31.1.15 Availability of Alcoholic Beverages. Alcoholic beverages shall not be sold or otherwise made available for public consumption at any championship event sponsored by or administered by the Association, nor shall any such beverages be brought to the site during the championship (during the period from the time access to the site is available to spectators until all patrons have left the facility or area used for competition).

31.2 Eligibility for Championships.

31.2.1 Institutional Eligibility. To be eligible to enter teams or individual student-athletes in NCAA championships, an institution shall recognize the sport involved as a varsity intercollegiate sport (see Bylaw 17.02.12) and shall meet the institutional requirements set forth in Bylaw 18.4.2 applicable to the division in which the institution is a member or for which it is petitioning for eligibility in a sport. An institution that holds membership in a member conference may not enter teams or individuals in an NCAA championship unless they are eligible for such competition under the rules of that conference [see Bylaw 18.4.2.1-(a)].

31.2.1.1 Commitment to Participate. Eligible members in a sport who are not also members of the National Association of Intercollegiate Athletics will participate (if selected) in the NCAA championship or in no postseason competition in that sport. *(Revised: 8/12/91)*

31.2.1.2 Deadline. The institutional eligibility requirements for entry into NCAA championships (see Bylaw 18.4.2) must be met by the following dates [in addition to the deadline for the academic reporting form required for Division I set forth in Bylaw 18.4.2.2-(c)]:

- (a) September 15 for fall championships;
- (b) December 1 for winter championships; and
- (c) March 1 for spring championships.

31.2.1.2.1 Compliance with Deadline. Any dues check or approved form required shall be received in the national office by the applicable date or must have been postmarked not later than seven days prior to the applicable date.

31.2.1.3 Deadline Waivers. Institutions that fail to meet a deadline for institutional eligibility in NCAA championships may appeal to the Championships/Sports Management Cabinet for a waiver. If the appeal is granted, the institution may be restored to eligibility for NCAA championships. *(Revised: 11/1/07 effective 8/1/08)*

31.2.1.3.1 Penalty for Additional Waiver. An institution that fails to meet a deadline again may be granted a waiver only on payment of a penalty of \$150 for the second offense and \$300 for each offense thereafter during the five-year period preceding the last offense. On approval of such waiver and receipt of the institution's check in the national office, the institution may compete in NCAA championships, provided it is otherwise eligible. *(Revised: 1/11/07 effective 8/1/08)*

31.2.1.4 Joint-Declaration Program. The NCAA and the National Association of Intercollegiate Athletics together administer a joint-declaration program in those men's and women's sports in which there is a date conflict between the national championships of the two organizations. In such championships, each institution that holds membership in both organizations must declare by mid-September each year whether it will participate (if selected) in the NAIA championship, in the NCAA championship or in no postseason competition in that sport. An institution that fails to submit the joint-declaration form by the established deadline shall be ineligible to compete in both associations' championships in the particular sport(s) that year. An appeal process exists for such institutions and such an appeal may be submitted to the Championships/Sports Management Cabinet. *(Revised: 11/1/07 effective 8/1/08)*

31.2.1.5 National Collegiate Championships. In team sports in which the NCAA offers only one national championship, all member institutions in good standing are eligible to compete in accordance with the requirements of division membership (see Bylaw 20.9) and institutional eligibility (per Bylaw 31.2.1).

31.2.1.6 Division Championships. In those sports in which national-championship competition is offered in more than one division, only those member institutions that meet the membership requirements of the respective divisions or requirements applicable to institutions competing outside their membership divisions are eligible to compete in such division championships (see Bylaw 20).

31.2.1.7 Eligibility Requirements. Institutional eligibility for all championships shall be limited to member institutions that meet institutional eligibility requirements (see Bylaw 31.2.1) and any additional requirements specified in the applicable championships handbooks.

31.2.1.7.1 Eligibility of Participants. An institution shall advise the NCAA championships staff if a student-athlete who has participated in regular-season competition becomes ineligible before the date on which the governing sports committee selects championship participants, as indicated in the appropriate championships handbook.

31.2.1.7.1.1 Failure to Report Ineligible Student-Athlete Prior to Selection. If an institution fails to report an ineligible student-athlete prior to being selected to participate in the championship, the governing sports committee may declare the institution ineligible to participate in the tournament for one or two years.

31.2.1.7.1.2 Discovery of Ineligibility of Student-Athlete After Selection. If an institution fails to report an ineligible student-athlete and the omission is not discovered until after the institution is selected to participate in the championship, necessitating the institution's withdrawal from the championship, that withdrawal shall be considered as one of the years of ineligibility, provided another institution participates in the championship in place of the disqualified institution. If the discovery

of the ineligible student-athlete occurs so near the beginning of the championship that the governing sports committee does not have a reasonable period of time to replace the disqualified institution in the bracket, that fact shall be taken into consideration in determining the number of years the disqualified institution shall be ineligible to participate.

