ANNOUNCEMENT OF INTENTION TO OFFER RESOLUTION RAISING QUESTION OF PRIVILEGES OF THE HOUSE

Mr. BERRY. Mr. Speaker, pursuant to clause 1 of rule IX, I hereby give notice of my intention to offer a resolution which raises a question of the privileges of the House.

The form of the resolution is as follows:

A resolution in accordance with House Rule IX, clause 1, expressing the sense of the House that its integrity has been impugned because the anti-dumping provisions of the Trade and Tariff Act of 1930, (Subtitle B of Title VII) have not been expeditiously enforced;

Whereas the current financial crisis in Asia, Russia, and other regions have involved massive depreciation in the currencies of several key steel-producing and steel-consuming countries, along with the collapse in the domestic demand for steel in these countries;

Whereas the crisis has generated and will continue to generate surges in United States imports of steel, both from the countries whose currencies have depreciated in the crisis and from steel-producing countries that are no longer able to export steel to the countries in economic crisis;

Whereas United States imports of finished steel mill products from Asian steel-producing countries, the People's Republic of China, Japan, Korea, India, Taiwan, Indonesia, Thailand and Malaysia, have increased by 79 percent in the first 5 months of 1998, compared to the same period in 1997;

Whereas year-to-date imports of steel from Russia now exceed the record levels of 1997, and steel imports from Russia and Ukraine now approach 2.5 million net tons;

Whereas foreign government trade restrictions and private restraints of trade distort international trade and investment patterns and result in burdens on United States commerce, including the absorption of a disproportionate share of diverted steel trade;

Whereas the European Union, for example, despite also being a major economy, in 1997 imported only one-tenth as much finished steel products from Asian steel-producing countries as the United States did and has restricted imports of steel from the Commonwealth of Independent States, including Russia;

Whereas the United States is simultaneously facing a substantial increase in steel imports from countries within the Commonwealth of Independent States, including Russia, caused in part by the closure of Asian markets;

Whereas there is well-recognized need for the enforcement of United

States trade laws to provide an effective response to such situations:

Now, therefore, be it resolved by the House of Representatives that the House of Representatives calls upon the President to:

(1) take all necessary measures to respond to the surge of steel imports resulting from the final crisis in Asia, Russia, and other regions, and for other purposes;

(2) pursue enhanced enforcement of the United States trade laws with respect to the surge of steel imports into the United States, using all remedies available under those laws including offsetting duties, quantitative restraints, and other authorized remedial measures as appropriate;

(3) pursue with all tools as its disposal a more equitable sharing of the burden of accepting imports of finished steel products from Asia and the countries from within the Commonwealth of States;

(4) establish a task force within the executive branch with responsibility for closely monitoring United States steel imports of steel; and

(5) report to the Congress by no later than January 5, 1999, with a comprehensive plan for responding to this import surge, including the ways of limiting its deleterious effects on employment, prices, and investment in the United States steel industry.

□ 1940

The SPEAKER pro tempore (Mr. SNOWBARGER). Under rule IX, a resolution offered from the floor by a Member other than the majority leader or the minority leader as a question of the privileges of the House has immediate precedence only at a time designated by the Chair within 2 legislative days after the resolution is properly noticed. Pending that designation, the form of the resolution noticed by the gentleman from Arkansas (Mr. BERRY) will appear in the RECORD at this point.

The Chair will not at this point determine whether the resolution constitutes a question of privilege. That determination will be made at the time designated for consideration of the resolution.

Mr. BERRY. Mr. Speaker, I ask to be heard at the appropriate time on the question of whether this resolution constitutes a question of privilege.

The SPEAKER pro tempore. The gentleman will have that opportunity.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from North Carolina (Mr. COBLE) and the gentleman from Virginia (Mr. SCOTT) each will control 20 minutes.

The Chair recognizes the gentleman from North Carolina (Mr. COBLE).

GENERAL LEAVE

Mr. COBLE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks on S. 2193, the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

Mr. COBLE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 2193 consists of changes to public law that will enable us to implement the Trademark Law Treaty, popularly referred to as TLT, which the Senate ratified on June 26 of this year. There are 35 signatory nations to the TLT, which is designed to harmonize many trademark procedures around the world in an effort to simplify the registration process. These changes are especially important to American small businesses that wish to register their marks overseas but are unable to do so in every individual country because the process is too laborious and expensive. By enacting S. 2193, we will expand the ability of American businesses to conduct commerce abroad and diminish trademark piracy that has flourished in the absence of the TLT.

The bill is largely identical, Mr. Speaker, to H.R. 1661, the House version of the TLT Implementation Act, which we passed under suspension in July of last year. In addition, S. 2193 consists of technical changes to the

Lanham, or Trademark, Act, as well as compromise language governing the use of certification marks. Finally, the measure also empowers the Commissioner of Patents And Trademarks to conduct a study of the official insignia of Federally and State recognized Native American tribes.

Mr. Speaker, this is a noncontroversial and important bill which the Senate passed on September 17 of this year. I urge my colleagues to adopt it so we can send S. 2193 to the President for his signature.

Mr. Speaker, I reserve the balance of my time.

Mr. SCOTT. Mr. Speaker, I yield myself such time as I may consume, and I rise in strong support of S. 2193, the Trademark Treaty Implementation Act. The House of Representatives has passed this legislation before, and I am pleased that the Senate has taken it up and now we can finally get it enacted into law.

The enactment of this legislation will bring the United States into conformity with the treaty entered into earlier this year, the effect of which will be to greatly ease the registration requirements of domestic and international trademark holders. We should strongly support this bipartisan legislation. It is good for small business, good for American trademark holders and good for international registration.

Mr. Speaker, I would like to thank the gentleman from North Carolina (Mr. COBLE) and the gentleman from Massachusetts (Mr. FRANK) for their hard work on this bill and I urge its passage.

Mr. Speaker, I have no requests for time, and I yield back the balance of my time.

Mr. COBLE. Mr. Speaker, I yield myself such time as I may consume to thank the gentleman from Virginia for his help in this as well.

Mr. Speaker, I have no requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from North Carolina (Mr. COBLE) that the House suspend the rules and pass the Senate bill, S. 2193.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.