31.2.1.7.1.3 Review of Violation of Terms of Availability Questionnaire. When an institution is alleged to have violated the terms of an availability questionnaire (e.g., failing to report an ineligible student-athlete), it may be represented at the meeting of the governing sports committee when the committee determines whether a violation occurred and, if so, whether the institution shall be ineligible to participate in the tournament for one or more years. The institution may submit a written statement or make an in-person presentation, or both. After the governing sports committee has ruled on the matter, its decision shall be final unless the institution appeals the decision to the Championships/Sports Management Cabinet. The Championships/Sports Management Cabinet shall hear the appeal at one of its regularly scheduled meetings unless there are compelling reasons to conduct a special meeting for such purpose. *(Revised: 11/1/07 effective 8/1/08)*

31.2.1.7.2 Protest Regarding Eligibility of Team. Any team that has been duly certified as eligible for an NCAA championship shall not be withheld from participation because of any protest made or filed during the progress of the competition or during a period 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, a team may be withheld from further competition in the championship, provided such protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2 Individual Eligibility. All student-athletes, regardless of division, must meet the eligibility standards established for NCAA championships competition. The general and academic eligibility requirements are set forth in detail in Bylaw 14, in which there also is reference to other legislation regarding eligibility of the individual student-athlete. Other specific requirements for eligibility for NCAA championships (e.g., authority of the Academic Cabinet, Committee on Student-Athlete Reinstatement, amateur status certification and ineligibility for use of banned drugs) are set forth in Bylaws 10.3, 10.4 and 18.4.1. The Executive Committee may require the student-athletes to certify their eligibility for championships competition. *(Revised: 3/5/97, 11/1/07 effective 8/1/08)*

31.2.2.1 Eligibility Requirements. A member institution shall not enter a student-athlete, as an individual or as a member of a team, in an NCAA championship unless the student-athlete satisfies the relevant eligibility requirements of Bylaw 14. *(Revised: 8/15/89)*

31.2.2.2 Protest of Eligibility Status. Any student-athlete duly certified by the institution for an NCAA championship shall not be withheld from participation because of any protest made or filed during the championship or during the 24 hours immediately before the championship. If there is a break in the continuity of the championship (e.g., between rounds of a basketball tournament) when no competition is being conducted, the student may be withheld from further competition in the championship, provided the protest is made or filed at least 24 hours before the next segment of the championship.

31.2.2.3 Participation While Ineligible. When a student-athlete competing as an individual or representing the institution in a team championship is declared ineligible following the competition, or a penalty has been imposed or action taken as set forth in Bylaw 19.9.7-(g) or 19.13 of the NCAA enforcement program, the Committee on Infractions may require the following: *(Revised: 4/26/01)*

- (a) **Individual Competition.** The individual's performance may be stricken from the championships records, the points the student has contributed to the team's total may be deleted, the team standings may be adjusted accordingly, and any awards involved may be returned to the Association. For those championships in which individual results are recorded by time, points or stroke totals (i.e., cross country, golf, gymnastics, indoor track and field, outdoor track and field, rifle, swimming and skiing), the placement of other competitors may be altered and awards presented accordingly. For those championships in which individual results are recorded by advancement through a bracket or head-to-head competition, the placement of other competitors shall not be altered. *(Revised: 8/15/89, 4/26/01)*
- (b) **Team Competition.** The record of the team's performance may be deleted, the team's place in the final standings may be vacated, and the team's trophy and the ineligible student's award may be returned to the Association. *(Revised: 4/26/01)*

31.2.2.4 Institutional Penalty for Ineligible Participation. When an ineligible student-athlete participates in an NCAA championship and the student-athlete or the institution knew or had reason to know of the ineligibility, the NCAA Committee on Infractions may assess a financial penalty. *(Revised: 4/26/01 effective 8/1/01)*

31.2.3 Ineligibility for Use of Banned Drugs. Bylaw 18.4.1.5 provides that a student-athlete who as a result of a drug test administered by the NCAA is found to have used a substance on the list of banned drug classes, shall be declared ineligible for further participation in postseason and regular-season competition during the time period ending one calendar year after the collection of the student-athlete's positive drug-test specimen. The student-athlete shall be charged with the loss of a minimum of one season of competition in all sports if the

season of competition has not yet begun or a minimum of the equivalent of one full season of competition in all sports if the student-athlete tests positive during his or her season of competition (the remainder of contests in the current season and contests in the following season up to the period of time in which the student-athlete was declared ineligible during the previous year). The student-athlete shall remain ineligible until the student-athlete tests negative (in accordance with the testing methods authorized by the Executive Committee) and the student-athlete's eligibility is restored by the Committee on Student-Athlete Reinstatement. If the student-athlete participates in any contests from the time of collection until the confirmation of the positive result, he or she must be withheld from an equal number of contests after the 365-day period of ineligibility. *(Revised: 1/16/93, 1/9/96 effective 8/1/96, 1/14/97 effective 8/1/97, 3/10/04, 4/28/05 effective 8/1/05, 11/1/07)*

31.2.3.1 Breach of NCAA Drug-Testing Program Protocol. A student-athlete who is in breach of the NCAA drug-testing program protocol (e.g., no-show) shall be considered to have tested positive for the use of any drug other than a "street" drug. *(Revised: 4/28/05 effective 5/1/05, 4/26/12 effective 8/1/12)*

31.2.3.1.1 Tampering with Drug-Test Sample. A student-athlete who is involved in a case of clearly observed tampering with an NCAA drug-test sample, as documented per NCAA drug-testing protocol by a drug-testing crew member, shall be charged with the loss of a minimum of two seasons of competition in all sports if the season of competition has not yet begun for that student-athlete or a minimum of the equivalent of two full seasons of competition in all sports if the student-athlete is involved in the tampering with a drug-test sample during his or her season of competition (the remainder of contests in the current season and contests in the following two seasons up to the period of time in the initial season in which the student-athlete was declared ineligible). The student-athlete shall remain ineligible for all regular-season and postseason competition during the time period ending two calendar years (730 days) after the student-athlete was involved in the tampering with a drug-test sample and until the student-athlete tests negative (in accordance with the testing methods authorized by the Executive Committee) and the student-athlete's eligibility is restored by the Committee on Student-Athlete Reinstatement. *(Adopted: 4/26/12 effective 8/1/12, for tests occurring on or after August 1, 2012, Revised: 6/19/12)*

31.2.3.2 Testing Positive on More than One Occasion. If the student-athlete tests positive for the use of any banned drug other than a "street drug" after having previously tested positive for any banned drug other than a "street drug" he or she shall lose all remaining regular-season and postseason eligibility in all sports. If the student-athlete tests positive for the use of a "street drug" after having tested positive for the use of any banned drug, he or she shall lose a minimum of one additional season of competition in all sports and also shall remain ineligible for regular-season and postseason competition during the time period ending one calendar year (365 days) after the period of ineligibility for any prior positive drug tests has expired. Bylaw 18.4.1.5.2 also provides that the Executive Committee shall adopt a list of banned drugs and authorize methods for drug testing of student-athletes on a year-round basis. *(Revised: 4/28/05 effective 8/1/05, 6/17/08, 5/27/10)*

31.2.3.3 Appeals. An institution may appeal the duration of ineligibility to the Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee). In all sports, the committee may reduce the legislated penalty to withholding the student-athlete from the next 50 percent of the season of competition or provide complete relief from the legislated penalty. If the committee requires the student-athlete to fulfill the legislated penalty or be withheld from the next 50 percent of the season of competition in all sports, the student-athlete shall remain ineligible until the prescribed penalty is fulfilled, the student-athlete retests negative and the student-athlete's eligibility is restored by the Committee on Student-Athlete Reinstatement. *(Adopted: 4/28/05 effective 8/1/05)*

31.2.3.4 Banned Drugs. The following is the list of banned-drug classes. The Committee on Competitive Safeguards and Medical Aspects of Sports (or a designated subcommittee) has the authority to identify specific banned drugs and exceptions within each class. The institution and student-athlete shall be held accountable for all drugs within the banned-drug classes regardless of whether they have been specifically identified. The current list of specific banned drugs and exceptions is located on the NCAA website (NCAA.org) or may be obtained from the NCAA national office. *(Revised: 8/15/89, 7/10/90, 12/3/90, 5/4/92, 5/6/93, 10/29/97, 4/26/01, 2/10/06)*

- (a) Stimulants; *(Revised: 2/10/06)*
- (b) Anabolic agents; *(Revised: 2/10/06)*
- (c) Alcohol and beta blockers (banned for rifle only); *(Revised: 2/10/06, 2/5/09)*
- (d) Diuretics and other masking agents; *(Revised: 2/10/06, 5/29/07)*
- (e) Street drugs; *(Revised: 2/10/06)*
- (f) Peptide hormones and analogues; *(Revised: 2/10/06)*
- (g) Anti-estrogens; and *(Adopted: 10/27/06 effective 8/1/07)*
- (h) Beta-2 agonists. *(Adopted: 2/5/09)*

31.2.3.4.1 Drugs and Procedures Subject to Restrictions. The use of the following drugs and/or procedures is subject to certain restrictions and may or may not be permissible, depending on limitations expressed in these guidelines and/or quantities of these substances used. *(Revised: 8/15/89)*

- (a) Blood Doping. The practice of blood doping (the intravenous injection of whole blood, packed red blood cells or blood substitutes) is prohibited, and any evidence confirming use will be cause for action consistent with that taken for a positive drug test. *(Revised: 8/15/89, 5/4/92)*
- (b) Local Anesthetics. The Executive Committee will permit the limited use of local anesthetics under the following conditions:
 - (1) That procaine, xylocaine, carbocaine or any other local anesthetic may be used, but not cocaine; *(Revised: 12/9/91, 5/6/93)*
 - (2) That only local or topical injections can be used (intravenous injections are not permitted); and
 - (3) That use is medically justified only when permitting the athlete to continue the competition without potential risk to his or her health.
- (c) Manipulation of Urine Samples. The Executive Committee bans the use of substances and methods that alter the integrity and/or validity of urine samples provided during NCAA drug testing. Examples of banned methods are catheterization, urine substitution and/or tampering or modification of renal excretion by the use of diuretics, probenecid, bromantan or related compounds, and epites-tosterone administration. *(Revised: 8/15/89, 6/17/92, 7/22/97)*
- (d) Beta-2 Agonists. The use of beta-2 agonists is permitted by inhalation only. *(Adopted: 8/13/93)*
- (e) Additional Analysis. Drug screening for select nonbanned substances may be conducted for nonpunitive purposes. *(Revised: 8/15/89)*

31.2.3.4.2 Positive Drug Test—Non-NCAA Athletics Organization. A student-athlete under a drug-testing suspension from a national or international sports governing body that has adopted the World Anti-Doping Agency (WADA) code shall not participate in NCAA intercollegiate competition for the duration of the suspension. *(Adopted: 1/14/97 effective 8/1/97, Revised: 4/28/05 effective 8/1/05)*

31.2.3.5 Medical Exceptions. Exceptions for the banned-drug classes of stimulants, anabolic agents, alcohol and beta blockers (for rifle only), diuretics and other masking agents, peptide hormones and analogues, anti-estrogens, and beta-2 agonists may be made by the Executive Committee for those student-athletes with a documented medical history demonstrating the need for regular use of such a drug. *(Revised: 8/5/99, 9/26/06, 10/27/06 effective 8/1/07, 2/5/09)*

31.2.3.6 Methods for Drug Testing. The methods and any later modifications authorized by the Executive Committee for drug testing of student-athletes shall be summarized and posted on the NCAA website. Copies of the modifications shall be available to member institutions.

31.2.3.7 Events Identified for Drug Tests. The Executive Committee shall determine the regular-season and postseason competition for which drug tests shall be made and the procedures to be followed in disclosing its determinations.

31.2.3.8 Individual Eligibility—Team Sanctions. Executive regulations pertaining to team-eligibility sanctions for positive tests resulting from the NCAA drug-testing program shall apply only in the following situation: If a student-athlete is declared ineligible prior to an NCAA team championship or a postseason football game and the institution knowingly allows him or her to participate, all team-ineligibility sanctions shall apply (the team shall be required to forfeit its awards and any revenue distribution it may have earned, and the team's and student-athlete's performances shall be deleted from NCAA records). In the case of postseason football contests, the team's and student-athlete's performances shall be deleted from NCAA records. *(Revised: 1/10/90)*

31.3 Selection of Teams and Individuals for Championships Participation.

A list of the institutions in good standing shall be supplied by the NCAA president to the chair of each governing sports committee and to the athletics director of the host institution. This list should be observed carefully to assure that no entries are accepted from or invitations extended to ineligible institutions.

31.3.1 Size of Championships Fields. The size of all NCAA championships fields shall be established by the Championships/Sports Management Cabinet to provide for efficient management of the events, adequate NCAA championship opportunities relative to the nationwide quality of competition and sound economic administration of the financial resources of the Association and its championships. *(Revised: 8/13/93, 1/14/97 effective 8/1/97, 11/1/07 effective 8/1/08)*

31.3.2 Selection Decisions of Sports Committees. The determination of sites, selection of teams or individuals, or their site assignment in championships competition made by a governing sports committee (or a designated subcommittee) may not be appealed.

31.3.3 Criteria for Selection of Participants—Divisions I and II. The following criteria shall be employed by a governing sports committee in selecting participants for NCAA championships competition, and a governing sports committee that wishes to use additional criteria must obtain Championships/Sports Management Cabinet approval before doing so: *(Revised: 11/1/07 effective 8/1/08)*

- (a) Won-lost record;
- (b) Strength of schedule; and
- (c) Eligibility and availability of student-athletes for NCAA championships.

31.3.3.1 Countable Competition. For NCAA team-championship selection purposes, competition is countable only when the teams played are varsity intercollegiate teams of four-year, degree-granting institutions that conduct a majority of their competition in that team sport against varsity intercollegiate teams (see Constitution 3.2.4.5) of United States four-year, degree-granting institutions. Competition against service teams, professional teams, semiprofessional teams, amateur teams, two-year colleges and club teams shall be excluded.

31.3.3.2 Qualifying Standards. Individuals and teams required to meet performance standards to qualify for NCAA championships competition shall achieve such standards in meets held during the same academic year as the particular championship.

31.3.3.3 Ineligible Student-Athletes on Team. The presence on a varsity squad of one or more student-athletes who are ineligible, or unavailable due to injury, for NCAA championships competition does not necessarily disqualify that team from consideration. If such a student-athlete contributed materially to the team's success during the season, the committee may choose not to select that team, based on the conclusion that without the use of the ineligible or unavailable student-athlete, the team would not have been able to compile the record that brought it before the committee for consideration. It shall be the responsibility of the governing sports committee to apply the criterion "contributed materially" to each case as it arises.

31.3.3.4 Removal of Committee Member from Selection Process. If a team or individual athlete(s) of the institution of a member of the governing sports committee is under consideration for selection, that person shall withdraw from the committee deliberations while that team or individual(s) is being considered and shall not participate in any discussion or vote affecting that particular selection. The chair of the committee may appoint a replacement if it is deemed necessary. In the event the chair must withdraw, an individual shall be appointed by him or her to assume the responsibilities of the chair. The new chair may appoint a replacement to fill the vacancy if it is deemed necessary. In the event a replacement is appointed, geographical representation on the committee shall be maintained insofar as possible.

31.3.3.5 Exclusion of Institution Reclassifying from Division II to Division I. In all sports, any Division II institution that has forwarded to the national office written notice of its intention to change its membership classification to Division I per Bylaw 20.5.1 or that has petitioned to reclassify to Division I per Bylaw 20.5.2.1 no longer shall be eligible to participate in any following NCAA Division II championship. (*Adopted: 1/11/94 effective 8/1/94*)

31.3.4 Automatic Qualification. Each governing sport committee shall forward annually to the Championships/Sports Management Cabinet those conferences that should receive automatic qualification for their teams or individual student-athletes into NCAA championships. Prior to forwarding the list of conferences to receive automatic qualification, a governing sport committee shall ensure that the member conference meets the requirements specified in Bylaws 31.3.4.1 through 31.3.4.7. A member conference may appeal to the Championships/Sports Management Cabinet the automatic-qualification review of the sport committee and the committee's decision to find, or not find, a conference qualified for automatic-qualification status. The decision of the Championships/Sports Management Cabinet on such appeals will be final. (*Revised: 1/14/97 effective 8/1/97, 4/27/00, 11/1/07 effective 8/1/08*)

31.3.4.1 Requirements—Division Championship. To be eligible for automatic qualification in a Division Championship, a member conference must meet the following requirements: (*Revised: 1/9/06 effective 8/1/06*)

- (a) Conference competition must be conducted in the applicable sport and the conference champion in that sport must be determined not later than the date on which participants are selected for the NCAA championship, either by regular in-season conference competition or a conference meet or tournament, as indicated at the time of application. If a conference's competition to determine its automatic qualifier is unexpectedly terminated (e.g., due to inclement weather), the conference may designate its qualifier, provided it has established objective criteria for making that designation and has communicated that information to the appropriate sports committee by a specified deadline. (*Revised: 8/13/93*)
- (b) In the event of a tie for the conference championship, the conference shall have the responsibility of determining which team or individual shall represent the conference in NCAA competition. If a play-off is held, such competition shall be considered conference competition, not NCAA competition.
- (c) In sports other than championship subdivision football, a conference may establish subdivisions and conduct competition within each subdivision to determine a conference champion, as long as each subdivision consists of at least four members. Conferences with subdivisions of four members must conduct double round-robin competition within each subdivision, plus a postseason tournament, to determine their champion. Conferences with subdivisions of five or more members may conduct either single or double round-robin competition within each subdivision, plus a postseason tournament to determine their champion. (Note: This regulation does not apply to Division I men's or women's basketball. In those sports, a conference may conduct either double round-robin, in-season competition, or a minimum of 14 conference games in order to determine its champion.) (*Revised: 12/9/91, 10/18/95, 10/27/98, 12/15/06*)
- (d) In championship subdivision football, football-playing conferences that subdivide into five or more teams are required to conduct a single round-robin competition within each division and develop a formula

for determination of the conference champion, which must be approved by the Football Championship Committee prior to the start of the season. A postseason championship game is not required. (*Adopted: 10/27/98, Revised: 12/15/06*)

- (e) The conference must maintain and actively enforce compliance with eligibility rules at least as stringent as those in Bylaw 14 applicable to its members. The use of an ineligible student-athlete by a team in a conference that has been granted automatic qualification may result in the involved team being denied the right to be the automatic entry in the NCAA championship. The governing sports committee may recommend loss of the automatic-qualification privilege for the conference during the season in which the violation occurred or for a future championship.
- (f) All eligible member institutions must agree to participate in the appropriate NCAA championship. If a conference champion is ineligible to compete, declines to compete or cannot compete for any reason, automatic qualification shall be withdrawn for that year and the remaining conference members shall be considered at large. Automatic qualification for a conference shall not be withdrawn if a conference champion declines to compete in an NCAA championship for reasons related to written religious policies against competition on certain days. Under such circumstances, the conference's second-place team (as determined by the conference) shall receive the automatic bid to the NCAA championship. (*Revised: 4/20/99*)
- (g) All institutions may hold membership in only that conference in the sport in which automatic qualification is sought and may participate in only that conference's process to determine the automatic qualifier. (*Adopted: 12/5/94*)

31.3.4.2 Requirements—National Collegiate Championship. [#] To be eligible for automatic qualification in a National Collegiate Championship, a member conference must meet the following general requirements: (*Adopted: 1/9/06 effective 8/1/06*)

- (a) Have at least six active members that sponsor the applicable sport in any division (Note: A provisional member in the process of becoming an NCAA member cannot be used to meet the requisite number.);
- (b) The six active members must have conducted conference competition together for the preceding two years in the applicable sport;
- (c) There shall be no waivers of the two-year waiting period; and
- (d) Any new member added to a conference that is eligible for an automatic bid shall be immediately eligible to represent the conference as the automatic qualifier.

31.3.4.3 Notification—Automatic Qualification in Jeopardy. A governing sports committee must issue a written warning one year in advance to a conference that is in jeopardy of losing its automatic qualification. (Note: This regulation does not apply to the following championships in which a play-in system has been established: baseball, women's softball, women's volleyball and men's soccer.) (*Adopted: 10/3/06*)

31.3.4.4 Additional Requirements, Sports Other Than Men's Basketball.

31.3.4.4.1 Multi-Sport Conference. To be considered eligible for automatic qualification in a particular sport, a multi-sport conference (see Bylaw 20.02.5) must be a core conference (see Bylaw 31.02.3) and must include six institutions that sponsor the sport and conduct conference competition together. (*Revised: 4/27/00, 10/00, 4/29/04 effective 8/1/04, 8/5/04, 1/15/11 effective 8/1/11*)

31.3.4.4.2 Single-Sport Conference. To be considered for automatic qualification in a particular sport, a single-sport member conference for a sport sponsored by less than 50 percent of the Division I membership must include six institutions that have conducted conference competition together the preceding two years in the sport in question at the Division I level. (*Adopted: 8/5/04, Revised: 4/27/06 effective 8/1/06*)

31.3.4.4.3 Grace Period. A conference shall remain eligible for automatic qualification for two years following the date of the withdrawal of the institution(s) that causes the conference's membership to fall below six institutions that sponsor the sport and conduct conference competition together provided the conference maintains at least five Division I members. (*Adopted: 8/5/04, Revised: 1/15/11 effective 8/1/11*)

31.3.4.5 Additional Requirements, Men's Basketball. To be considered eligible for automatic qualification in men's basketball, a member conference must be a core conference (see Bylaw 31.02.3) and must meet the requirements of Bylaw 20.02.5. (*Revised: 8/14/90, 12/3/90, 4/27/00, 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11*)

31.3.4.5.1 Grace Period. A conference shall remain eligible for automatic qualification for two years following the date of withdrawal of the institution(s) that causes the conference's membership to fall below seven institutions that sponsor the sport and conduct conference competition together, provided the conference maintains at least six Division I members (see Bylaw 20.02.5). (*Adopted: 4/27/00, Revised: 4/29/04 effective 8/1/04, 1/15/11 effective 8/1/11*)

31.3.4.6 Sports Groupings for Automatic Qualification. For purposes of evaluating criteria for automatic qualification, the various sports shall be grouped as follows:

- (a) **Team Sports**—baseball, basketball, field hockey, football, ice hockey, lacrosse, soccer, softball, volleyball and water polo. In this category, subject to the approval of the Championships/Sports Management Cabinet, a sport committee may grant exceptions to the six-team requirement for sports that are sponsored by less than 30 percent of the membership, provided the conference previously included six teams that sponsored the sport; *(Revised: 4/26/07 effective 8/1/07, 11/1/07 effective 8/1/08)*
- (b) **Timed Individual Sports**—indoor track and field, outdoor track and field, and swimming; and
- (c) **Other Individual Sports**—cross country, fencing, golf, gymnastics, rifle, skiing, tennis and wrestling. In this category, a sports committee may grant exceptions to the six-team requirement, subject to the approval of the Championships/Sports Management Cabinet. *(Revised: 11/1/07 effective 8/1/08)*

31.3.4.7 Limitations on Automatic-Qualifying Positions.

31.3.4.7.1 Team Sports Other Than Men's Basketball. In team sports, per Bylaw 31.3.4.6-(a), excluding football and any team sport in which automatic qualification is not offered, the sport committee must award, if a sufficient number of applications for automatic qualification exist, at least 50 percent of the championship field to conferences that meet automatic-qualification criteria and provide play-in criteria. In sports other than men's volleyball, men's water polo and women's water polo, the remaining 50 percent of the championship field shall be reserved for at-large teams. It will be the responsibility of the Championships/Sports Management Cabinet to determine if a conference play-in to a championship field is to be administered by the NCAA championships staff or by the member conference. *(Adopted: 4/20/99, Revised: 11/1/07 effective 8/1/08, 4/28/11 effective 8/1/11)*

31.3.4.7.2 Men's Basketball. In men's basketball, subject to the championships-access guarantee afforded to the subdivisions as set forth in Constitution 4.01.2.3.1 (e.g., all contests that are part of the championship shall be administered and funded by the NCAA and broadcast on television and any team that participates in the championship shall be awarded at least one financial unit), there shall be a minimum of 34 at-large selections and the remainder of the championship field automatic-qualifying positions. All competition in the championship is to be administered by the NCAA championships staff. *(Adopted: 4/20/99, Revised: 12/15/06)*

31.3.5 Selection of Balance of Championship Field. Once the official representative(s) of each qualifying conference is determined, the governing sports committee responsible for selection of the balance of the championship field shall consider objectively and without prejudice the competitive records of all other eligible student-athletes and teams (including representatives of the other members of the conferences receiving automatic qualification). To the best of its ability, the committee shall select the most highly qualified individuals and teams to complete the championship field in accordance with the regional structure, if any, approved for the particular championship.

31.3.6 Institution Trademarks. Participation in a national collegiate championship constitutes acquiescence by the member institution that the Association may use the institution's name, mascot and other identifying marks in championship-related activities, including television, promotion, licensing and merchandising programs incident to the championship. Revenues derived from such activities, less expenses, will be remitted to the member institution. *(Revised: 11/3/93)*

31.4 Financial Administration of Championships.

31.4.1 Host Institution's Responsibility. The host institution shall administer the finances of an NCAA championship in accordance with this bylaw and consistent with the institution's championship budget, as submitted to and approved by the governing sports committee and the Championships/Sports Management Cabinet. *(Revised: 11/1/07 effective 8/1/08)*

31.4.1.1 Institution's Financial Report. A financial report from each championship site shall be submitted to the NCAA president not later than 60 days following the conclusion of the competition and shall bear certification of the athletics director of the host institution. The report shall be submitted on a form approved and provided by the NCAA president.

31.4.1.1.1 Exclusions. A host institution or sponsoring agency shall not include in its financial report or in its percentage of net receipts television rights fees or income from the sale of championships merchandise. Also, income from program advertising or sales shall not be included in the host institution's or sponsoring agency's financial report or percentage of net receipts if the program is produced and sold under contract between the NCAA and an outside agency.

31.4.2 Gross Receipts. Gross receipts shall be all revenues derived from the championship, including:

- (a) Sale of tickets. All tickets shall be accounted for at face value and shall become a part of gross receipts. Working passes may be provided to bona fide working personnel, including media representatives; and participation passes may be provided to student-athletes competing in the championship and to their coaches, athletics trainers, managers and other members of the participating institution's official party as defined by the Association;

- (b) Net revenue from marketing items sold at the site through or by an outside agency under contract with the NCAA;
- (c) Program sales and advertising;
- (d) Radio, television and movie rights; and
- (e) Any other income derived from the operation of the championship.

31.4.2.1 Exclusions. Income from concessions and parking shall accrue to the host institution or sponsoring agency and is not included in gross receipts. Sales commissions received by a host institution for selling marketing items on behalf of an outside agency under contract with the NCAA shall accrue to the host institution.

31.4.2.2 Waiver. Any waiver of the policies for the gross receipts of championships shall be approved in advance by the Championships/Sports Management Cabinet. *(Revised: 11/1/07 effective 8/1/08)*

31.4.3 Game Expenses. Game expenses are the actual costs directly related to the administration and conduct of the championship, including specifically the costs for tickets (printing, selling and collecting), sales taxes, ushers, game officials, police, buildings and grounds expenses, printing of related materials, motion pictures of the competition (if authorized by the Championships/Sports Management Cabinet), reasonable entertainment, expenses of selection committees authorized by the governing sports committee and any other out-of-pocket expense directly related to the administration and conduct of the championship. *(Revised: 12/2/90, 11/1/07 effective 8/1/08)*

31.4.3.1 Exclusions. The following items shall not be included as game expenses:

- (a) The cost of permanent equipment, local transportation of competing teams and on-campus facility rental charges; and
- (b) A fee or honorarium for athletics department staff members of the host institution (e.g., athletics director, assistant athletics director, business manager, ticket manager, coach, sports information director or athletic trainer). (Note: Such a payment could be made from the host institution's share of net receipts.)

33.3 Institutional Performance Program Schedule of Participating Institutions.

33.3.1 Determination of Schedule. The Committee on Institutional Performance shall determine the institutional performance program schedule, which shall be based on the following principles, insofar as is practicable: *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

- (a) Institutions from the same conference should be evenly scheduled throughout the institutional performance program cycle so as to reduce the burden on the conference office.
- (b) Conferences may suggest a schedule for their member institutions.
- (c) The institutional performance program should be scheduled in conjunction with the institution's regional accreditation insofar as is possible for those institutions that so desire.
- (d) When the above principles are not operative, procedures of random selection will be used.

33.3.1.1 Institutional Performance Program Schedule for New Division I Members. New Division I members shall be scheduled as soon as practicable after the effective date of their active membership. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

33.3.1.2 Modification of Schedule. An institution may apply to the Committee on Institutional Performance for modification of its place in the schedule upon a showing of special need. 33.3.1.3 Postponement of Institutional Performance Decision for Restricted Members or Those Involved in NCAA Investigations. The Committee on Institutional Performance may, at its discretion, delay or postpone the participation of an institution classified in a restricted-membership status or of an institution that is subject to the discontinuation of a sport(s) program(s) as a result of NCAA repeat-violator penalties, when the committee determines it is in the best interests of the Association to do so. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

33.4 Self-Study Process and Report Procedures.

33.4.2 Use of Outside Consultants. Institutions shall not be prohibited from using outside consultants in conducting self-studies (e.g., organizing or facilitating an institution's self-study process). However, the institution's own personnel shall be responsible for generating the substance of the self-study report. Peer-review teams shall evaluate institutions on their role in the development of the content of self-study reports. *(Adopted: 1/16/93 effective 1/1/94)*

33.4.3 Submission of Self-Study Report. Institutions shall be required to submit self-study reports and any supporting documentation to the NCAA staff sufficiently in advance of the evaluation visit. The Committee on Institutional Performance shall perform a preliminary analysis of the report based upon directives or criteria established by the Committee on Institutional Performance. Any decisions to delay the processing of a report shall be made only after consulting with NCAA staff members and with the chair of the Committee on Institutional Performance. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

33.4.4 Confidentiality of Report. Institutional self-study reports shall be treated as confidential by the NCAA, peer-review teams and the Committee on Institutional Performance. 33.5 Orientation.

33.5.1 Timing and Purpose of Orientation. An NCAA staff member shall conduct an orientation for each institution at least one year in advance of the institution's initial-scheduled evaluation site visit. The primary purpose of the orientation visit shall be to discuss with institutional and conference personnel the purpose, process, implications and expectations of the institutional performance program. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

33.5.2 Conference Role. Conference staff representatives may participate during an orientation at the conference's expense. *(Adopted: 1/16/93 effective 1/1/94)*

33.6 Peer-Review Evaluation Visit.

- (i) Otherwise ensuring that the team fulfills its responsibilities and the objectives specified for evaluation visits.

33.6.4 Conference Role. Conference staff representatives may accompany peer-review teams on evaluation visits at the conference's expense. 33.6.7 Release of Information Regarding Evaluation Visit. Until the Committee on Institutional Performance renders its decision, information released regarding evaluation visits shall be limited to statements of the visit's status (whether the visit has not been made, is in progress or has been completed) and the identities of peer-review team members assigned to the institution. Before the formal assessment, the NCAA, peer-review team

and the institution shall not publicize information regarding the visit and shall respond only to inquiries with the public information just described. Following release of the committee's decision, the institution is at liberty to release any information regarding the visit. *(Adopted: 1/16/93 effective 1/1/94, Revised: 1/19/13)*

33.7 Report of Peer-Review Team.

33.7.1 Submission of Report. Following the evaluation visit, a draft of the peer-review team's report shall be provided to the president or chancellor of the institution. The president or chancellor shall have two weeks from the date that the draft is received to correct any factual errors contained in the team's report. A copy of the report then will be submitted to the Committee on Institutional Performance as soon as practicable following the president or chancellor's review. A copy of the report also will be provided to the president or chancellor and to the institution's conference. *(Adopted: 1/16/93 effective 1/1/94, Revised: 8/10/94, 3/8/06, 1/19/13)*

33.7.2 Content of Report. The peer-review team's report shall include the following: *(Adopted: 1/16/93 effective 1/1/94, Revised: 10/14/05, 1/19/13)*

While other information related to the peer-review team's report or the actions of the Committee on Institutional Performance shall be considered confidential between the institution and the NCAA, the institution may release information regarding the committee's decision at its own discretion. *(Adopted: 1/16/93 effective 1/1/94, 1/19/13)*

Instructions for Online Manual (Bylaw) Search

The legislation included in this Manual is available online via the NCAA Legislative Services Database for the Internet (LSDB*i*) at www.ncaa.org. The LSDB*i* Manual is updated throughout the year to reflect any adopted legislation, modifications of wording, incorporations of interpretations or editorial revisions. Therefore, the LSDB*i* Manual includes the most up-to-date legislation available and a mechanism for quickly searching and locating legislation through a variety of user-friendly methods.

In order to access LSDB*i* from the NCAA homepage, run the mouse over “Legislation and Governance” and click “LSDB*i*.” On the top menu bar, select “Search,” then select “Legislation.” The information included below provides directions related to using the Manual (Bylaw) search function.

For more information, contact the NCAA academic and membership affairs staff at 317/917-6222.

Manual (Bylaw) Search

The Manual (Bylaw) Search screen is provided to allow the LSDB*i* user to search the NCAA Division I Manual. To perform a search, enter data into the fields and click on the “Go Search” button. This will list all bylaws that match the search criteria. The following information will describe each search criteria field and explain its use in detail.

That Reference — This field allows the user to select which manual to search (Division I, II or III).

— Click on the reminder icon to set the division default.

Article # — This field allows the user to select and search any one article or all articles. All matching occurrences of the search terms within the selected article are returned. The default for this field is “all.” Unless the user is searching for a specific bylaw, it is recommended that the default setting be used.

Specified Legislative Cite — This allows the user to input any specific bylaw number. All matching occurrences of the search terms with the selected bylaw and “sub bylaws” are retrieved. For example, if “13.2” is entered, Bylaws 13.2, 13.2.1, 13.2.3, 13.2.3.1 and so forth will be searched and/or returned depending on any additional search criteria.

The screenshot shows a form titled "Legislation" with the following options:

- That reference
- Article #
- Specified Legislative Cite
- Include adopted

— Select the radio button before “Article #” or “Specified Legislative Cite” to identify which of the two criteria will be used in the search.

Include adopted — Select this check box to include bylaws that are adopted but not yet effective. The box is checked by default. Deselect the box to exclude bylaws that are adopted but not yet effective.

Word List Search Fields — The word list search field allows the user to search for specific words or phrases in the legislation in a similar manner as one would look for specific words or phrases in a printed index. If no words or phrases are included in a blank word list, it will not be used in the search.

The following information provides an explanation of the fields in the search rows:

Word List Usage — The first pull-down list (from the left) has three possible entries:

- **At Least One of the Words** — If any one of the words in the word list is in the bylaw text or title (as specified by the location field explained below), the bylaw will be returned. A space between words in the word list serves as an “or.”
- **All of the Words** — All of the words in the word list must be in the bylaw text or title (as specified by the location field explained below) for the bylaw to be returned. A space between words in the word list serves as an “and.”
- **The Phrase** — The entire word list must match, verbatim, text in either the bylaw or bylaw title (as specified by the location field explained below) for the bylaw to be returned.

Word List Field — The text entry field allows the user to enter words to be searched. Multiple words may be entered separated by a space or spaces.

Location — The location pull-down list allows the user to select where the words in the word list usage field will be searched.

- **Text** — The word list item(s) must appear in the bylaw text. The title is not searched.
- **Title** — The word list item(s) must appear in the bylaw title. The text is not searched.
- **Both** — The word list item(s) must appear in both the bylaw text and bylaw title.
- **Either** — The word list item(s) may appear in either the bylaw text or bylaw title.

Multiple Word Lists — Multiple word lists can be specified by selecting the “Advanced Search” link in the upper-right corner of the “Legislation Search” title bar. Use the word list operators to combine word lists.

Word List Operator — This field allows the user to specify how the word list usage items will be combined to conduct a search.

- **And** — Both the word list in the same row and the word list in the row below it must be present for the bylaw to be returned.
- **Or** — Either the word list in the current row or the word list in the row below it must be present for the bylaw to be returned.

Other Buttons

Use Last Search Values — This button will redisplay the search input page with all of the search criteria from the last search. The user may then make changes and perform another search by clicking on the “Go Search” button.

Reset For New Search — This button will clear all search fields and return the search page to its default settings.
